CHAPTER 170 - FAIRY HUNTER

HIRO MASHIMA

LAST TIME

Natsu, Happy, Wendy, and Charle were left behind when not only the Fairy Tail guild, but the entire town disappeared!?! Charle, who somehow held a grasp on what was going on, explained that everything was all sucked into Anima, a gate to another world called "Edoras". Since magic has dried up in Edoras, they are trying to absorb magic power from Earth Land. Natsu, in order to save his friends from this disaster, dove straight into Edoras without needing any time! And it turned out to be completely different, through and through! Although PT did exist, all his allies seem to be complete opposites!?
