COLDFRONT?! INTHEMIDSTOFONEOFTHEWORSTAUTUMN HEAT WAVES IN NEW YORK HISTORY, METEOROLOGISTS PREDICT A WINTER STORM IN THE NEXT FEW WEEKS. WHAT'S BEHIND THIS WEIRD WEATHER? MORE ON PAGE Z42!

SHOCK TREATMENT!

Max Dillon, the man known as Electro, was one of the first super villains Spider-Man faced. His mastery of electricity made him an unpredictable foe, but he's fallen on hard times. His criminal activity gave him an enormous life savings, but he lost it all in the financial collapse. His powers have become increasingly erratic and out of control, causing sporadic black and brownouts in the New York area.

With his life falling apart, he turned to super-villain scientist The Mad Thinker to amp up his powers, but The Thinker won't work for free and Electro's bill is due…

In a city outraged at outlandish federal bailouts for big-spending companies, such as Dexter Bennett's DB!, Electro begins a series of web videos rallying citizens against big business and to his side – and it's working.

At a rally on Wall Street, an angry mob cheers him on as he shocks Spidey with a taste of his new power – and then joins him in attacking the webbed wonder. He's become a working class hero, and it's only a matter of time before the money comes in…

MAYOR JAMESON: MENACE!

By Dexter Bennett

Superhuman crime runs rampant, City Hall faces a budget crisis and vigilantes like Daredevil terrorize the streets, but what does "Hizzonner" rail against? Me, Dexter Bennett, and your DB getting a few dollars from the Feds. With our city on the brink, you NEED The DB! to keep you informed. Shouldn't Jonah drop his petty "rivalry" with me and focus on the CITY? A morning's police report tells of a little girl's kidnapping in the Bronx. Mob informants whisper of the resurgence of Maggia head-honcho Silvermane, but all the blabberations from the Mayor's office are about ME and my paper, not YOU, the people… (continued on page GG32)

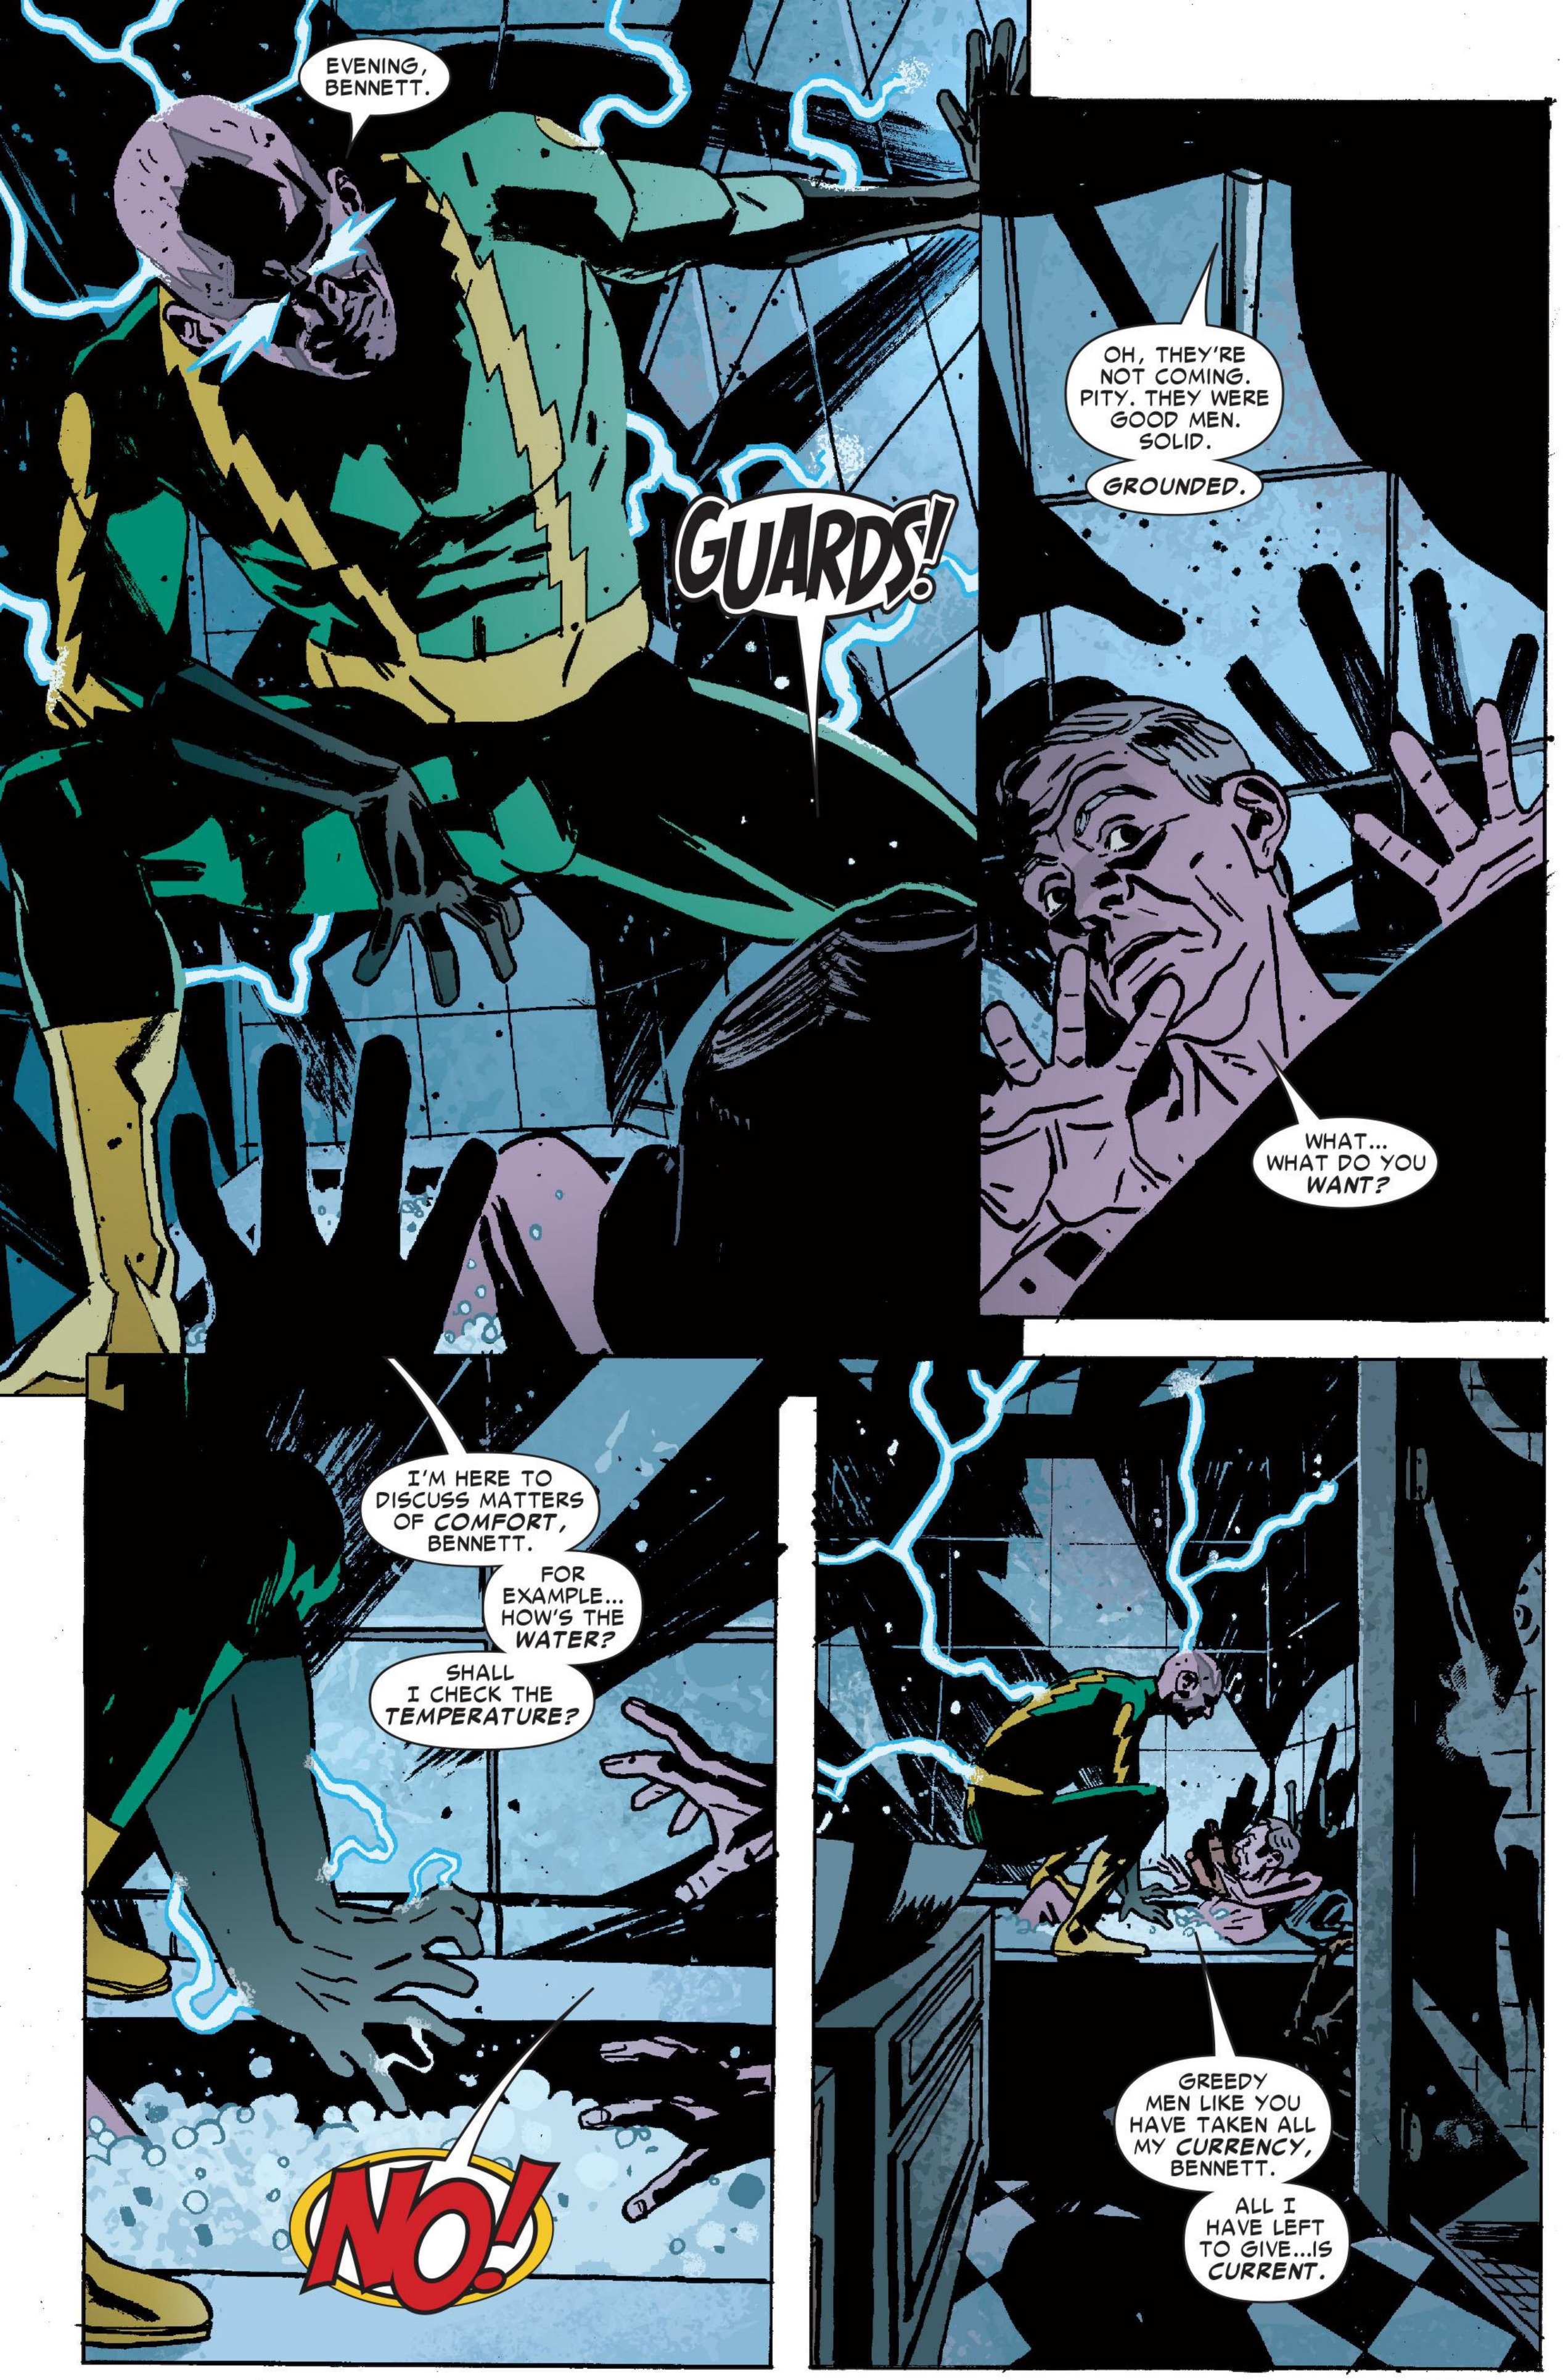
Crook's Target: City Defender Dexter Bennett

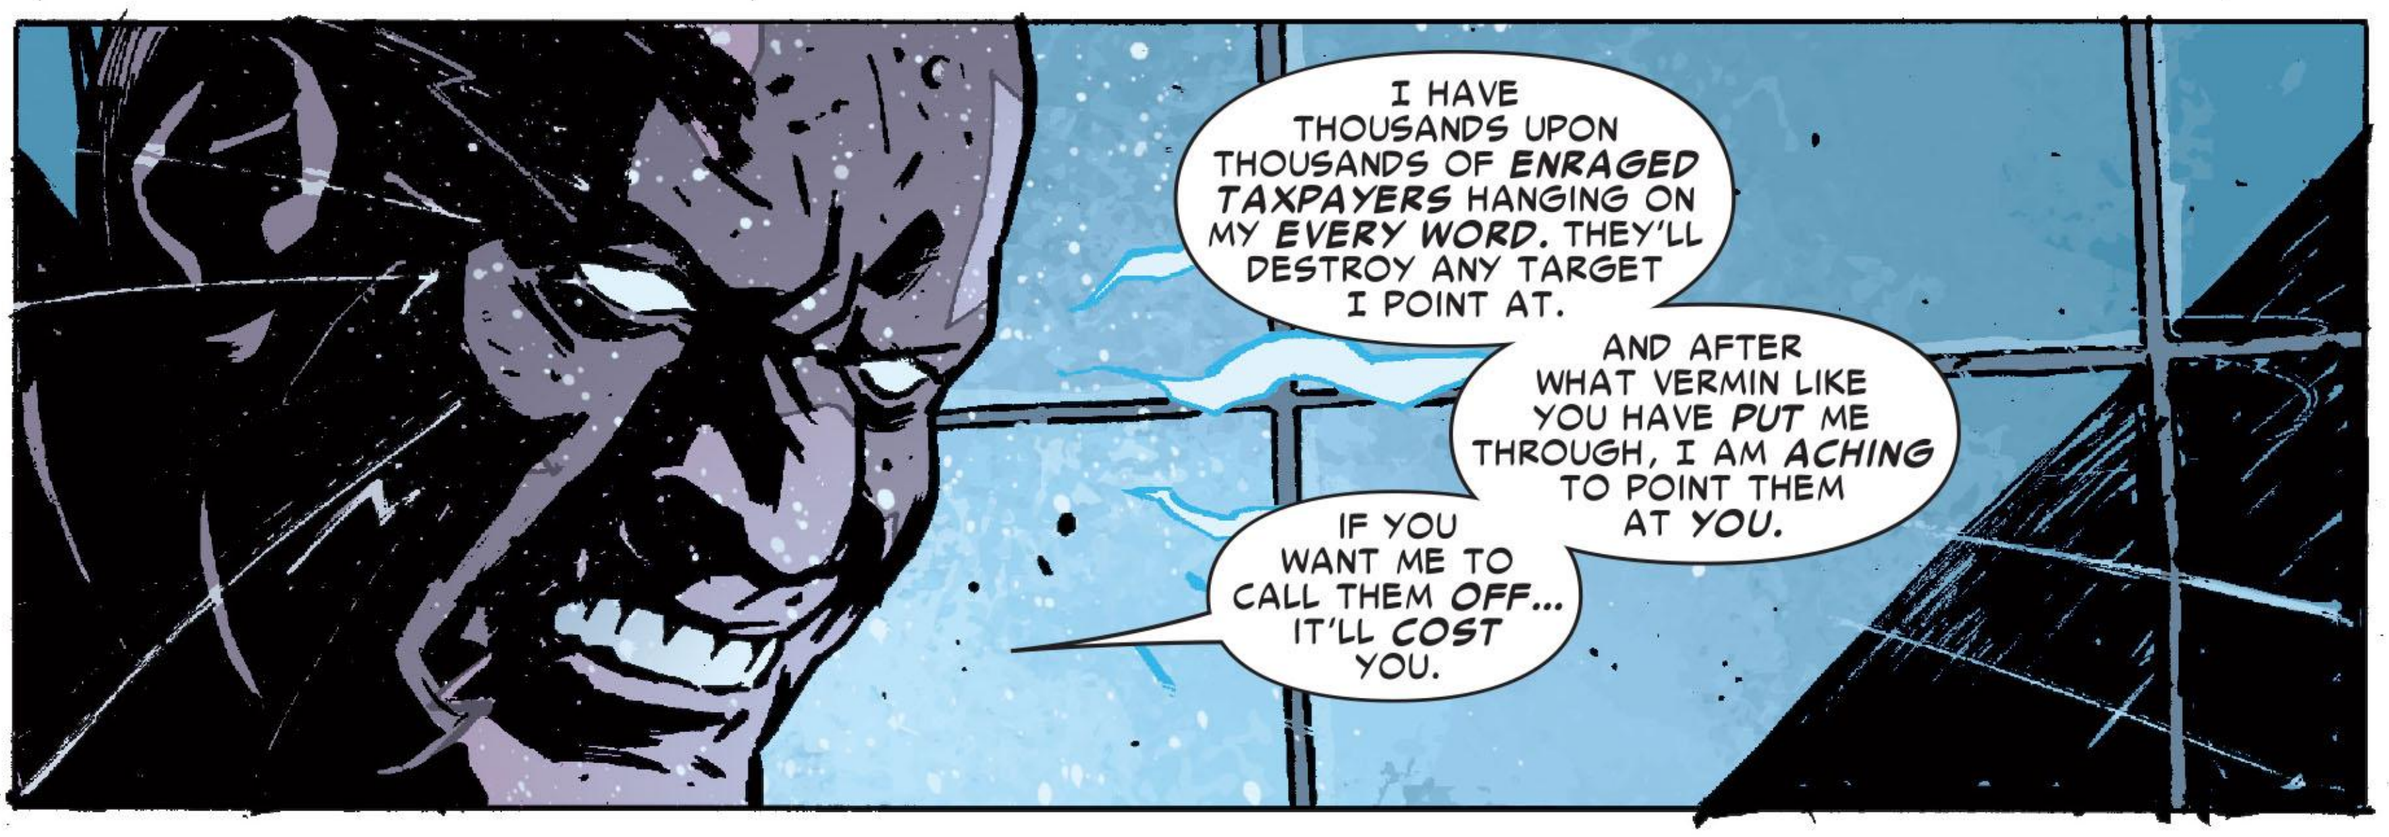


EVENING, BENNETT.
GUARDS!
OH, THEY'RE NOT COMING. PITY. THEY WERE GOOD MEN. SOLID.
GROUNDED.
WHAT... WHAT DO YOU WANT?
I'M HERE TO DISCUSS MATTERS OF COMFORT, BENNETT.
FOR EXAMPLE... HOW'S THE WATER?
SHALL I CHECK THE TEMPERATURE?
NO!
GREEDY MEN LIKE YOU HAVE TAKEN ALL MY CURRENCY, BENNETT.
ALL I HAVE LEFT TO GIVE...IS CURRENT.

WHY ME? DEAR GOD, I'M SMALL POTATOES COMPARED TO THE BANKERS AND THE BARONS! WHY HAVE YOU SINGLED ME OUT?

TO SCARE YOU INTO A DEAL.
I HAVE FOUND THAT FRIGHTENED MEN ARE NOT TERRIBLY STINGY.

BLACKMAIL. THIS IS ABOUT MONEY.
IT'S ALWAYS ABOUT MONEY.



I HAVE THOUSANDS UPON THOUSANDS OF ENRAGED TAXPAYERS HANGING ON MY EVERY WORD. THEY'LL DESTROY ANY TARGET I POINT AT.
AND AFTER WHAT VERMIN LIKE YOU HAVE PUT ME THROUGH, I AM ACHING TO POINT THEM AT YOU.
IF YOU WANT ME TO CALL THEM OFF... IT'LL COST YOU.

HOW MUCH...?
...

Peter Parker's (Shared) Apartment.

24 SLEEPLESS HOURS LATER.

STAY AWAKE. THIS THING WORKS, I WILL BE HAILED AS THE WORLD'S FOREMOST TRUFFLE-SNIFFING PIG.

ONLY INSTEAD OF TRUFFLES, I WILL SNIFF HUGE POWER SURGES THAT WILL LEAD TO ELECTRO.

I WILL ALSO BE NAMED GOD-KING OF THE HORRIBLE SLEEP-DEPRIVED METAPHOR.

I BUILT SPIDER-TRACERS WHEN I WAS IN HIGH SCHOOL. NOT A TOTAL STRETCH THAT I COULD MARRY THAT TECH TO THIS.

VOILA. SO SLEEK, SO BEAUTIFUL...AS IF A PIG-NOSE MATED WITH AN IPOD.

BOY, I NEED A NAP.

BUT FIRST... TO TEST IT.

ALL I NEED...

AND WE ALL KNOW...

...IS GREAT POWER.

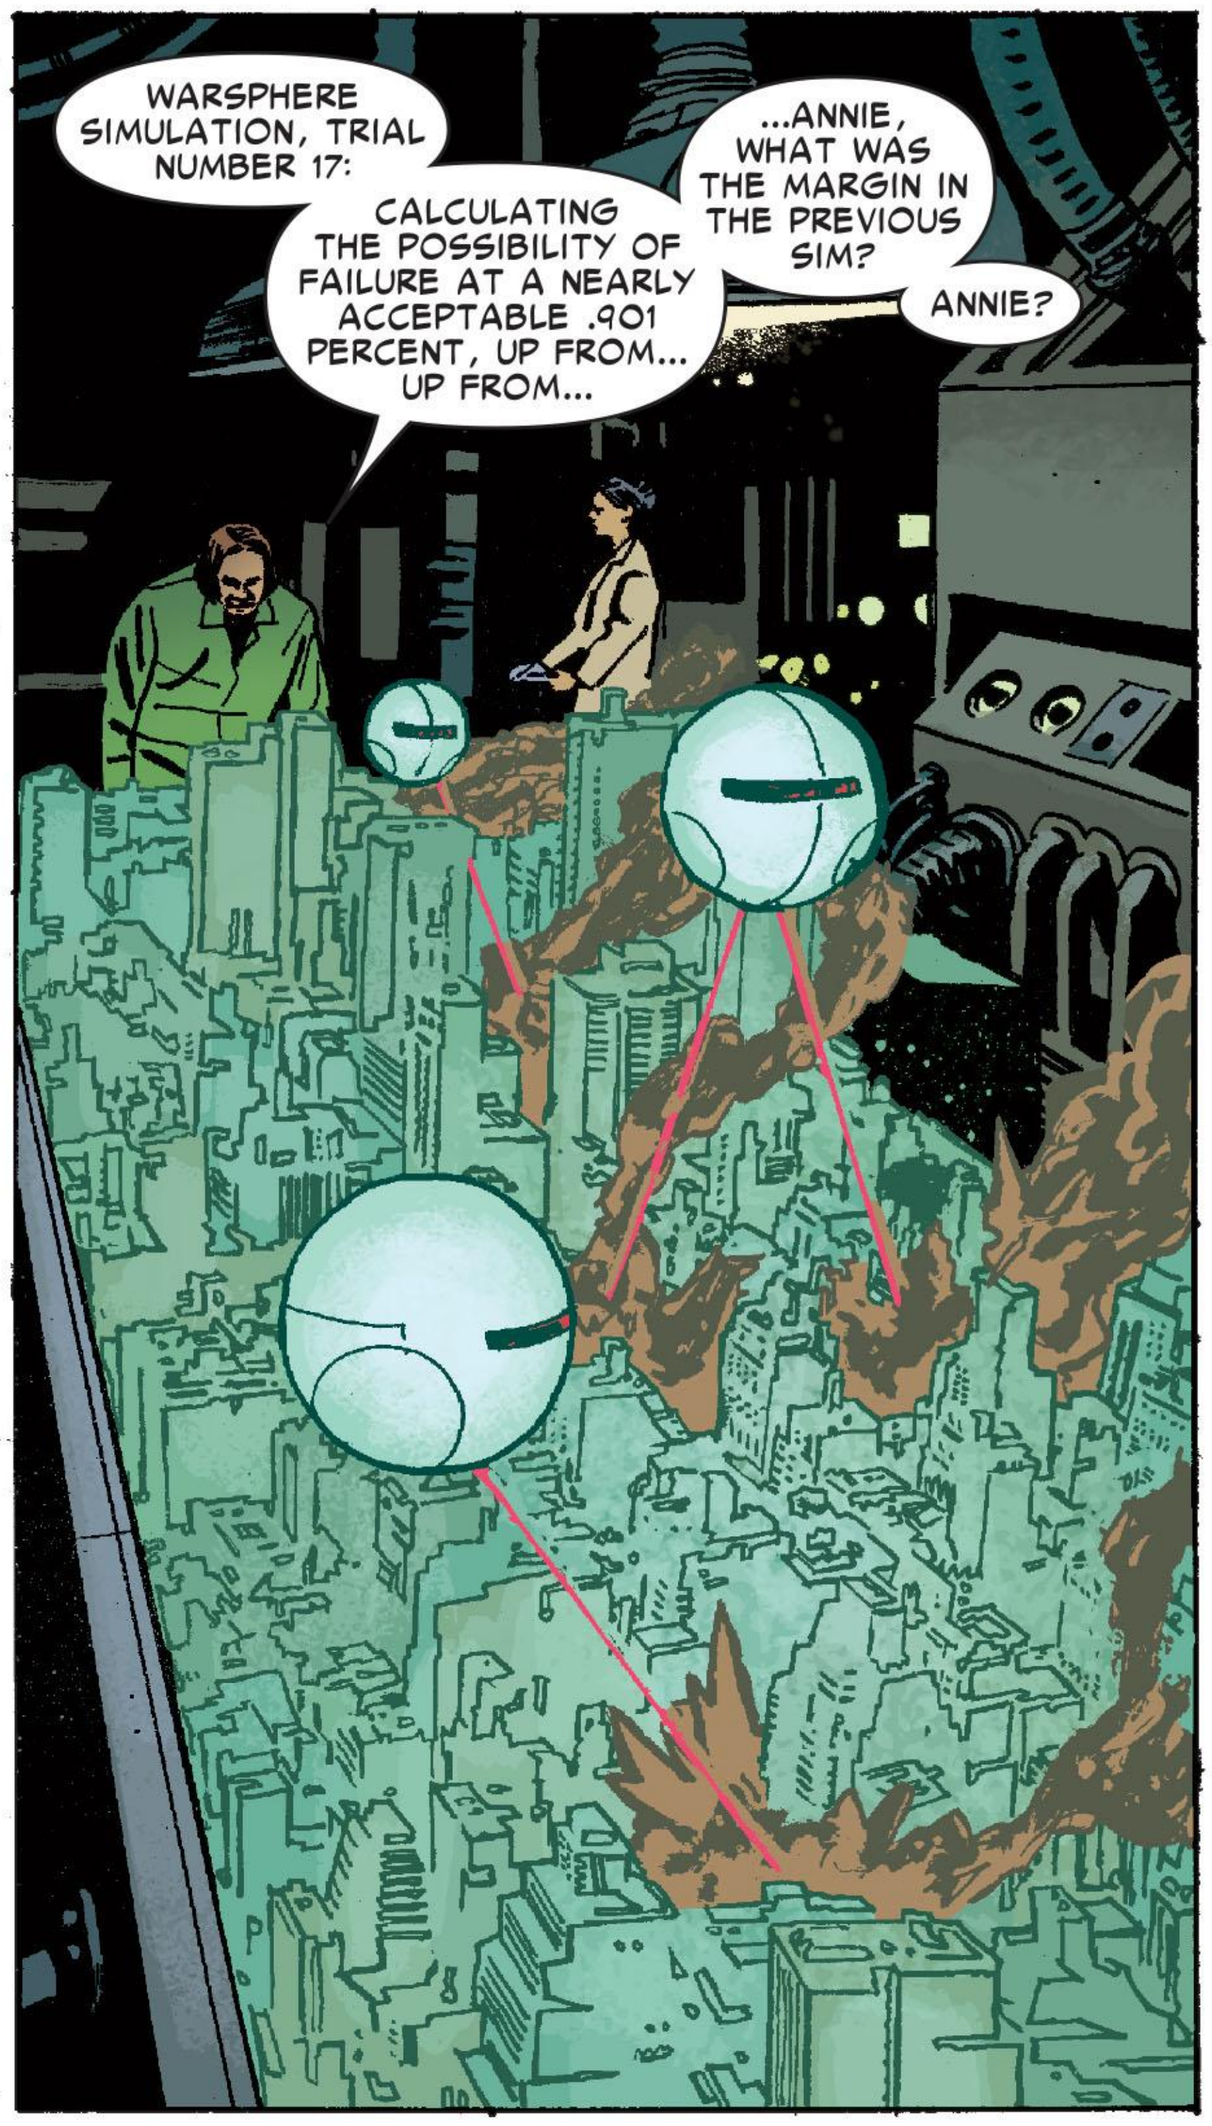
...WHAT COMES WITH THAT.

HA! SCIENCE!

POP!

WAIT. SPIDER-SENSE STILL TINGLING. DANGER...?

WHAT ARE YOU DOING, YOU MANIAC?



WARSPHERE SIMULATION, TRIAL NUMBER 17:

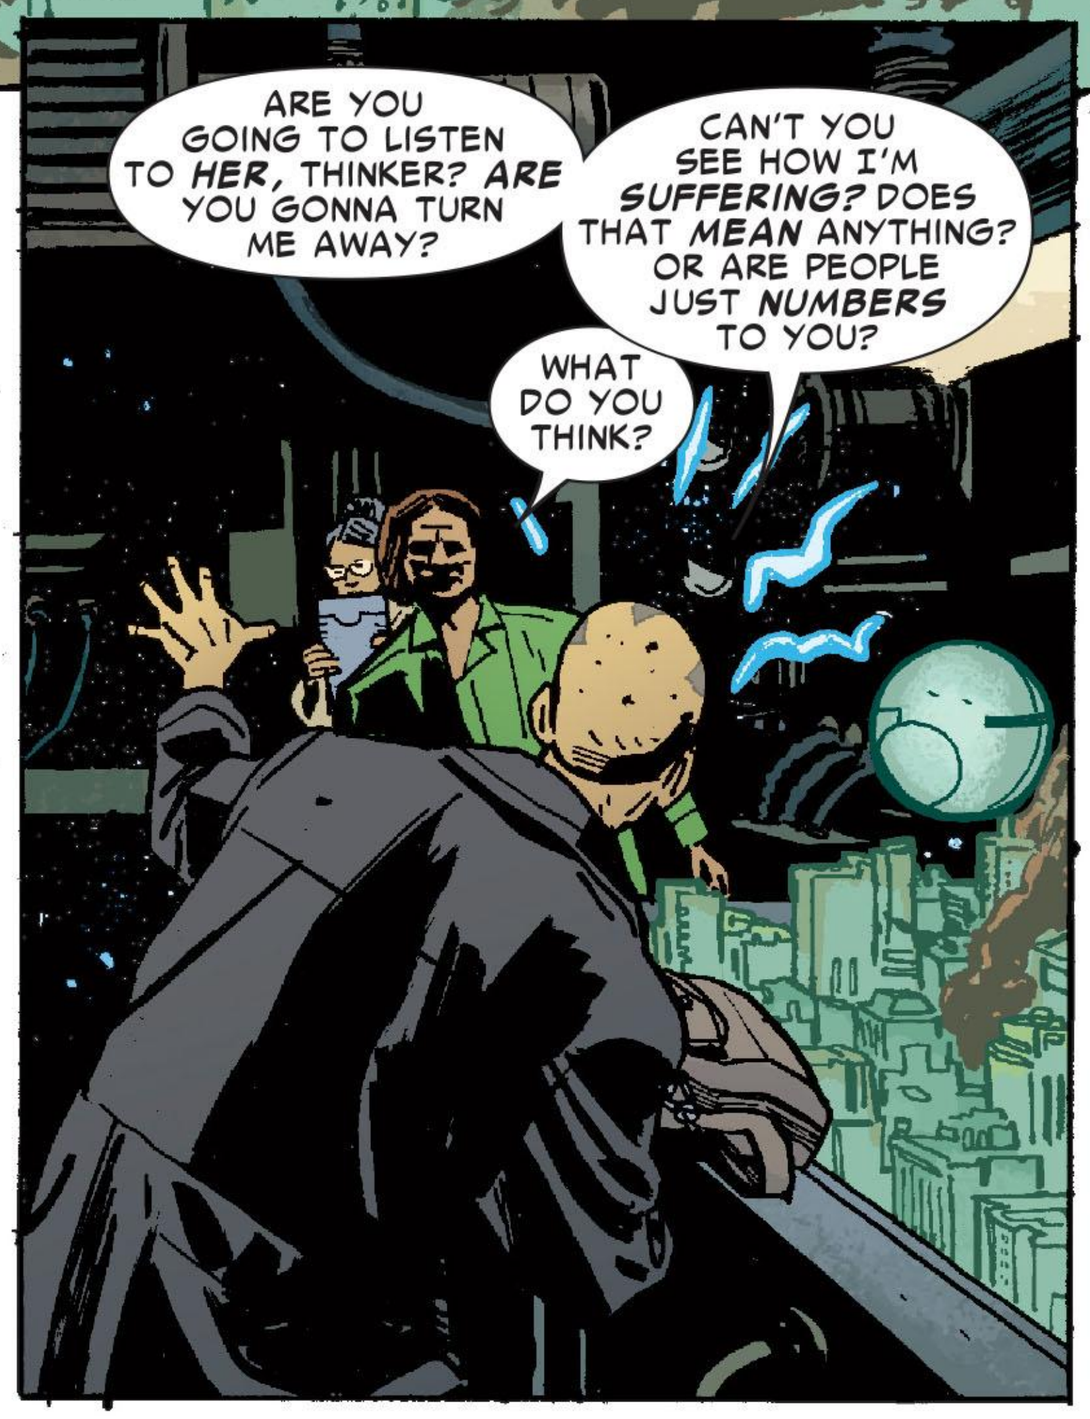
SORRY. SORRY! IT'S JUST...

LOOK, I'M PREOCCUPIED WITH ELECTRO, OKAY? THE WAY HE STARES AT ME, IT'S...WELL, IT'S CREEPY, THAT'S ALL.
I JUST DON'T WANT HIM AROUND. AND I DON'T THINK I CAN WORK HERE IF IT MEANS I HAVE TO PUT UP WITH HIM.

FACTORING IN ALL THE DATA, THERE IS A CHANCE THAT ELECTRO'S CHEMICAL IMBALANCE IS MAKING HIM SO IRRATIONAL THAT HE MAY NEVER COME UP WITH THE MONEY FOR THE TREATMENT HE NEEDS.
UNFORTUNATELY FOR YOU, MY DEAR, I PUT THOSE ODDS...

...AT NEAR-ZERO.
WHUMP

I COULD HEAR YOU.
HEAR YOU TALKING. YOU, ANNIE...YOU WANT YOUR BOSS TO CUT ME LOOSE. TO LET ME DIE.
DON'T SELL ME SHORT, ANNIE.



ARE YOU GOING TO LISTEN TO HER, THINKER? ARE YOU GONNA TURN ME AWAY?
CAN'T YOU SEE HOW I'M SUFFERING? DOES THAT MEAN ANYTHING? OR ARE PEOPLE JUST NUMBERS TO YOU?
WHAT DO YOU THINK?

THAT I'M SO SICK I DON'T EVEN KNOW WHAT I'M SAYING HALF THE TIME. OF COURSE WE'RE NUMBERS.
BUT YOU DON'T HAVE TO CARE ABOUT ME. JUST THINK OF THE MONEY.
THINK OF THE MONEY.

WHAT CAN I SAY?
THERE IS RATHER A LOT OF IT.

Before we get to the letters, don't forget that you can find out more about Electro in this week's Web of Spider-Man #2 in a story featuring his origin by Web-Head Fred Van Lente and Dead-Head Barry Kitson.

Also this week, the long awaited date between Spidey and Ms. Marvel? Yep. It's happening right now in Ms. Marvel #47. You can probably see it from where you're standing right now.

Go. Now. Buy.

To Spidey-team

I am writing because I want to apologize. I have just seen an article online criticizing you for the recent Chameleon/Michelle storyline in ASM #601-605. It appears as though Mr. Van Lente is being asked to defend this story from attackers. I wanted to apologize to you on their behalf.

I am a long time Spider-Man reader, and although I am against OMD, the stories you've put out since then have been good, often excellent - Red Headed Stranger included. Part of your success come from having truly evil or twist villains. It's one thing to ask the writers to give Peter a strong moral compass, but now the Internet hordes expect the villains to be honorable too! Please note I don't agree with what Chameleon did, but expect that he is a villain in a work of fiction

Having real life situations (like Peter's 'hang over') and villains that do more than mustache curl is making this book essential reading again. Keep it up!!!

Hey Spider-Mail,

ASM #606. Laughed the whole way through. The whole Michelle-Norah-MJ debacle was the infrequent, yet quintessential, Peter Parker moment. And only Spidey would bare his soul to a helpless perp mid web-sling. Highly enjoyable.

That being said... "punber two"? Seriously? Who let that one through?

Erik Weinfurter

Tom Brennan is responsible. I gave up on reading comics years ago.

Hello, folks!

I have to know, once and for all. Is Spidey's costume red and blue or red and black?

Scott D. Randel
Everett, WA

Ah, one of the classic conundrums of comics, the fuel that has fed many late night debates among fans, editors and creators.

Not to worry, Marveldom. I have all the answers.

As to Spidey's costume color, we've seen both blue and black. I always just figured Pete had two costumes. Here's more official answers to send handbook writers a'tizzy! :

-Captain America would beat Wolverine.

-Reed Richards is smarter than Tony Stark.

-Thin Spidey webbing is better than thick.

-Yellowjacket is better than Ant-Man

-Thor is stronger than Hulk.

-MJ is better than Gwen.

-Marvel Two-In-One was better than Marvel Team-Up.

-Alicia Masters is blinder than Daredevil.

-Hulk is stronger than The Thing.

-Uncle Ben is deader than Aunt May.

-Secret Wars 2 is better than Secret Wars 1.

-The Thing is stronger than Man-Thing

-Flash is faster than Quicksilver.

-Brevoort is beardier than three vikings.

AND IT'S ALL OFFICIAL!!!

To the coolest guys that walk the earth... Marvel;

I have been a fan of the Amazing Spider-Man since I was twelve. A friend of mine gave me the issue with the first appearance of Puma and I was hooked. I was fascinated by the new black costume back then and from that point I have made it my mission to collect every single issue, both old and new. The new ones are cheap and easy to come by, the old ones...well, lets just say I have a separate savings account set up to fill those early numbers.

I bought #1 a few years back, just after meeting the woman I was soon to marry. She thought I was crazy considering the amount of money I spent on a comic book. Since then I have filled the first 13 issues and only have a handful or so left to fill the first 50 issues.

I had thought that my life would be complete when the collection was finished, but that special lady came into my life and changed all that. Well, we were married on April 17th of this year and as a huge surprise, she got me a special wedding cake...photo attached. She even had a custom cake topper made in the style of ASM Annual #21 with our faces!!

I love Spidey, but there is a greater love in my life now. She even made a comment about collecting Spidey comics in our wedding vows! What a great lady!

Anyway, just wanted to say thanks for all these years of reading and enjoyment...and here's to years to come.

You're a lucky man, Michael. Best of luck to you and the most patient, understanding woman on the planet. Trust me, you do not want to mess this up.

See, Brennan, there's someone for everyone, so stop with the sad, "poor-me" poems every morning on my desk.

That's it folks. Believe me, you'll want to be back here in two weeks for something huge. It's a gamechanger that I promise you can only be called the end of an era.
