

ワンピース ONE PIECE

Chapter 574: The Death of Portgas D Ace

EVERYONE
STOP
AKAINU!!

FIRE!!

It would
appear that
you have life
in you yet...

It's no good...
there's no
stopping this
guy!!

I will allow
no more of
this...!!!

STOP!!!

Jimbei!!!

I suggest you put an end to your attempts to buy time, Jimbei.

As a former Shichibukai, you should be all too familiar with the power I wield...

Unghh.....

Just get these handcuffs off!! Now!!

Aahhhh!! This is a relief... I thought I was going to...

...I can delay you in the slightest, then I am content!!!

I never intended to place value on my own life from the outset!!!

If by tearing this body apart...

What do
you mean to
do, Garp?!!!

Vice-Admiral
Garp!!!
What are you
doing?!!!

..I'm going to
murder... that
Sakazuki!!!

pant!! You'd
better... keep me
held down here
tight, Sengoku!!!

.....!!! Because if
you don't..... you
can be damned
sure...

Jimbei,
get down!!!

It would seem
that a little
punishment for
this traitor is in
order!!!

.....!!! You fool.....!!!

You said you
wouldn't die!!!

You told me,
didn't you,
Ace...?!!!

Uunhhh...

...I would
never have...
even... wanted
to live...

...Yeah... you know...
if it weren't for the
Sabo thing... and
having a little
brother like you to
look out for...

...could watch
and laugh as
he went to his
death!!

No, he should be
burned at the
stake...!! That
way the whole
world...

Oh, I've got a
good one! How
about sticking
one needle in his
body...

Nobody else
wanted me
to, after all...

If Gold
Roger'd
had a kid?

"Serves you
right!"
Gyahahaha!

They'd all be
saying the
same thing,
you know?!

...for every
person in the
world with a
grudge against
Roger!

...so it's only
natural.....!

Then he
oughtta be
executed!!!
