Hey, you
know...

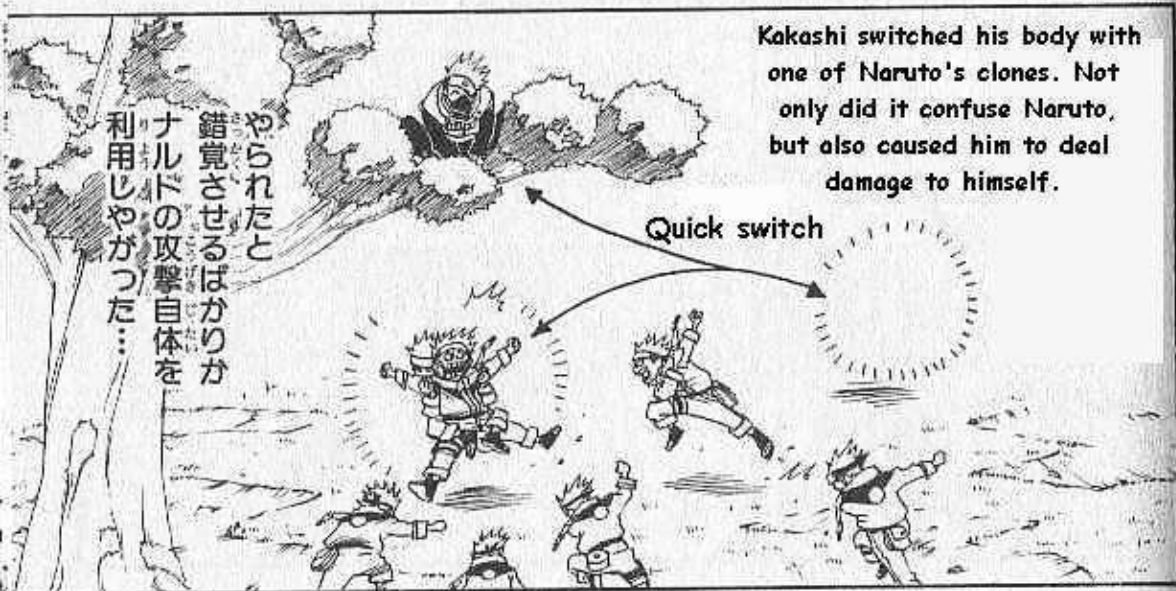

Why
don't you
release
the Jutsu?

puuf

Kawarimi no Jutsu, normally done by quickly replacing your body with a animal or plant. This will usually confuse your opponent and create a chance to attack.

Kakashi switched his body with one of Naruto's clones. Not only did it confuse Naruto, but also caused him to deal damage to himself.

A

He
dropped a

He must
have been
desperate to
escape.

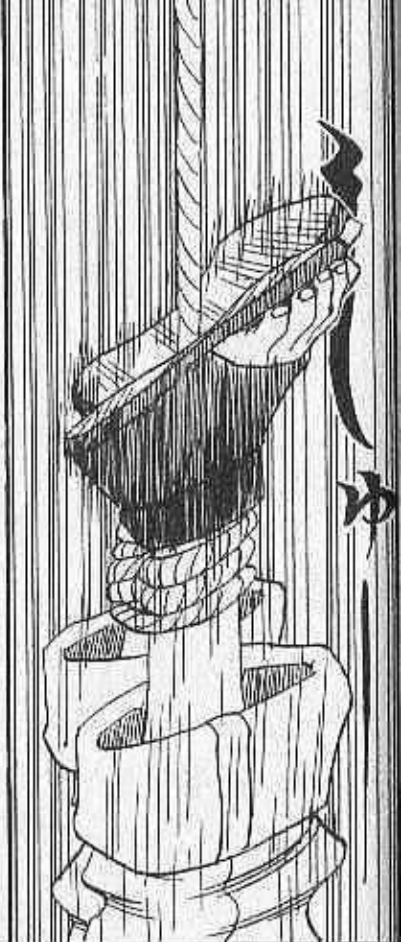

Huh?!!

this?!!

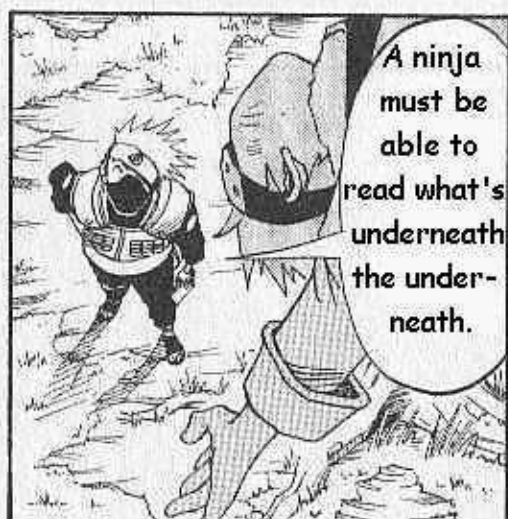

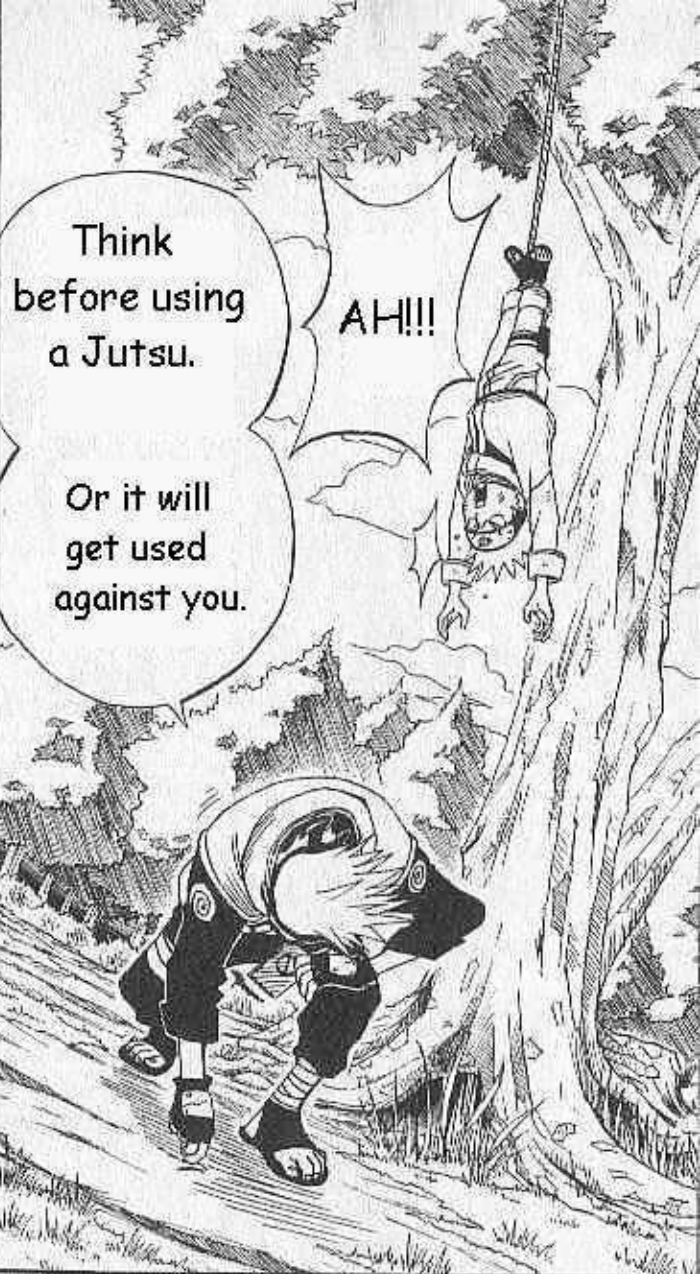

But that Jounin,
even when
playing with
Naruto, has
no openings.

A trap..
Obviously...

Now

He finally showed an opening.

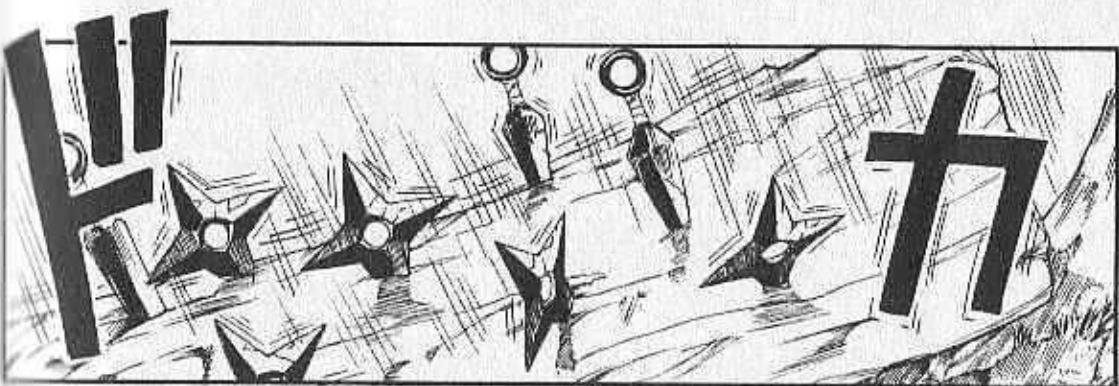

AWW!!!
No way!!!

Sasuke, you
bastard!!
You went
too far!!

Geez,

So he's
there...

He showed
an opening
on purpose.
Pathetic,
I fell for
his trap!!

Sasuke-kun.. Where
could you be?!

どこに
いるのかな!?

..サスケ君..

No, not
Sasuke-kun.
That would
not happen
to him.

he didn't
notice me.

Say that
after you
get the

as them.

Sasuke
-kun.
