

4 : Hatake Kakashi!!

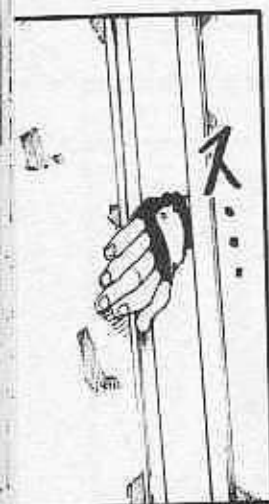

はたけカカシ!!

*Jounin-Upper Ninja, Advanced Ninja

You
fell
for
it!!!

Gya
haha
haha
!!!!!!

OK!! OK!!

よみ通しの

That was better
than I imagined!!!

I'm so
sorry
Sensei,
I tried
to stop
him but
Naruto..

He doesn't
seem very
reliable...

.....
This is
really a
Jounin?

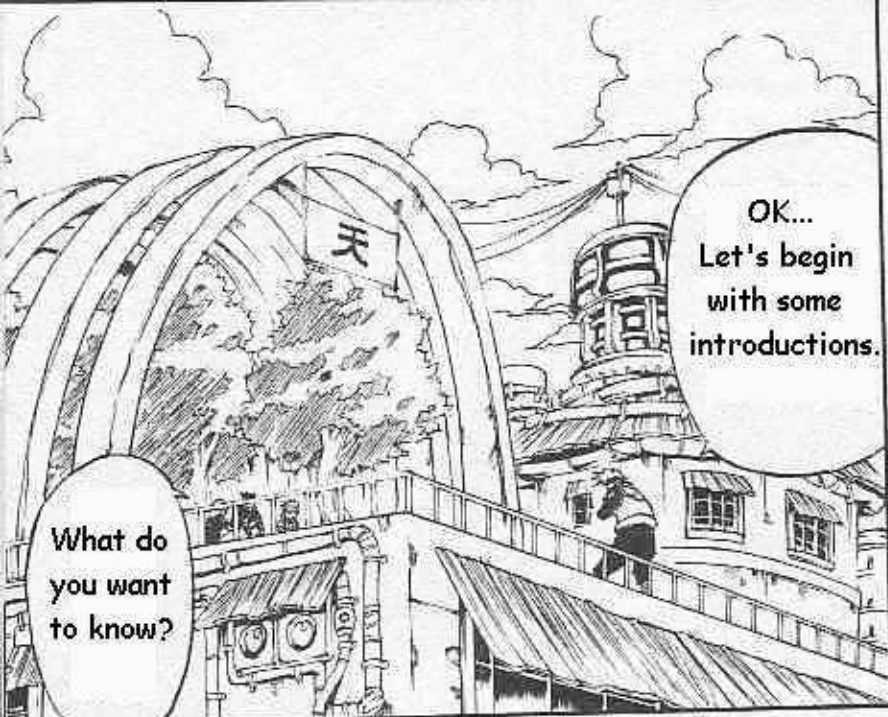

bang

I
don't
like
you
guys!!

My first
impression
is....

Hmm...
How can
I say
this..?

What do you want to know?

OK...
Let's begin
with some
introductions.

Yeah..
You look
suspicious..

Hey hey,
why don't
you introduce
yourself to
us first?!!

Dreams for
the future,
hobbies,
stuff like
that.

How
about...
Your
likes,
dislikes..

Dreams for the
future....? hmm..
Well, I have lots
of hobbies....

Ohh..... Me?
My name is Hatake
Kakashi. I have no
desire to tell you
guys about my
likes and dislikes.

Now it's your
turn, from
the right.

..is his
name?

So...
All we
learned...

My
dream...

Does
he think
about
anything
besides
ramen?

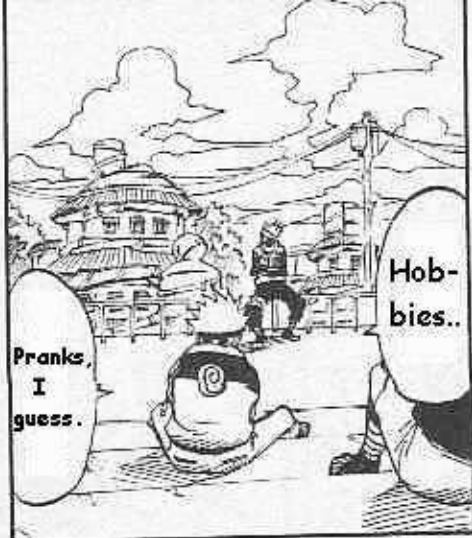

What I
dislike is
waiting
3 minutes
for the
cup ramen
to cook.

What I
like even
more is the
restaurant
ramen Iruka
Sensei
buys me.

Me!!! Me!!!
My name is
Izumaki Naruto.
I like Cup
Ramen!!

...have all
the people
of this
village
acknowledge
my
existence!!

..is to
surpass
Hokage!!!
And
then...

Hob-
bies..

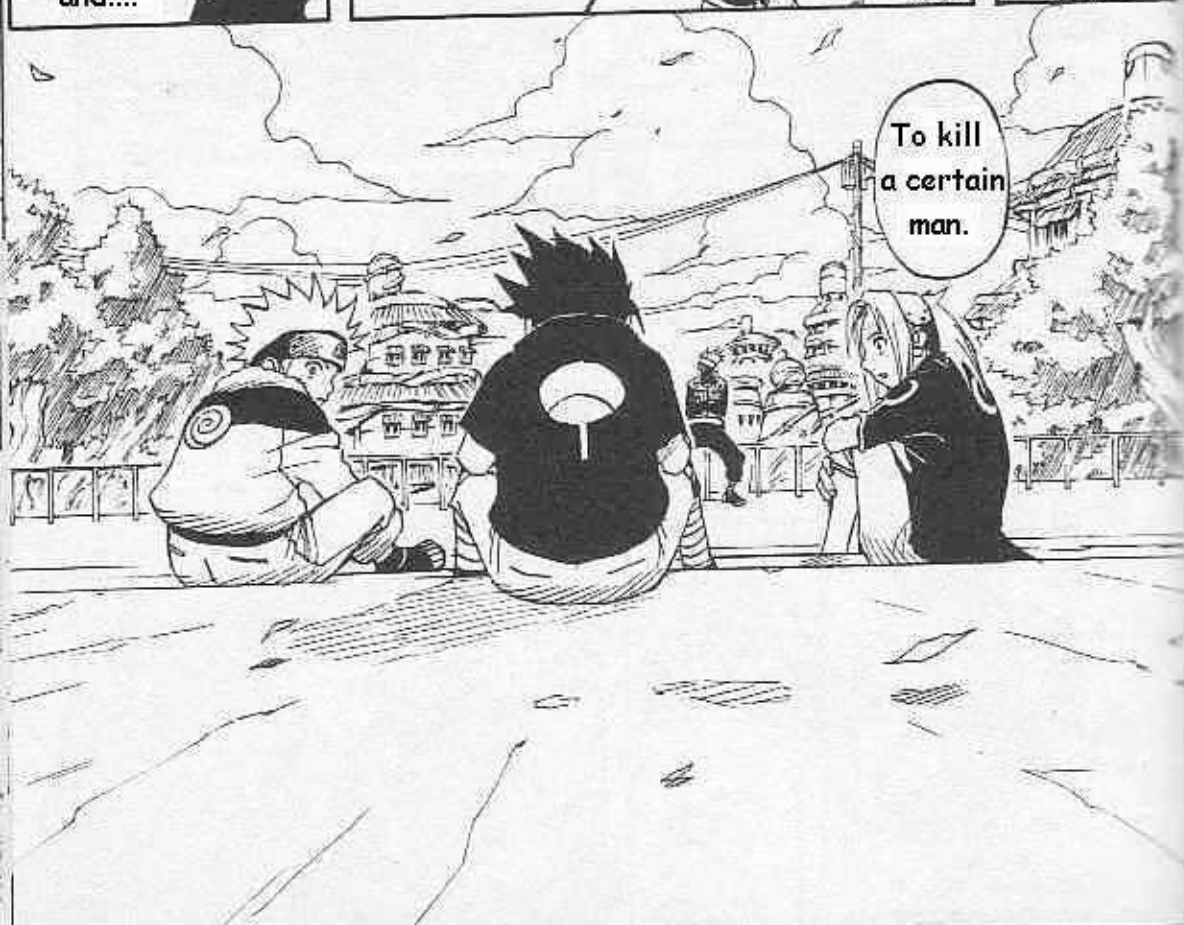

My name is Uchiha
Sasuke. There are
tons of things I
dislike but I don't
really like anything.

And... I don't
want to use the
word "dream"
but...

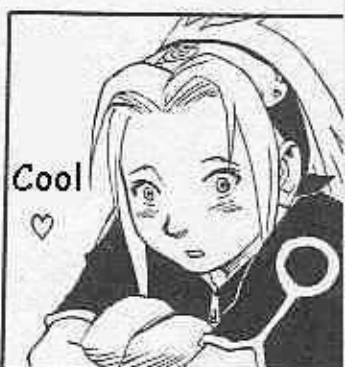

I see...

..I
thought
so..

He better
not mean
me...

Cool
♡

Umm...
Should I
say my
dream for
the
future..?

キラ..
I'm Haruno
Sakura,
the thing
I like is...

Well...
The person
I like is...

And
lastly,
the girl.

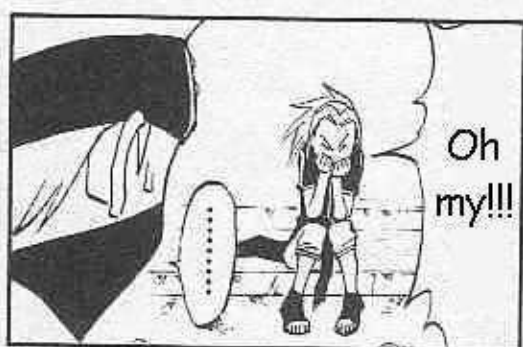

OK..

My
hobby
is..

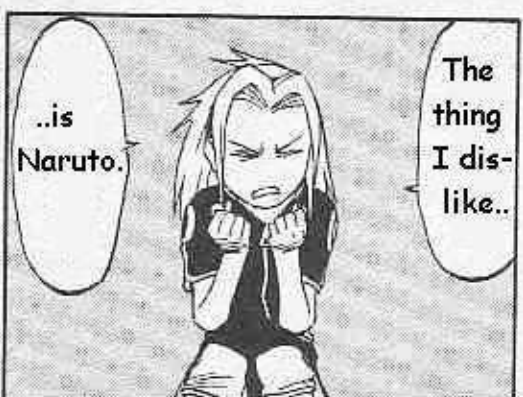

カーン
nooo

Oh
my!!!

..is
Naruto.

The
thing
I dis-
like..

Girls of this age are more interested in love than ninjutsu...

We did enough
training at
the Ninja
Academy.

Why is
our duty,
training?

Survival
Training?

I'm your
opponent, but
this isn't normal
training.

Hey,
what's
so funny,
Sensei?

he
he
he

Then! Then!
What is it?!!

This training is a super difficult exam with a failure rate of over 66%!!

Of the 27 graduates, only 9 will be chosen as Genin.

The rest will be sent back to the Academy.

I told you you'd flip...

Haha

Oh.. That?
That's just to
select those that
have the chance
to become Genin.

Uhh...
What?!!!

But we
worked so
hard...

Then
what was
the point
of gradu-
ating.

カッ

What
the
hell?!!!

Oh,
and skip
break fast,
you'll throw
up.

Bring
all your
Shinobi
tools.

Anyway,
tomorrow you
will be graded
on the
training field.

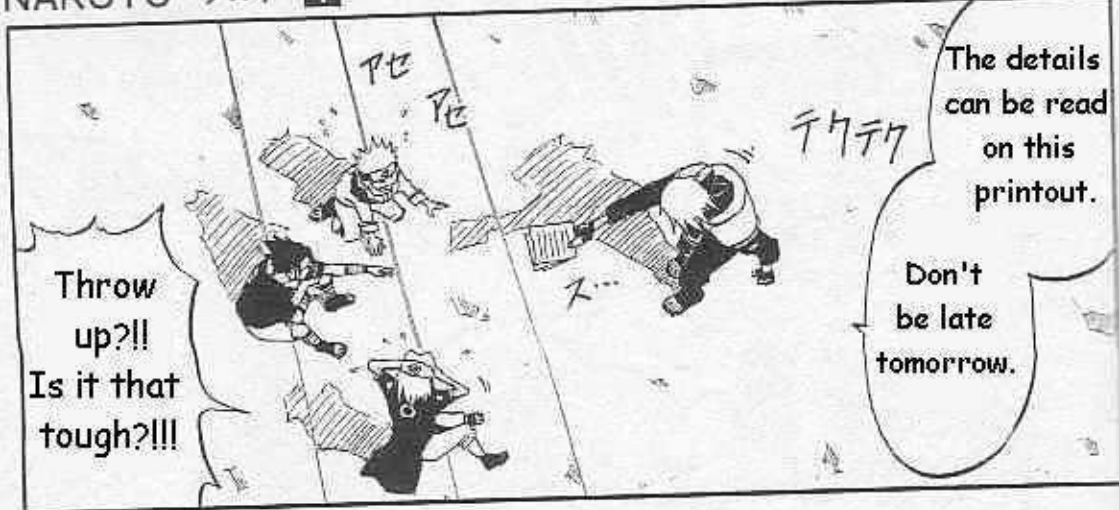

I'll have to
kick Kakashi
Sensei's ass
and have him
recognize my
strength. No,
no, seriously!!!

I can't
fail
here...

Throw
up?!!
Is it that
tough?!!!

The details
can be read
on this
printout.

Don't
be late
tomorrow.

Too much
kanji...

But.. If I fail this, I'll be
separated from Sasuke-kun.
This is a test of love!!!

Then I'll kick
him in the
jewels!!!

But he'll
kick with
his right
leg.

I'll throw
a punch
here

When he
comes at
me I'll do
this...

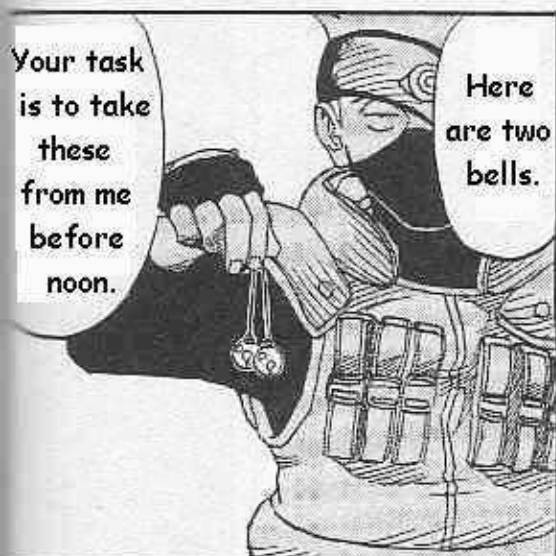

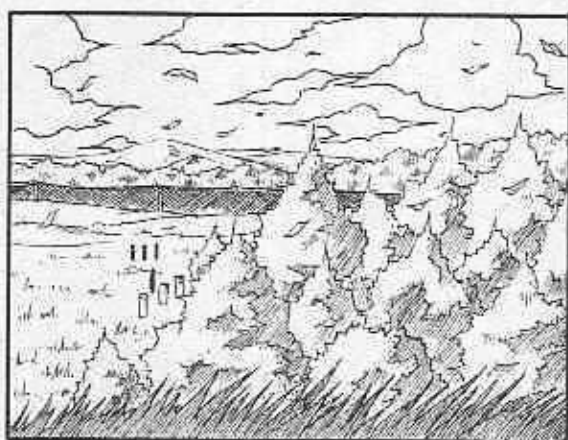

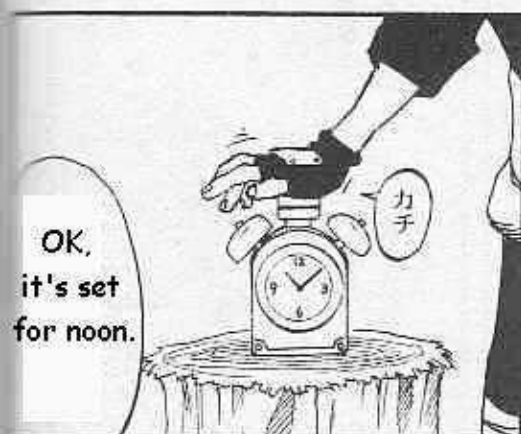

That night,
Naruto was
absorbed in
image training
with a motion
-less Kakashi
doll.

You're late!!!!

Hey guys,
good morning!!

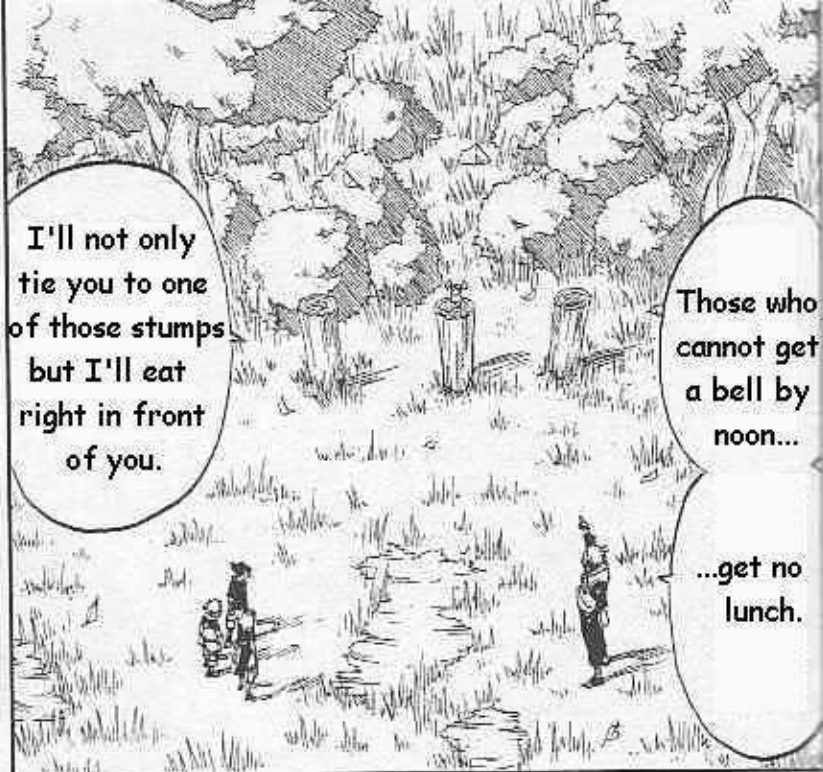

Next day

So this is why he told us not to eat...

I'll not only tie you to one of those stumps but I'll eat right in front of you.

Those who cannot get a bell by noon...

...get no lunch.

There are only two, so one of you will definitely be tied to a stump.

You only need to get one bell.

So, at least one of you will be sent back to the Academy.

And... The person who doesn't take a bell fails.

Shuriken-The star shaped projectiles Ninjas use.

You won't succeed unless you come at me intending to kill.

You can even use your Shurikens.

We'll
kill
you!!!

Yeah,
you're so
slow you
can't even
dodge a..

..black-
board
eraser!

You'll be
in danger.

But!!!

Dead Last
Dead Last
Dead Last
Dead Last

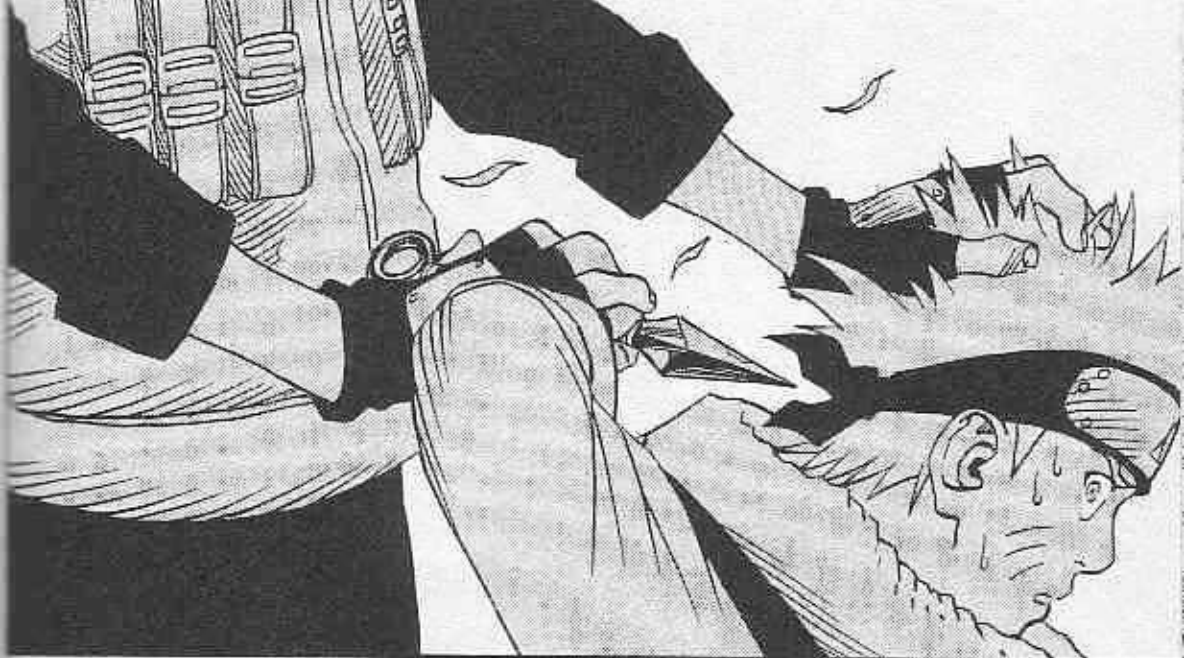

calm
down...

In the
real world,
those with
no talent
often
bark the
loudest.

Well, ignore
Mr. Dead Last
and start
when I say..

So you've
finally
acknow-
ledged me?

Well it
seems like
you're
prepared to
come at me
with intent
to kill.

OK,
let's
get
going.

Ready..

..like
you
guys.

I'm
begin-
ning
to..

Hehe
he,
seems
like..

Start!!!!
