His main ability is splitting off parts of his body.

We're up against two members of "Akatsuki"... Shikamaru is fighting one, and his backup is on the way, obviously.

The other is right in front of you.

Can you brief me on the situation and his abilities?

He started this battle with five hearts.

We've taken out two so far.

I'll just sit here lookin' pretty while he explains everything he knows about me to his backup

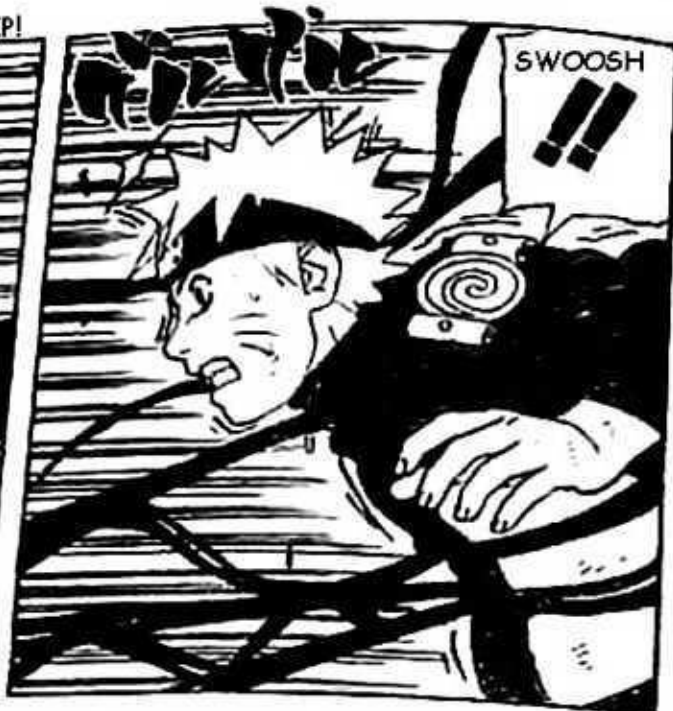

The masks on his shoulders are normally connected, but can be detached as necessary.
