A full-page illustration from a comic book. A young man with dark, wavy hair and light-colored eyes is holding a young woman in his arms. He is wearing a black t-shirt with a skull design and a light blue jacket. The woman has short dark hair and is wearing a brown t-shirt. They are in a city setting at night, with buildings and streetlights visible in the background. The air is filled with falling blue and orange confetti. Two speech bubbles are on the left side of the image.
