

CHAPTER 447: ESCAPE BATTLE

HIRO MASHIMA

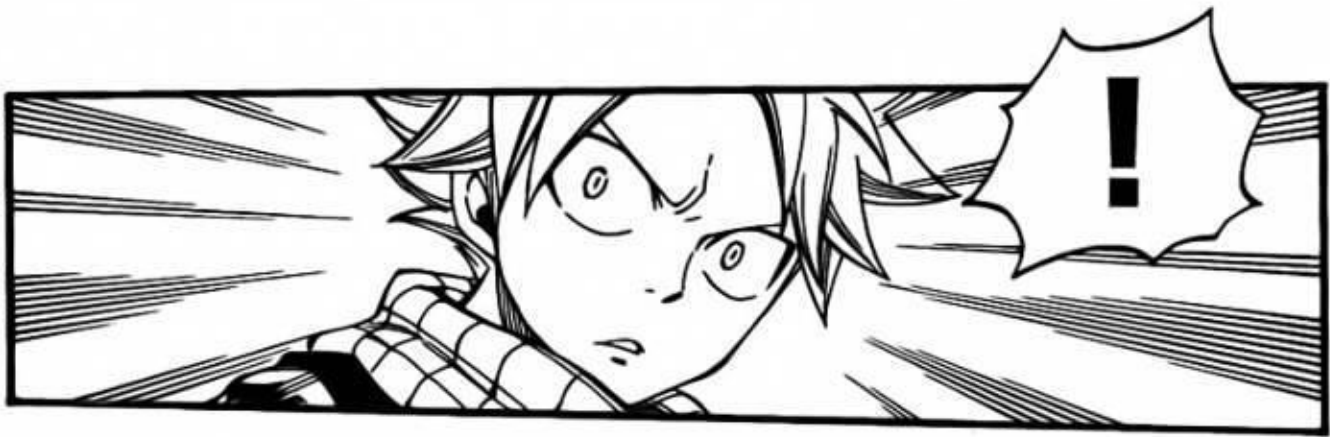

Previously,

Makarov faces Emperor Spriggan (Zeref) and nearly dies! However, Mest makes it in and moves him out of there just in time! Now Makarov has reunited with Natsu and his gang but the Spriggan 12 aren't far behind... Natsu and the rest end up having to fight the King of Sand, Ajeel and the difference in power became clear quickly. Ajeel was certain he would win and was getting conceited but the fairies were determined to show Makarov that they hadn't spent a year doing nothing. That was when Natsu counterattacked and gave Ajeel a punch in the face!
