Beat Sasuke!!

手裏剣

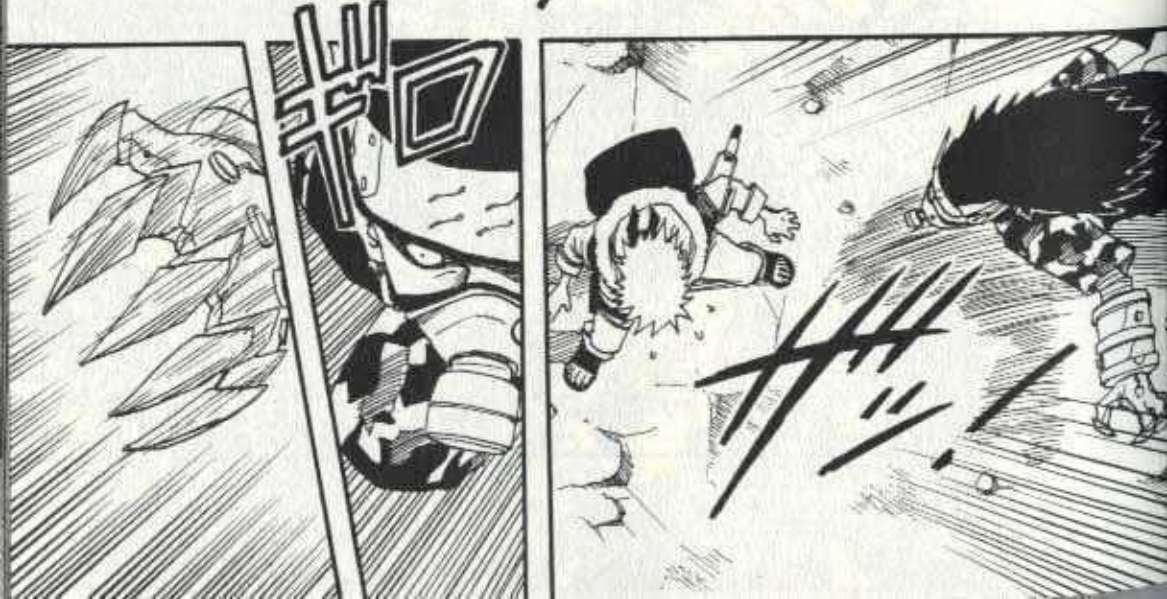

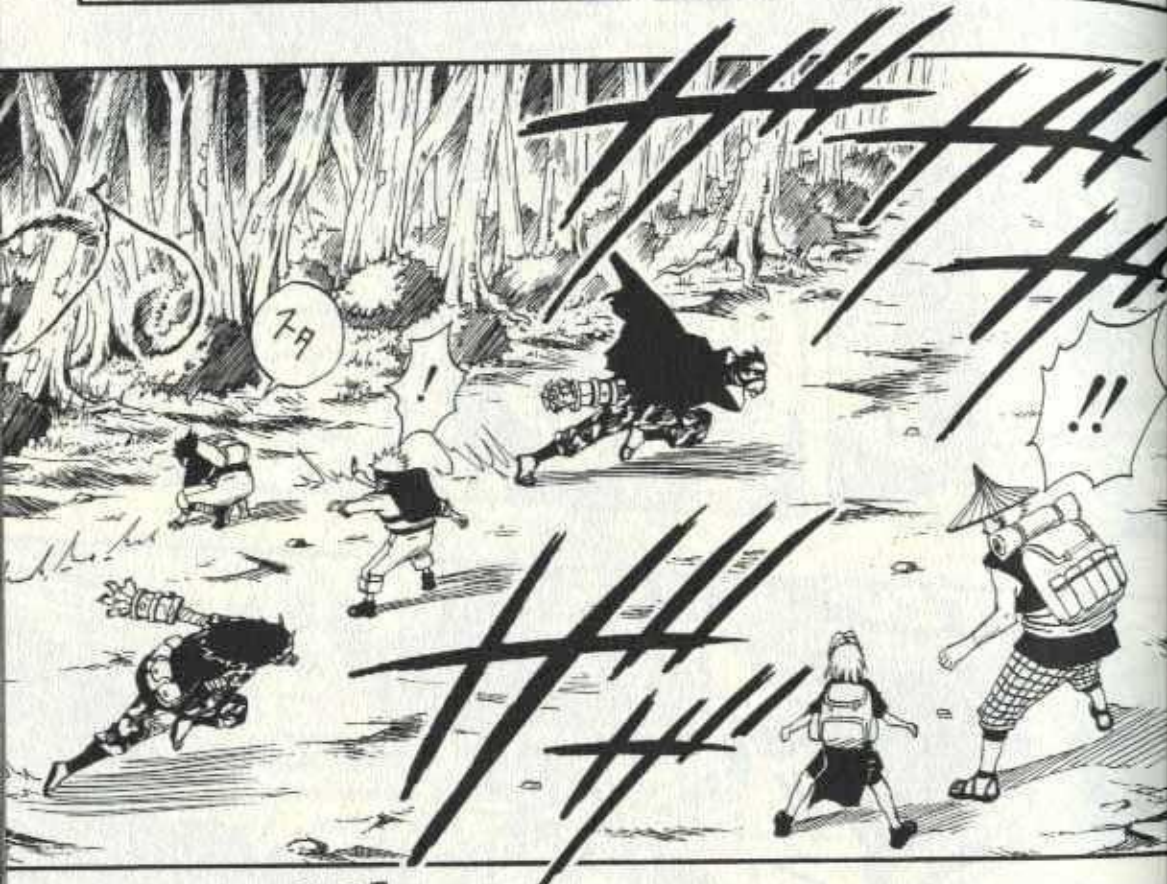

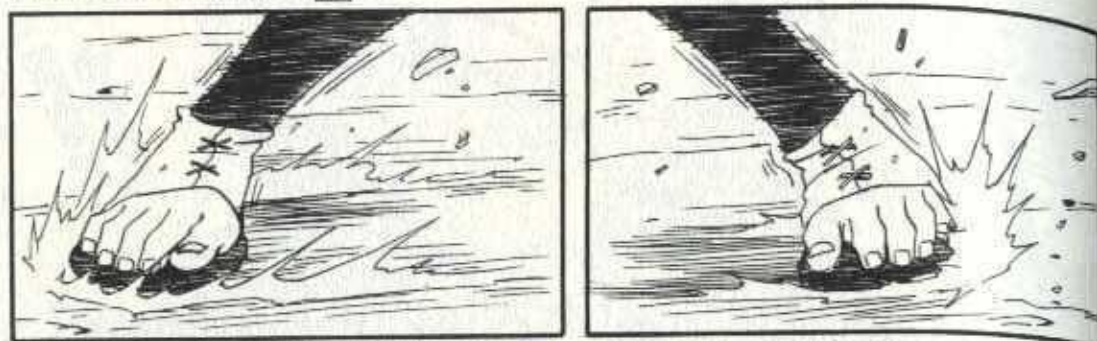

I'm stuck!

UWAAA!!!

I have  
to do it!!

私がやらなきゃ...!!

来る  
He's  
coming!!

Sir, get  
back.

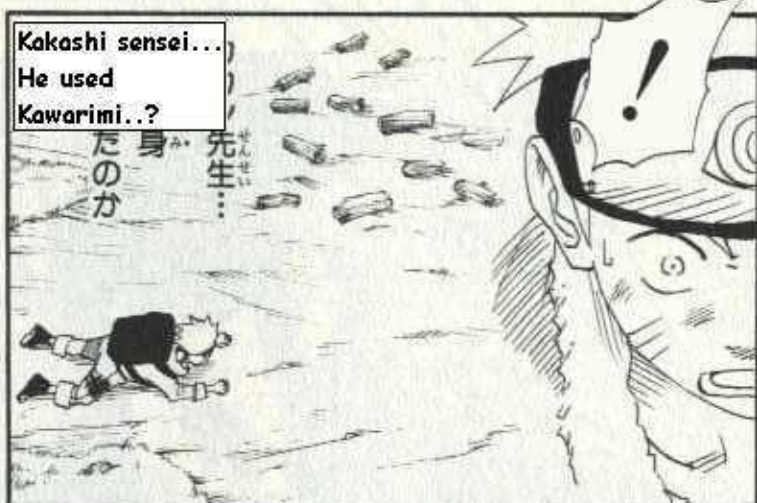

"Bah... Show off.."

Kawarimi-Body Switch

I couldn't do anything...

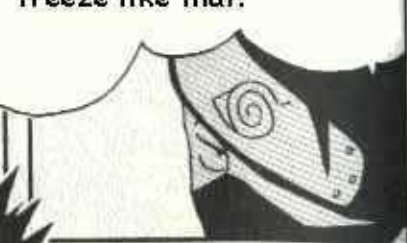

Anyway,  
nice job  
Sasuke.

Naruto, I'm sorry I didn't save  
you immediately. I got you injured.

.....

I didn't think you would  
freeze like that.

Sakura  
too.

He looks as if nothing  
happened. And he  
doesn't even have a  
speck of dust on him.

He even saved me...

Hey!!

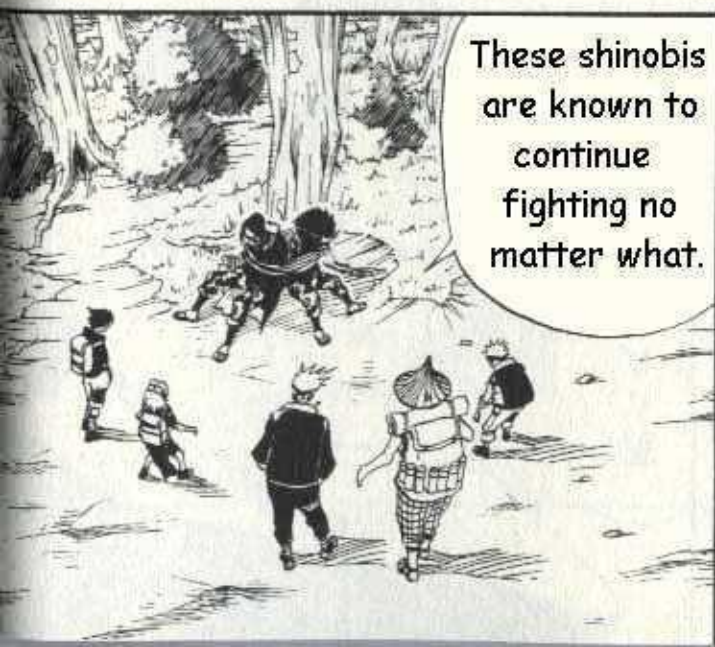

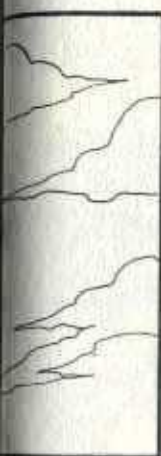

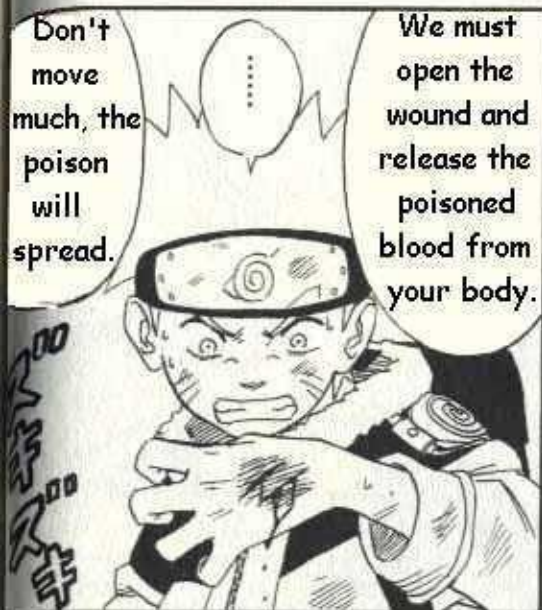

Yet he...  
It was his first  
real battle.  
Was he not  
scared at all?

You  
alright..

Scaredy  
Cat?

..there's not going to be a puddle.

On a sunny day like this when it hasn't rained in days...

...How did you read our movements.

There was something I needed to find out...

Who these two were after.

If I had wanted to I could have killed these two instantly but...

If you knew that, why did you let the brats fight?

Our mission was to simply protect you from thieves or gangs.

We haven't heard that there are shinobis after you.

Meaning... Were they after you, or one of us.

What do you mean?

?

This was  
suppose to be  
simple  
protection  
until you..

..completed  
the bridge.

This has  
now become  
at least a  
B-rank  
mission.

I'm sure you had  
a reason, but it  
causes problems  
when you lie about  
the mission.

We are now  
operating  
outside of  
our duties.

If it was  
known that  
ninjas were  
after you...

..this mission  
would have been  
set as the more  
expensive B-rank.

This  
might  
be too  
much..

Hmm...

We aren't ready for this  
mission. Let's quit!! We will need  
medicine for Naruto's wound.  
We should go back to the village  
and take him to a doctor....

I paid you guys a lot of money because I heard you were very strong former ninjas.

You failed?!!

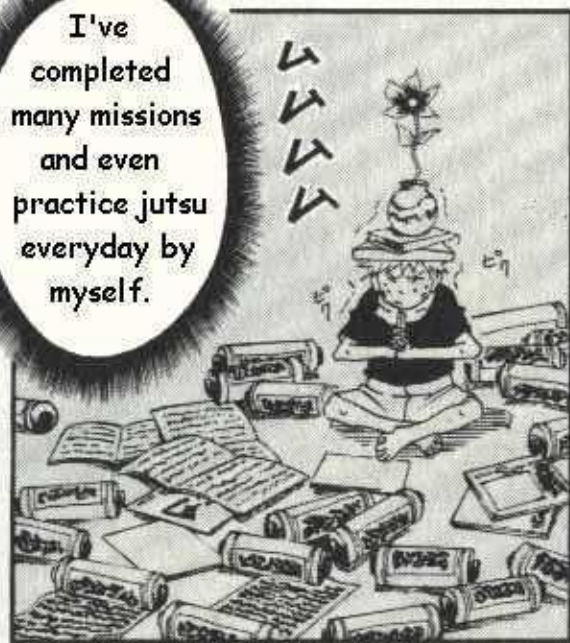

Naruto!!  
What  
are you  
doing?!!

Why am I  
always...  
Damn it!!!

Why is  
there so  
much of a  
difference?

I've completed many missions and even practice jutsu everyday by myself.

I should be becoming stronger..

I swear it on this pain in my left hand.

I won't lose to Sasuke..

I'm not going to be afraid and try to run..

I'm not going to need saving ever again...

Kunai-name of that weapon

With this kunai..

We're  
continuing  
the mission!!

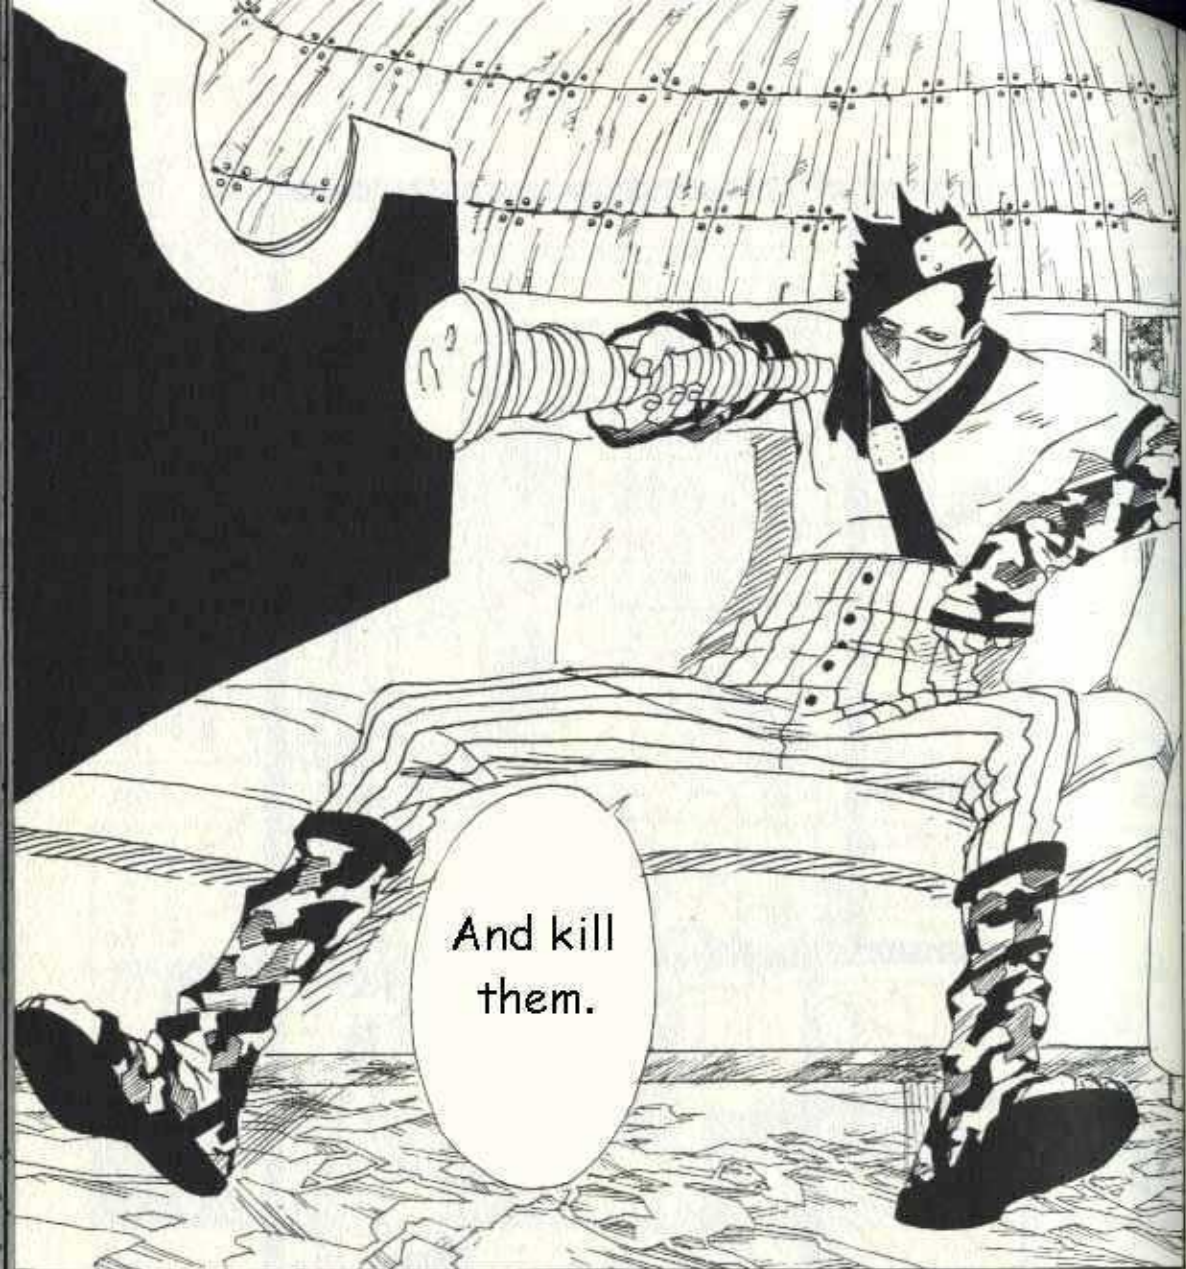

I'll  
protect  
the old  
man.

Stop your bitching,  
this time I'll go  
with this head  
slicing cleaver...

And kill  
them.

There's a  
reason I'm  
called the  
Devil of the  
Hidden Mist,  
Momochi  
Zabuza.

Who do  
you think  
I am...?

It seems the  
enemy has  
hired some  
skilled ninjas.

And with  
the failure  
of the Demon  
Brothers,  
they'll be  
better  
prepared.

Are  
you  
sure?
