

# CHAPTER 240: DIAL POWER

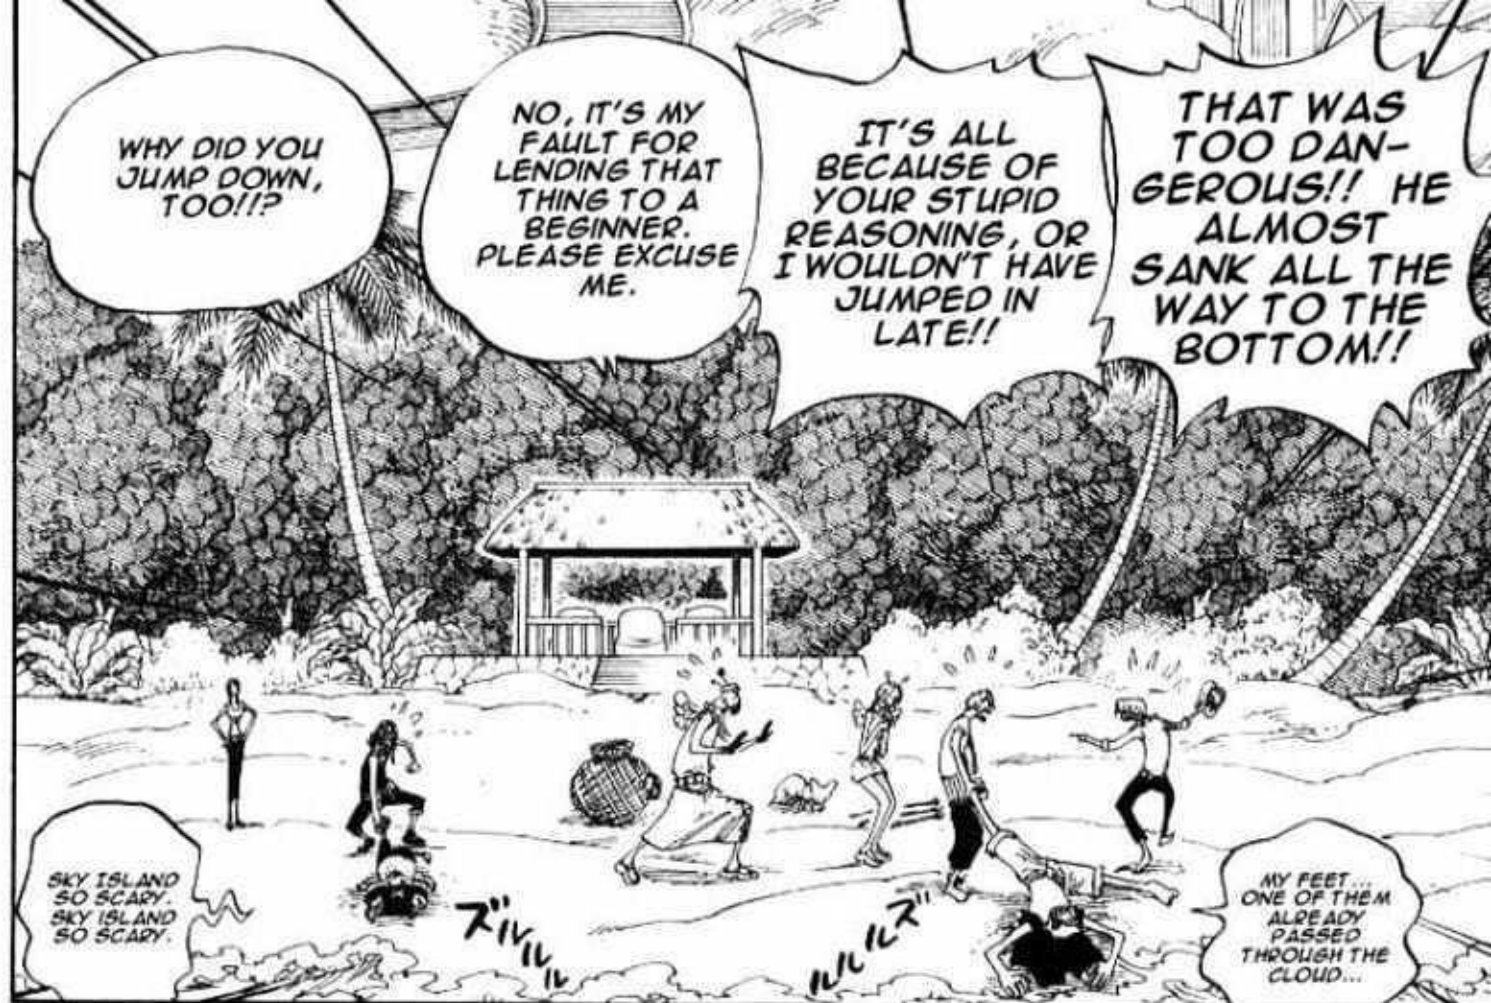

VAPOLI'S EATING DIARY VOL. 5 "AT ANY GIVEN TIME,  
EVEN TOWNS CAN BE MY DESSERT."

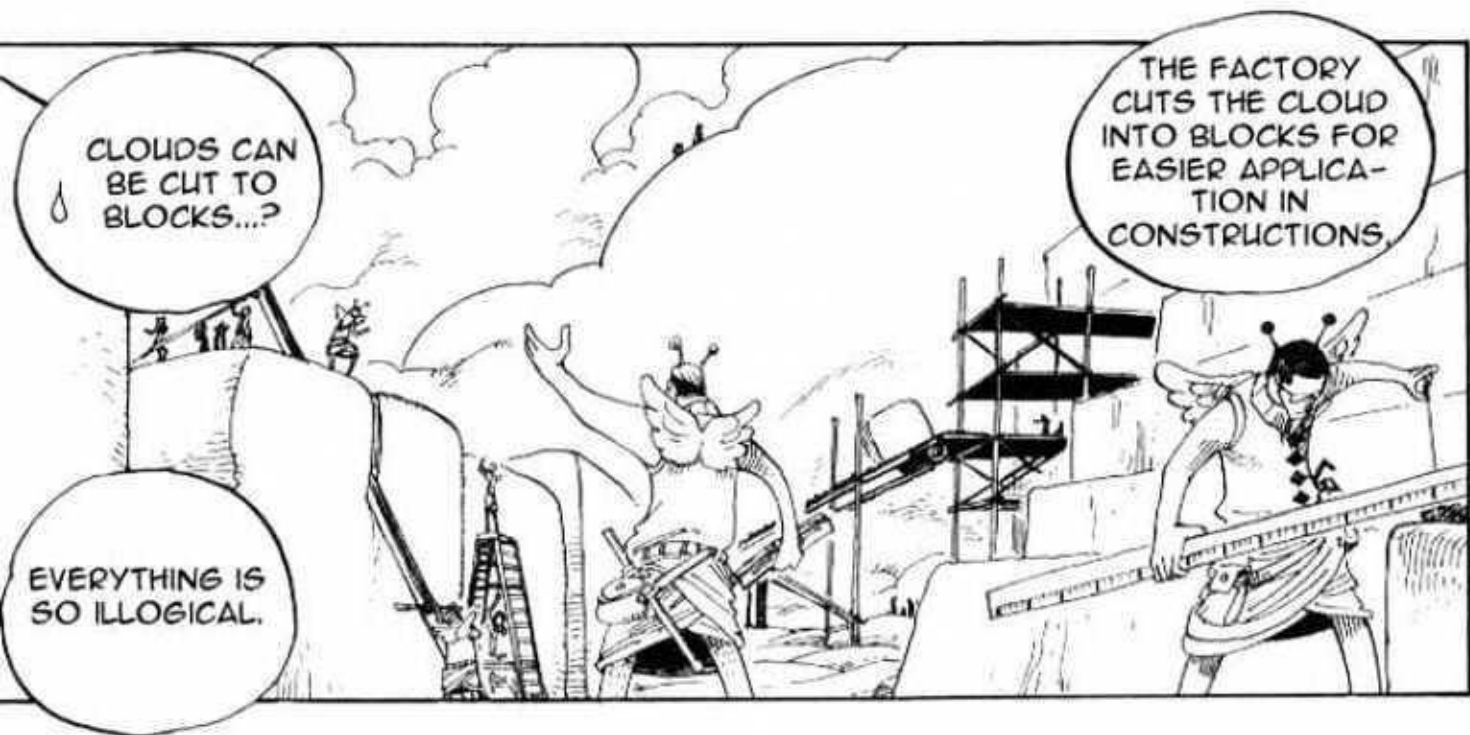

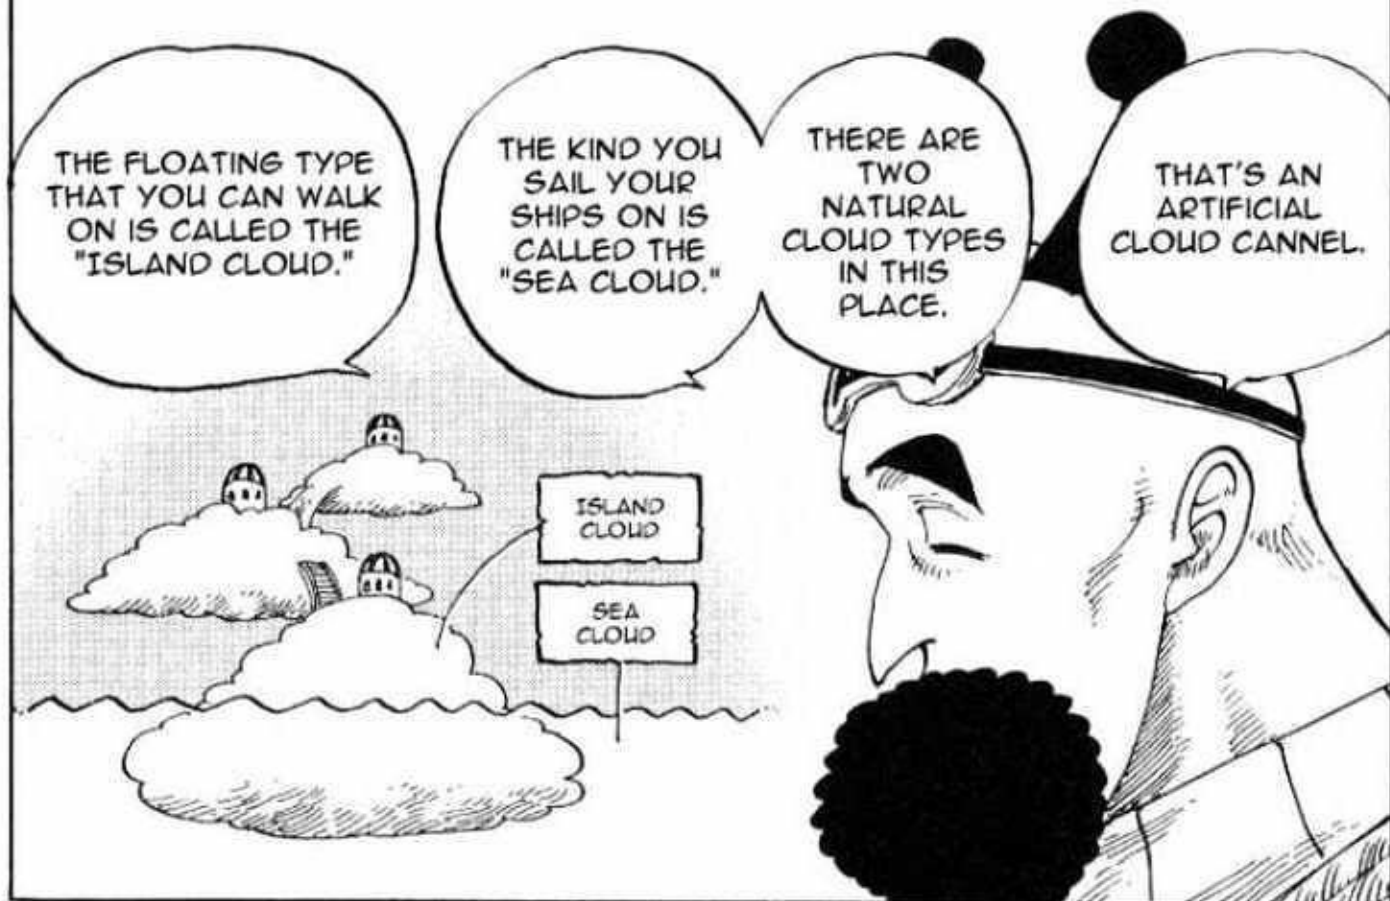

THIS IS THE  
WIND DIAL.

EVEN  
THOUGH  
THIS IS  
SMALLER.

THAT'S NOT IT.  
THIS IS THE  
WAVER'S  
POWER  
SOURCE.

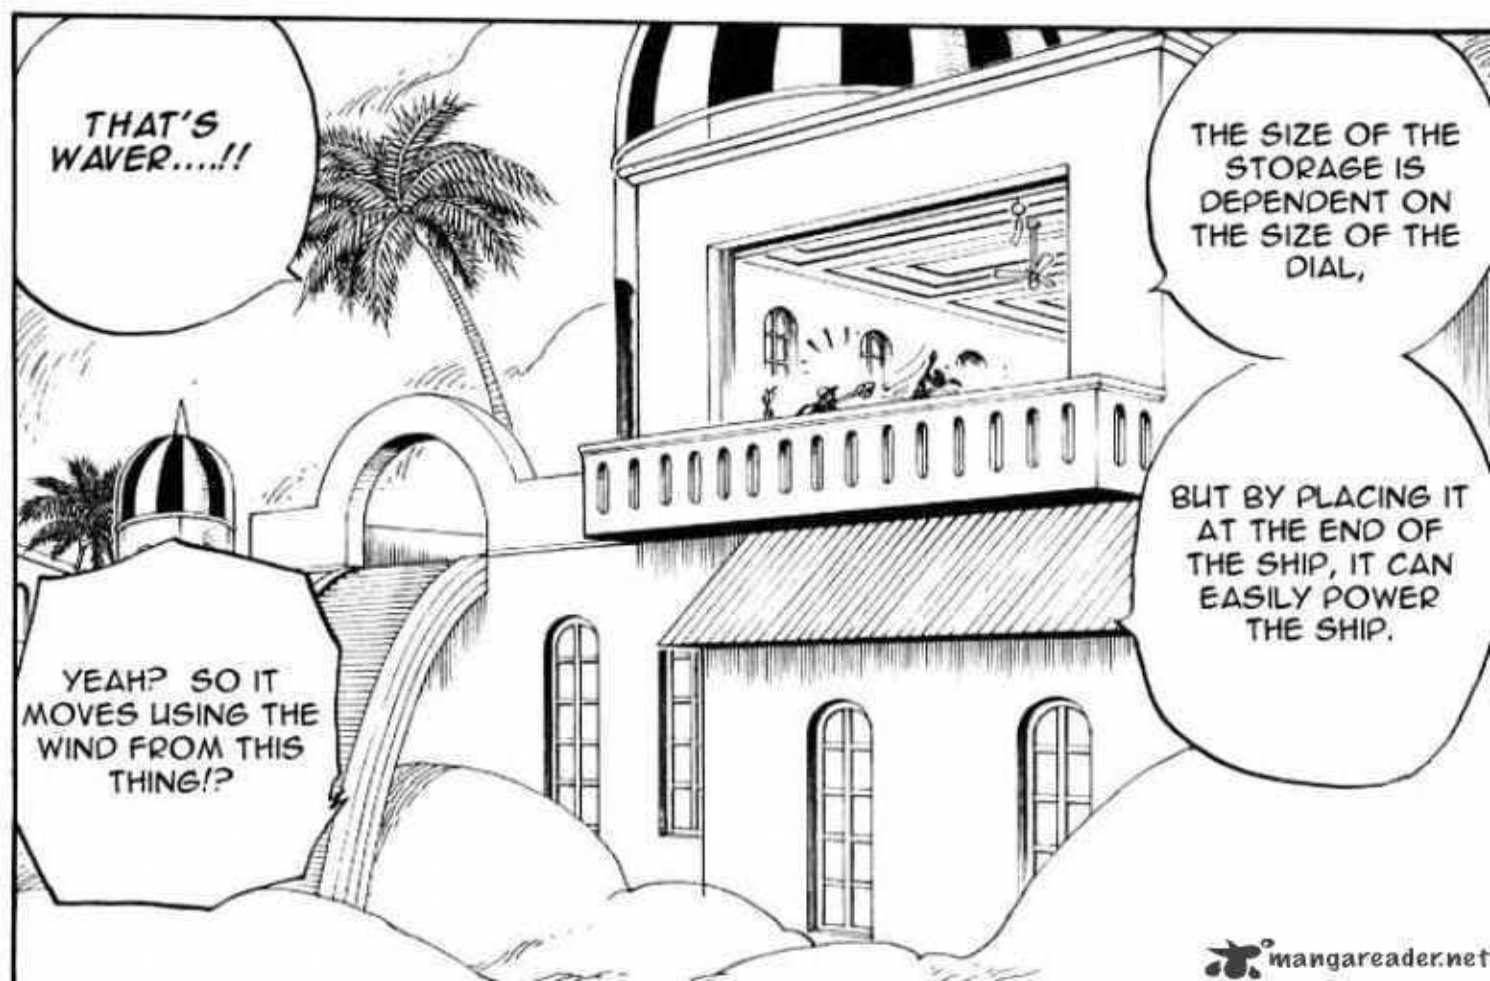

IT WILL BE ABLE  
TO RELEASE  
HALF AN HOUR  
WORTH OF  
WIND.

IF YOU PUT  
IT FACING THE  
WIND FOR  
HALF AN  
HOUR,

WOAH

PHUF

ふん!!

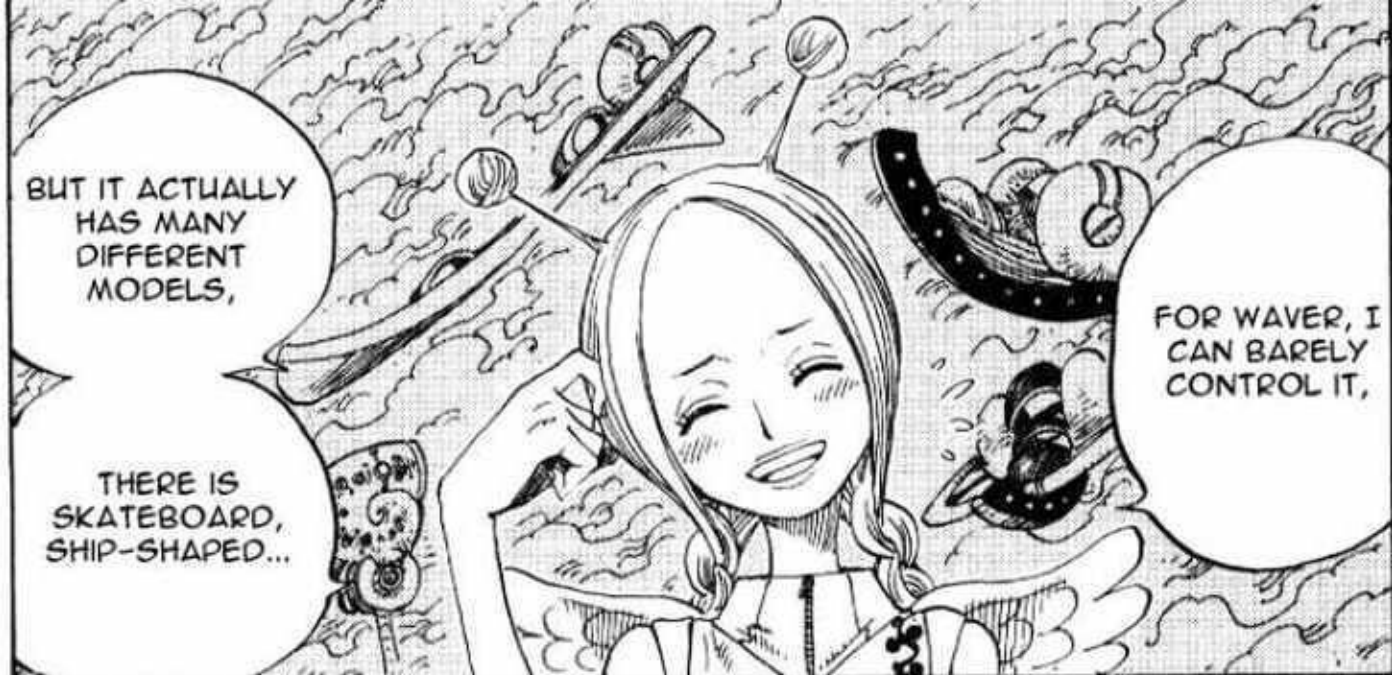

THAT'S  
WAVER....!!

THE SIZE OF THE  
STORAGE IS  
DEPENDENT ON  
THE SIZE OF THE  
DIAL,

BUT BY PLACING IT  
AT THE END OF  
THE SHIP, IT CAN  
EASILY POWER  
THE SHIP.

YEAH? SO IT  
MOVES USING THE  
WIND FROM THIS  
THING!?

\* TRYING TO KILL SOMEBODY!?
