I am currently accepting donations to help cover the monthly costs of the manga magazines that I'm buying and scanning for the public. My paycheck has covered the magazines that I've purchased up until now but it's reached a point where I need a little help in making sure I can continue to purchase the magazines while being able to take care of my monthly necessities. If you don't mind helping me out then please donate. Any little bit helps! Visit <http://raws.shining-bind.net/donate.html> for more details. Thanks for reading!
