Chapter 187: The Night After the Great Battle

[Note: Literally, "contribution cannot be covered/hidden".]

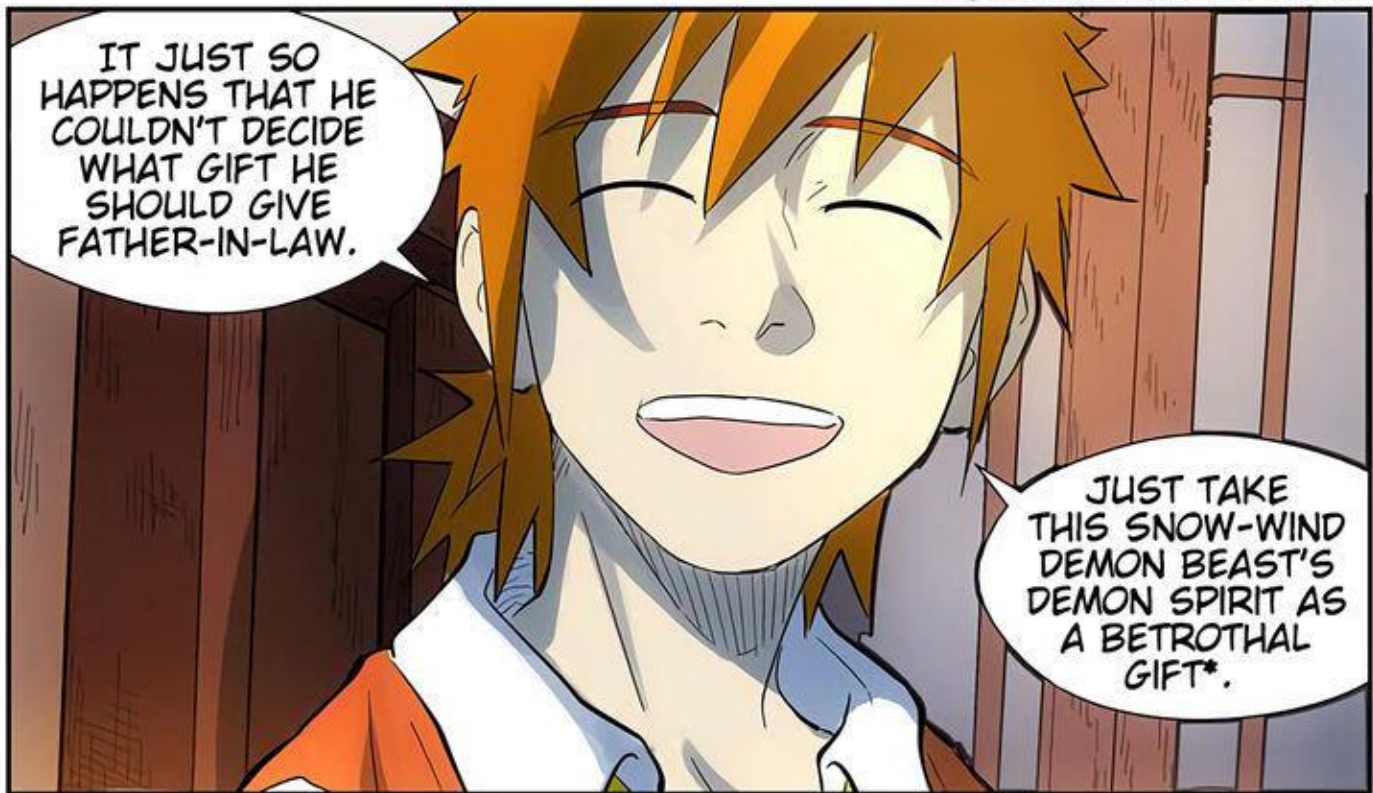

[Note: Previously translated as dowry, which is technically wrong as that is defined as gifts from the bride's family instead.]

[Note: Literally, "[the] old person", a third-person pronoun, usually respectful, although also used sarcastically in different contexts.]

[Note: Literally "face", although this direct translation would be wrong for standard English.]
