

106 TALES OF DEMONS AND GODS

SINOPSE: Nie Li, o mais poderoso Espiritualista Demoníaco e estando no topo do mundo marcial, perde sua vida durante a batalha com o Imperador Sábio e as seis bestas de nível divino, e sua alma volta ao passado para quando ele tinha 13 anos. Embora ele seja o mais fraco em sua classe, com o talento mais baixo no reino da alma Vermelho - o mais fraco dos reinos - com a ajuda de seu vasto conhecimento acumulado na sua vida passada, cresce mais rápido do que todos. Agora, ele irá tentar proteger a cidade que no futuro será invadida pelas bestas e que acabou sendo destruída, assim como sua amada, seus amigos e sua família que morreram pelo ataque das mesmas, e destruir a família Sagrada que abandonaram seus deveres e traíram a cidade em sua vida passada.

His result in the final test was 1-star bronze... a few days later he reached silver rank, and now, amazingly, managed to become a gold rank spiritualist!

Even Lord Ye Mo, did not possess all this talent!

This is Wonderful!

Patriarch! Currently Xiao Li posses this unbelievable Talent, For Certain he will be protected by the Lord of the City.

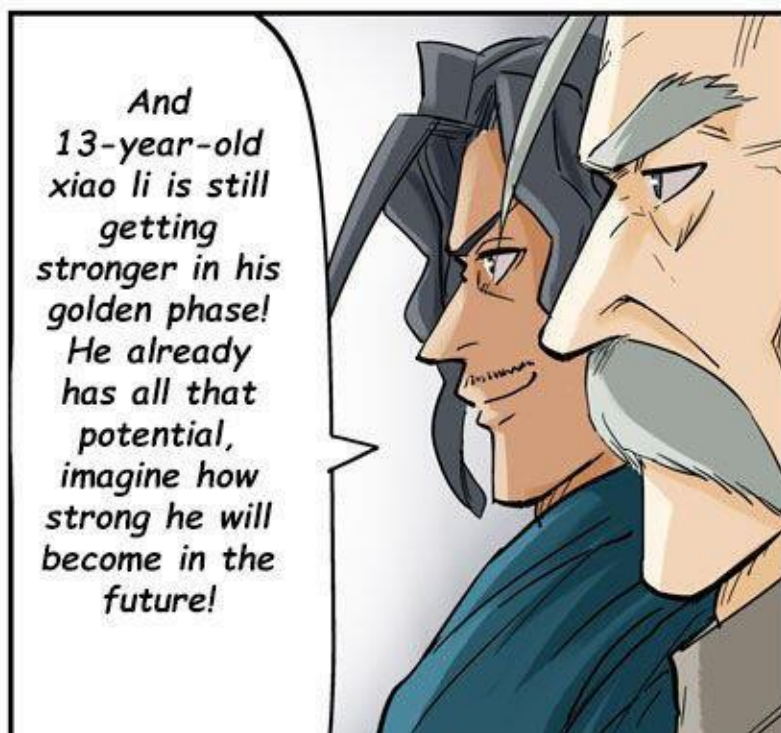

With this no one will have the courage to bother you!

In these last 100 years we were under the wings of the Lord ye mo, while he alone protected the city. Today, the Lord has grown old and there is no one strong enough to replace him.

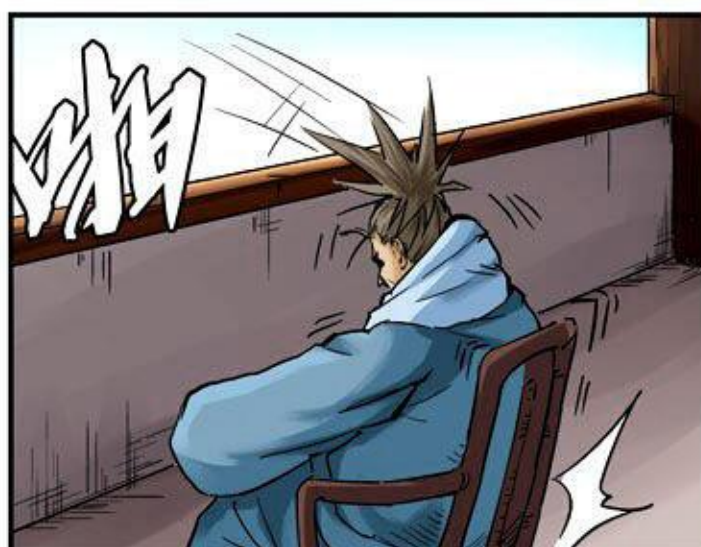

Although there are people who managed to beat the rank black gold everyone is over 40 years ...

And 13-year-old xiao li is still getting stronger in his golden phase! He already has all that potential, imagine how strong he will become in the future!

this brat might have the chance to surpass Lord Ye Mo!

That black and white energy is very powerful!

I also need to be careful with his gravitational force.

SFX: POW!

Of course, a skill with that level of power can not be used again and again.

I will battle him at long distance to see if he still has some more skills hidden.

CONTORCE

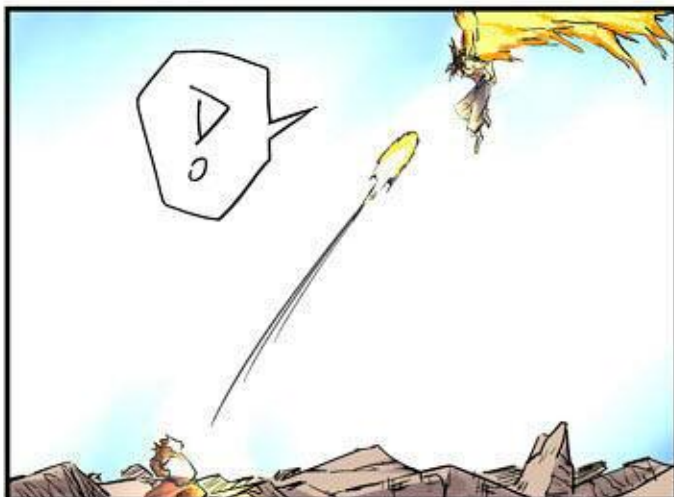

He will not try dodge!?

There!

Note: Contorce = squirm, wriggle, trash, flail or toss.

SFX: POW!

大家吶！啊嘻嘻！

昨天是“小雪”果然降温了，没把我冻死。太阳历真是太准了...

今天也不知道说啥好，分享一本新买的书
