BATMAN

666

**PARKER
HAMM
FITZPATRICK**

YA SEE?
IT'S TRUE--THE
BOSS, HE'S...
HE'S...

FAITH. AND
BEGORRAH.

HOLY
MORTALITY!

YES,
ROBIN. IN OUR
LINE OF WORK, IT'S
INEVITABLE THAT
WE WON'T ALWAYS
BE SPARED SUCH
A GRUESOME
VISAGE.

WE'D LOVE TO PLANT ORCHARDS
AT WAYNE MANOR.

I'LL COME OUT
AND DO A SOIL STUDY, AND
WE CAN START RIGHT AWAY,
MRS. WAYNE!

"THEY DID
VERY WELL
FOR MANY
YEARS, A
FIXTURE OF
GOTHAM.

"THEN ONE DAY,
DR. ISLEY TOOK
ILL... HE HAD BEEN
EXPOSED TO THE
NETTLES OF A
TROPICAL BUSH
THAT HAD BEEN
MISLABELED AS A
HARMLESS PLANT.

"HIS HEALTH NEVER
RECOVERED, AND
NEITHER DID THE
BUSINESS. HIS FAMILY
MOVED BACK TO THE
SOUTH AND THE
NURSERY CLOSED."

A comic book panel featuring Poison Ivy. She is a woman with long, flowing red hair, wearing a green, leafy bodysuit and green leggings. She is striking a confident pose with one leg raised and arms outstretched. To her left, a white garment is shown in mid-air, as if being thrown or blown away. The background is a lush garden with large green leaves and several pink and purple lilies in the foreground. In the upper right, there is a laboratory bench with various glassware, including a round-bottom flask with red liquid and a test tube rack. The scene is set at night, with a dark sky.

**POISON
IVY!**

I'VE BEEN
READYING MY DEBUT
IN GOTHAM FOR **TWO**
YEARS NOW, TESTING OUT
MY CREATIONS THROUGH
THE LILAC...

...WHO RECENTLY
THOUGHT HE DIDN'T *NEED*
TO PAY LITTLE OL' IVY FOR HER
HARD WORK. SO I LEARNED
HIM *OTHERWISE*.

ALL HAIL
POISON
IVY!

WE
LIVE TO
SERVE!

JUST
GIVE US
WATER AND
SUNLIGHT,
AND WE'RE
READY TO
FIGHT!

THIS IS...
GHASTLY!
GROWING YOUR
OWN **CRIMINAL**
FORCE...!

TO
WHAT
END?

I DIDN'T COME BACK TO GOTHAM
FOR **OLD TIMES' SAKE**, HONEYBUN.
I GOT **SCORES** TO SETTLE.

SPUDS, BRING
THOSE BOYS OVER
THIS WAY.

I CALL THIS CULTIVATION MY JUPITER FLYTRAP.

MHRRLRRP!!

'CAUSE I NEED A WAY BIGGER PLANET THAN VENUS FOR HER NAME!

BYE NOW, YOU HANDSOME HEROES.

OH, NO!

ARE BATMAN AND ROBIN GOING TO BECOME PLANT FOOD?

DON'T LOOK AWAY!
