There's no way I'm losing this bet!

...But I couldn't...

I had tried to forget...

Because I now remember those two's dreams...

Because of that brat...

That's why I'll protect them

I love my village and friends ...

Since I'm the grandson of the 1st Hokage, who founded the Leaf Village!

This village is grandpa's treasure! I will protect it!

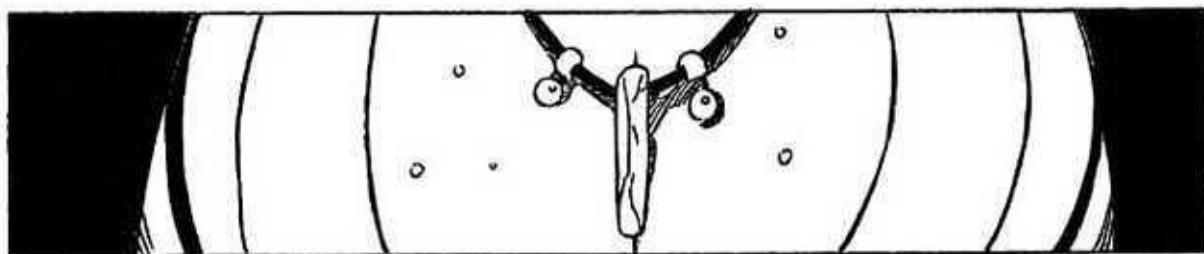

Since my sister died...
Only this feeling has
held me up... That's why
I'll become Hokage...
One who protects
everyone...

...I am not like
you...
I will definitely
gain the Hokage
name...

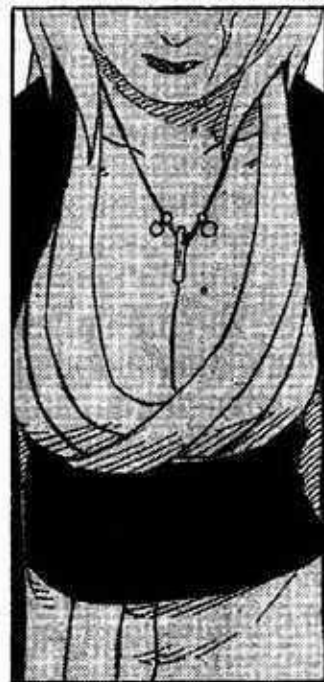

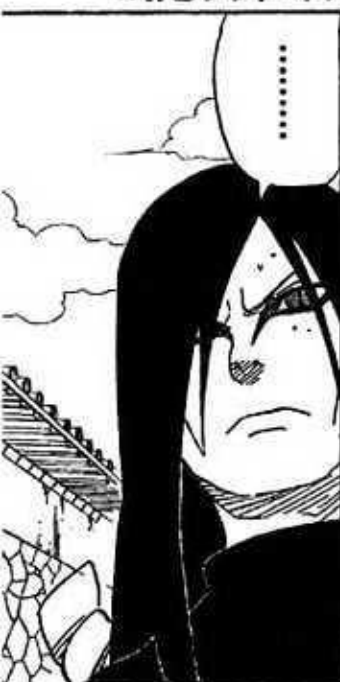

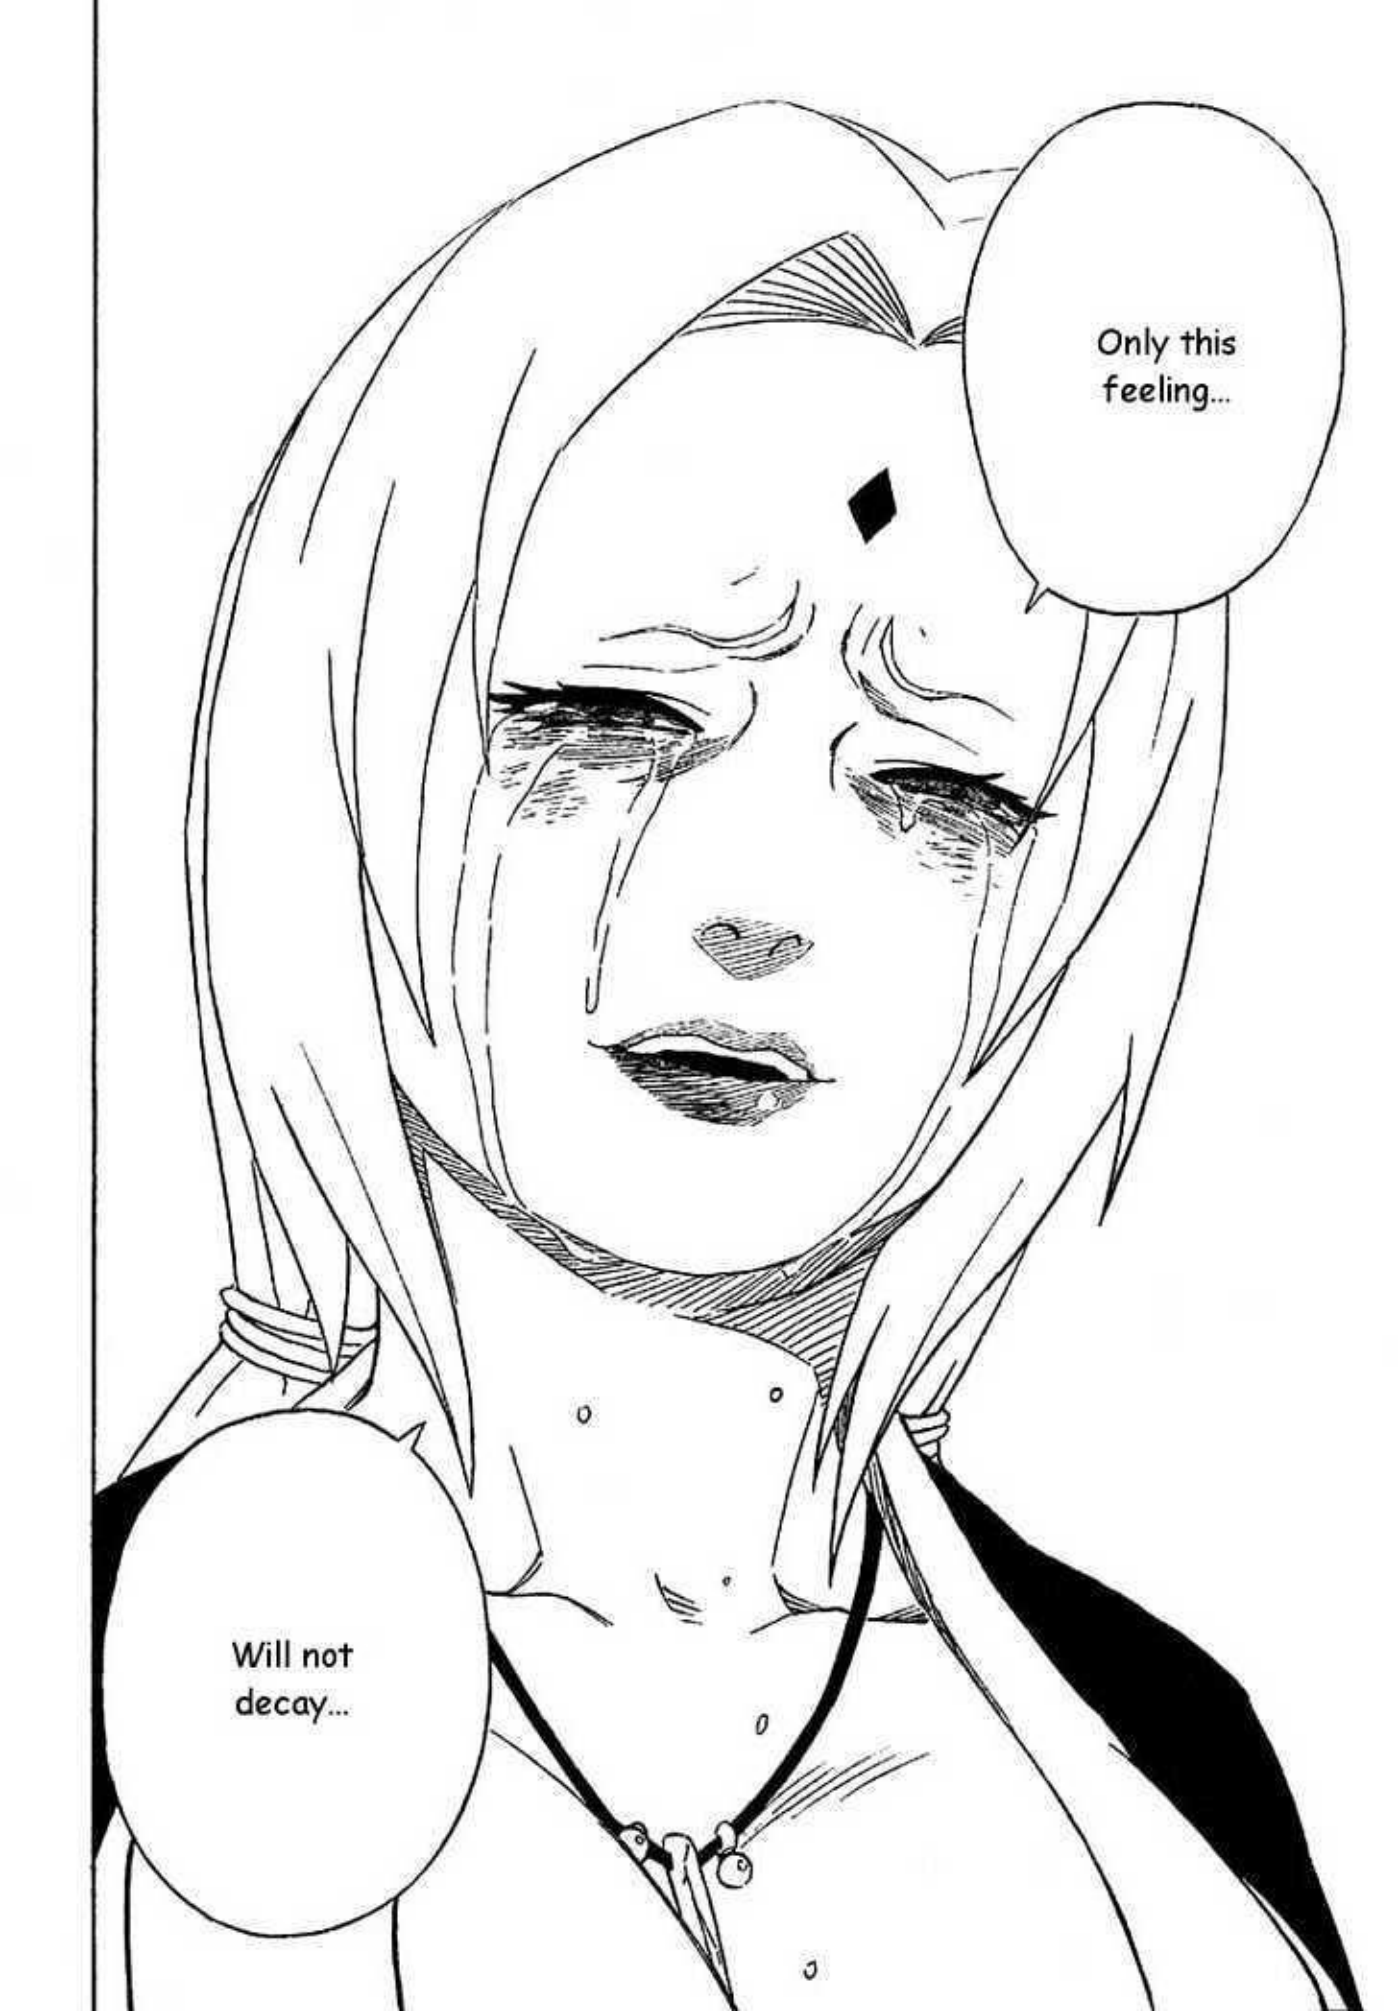

I'll become
like Grandpa
and one day
receive the
Hokage
name!

Because
Hokage
is my dream...

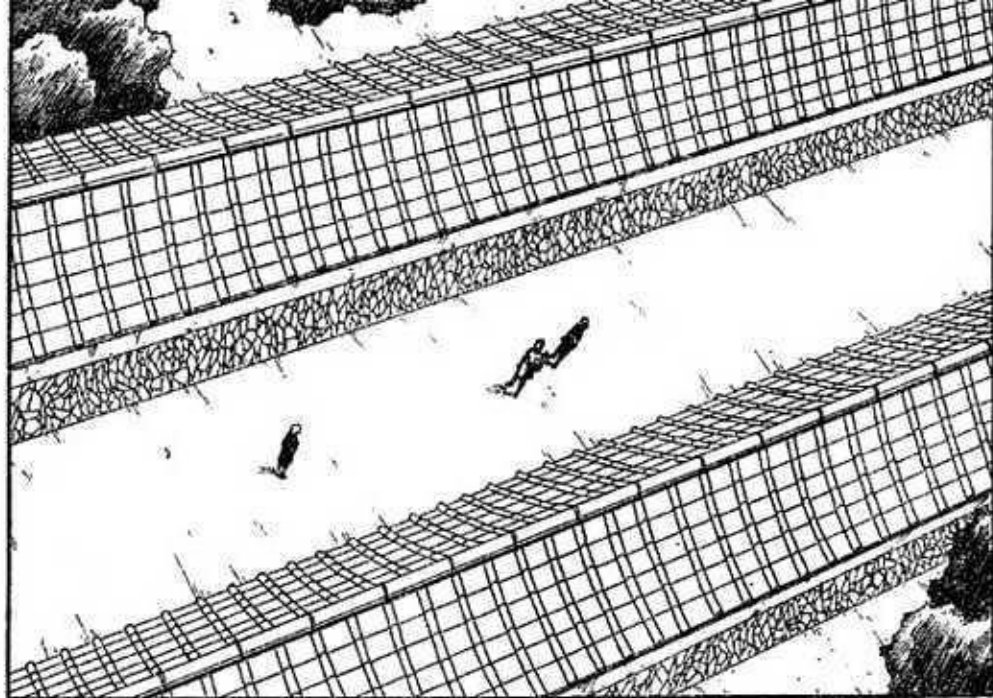

Only this
feeling...

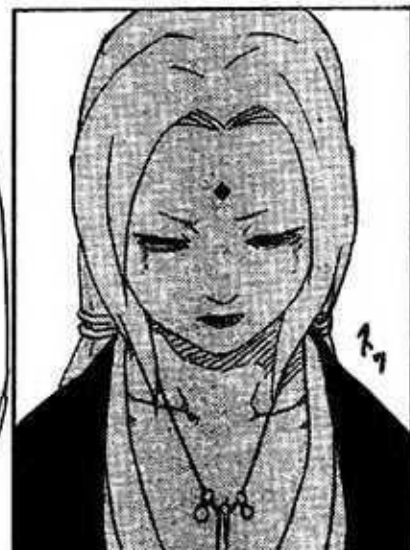

Will not
decay...

No choice
then...

So the
deal is
off...

...We'll have
to force you
to do it...

Let's do it, Kabuto!

This medicine is going to be beyond bitter!

I told you...
