ナンバー

# 23 : 2つの急襲...!!

It seems my thinking was right on the mark.

Oh!!

Looks like a rival has appeared. Eh, Haku?

It does indeed.

He should stop hiding under that mask and face us!!

He's obviously Zabuzza's comrade, standing right next to him and all...

That masked one...

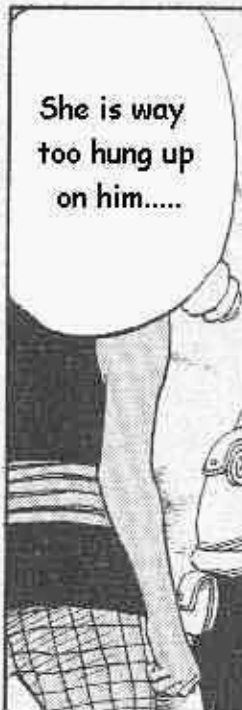

I'll fight him.

え？ huh?

An impressive young man.

She is way too hung up on him.....

Tricking us with that stupid act... I hate bastards like that the most.

You're so cool, Sasuke-kun!!

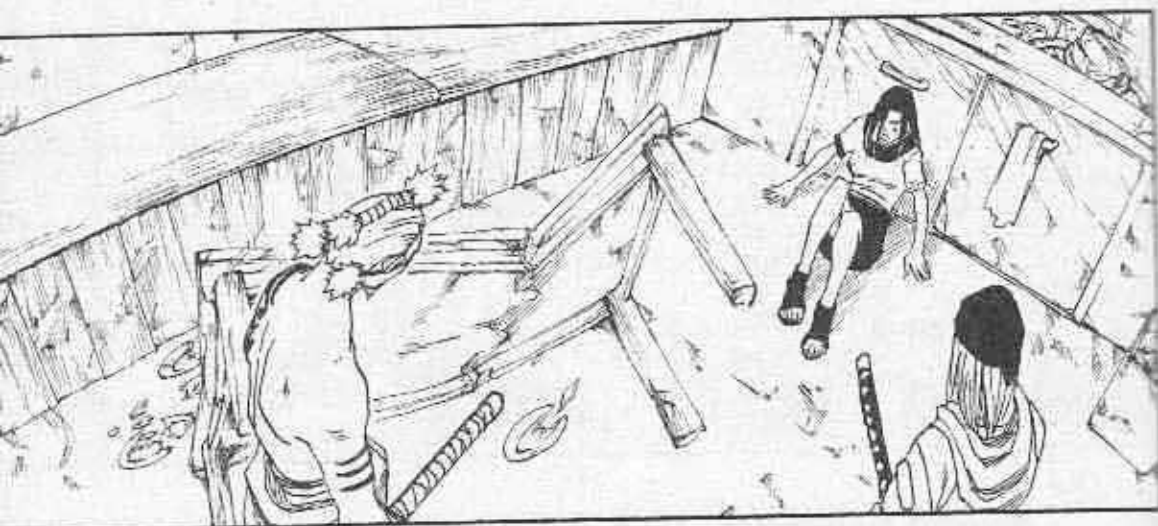

Even though the water clones only have 1/10th the strength of the original...

Damn...  
I wanted  
to cut  
something.

Heh..  
Thank your  
mom, Kid.

I'm a weak kid so  
I can't protect you..

Mom..  
I'm  
sorry...  
I'm so  
sorry...

Give it a rest..  
You just cut up a  
bunch of stuff.  
Let's hurry up  
and take her.

Uu...

"And I don't want  
to die.. I'm afraid..."

Will I....  
Will I also  
be able to  
become  
strong...  
Dad?!!

Wait!!

Walk  
faster.

Hehe.. Looking

want to cut it.
