

# ワンピース ONE PIECE

CHAPTER 350: 「 THE WAREHOUSE  
UNDER THE BRIDGE 」

尾田栄一郎  
Eiichiro Oda

THAT'S THE  
GALLEY-LA  
HEAD-  
QUARTERS  
...

.....

NYA  
!!!

GRANDMA!  
GRANDMA!  
THAT FIRE'S  
SO HUGE  
~~~!!

NYA  
!?

WHO  
SET IT ON  
FIRE!?

WHO'D  
DO SUCH  
A THING  
...!!

WELL...  
I'M NOT  
QUITE  
SURE...

HOPEFULLY  
.....  
ICEBERG  
IS OKAY...

THAT  
"THING"...  
SHOULD NEVER  
BE BROUGHT  
INTO THIS  
WORLD.

-----  
HOWEVER  
...

IT  
SEEMS AS  
THOUGH MY  
INTUITION  
WAS  
CORRECT.

WASN'T  
FRANKY IN  
YOUR BAR  
EARLIER?

BLUENO,

9977...!!

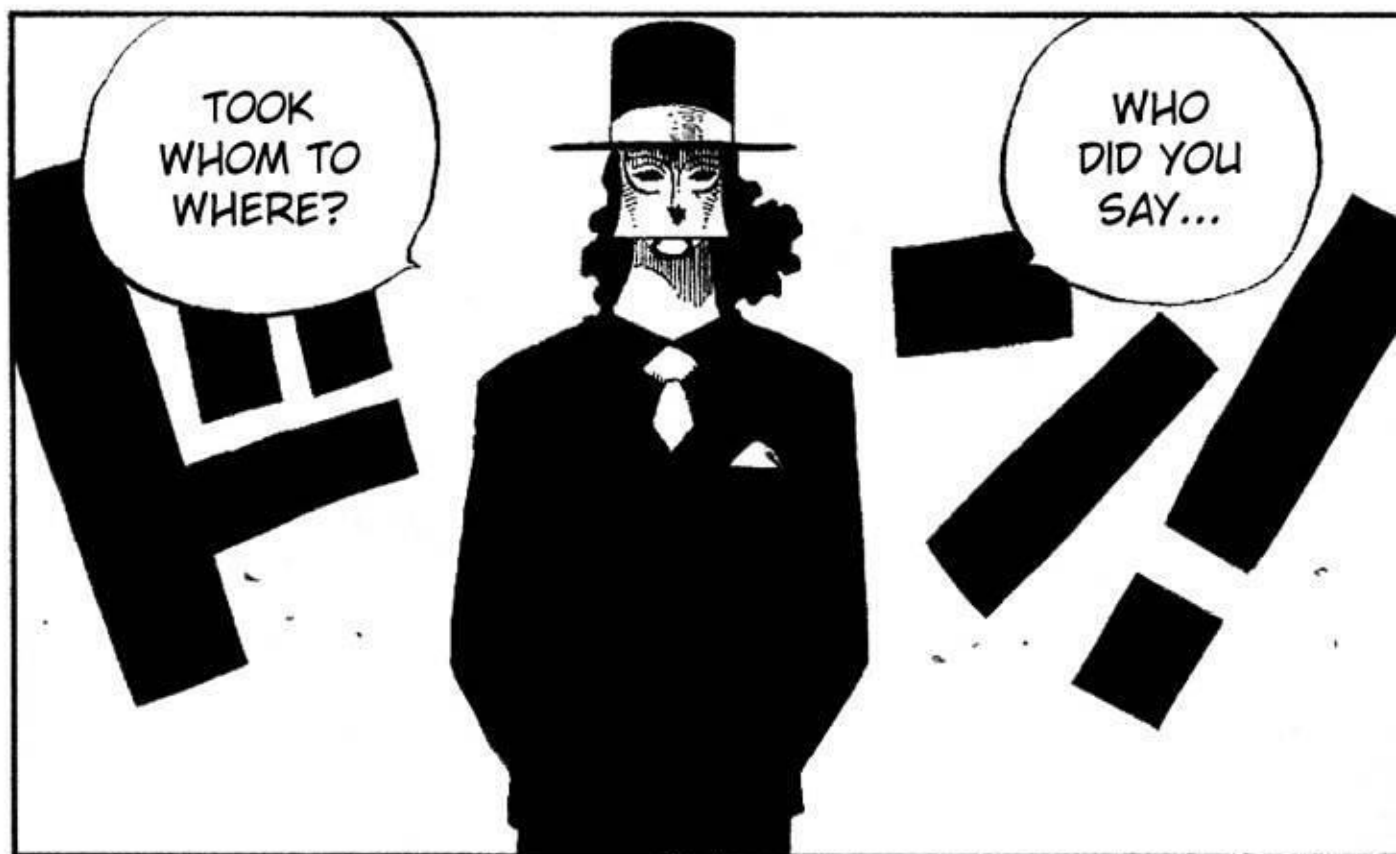

TAP!

YES, BUT  
HE RAN OFF  
LOOKING FOR  
THE STRAW  
HAT.

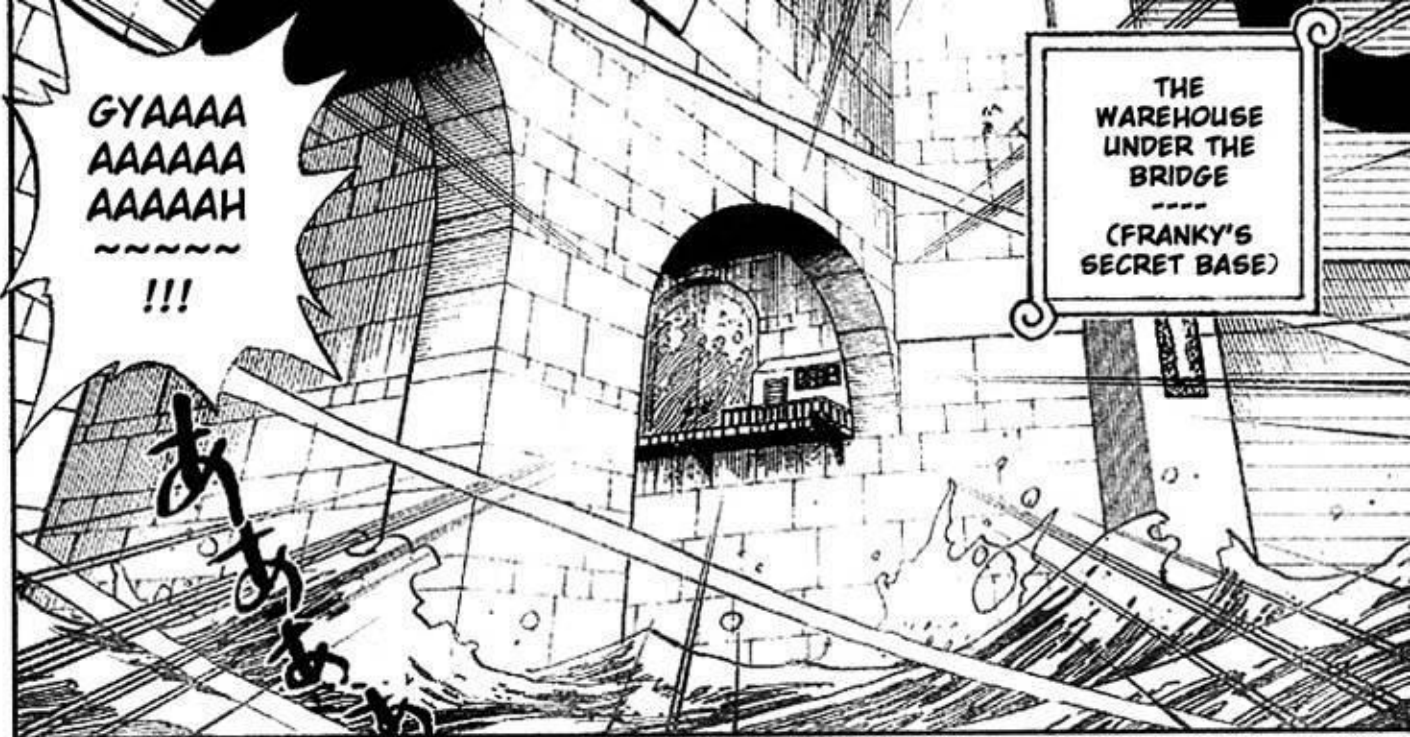

I SEE.  
TOO BAD  
HE DIDN'T  
JUST SIT  
TIGHT AND  
WAIT FOR  
US.

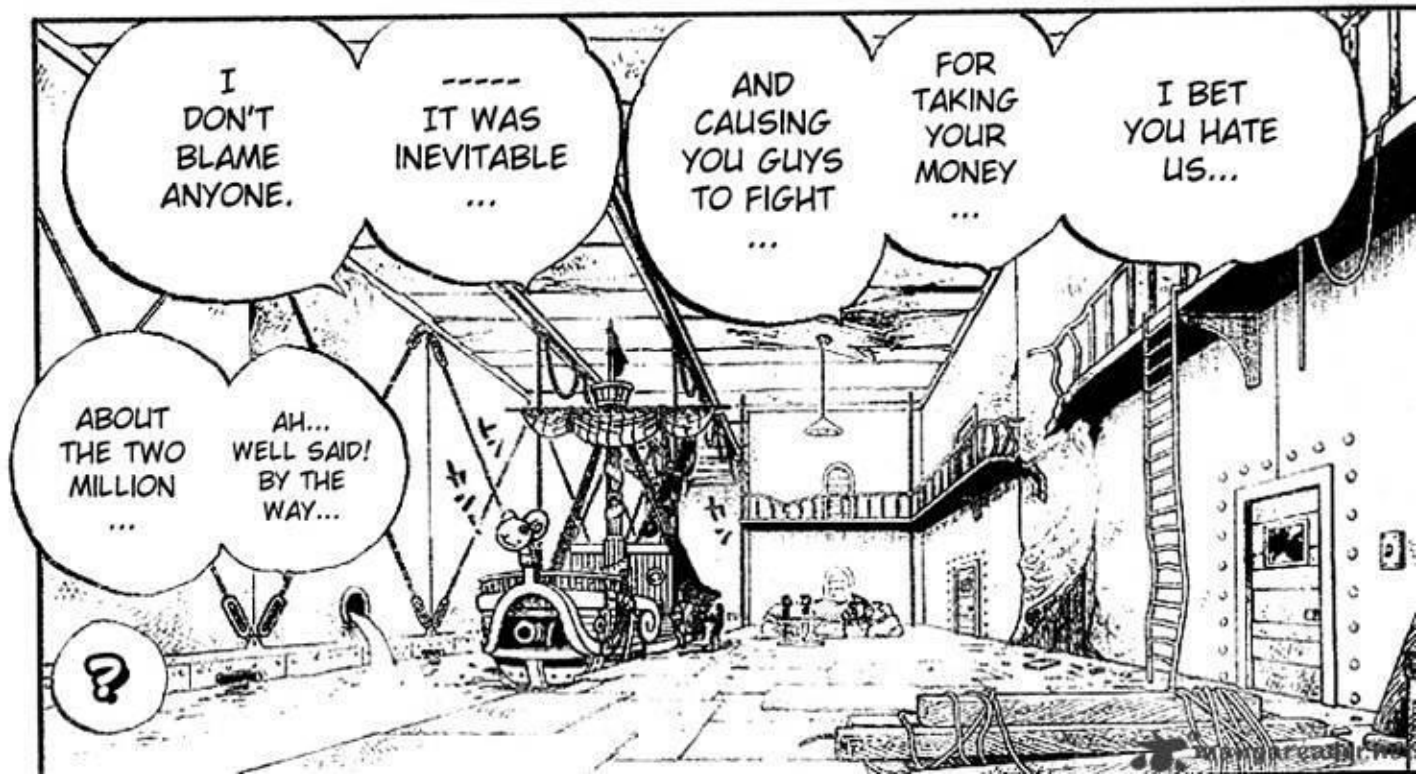

GYAAAA  
AAAAAA  
AAAAAH  
~~~~  
!!!

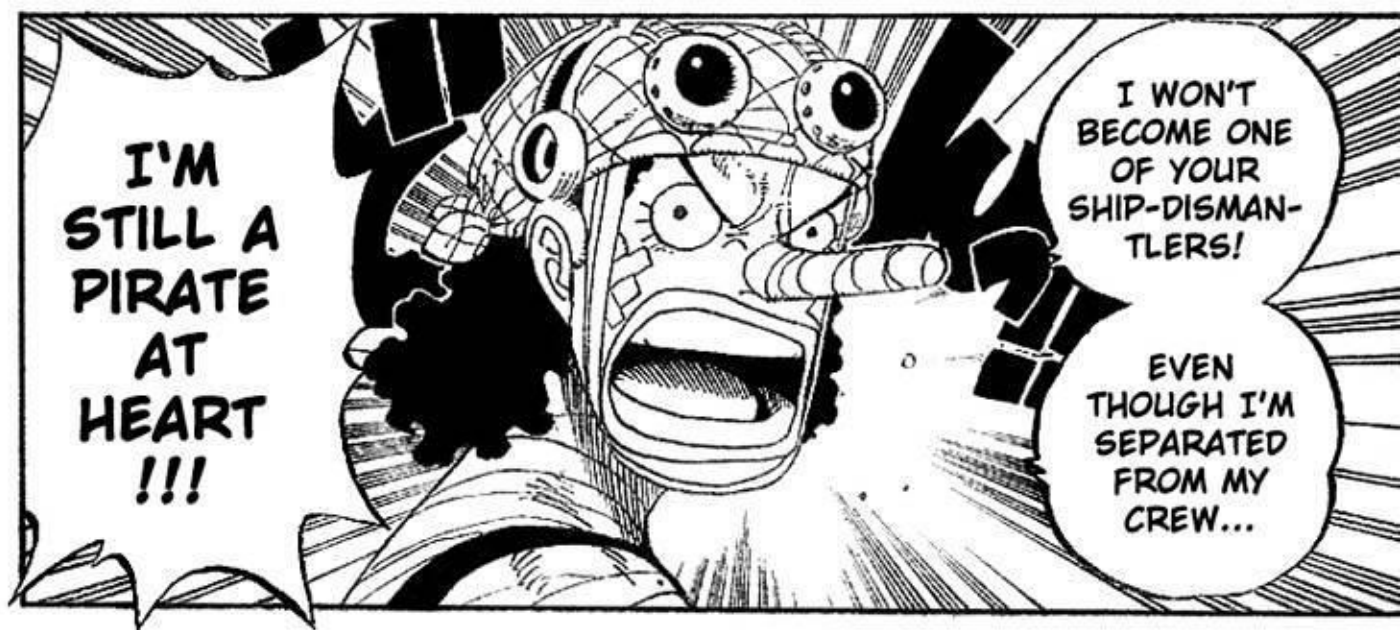

THAT'S  
WHAT  
PEOPLE  
HERE CALL  
IT.

"AQUA  
LAGUNA".

SO,  
THERE'S A  
HIGH TIDE  
COMING?

YEAH.

BUT YOU  
AND YOUR  
SHIP WILL  
BE FINE  
IN HERE.

IF YOU'RE  
CAUGHT IN THE  
STREET OR  
ON THE BEACH,  
YOU WOULD BE  
LONG DEAD.

NORMALLY,  
THE CIVILIAN  
HOUSINGS WILL  
BE SUBMERGED  
FROM THE 2ND  
FLOOR DOWN.

THE  
SIDEWALKS IN  
THE OLD STREETS  
SHOULD BE  
UNDER WATER  
BY NOW..

AH...  
THANKS  
A LOT.

DON'T  
MENTION  
IT, IDIOT!  
DON'T  
MENTION  
IT!

RISEING  
SEA  
LEVEL?

THE REAL  
PROBLEM IS  
THE RISING  
SEA LEVEL.

YES, IT'S  
AN ANNUAL  
EVACUATION,  
BUT EVERYONE  
IS USED TO IT.

ISN'T  
IT TOUGH,  
HAVING TO  
DEAL WITH  
THIS ALL  
THE TIME?

YES.

IS BUILT  
ON TOP OF  
THE CENTURY  
OLD BUILDINGS  
OF THE OLD  
CITY.

YOU'LL SEE  
IT IF YOU  
DESCEND  
UNDER-  
WATER.

THE "OLD  
STREET"  
YOU SEE  
ABOVE THE  
WATER...

BUT NOW,  
THE SEA  
HAS  
COVERED  
THE CITY  
...

LONG  
AGO, THE  
ZOUSSENJIMA  
AND THE OLD  
STREET WERE  
ACTUALLY ONE  
ISLAND.

ALL THE  
STREETS HAVE  
TURNED INTO  
WATER ROADS.

IN TEN YEARS,  
THE TOWN WILL  
BECOME EVEN  
MORE DIFFICULT  
TO LIVE IN.

IT'S MORE  
ACCURATE  
TO SAY THE  
ISLAND IS  
SINKING.

THOUGH,  
RATHER THAN  
SAYING THE  
SEA LEVEL'S  
RISING  
...

HUH... SO  
THERE'S A  
WHOLE OTHER  
FACET TO THIS  
BEAUTIFUL  
PLACE...

BUT  
BEFORE  
THE SEA  
TRAIN,

THERE WAS  
ALMOST NO  
COMMUNICATION  
BETWEEN THE  
ISLANDS, DUE  
TO THE ROUGH  
SAILING THAT  
WAS REQUIRED.

LIKELY,  
YES...

BUT IF IT GETS  
TOO ROUGH HERE,  
PEOPLE JUST TAKE  
THE TRAIN AND  
LEAVE, RIGHT?

NOW, WE DON'T  
EVEN NEED A  
LOG AND CAN  
CROSS THE SEA  
AT ANY TIME.

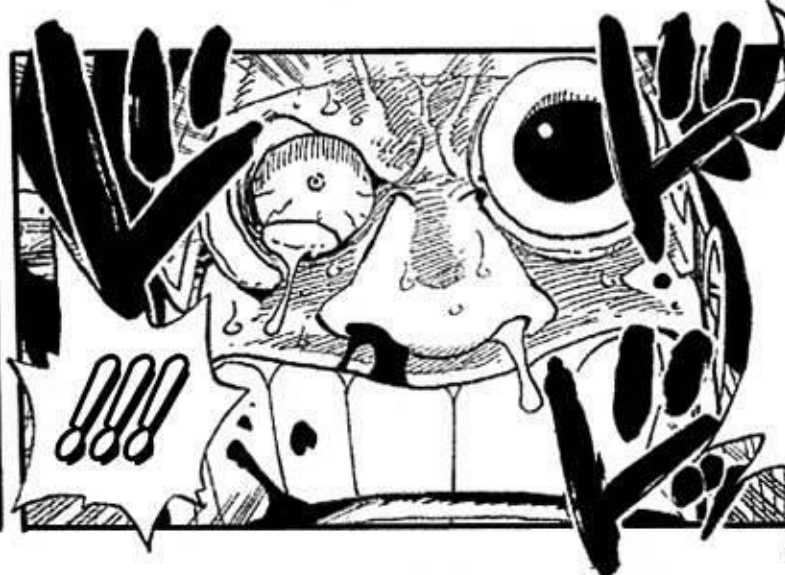

IT'S AN  
INCREDIBLE  
INVENTION  
!

THE INVENTION  
THAT QUENCHED  
ALL SUCH  
UNEASINESS IS  
THE SEA TRAIN,  
PUFFING TOM!!

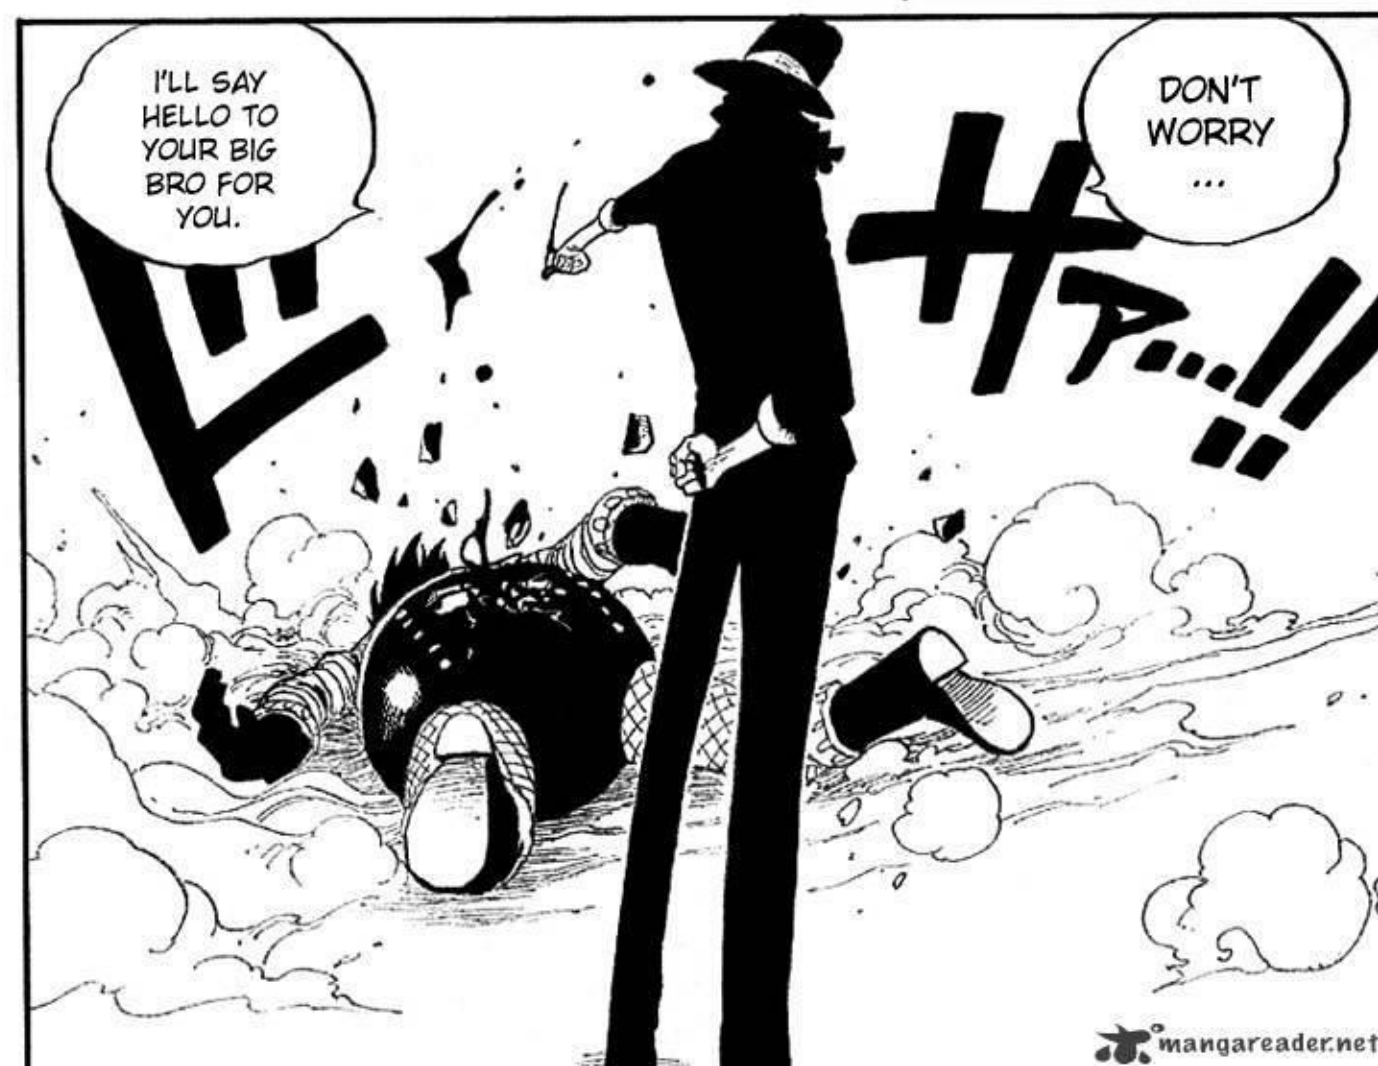

IMAGINE  
THE RESIDENTS  
OF THIS LONE  
ISLAND, AND THINK  
ABOUT HOW IT WILL  
ONE DAY BE  
UNDER THE SEA...

WHICH  
NEVER  
WOULD'VE  
HAPPENED IF  
IT HADN'T  
BEEN FOR THE  
WORK OF THE  
GREAT SHIP  
MECHANIC,  
TOM!

OUR  
CURRENT  
WELL-BEING  
IS ALL DUE  
TO THE  
INVENTION  
OF THE SEA  
TRAIN...

HELP  
US  
...  
!!!

WHAT DO  
YOU PLAN  
TO DO  
AFTER YOU  
FIX YOUR  
SHIP?

?

LET'S  
GET TO  
THE BIG  
QUESTION  
...

SO...  
BRO  
...

ガオオオオオオオオオオオオ

THEN, ONE  
DAY, I'LL  
RETURN TO  
MY HOME  
IN EAST  
BLUE!!

....

I'M  
GOING TO GO  
ADVENTURING  
WITH IT, OF  
COURSE  
!!

NO... YOU  
WOULDN'T  
MAKE IT  
!!!

!?

SO THAT  
SHOULD BE  
ENOUGH FOR A  
TRIUMPHANT  
RETURN!!

I'VE  
BEEN  
IN THE  
GRAND  
LINE!!

THOUGH  
I HAVEN'T  
EXACTLY GONE  
AROUND  
THE WORLD  
...

IT'S  
TOO FAR  
....

IT'S MY  
PROFESSIONAL  
RECOMMENDATION  
AS A DISMANTLER  
THAT YOU PUT  
IT TO REST.

THERE'S  
NO HOPE  
FOR THE SHIP.  
GALLEY-LA'S  
EVALUATION  
IS CORRECT.

WHEN I  
BROUGHT THE  
SHIP HERE, I  
CHECKED IT  
OUT.

BIG BRO  
...!?

!!?

WHAT  
ARE YOU  
TALKING  
ABOUT!?

STEP  
STEP

.....

.....

WHAT'S THAT  
SUPPOSED  
TO MEAN, JACK  
ASS!!? STOP!!!  
STAY AWAY!!!

!!?

LET ME  
TAKE IT  
APART  
FOR YOU.

ONE PIECE
