Chapter 130: Love...!!

そこに在ったのは幼き我愛羅と彼を守る者...夜叉丸。

突如甦る記憶、それは...!?

I wonder  
what it's  
like...

I...  
never  
got injured  
so...

I think  
I can say  
that it's  
unpleasant...

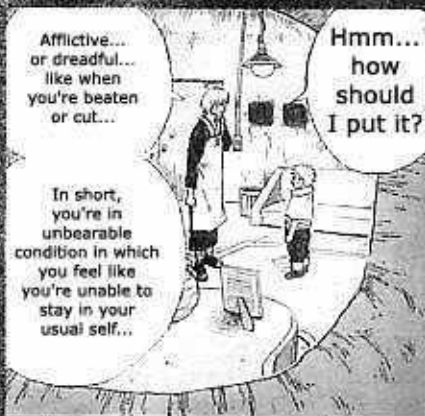

I can't  
explain it  
very well  
but...

Afflictive...  
or dreadful...  
like when  
you're beaten  
or cut...

In short,  
you're in  
unbearable  
condition in which  
you feel like  
you're unable to  
stay in your  
usual self...

Hmm...  
how  
should  
I put it?

Yashamaru

Do you...

Then

hate  
me?

and they can heal faster with medical aids.

Bodies bleed upon physical injuries

and they may look quite hurtful.

...What are more serious are emotional scars....

They are the hardest to heal...

K

Unlike physical ones, there's no ointment available for emotional ones

and the pain may never go away...

Physical and emotional scars are a bit different...

There  
is only  
one thing

What  
is it?

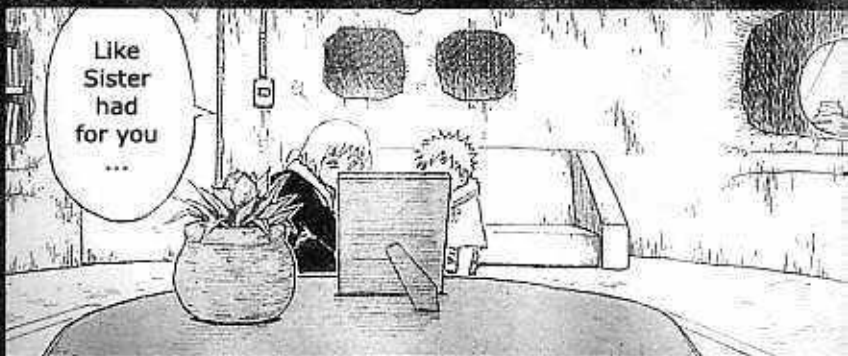

this cure can  
only be given  
to you by  
someone  
other than  
yourself...

However,  
as inconvenient  
as it may  
seem,

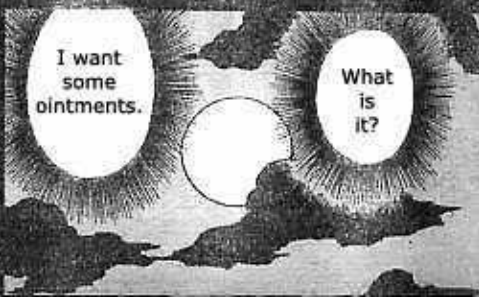

It's  
love  
...

Watch  
it,  
you little  
bra...

.....  
You...

you are
