**Kubiwa - Neck Seal**

Because  
he is even  
stronger  
than myself..

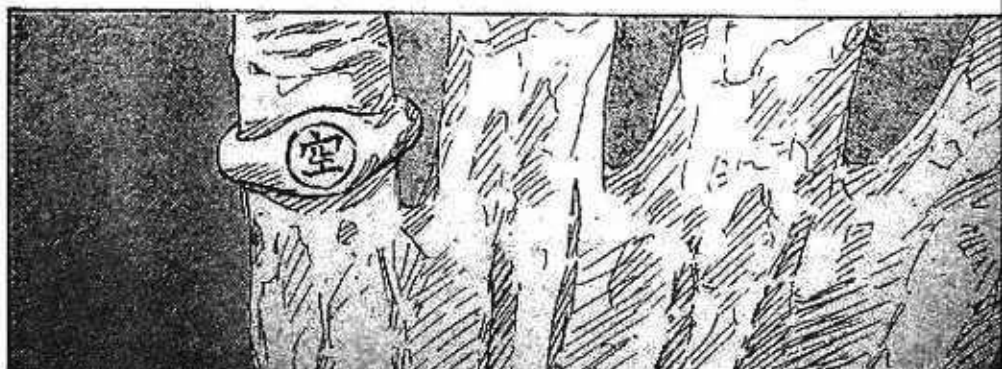

However, that  
is...  
Just a dream  
to wish for...

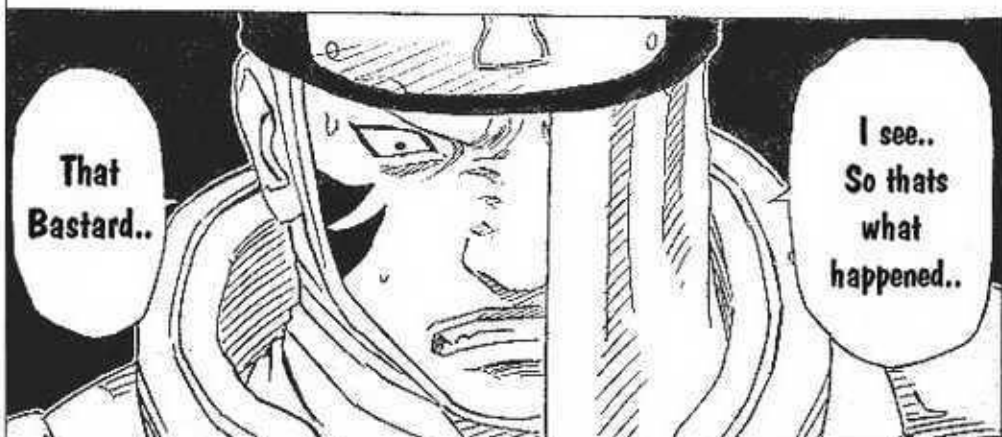

First of all.  
If we only had  
gotten Uchiha  
Itachi to join us.  
There would'nt have  
been any problems  
at all..

That is why..  
I left that  
organization..

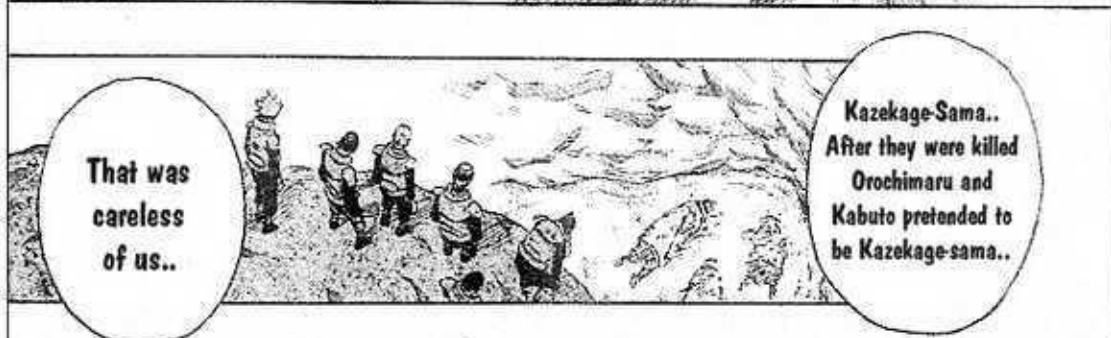

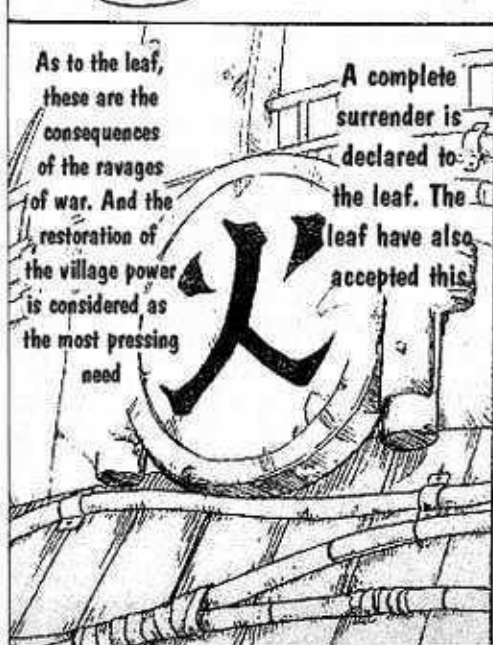

Orochimaru..

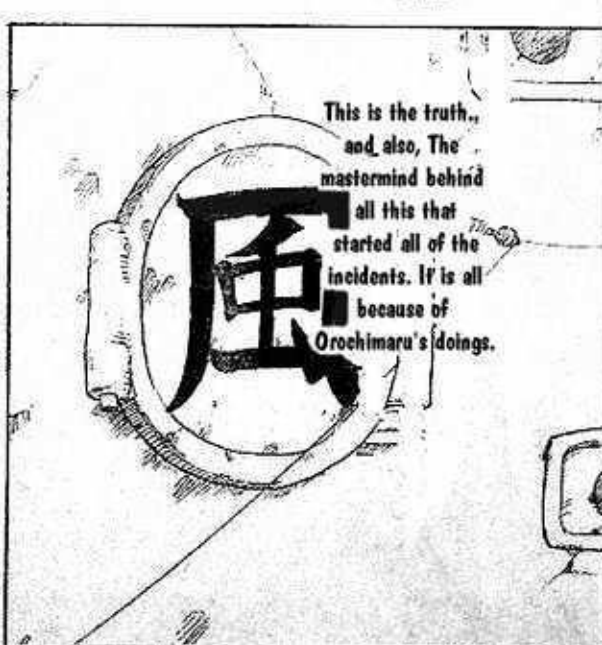

That was  
careless  
of us..

Kazekage-Sama..  
After they were killed  
Orochimaru and  
Kabuto pretended to  
be Kazekage-sama..

As to the leaf,  
these are the  
consequences  
of the ravages  
of war. And the  
restoration of  
the village power  
is considered as  
the most pressing  
need

A complete  
surrender is  
declared to  
the leaf. The  
leaf have also  
accepted this

This is the truth..  
and also, The  
mastermind behind  
all this that  
started all of the  
incidents. It is all  
because of  
Orochimaru's doings.

We have  
something to  
tell you.  
You'll probably  
understand  
why

What  
business  
are we  
here for?

Right now..  
the  
relationship  
with the sand  
is not that  
important

So you say.. even  
though your faces  
don't look like it, the  
talks with the sand  
are going well. Hasn't  
it been concluded?

Until the power of  
the village is restored,  
Several of the our top  
people from the army  
were summoned to form  
a committee, this is how  
the emergency executive  
committee was formed

Because we do  
not know when  
neighbouring  
villages will take  
such bold actions  
once again. It still  
depends..

This is how this  
matter was  
decided and  
dealt with..  
Now first of all...

Under these  
circumstances,  
The top priority  
now is to make  
preparations  
for upcoming  
crisis

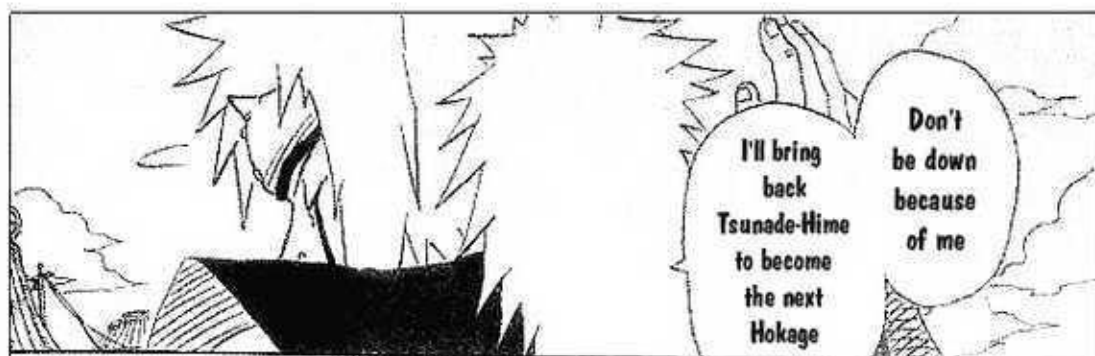

Right now, the  
power of the  
hidden leaf is  
declining. People  
are starting to  
get scared..  
(Fearful)

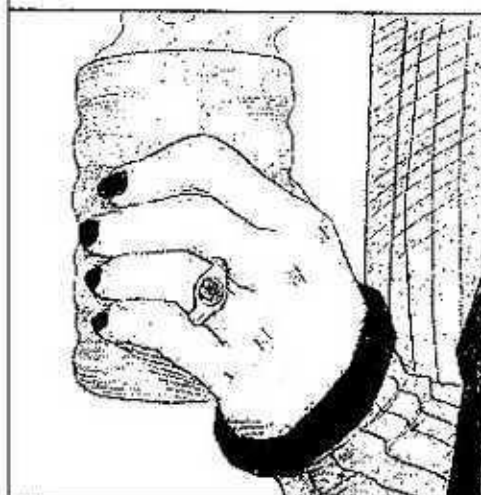

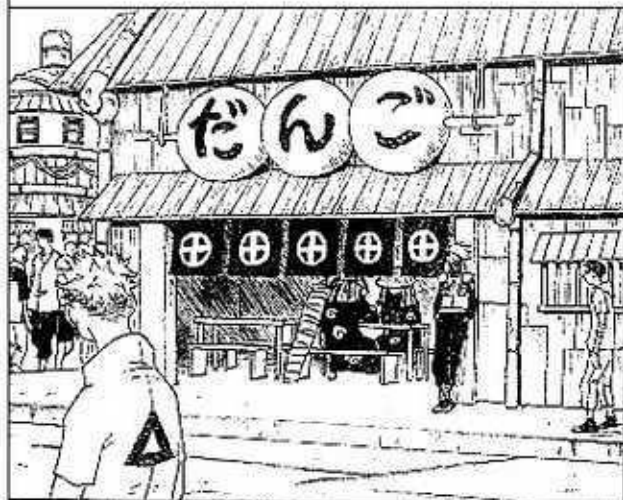

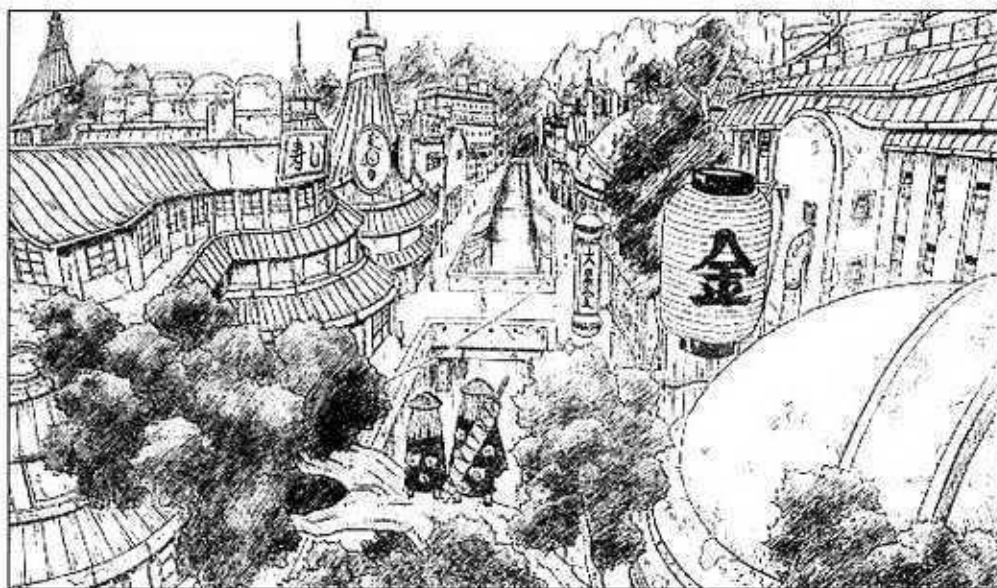

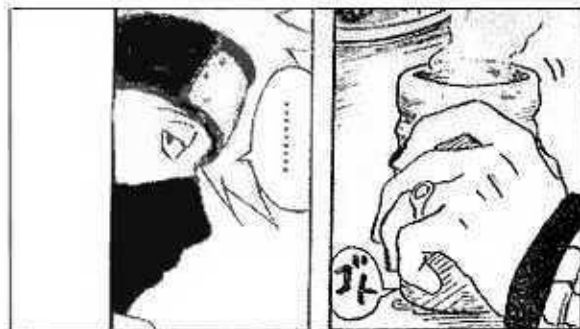

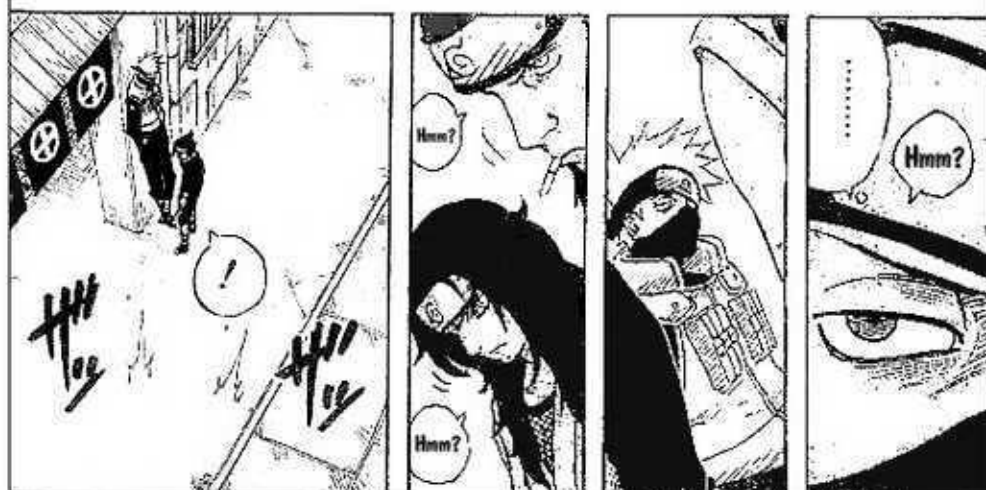

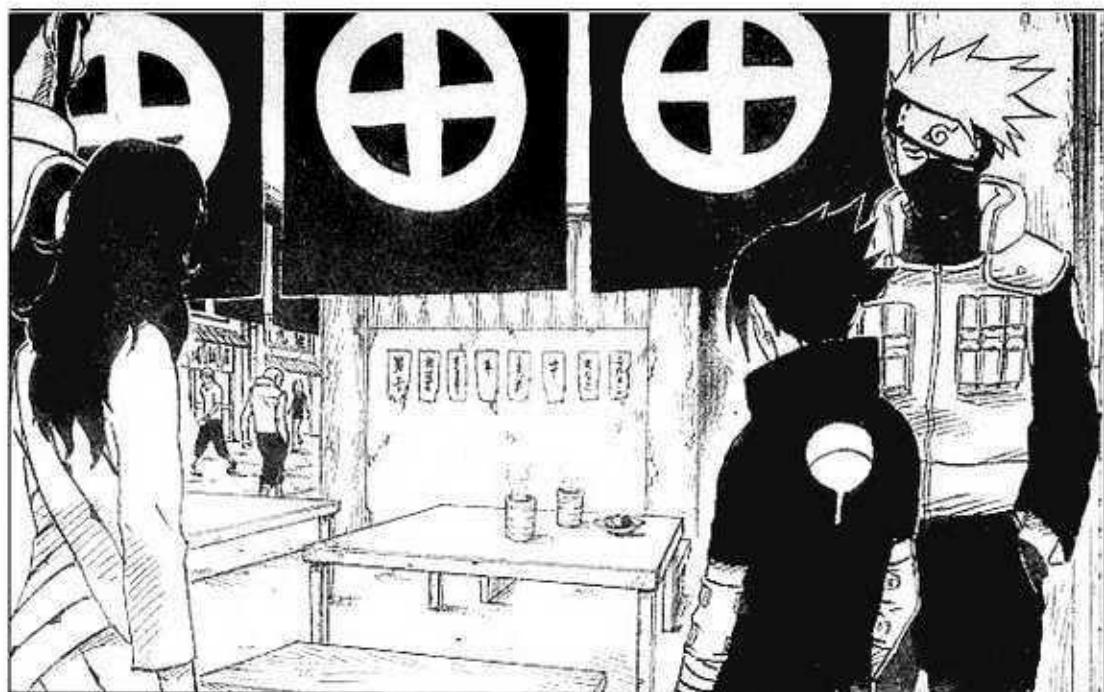

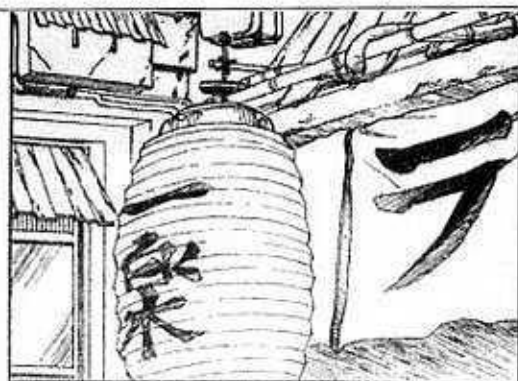

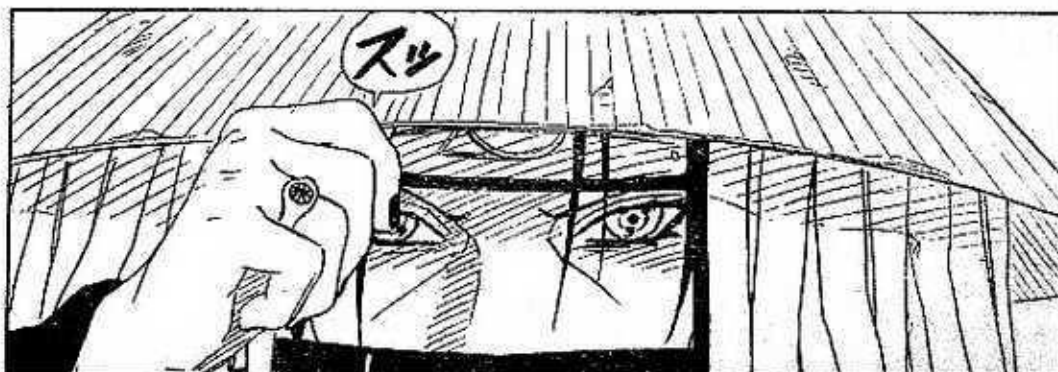

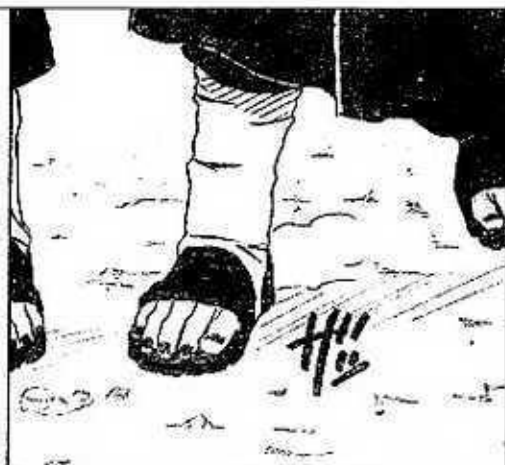

**HAA!**  
**ITS THE PERVERT**  
**SENIN!!**
