The story so far :  
The fight between fairies (magic) and demons (curses) will change the fate of the world!! Gray confronts the Tartaros' kyuukimon Silver, who shockingly reveals himself to be the Deliora, that took the body of Gray's dead father. Hearing the name of the demon who killed his parents and his teacher Ur, Gray's anger explodes!! However, he can't do anything against a demon of Zeref's book... Is forbidden magic the only card left up his sleeve...!?

Wendy cut his hair... Her eyes who swore not to give in to despair are the first step towards rebirth!!
