NO MATTER
WHERE THE
LOCK POST
POINTS TO
...

*TREPANATION: THE OLDEST METHOD OF SURGERY PRACTICED BY MANKIND. BASICALLY TO PUT A HOLE IN ONES HEAD TO CURE EVERYTHING FROM COMMON DISEASE TO DEMONS...

HE MUST HAVE DIED OF SICKNESS WHILE VOYAGING. HIS TEETH ARE STILL INTACT UNLIKE THE REST OF HIS SKULL...

AT THE AGE OF ABOUT 30.

THAT'S RIGHT, HE DIED AROUND 200 YEARS AGO,

BUT THAT IS A VERY OLD METHOD.

YES, IT WAS USED TO CURE SOME HEAD DISEASES IN THE PAST ...

FOUND IT, SAINT BREEZE FROM THE KINGDOM OF BREEZE IN SOUTH BLUE, IT SET SAIL 208 YEARS AGO.

FROM THAT POINT OF HISTORY, THIS SHIP MUST HAVE BEEN USED FOR EXPLORING.

THIS WAS A CUSTOM OF A PARTICULAR AREA IN SOUTH BLUE.

BECAUSE THEY WERE COVERED WITH RUBBER OIL.

HE MAY NOT BE ABLE TO SPEAK, BUT HE CAN STILL TELL HIS TALE.

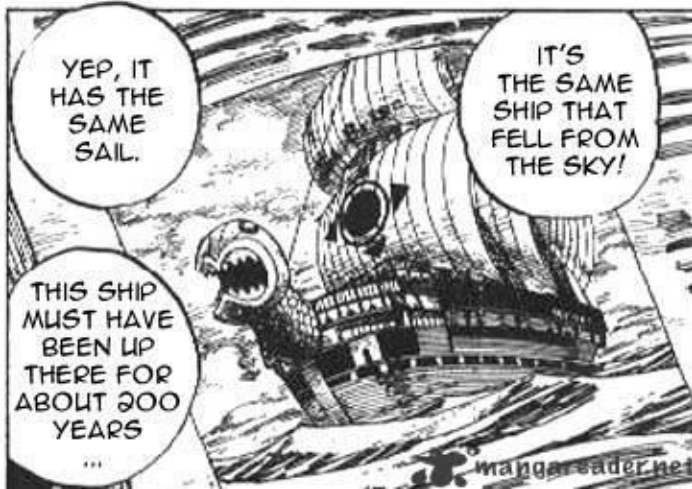

JUST FROM A SKULL, YOU CAN FIND THAT MUCH INFORMATION ...?

YEP, IT HAS THE SAME SAIL.

THIS SHIP MUST HAVE BEEN UP THERE FOR ABOUT 200 YEARS

IT'S THE SAME SHIP THAT FELL FROM THE SKY!
