

But  
that was  
impressive  
of you.

Hehe..

にんじや  
13: 忍者だ!!

..my  
comrades  
die.

I won't  
let..

At that  
time..

You had  
already copied  
my Water  
Clone no  
Jutsu...

But...

..to attract my attention while  
the real you hid in the mist  
and watched me. Nice plan...

You had  
your clone  
say those  
words...

I'm also  
not that  
easy...

That  
one's a  
fake  
too?!!!

13

:I'm a Ninja!!

Makibishi-something like "Throwing Nails"

Foolish..

Water  
Prison  
no  
Jutsu

スッ...

Heh,  
fool.

What?  
This  
water is  
heavy..

ザッバ...

What?!

しまった!!

Damn!!

Hehehe,  
I now have  
you in my  
inescapable  
special  
prison.

You may have  
been trying to  
escape to the  
water, but  
that was a big  
mistake.

Water  
Clone no  
Jutsu

Now...  
Kakashi,  
we can  
finish things  
later.

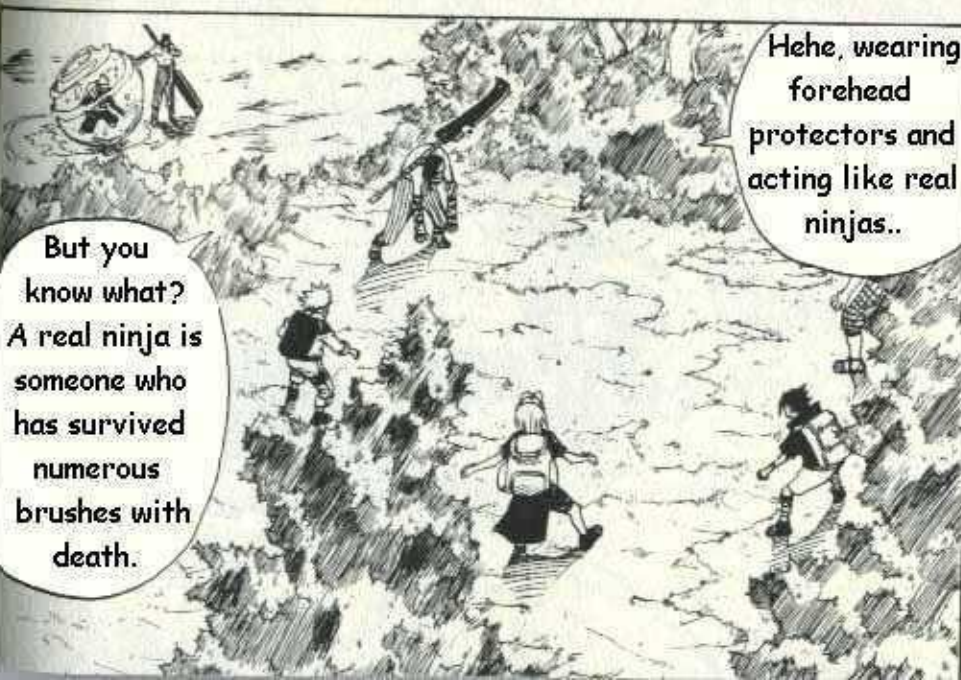

First I'll  
take care  
of them.

It makes  
things  
tougher if  
you can  
move, you  
know?

He's  
stronger than  
I expected.

But you  
know what?  
A real ninja is  
someone who  
has survived  
numerous  
brushes with  
death.

Hehe, wearing  
forehead  
protectors and  
acting like real  
ninjas..

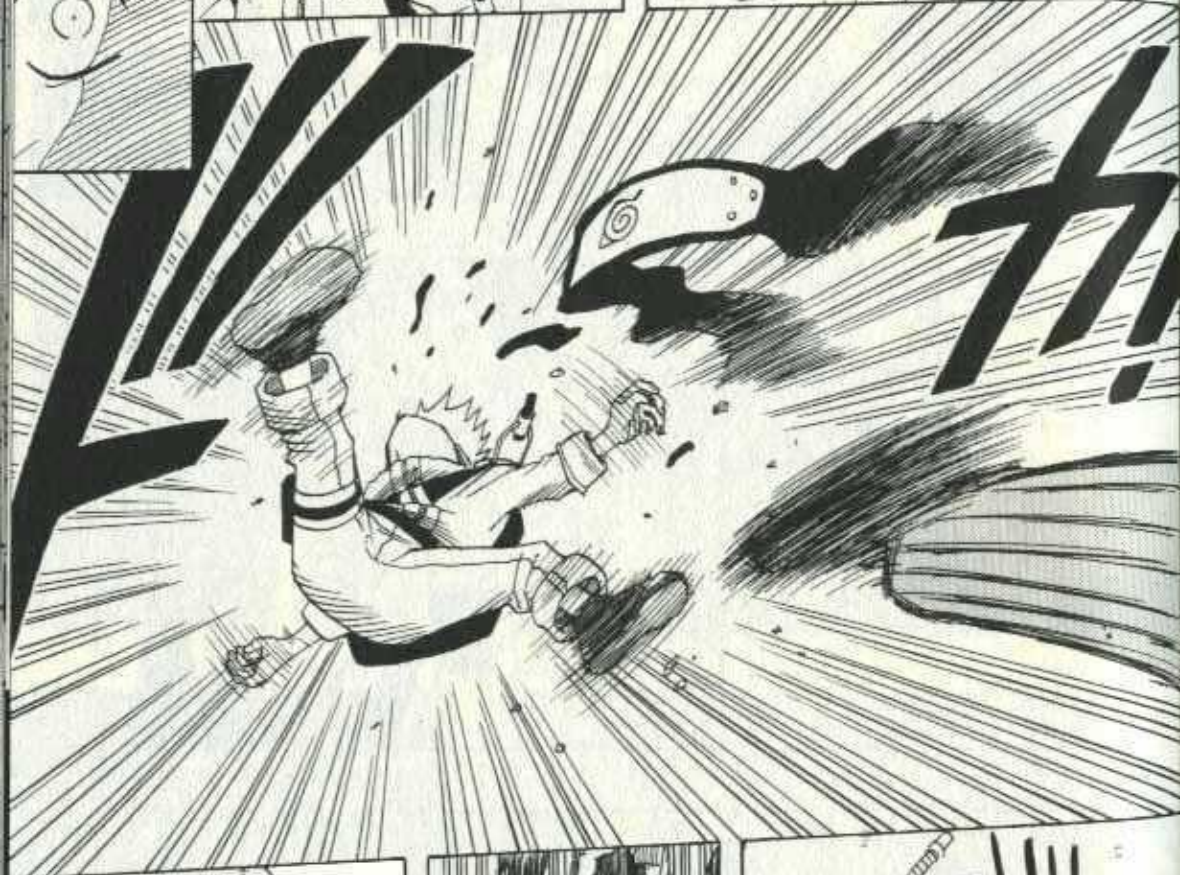

He disappeared again!!

!!

..then you can start calling yourself a ninja... You guys should not be referred to as ninjas.

ズッ...

Basically... Once you're good enough to be listed in my handbook..

Na-ruto!!

As long as he's keeping me trapped in this prison, he can't move.

You guys!!!  
Take  
Tazuna-san  
and run  
away!!!

You have  
no chance  
of beating  
him!!

Guh!!

Just  
a brat.

This  
is a  
Jounin,  
a real  
ninja.  
At this  
rate...

...これが上忍  
これが本当の忍者

Just  
run  
away  
now!!!

The water  
clone cannot  
go very far  
from his  
real body.

I'm  
really..  
really..  
going to  
die!!

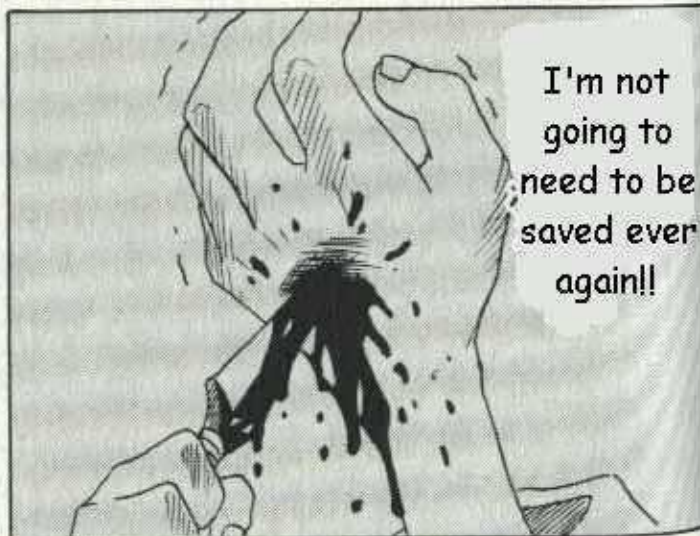

I swear  
to this  
pain in  
my left  
hand!!

I'm not going to  
get afraid and  
try to run away!!

I'm not  
going to  
need to be  
saved ever  
again!!

I won't  
lose to  
Sasuke!!

Scardy  
cat?

Are you  
alright..

Oh this? No, no. This is the symbol that  
you've graduated and have grown up.

Sensei, can  
I borrow the  
leaf head  
protector?

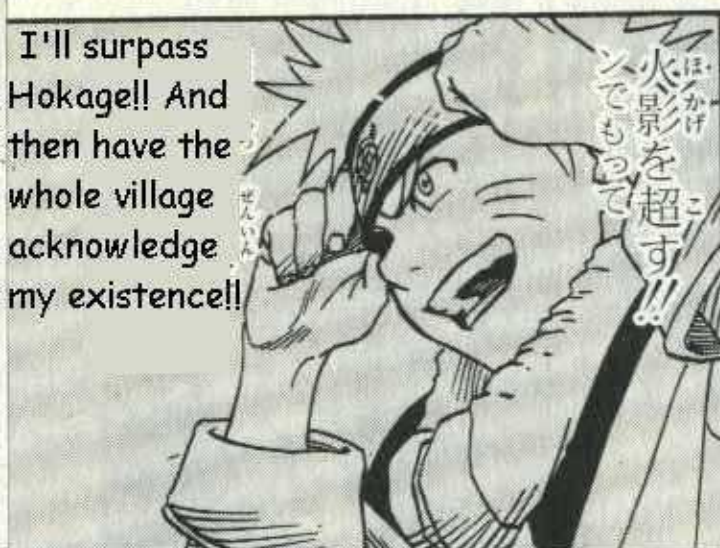

Iruka-"Naruto, come here. I want to give you something. Congratulations on graduating."

Kakashi-"You guys are all punks who don't deserve to be ninjas."

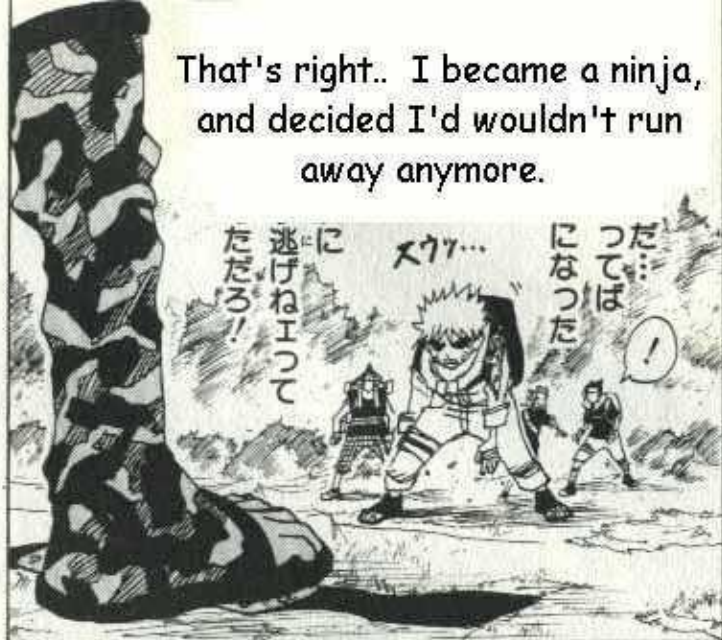

I won't run!!

逃げねエって  
.....!

That's right.. I became a ninja,  
and decided I'd wouldn't run  
away anymore.

No!!  
Don't!!

UAHH!!

Naruto,  
what are  
you  
thinking?!

He..

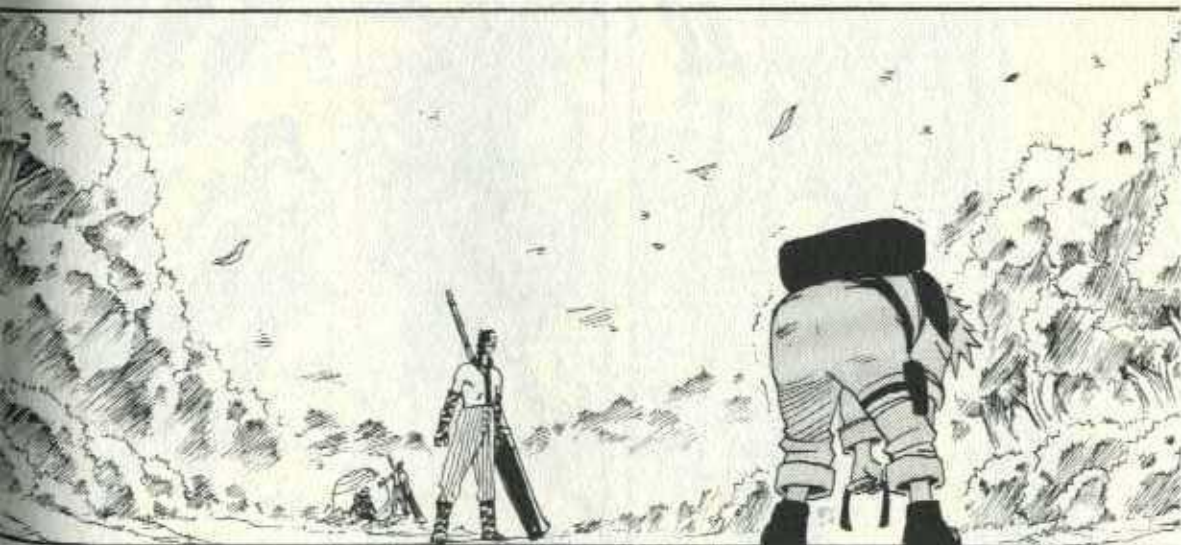

Bah..  
Idiot!!

Hey... You  
eyebrowless  
freak...

The man  
who will one  
day become  
Hokage...

..Put this  
in your  
handbook.

Oh.. That midget..  
He's not as super  
usless as I first  
thought...
