

Sorry, Guys for our mistake in last chapter, i.e. Double texts and a small mistake from translator which happened due to the chinese texts which sound same though they mean different things.

We have uploaded this as chapter 282.6 so as to make available the corrected chapters to all previous readers(as they will get notified), also for aggregator sites.

we have corrected this chapter on our site : Heromanhua.com as well as [mangadex](http://mangadex.com).
