

WOW.....
.....
I'M GLAD I SLEPT
THROUGH ALL THAT!

SO DON'T WORRY!
NOW THAT THE
SLEEPING PRINCE
HAS AWOKEN,
YOUR SAFETY IS
GUARANTEED.

I SEE... WELL
THAT'S A SHAME
BUT I GUESS THAT
ALSO MEANS THAT
I'VE STILL GOT A
CHANCE TO SHINE.

WHY THE
HELL WOULD
IT SNOW?

I WONDER IF
IT'S GONNA
SNOW...

WELL YOU CAN COUNT ON
ME TO BACK YOU UP! THE
WHOLE WORLD'S TALKING
ABOUT WHETHER OR NOT
THE 30 MILLION BOUNTY
ISN'T ACTUALLY FOR MY
HEAD INSTEAD!

NOT
REALLY.

ARE YOU
JEALOUS,
NAMI?

YOU JUST
DON'T KNOW
BECAUSE YOU
WERE SLEEPING
WHEN IT WAS
SNOWING THE
OTHER DAY.

DO YA THINK
IT'LL SNOW
SOME MORE?

HEY!

"ADVENTURE ON LITTLE GARDEN"

THE 7 MAGNETIC
FIELDS THAT
STRETCH FROM
REVERSE
MOUNTAIN CLASH
TOGETHER TO
MAKE THINGS
EVEN MORE
UNPREDICTABLE.

WELL, IT'S
NOT LIKE IT
NEVER SNOWS
OR ANYTHING,

BUT THAT
PART OF
GRAND LINE
UP TO THE
VERY FIRST
ISLAND IS
SPECIAL.

GRAND LINE
IS STILL BY
FAR THE MOST
DIFFICULT OCEAN
TO NAVIGATE ON.

SO IT'S
ABSOLUTELY
IMPERATIVE THAT
YOU NEVER
UNDERESTIMATE
THIS SEA!

SO YOU CAN'T
LET DOWN YOUR
GUARD EVEN
FOR A MINUTE.

EVEN THOUGH
IT WOULD BE
QUITE RARE TO
ENCOUNTER SUCH
BIZARRE CONDITIONS
ONCE YOU'VE
PASSED THE
FIRST ISLAND,

YOU BET WE ARE!

ANYBODY UP FOR SOME
SPECIAL DRINKS!?

QUACK!

わい
わい
リラックス!!

*A pirate lunchbox has no vegetables for maximum energy.

WE'LL BE
BACK!

ALRIGHT,
LET'S GO!

YO ZORO,
WAIT!

A
WALK!?

I'LL GO
FOR A
WALK.

WELL,
SINCE I'M
NOT DOING
ANYTHING
EITHER,

I GUESS IT'S
EXPECTED OF
ONE WHO
INFILTRATED
BAROQUE
WORKS.

THAT MISS
WEDNESDAY'S
GOT SOME
GUTS.

**WAIT
RIGHT
THERE!**

I'LL GO HUNT
FOR SOME
ANIMALS THAT
YOU'D NEVER BE
ABLE TO KILL
YOURSELF.

SURE
THING.

WE'RE RUNNING OUT
OF FOOD ONBOARD SO
IF YOU SEE ANY ANIMALS
THAT LOOK TO BE EDIBLE,
CAN YOU HUNT IT DOWN
AND BRING IT BACK?

HM?

OR DID YOU
JUST IMPLY
THAT YOU
COULD HUNT
A BIGGER
GAME THAN
I CAN...?

DID I
HEAR YOU
WRONG,

HUH?

**THAT'S IT!
I CHALL-
ENGED YOU
AT HUNTING!**

ISN'T THAT
OBVIOUS?

FOREIGN INTERACTION IS RARE, GIVING RISE TO UNIQUE CULTURES ON EACH ISLAND.

BECAUSE OF THE DIFFICULTY IN NAVIGATING FROM ONE ISLAND TO ANOTHER ON GRAND LINE,

THIS ISLAND'S STILL STUCK IN THE AGE OF DINOSAURS!

HUH?

THAT MEANS... THIS IS A PREHISTORIC ISLAND!

THIS IS ALL POSSIBLE DUE TO GRAND LINE'S CHAOTIC CLIMATE!

THEN THERE CAN ALSO BE ISLANDS ON WHICH TIME HAS STOPPED STILL FOR THOUSANDS AND THOUSANDS OF YEARS!

SO IF THERE ARE ISLANDS ON WHICH HIGHLY ADVANCED PEOPLE LIVE...

USOPP!
USOPP!

WHAT, DID YOU FIND THE BOOK?

AWESOME!

DON'T
RIDE
ON IT!

AND SO... THIS ISLAND IS ONE SUCH PRODUCT OF GRAND LINE'S CHAOS...

IT'S AN ISLAND TRAPPED BACK IN THE AGE OF DINOSAURS!

AN ISLAND OF
GIANTS, "LITTLE
GARDEN." THAT
IS WHAT I HAVE
DECIDED TO NAME
THIS ISLAND.

-EXPLORER
LOUIS ARNOTE-

TO ITS
INHABITANTS,
THIS ISLAND IS
LIKE A LITTLE
GARDEN.
