Uchiha Sasuke !!

Hey, will you let me through?

Only those who pass are suppose to be here.

Naruto, what the hell are you doing here?

Huh?

Hey hey, can't you see this head protector?

Sakura-chan!!

..sit next to me?

Could it be.. She want's to...

Naruto!! Move your ass!! I want to sit on the other side of you!!!

Huh?

Haruno Sakura: A cute girl that I'm kind of interested in.

This guy...
He was the most
popular in our
class...

Uh!

Uchiha Sasuke:
Always acts cool,
I hate this bastard
more than anyone!!

Sasuke
-kun, can
I sit next
to you?!!

What
do you
mean,
what?!!

What?

Genin=Lower Ninja

Jounin=Upper Ninja

So today we will be creating the 3 man teams...
And each team will have a "Jounin" sensei.

Sakura-chan..
Then.. Anyone
besides Sasuke!!

I have to
be with
Sasuke-
kun!!!

That's
just more
people in
my way..

Pft..
3 man
teams?

What?!!

We tried to
balance each
team's
strength.

Haruno
Sakura...
Uzumaki
Naruto...

Next,
team 7..

..have to
be on the
same team
as that
bum?!!!

Iruka
sensei!!
Why does an
outstanding
Ninja like
me...

We have
to do this
to balance
the teams,
understand?

...Sasuke's
grades were
first among
all 27
graduates..

Naruto...
You were
dead last...

Give it
a rest,
Naruto!!

What
did you
call me?!

sigh...

Dead
Last...

Bah

Just
don't
get in
my way.

Even with
Naruto...

Well...
This should
work out...

And
Sakura
too..

Damn
that
Sasuke
!!!!

OK.. This
afternoon we'll
introduce the
Jounin senseis.

Take a
break
until
then.

I
know..

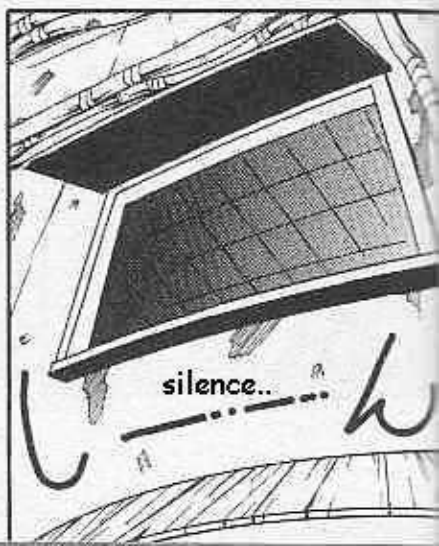

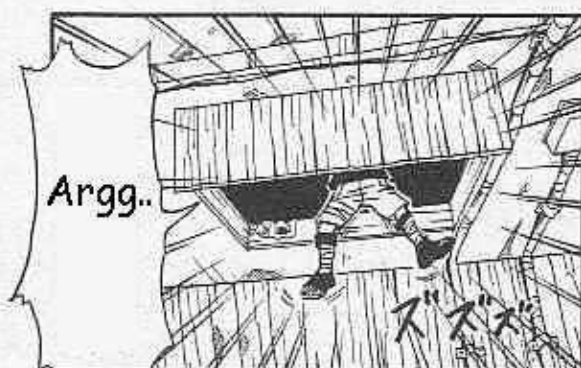

Damn
Damn

sigh..

Isn't
there
anything
good?

..my breasts
and butt are
below average.

The only
thing above
average is
the size of
my forehead.

Even if I
go after
him using
my looks..

sigh..

He's
mine!!

Hell Yeah

シキハズー!!

inner
Sakura

Yes!!

What do
you think
of Naruto?

Huh?

Sakura,
there's
something
I want to
ask you.

Haha, that
sounds like
something
Naruto would
say.

damn...

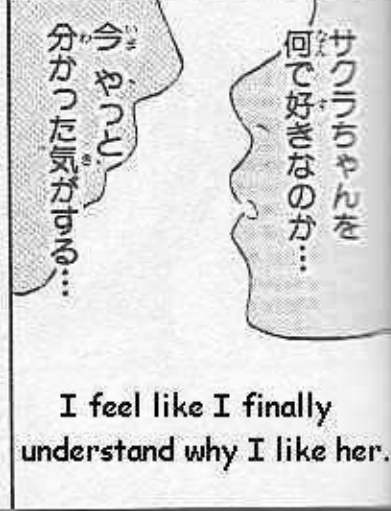

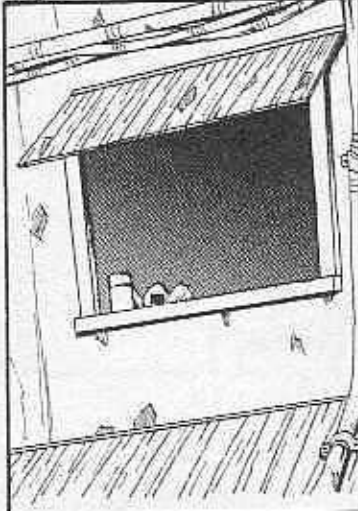

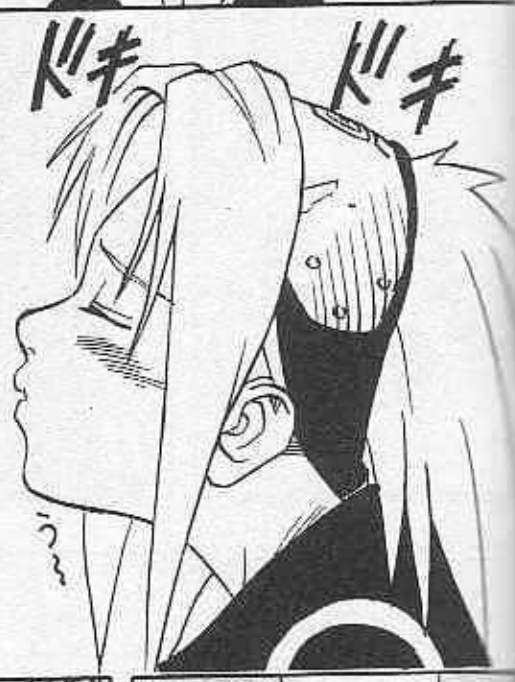

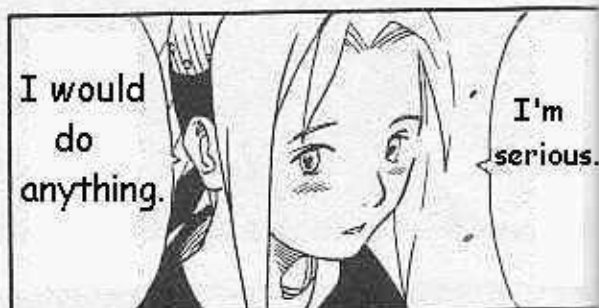

..for
you to
acknow-
ledge
me.

And he
enjoys
seeing me
struggle..

He's
always
getting in
the way of
my love..

All I
want is..

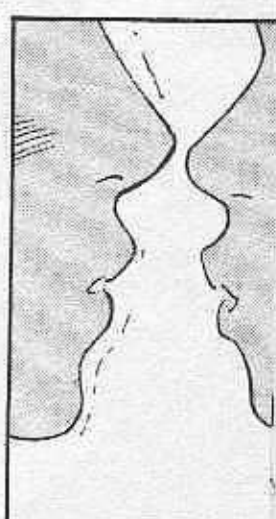

Naruto doesn't
understand
anything about
me, he's just
annoying.

That
bastard,
using Henge
no Jutsu to
transform
into me..

What's
he doing?

Damn
it!!

I was suppose to test her feelings, yet all I did was make Sasuke look cool.

Geez.. She called me annoying.. again..

I barely held the transformation through the stomach pain.

That was close!!

あそ
Hehehe..
This is
a good
plan..

If I make
her think
that
Sasuke is
a jerk..

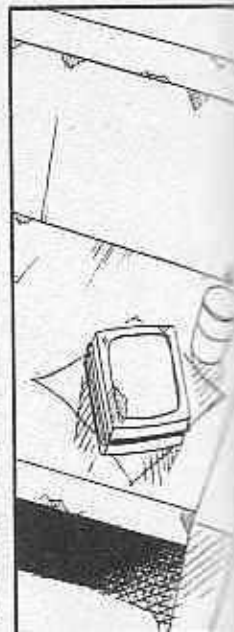

Oh!!
Wait!!

Are you
ready now?
I sure am!!!

Oh!!
Sasuke-kun,
you're so
shy.

Who cares about Naruto?

Where's Naruto?

Hehe.. Don't change the subject...

It's time to go.

Well, he hasn't had a normal childhood.

All he does is get in fights with you.

He can do whatever he wants. If I acted like him my parents would get so mad at me.

He doesn't have any parents.

(Sakura)-

He's so lucky, all alone, parents never getting on his case.

You're

That's
why he
misbehaves
so much..

Huh?

All
alone..

The sadness
of having a
parent yell at
you is nowhere
near what he
feels.

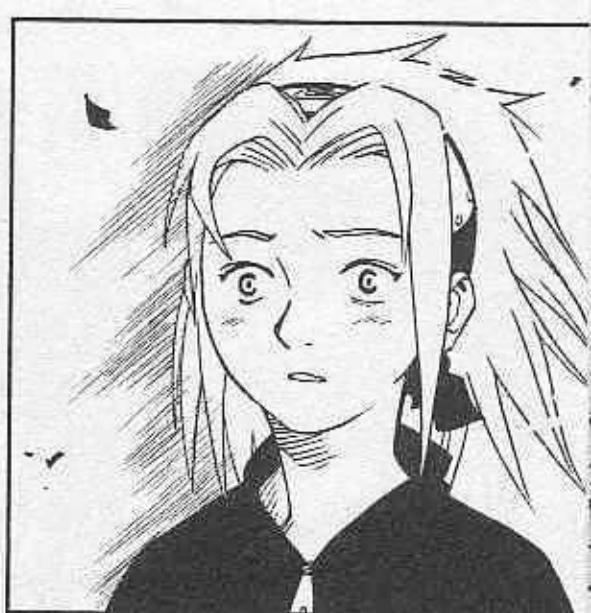

何! 何!

What's
this.. all
of a
sudden...

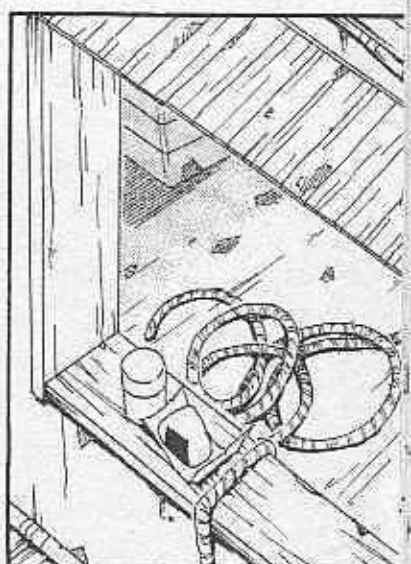

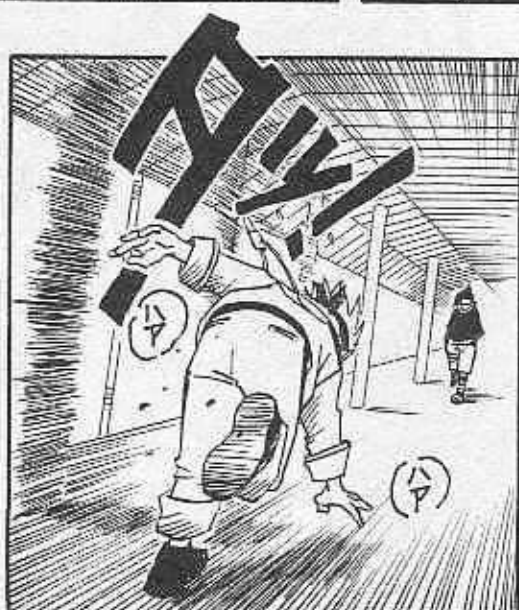

..annoy
-ing.

I wonder
if she's
still
waiting
for me!!

Damn!!
My
stomach
has
finally
calmed
down!!

AHH!!

Remem-
ber
that,
dead
last.

Ninjas
can untie
ropes..

What are
you doing
here?!!

ヒッ!

Oh!!

Did Naruto feel
like this too?

Maybe
next time..

..I can be
a little
nicer.

ナルトも
こんな気持ち
だったのかな...

You're
annoying..
