A black and white manga panel showing a dragon emerging from a massive, shattering explosion. Debris is flying everywhere, and the dragon's head and front legs are visible as it rises from the center of the blast.

THE DRAGON

I DEVOUR ALL

CRIMINATELY!

I AM
THE LAST
DRAGON...

*T/N: THE "EVIL" IN "EVIL DRAGON" IS "MA" (魔), WHICH IS THE SAME CHARACTER USED IN BOTH "MAHOU" (MAGIC) AND "AKUMA" (DEMON, AS IN ZEREF'S DEMONS). WHEN ACNOLOGIA SAID HE DEVOURS ALL "MAGIC" HE USED ONLY "MA" WITHOUT SPECIFYING "MAHOU". IT MIGHT BE MORE ACCURATE TO CALL HIM THE "MAGIC DRAGON".

A large, detailed illustration of the dragon Acnologia. It is shown from the side, roaring with its mouth wide open, revealing sharp teeth. Its scales are intricately detailed, and its wings are partially visible. The background consists of large, jagged, angular shapes.
