

PACIFY!

A FEW
HOURS LATER -

OH! I'VE
HEARD THAT THE
SAND HERE IS ACTU-
ALLY SO DENSELY
PACKED THAT THE
WIND CAN'T WHISK
IT AWAY LIKE IT
NORMALLY
DOES.

THE WHITE
"SAND" DRIFTING
AROUND IS ACTUALLY
POWDERED BONE...
THE HUMAN KIND.

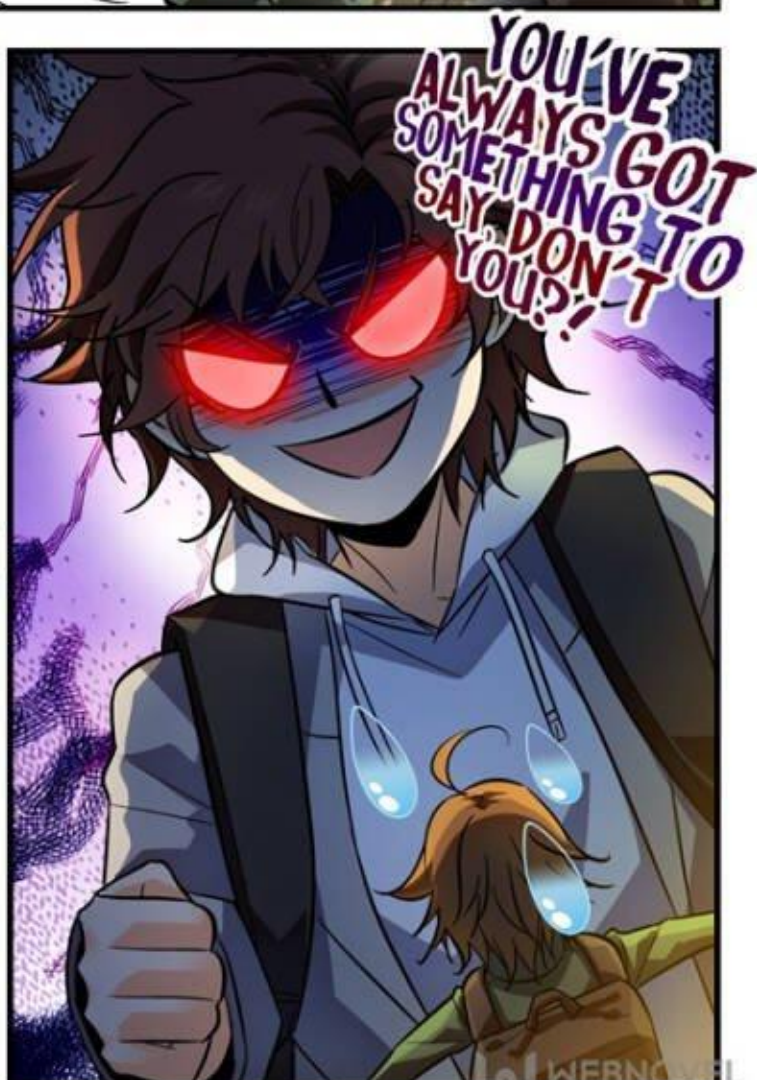

HAHAHA!

BONES?

DEAD
PEOPLE?

YOU'VE
ALWAYS GOT
SOMETHING TO
SAY, DON'T
YOU?!
