Here is Japanese engineering at its most ingenious. Little wonder this feisty, two-cycle bike is so fiercely competitive on the track circuits, chalking up more than its share of victories. In Japan, they'd use the above ideogram to describe the "350." Translation: Feisty. We've miniaturized every detail of the Grand Prix, including control cables, fuel and oil lines, steerable front wheel and detailed, hollow tires. Your finished model is one-eighth as long as the real bike. Under $4, wherever toys or hobbies are sold.

--THEY NEVER LEFT ME ALONE-- BUT ONE DAY--MOOSE MOMMA WAS ALONE WITH ME--AND SHE TOOK SOME PILLS AND FELL ASLEEP-- I SAW MY CHANCE-- TOOK OFF MY COLLAR AND RAN AWAY-- RAN UNTIL I FOUND AN OPEN BACK WINDOW IN YOUR BOUTIQUE--AND, WELL-- YOU KNOW THE REST--

THE NEW WONDERFUL WORLD OF WONDER WOMAN

From Shirley A. Gorman—A Fan Forever

Dear Editor:

Yesterday, while in my local grocery store, I happened upon a copy of THE NEW WONDER WOMAN #182. Not having found any of the comics I usually purchase I decided to give this new version of Wonder Woman a chance. Frankly, I was looking forward to being disappointed. Wonder Woman never was a character I could like.

But I am writing this letter to tell you I have changed my mind. Diana Prince and I-Ching are superb. Now at last comicdom has a Honey West type of female character. Long have I waited for this moment. I cannot help but liken Issue 182 of the New Wonder Woman to the now defunct MAN FROM UNCLE TV series. That Soho scene definitely had an UNCLE atmosphere. As a female who can experience emotion, Diana is superb. The final tragic scenes were beautiful. Her tears and anger at being toyed with were heart-warming and heart-breaking. The sight of a lonely girl fleeing into the night was perfect.

And Dr. Cyber is something else that I have long waited for.She is a female villain.Comicdom has far too few real female villains. I detest the type of female who is the friend of the villain, etc. I am looking forward to many confrontations between Diana Prince and the evil doctor.

Ed.—That's *the kind of Fan I* like!

Jeff Qualls' Letter...

Dear Editor:

Before I say anything else, I'm going to tell you this letter is an apology. I must admit when I got No. 179 of Wonder Woman, I was ready to stop buying Wonder Woman right then and there. But I had to see what happened at the end of the continued story so I went on and bought all of the rest to that particular story, and in #182, when I saw the last panel I had to get #183. Boy, am I glad I did! It was great!! I can hardly wait for #184!

I can tell you now, if you continue with such stories, I will be a lifelong reader. So as I said in the first paragraph, I apologize.

Apologetically,

Jeff Qualls

Memphis, Tennessee

Ed.—Apology Accepted!

• • • • • •

Colin Robertson of Bergenfield, New Jersey—

Dear Editor:

This is very important. What is Wonder Woman's blood type?

Ed.—Colin, I'll make a deal with you—I'll tell you what her blood type is—if you'll tell me why you want to know? But I will tell you this—it's very, very rare.

• • • • • •

Larry L. Stout—Rushville, Indiana

Is Steve Trevor really dead? It states in Lois Lane #93 that he is. And it was shown a few issues ago in Wonder Woman toward the end of the story that his heart was not beating. But, I have read each and every issue of Wonder Woman since that issue and no mention is ever made in regard to Steve. Didn't she attend his funeral? Doesn't she ever weep or mourn for him? After all, she did love him for 30 years. All of a sudden, no concern? Yet, she weeps in Issue #182 and #183 for a man she just met and thought she loved. I don't understand this. Explain!!!

Ed.—First—Diana got out of the Air Force by resigning her commission—she was a Lieutenant.

Second—Steve is dead! Yes, she did attend his funeral—but as it was for members of the family and very close friends only, we did not intrude on their grief by showing it. And if you remember, Issue #180—you'll see Diana weeping and wailing over Steve—right on the cover.

TEST YOUR "GOLDEN AGE" I.Q.

How well do you fans know the heroes of the 1940's—the so-called "Golden Age" of comics? Here are 20 questions about the super-doers of yesteryear. See how many you can answer, then turn the page upside-down to read the correct answers.

1. Hop Harrigan, America's Ace of the Airways, starred in comics, on radio, and in a movie serial. What was the name of his rotund, red-haired mechanic?

2. DC had two super-speedsters in the old days —the Flash and Johnny Quick. What power did Johnny have that the Flash lacked?

3. Brooklyn, Alfie, Jan and Andre were four teen-agers who battled the Axis during World War II. By what name was the group known? Who commanded them?

4. No less than 17 heroes were active in the Justice Society of America at one time or another. We told you their names not long ago. Can you recall at least ten of them?

5. Who spoke this oath: "And I shall shed my light over dark evil, for the dark things cannot stand the light...the light of..."?

6. In its two appearances, the Injustice Society had eleven different members. Can you name five?

7. Which of the Injustice Society members double-crossed the others? Why?

8. What youthful assistants aided these heroes: Sandman? Shining Knight? Vigilante? The Guardian? Johnny Thunder?

9. Which teen-age hero had a grown assistant? What was the side-kick's name?

10. At one time, most heroes had humorous helpers for comedy relief. Who were the funny friends of the original Flash? Wonder Woman? Mr. America? Green Lantern? The Spectre?

11. Which heroes had these animal aides: a flying horse named Winged Victory? an owl named Hooty? a parrot called Static? an octopus named Topo? a hawk called Big Red?

12. What two heroes used atomic energy in the early 1940's, BEFORE the first atomic bomb was exploded?

13. What hero battled the Thinker? The Mist? The Dummy? The Huntress? The Cavalier?

14. What were the other identities of these heroes: Tex Thomson? Terry Sloane? Libby Lawrence? Al Pratt? Wesley Dodds?

15. What hero's strip was replaced by one starring his sister?

16. What villain got his name from the day he was spawned in the depths of a swamp?

17. Which hero, blind by day, could see in the dark?

18. What hero inspired Wildcat to adopt a secret, crime-fighting identity?
