I know him from

How can

How can
I grow

of
power?

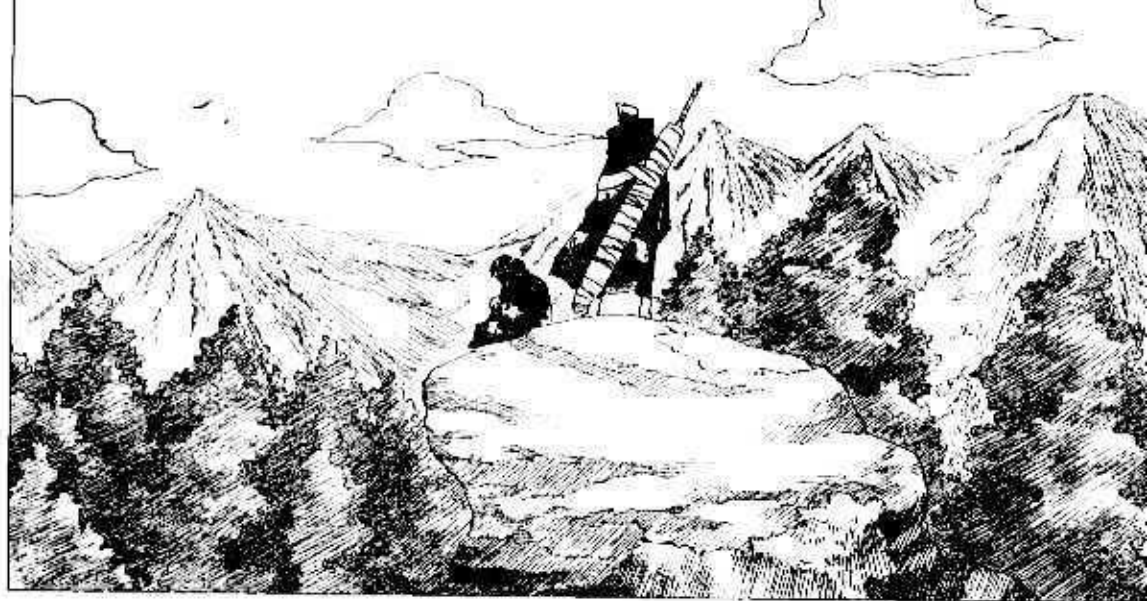

A maelstrom of
power.

And that he is chasing Naruto?

Is the story that Itachi has returned really true?

Um, No... It's not really that.

Why is Kakashi sleeping?

Why are the Jonin all gathered here where he's resting?

Argh...

Idiot.

Naruto usually comes here for lunch. After that do you know where he went?

I'll try this guy!

Old Man!

Anyway, if that guy catches him, it'll be over for Naruto.

Jiraiya!?

let's see...He was going to leave town for a little bit, take the cattle-road down to the hotel-town or something...

Jiraiya-san took him along when he left.

He said where he was going...

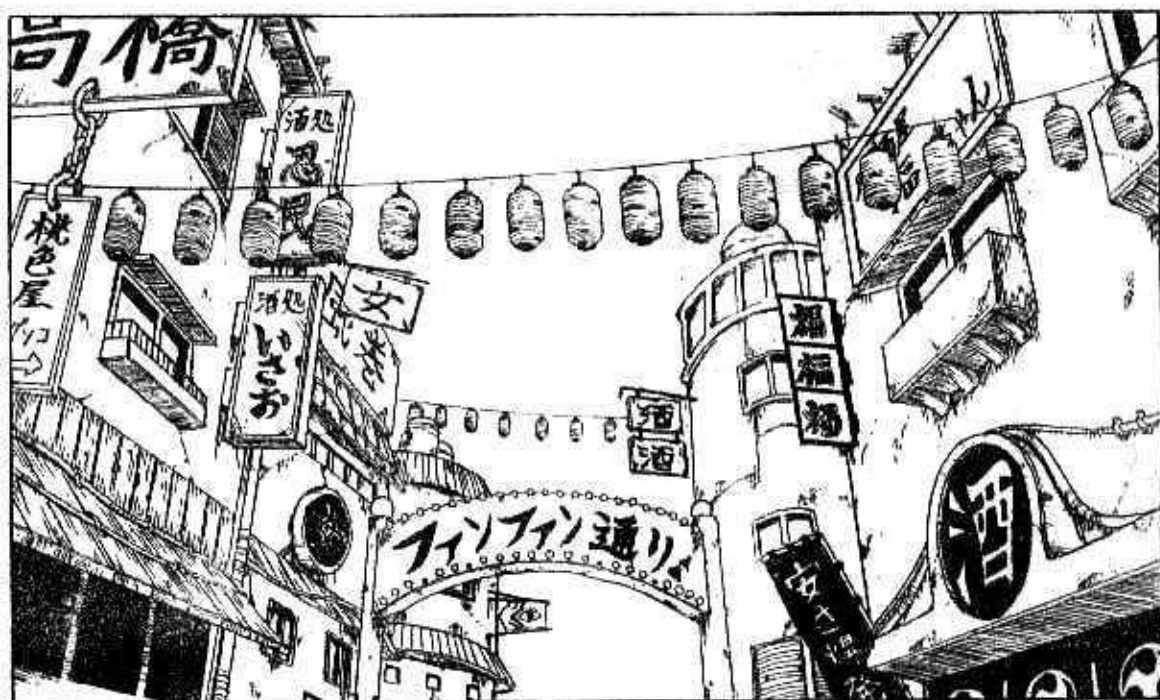

I'm sure... Jiraiya-san came and ate ramen with him.

Ahh, Naruto. Let's see...

Spotting him is easy, a big white-haired man.

A great ninja. The Three's Jiraiya.
