

IF THAT'S TRUE, THEN BOTH OF THEM POSSESS A LEVEL OF POWER THAT EVEN THE SPIRITUAL GODS FEARED AND RESPECTED.

THOSE WHO INHERITED THE LEGACY OF EMPEROR KONG MING ARE INDEED EXTRAORDINARY.

PREVIOUSLY, I HAD LEARNT FROM THE STELE...

SHAA

THAT THERE WERE FIVE PEOPLE WHO HAD INHERITED THE LEGACY OF THE EMPEROR KONG MING, INCLUDING ME.

[Note: See chapter 151.]

AND WITH THAT GREAT BATTLE ENDING IN ONE OF THEM DEAD AND THE OTHER INJURED,

THAT WOULD MEAN THAT THERE ARE FOUR LEFT NOW. IS THAT CONSIDERED GOOD NEWS?

[Note: See chapters 173, 248.]

ALTHOUGH THAT'S ONE COMPETITOR DOWN, IT ALSO IMPLIES...

THAT THE OTHER ONE HAS BECOME EVEN MORE POWERFUL.

AND THAT CRAZY OLD MAN THAT WE RAN INTO IN THE BLACK PRISON REALM...

INFINITE NOTHINGNESS HAS NO BEGINNING.

IS PROBABLY ALSO ONE OF THOSE WHO HAVE INHERITED HIS LEGACY.

NO BEGINNING MEANS NO END.

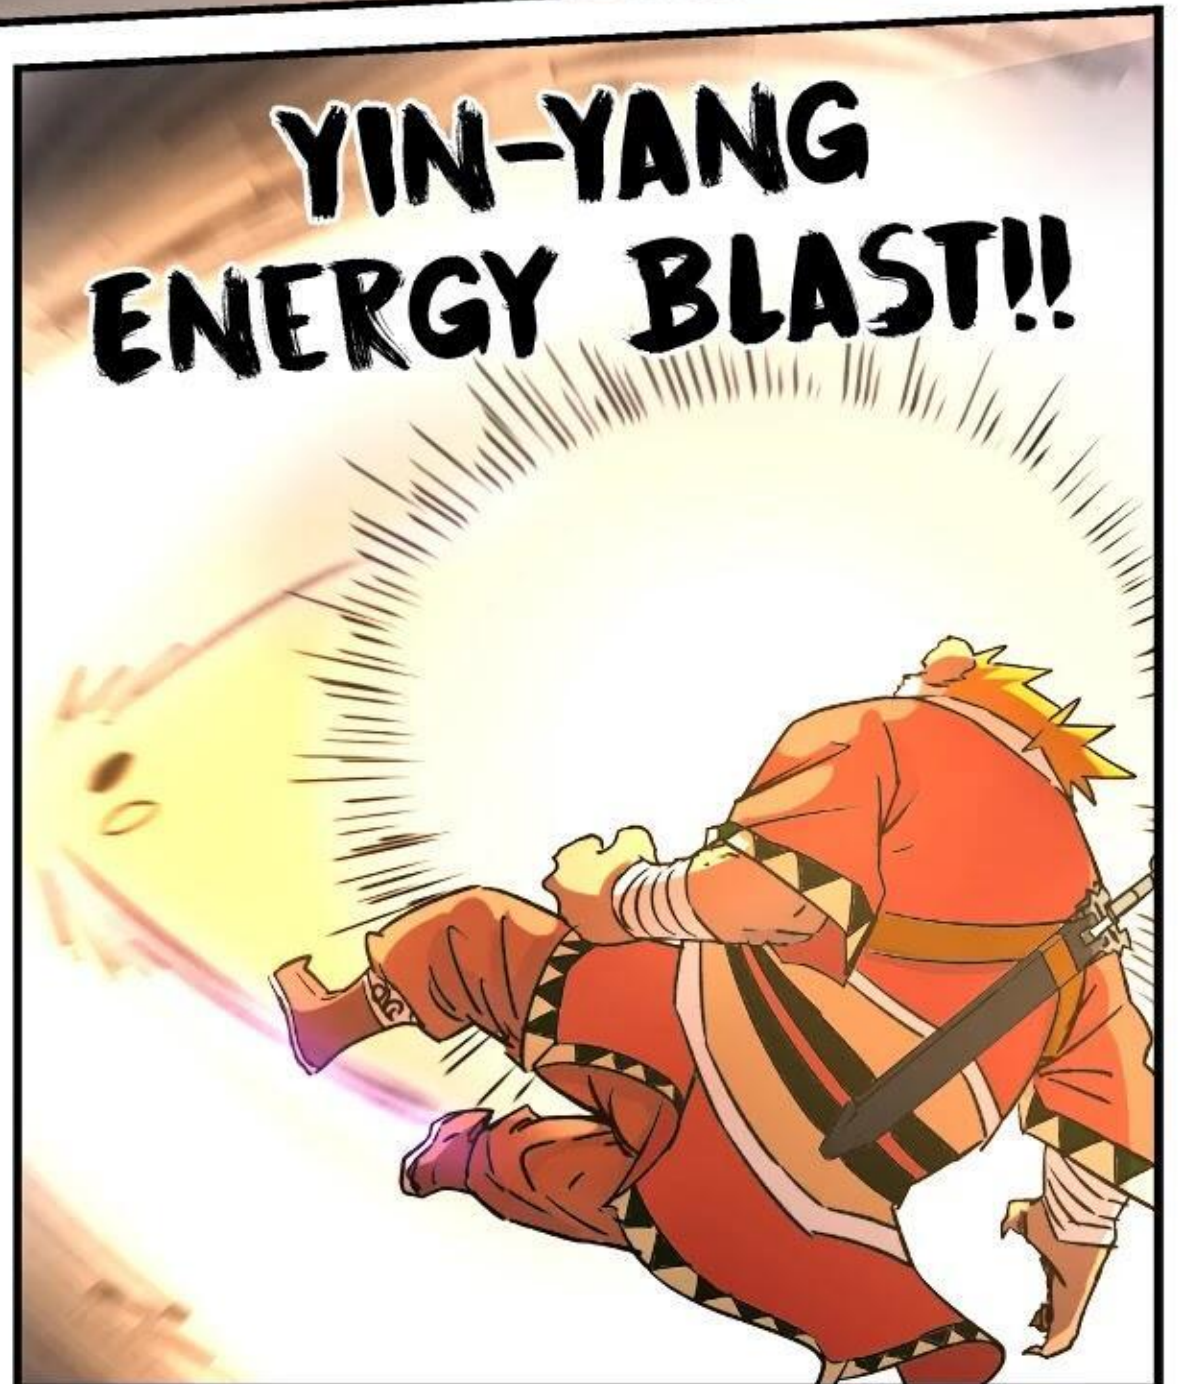

FOR HIM TO APPEAR IN FRONT OF ME SO MANY TIMES AND MUTTER THE MAXIM, HE MUST SURELY ALREADY KNOW MY IDENTITY.

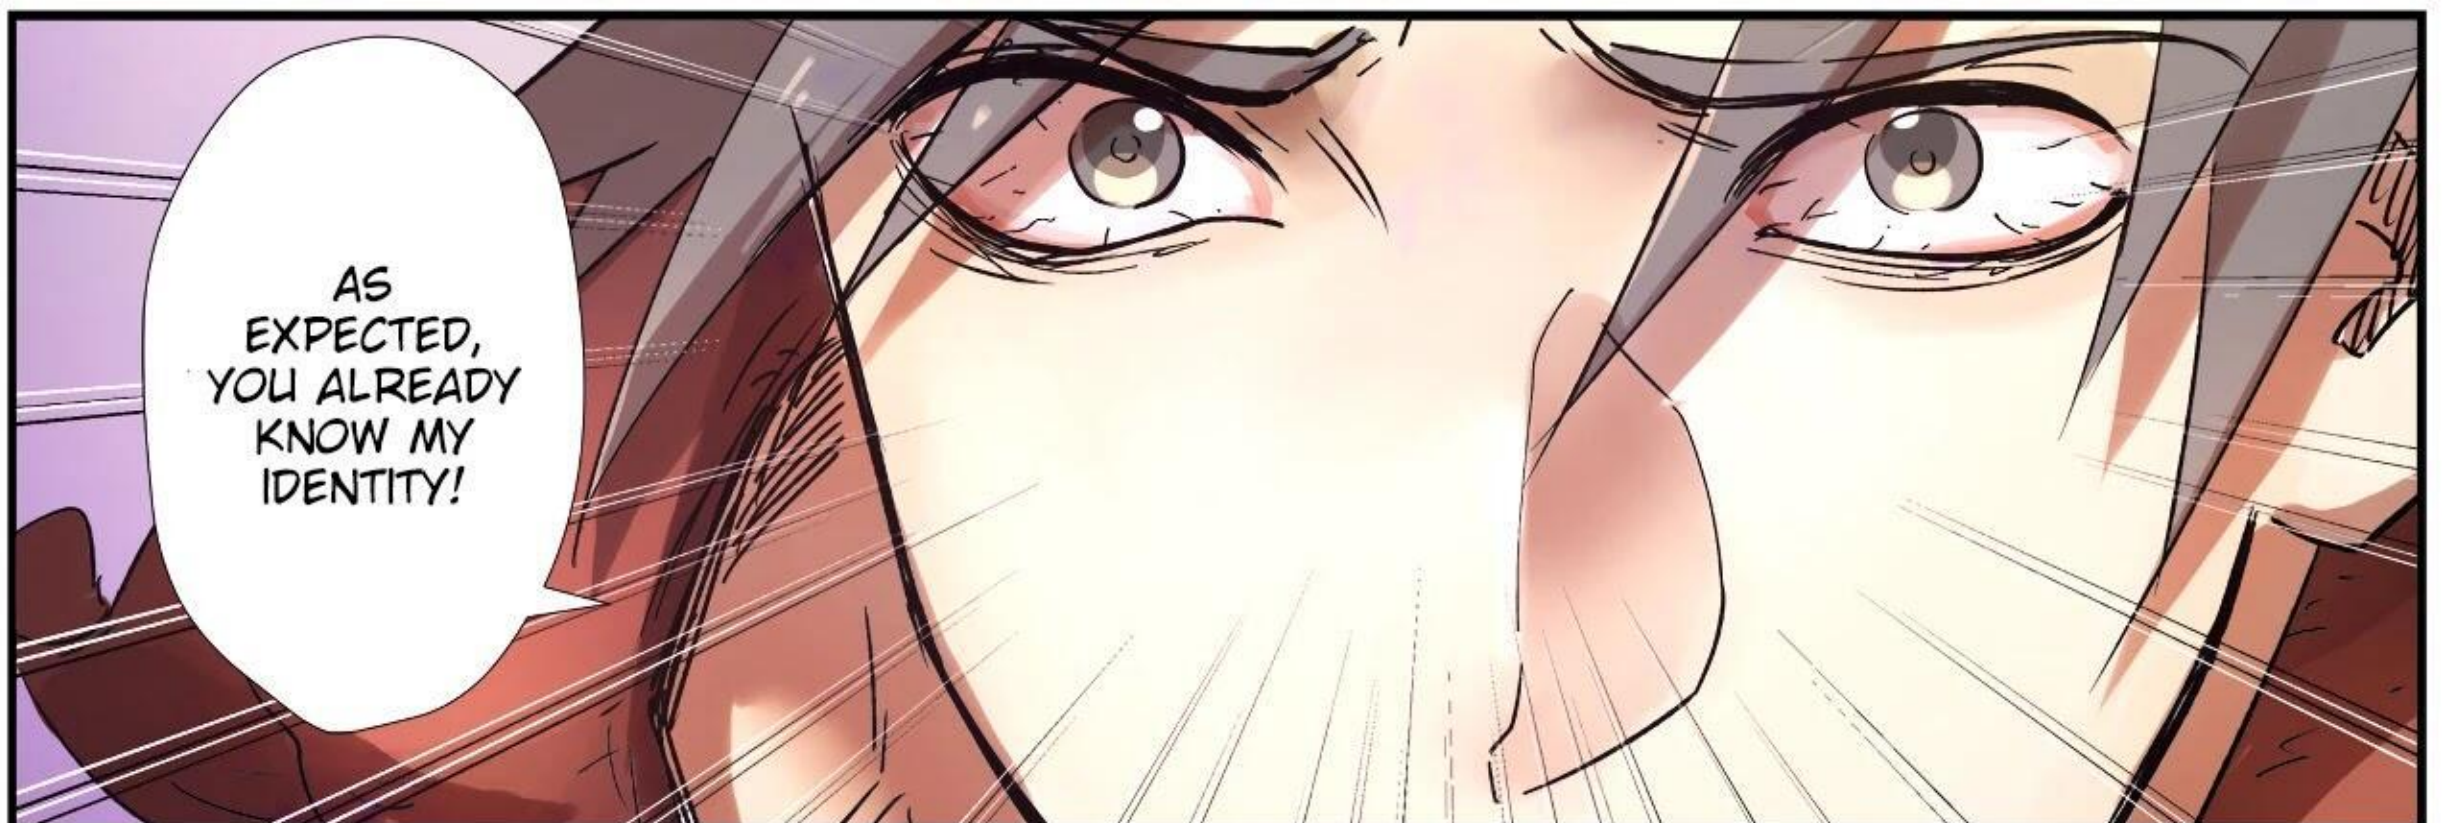

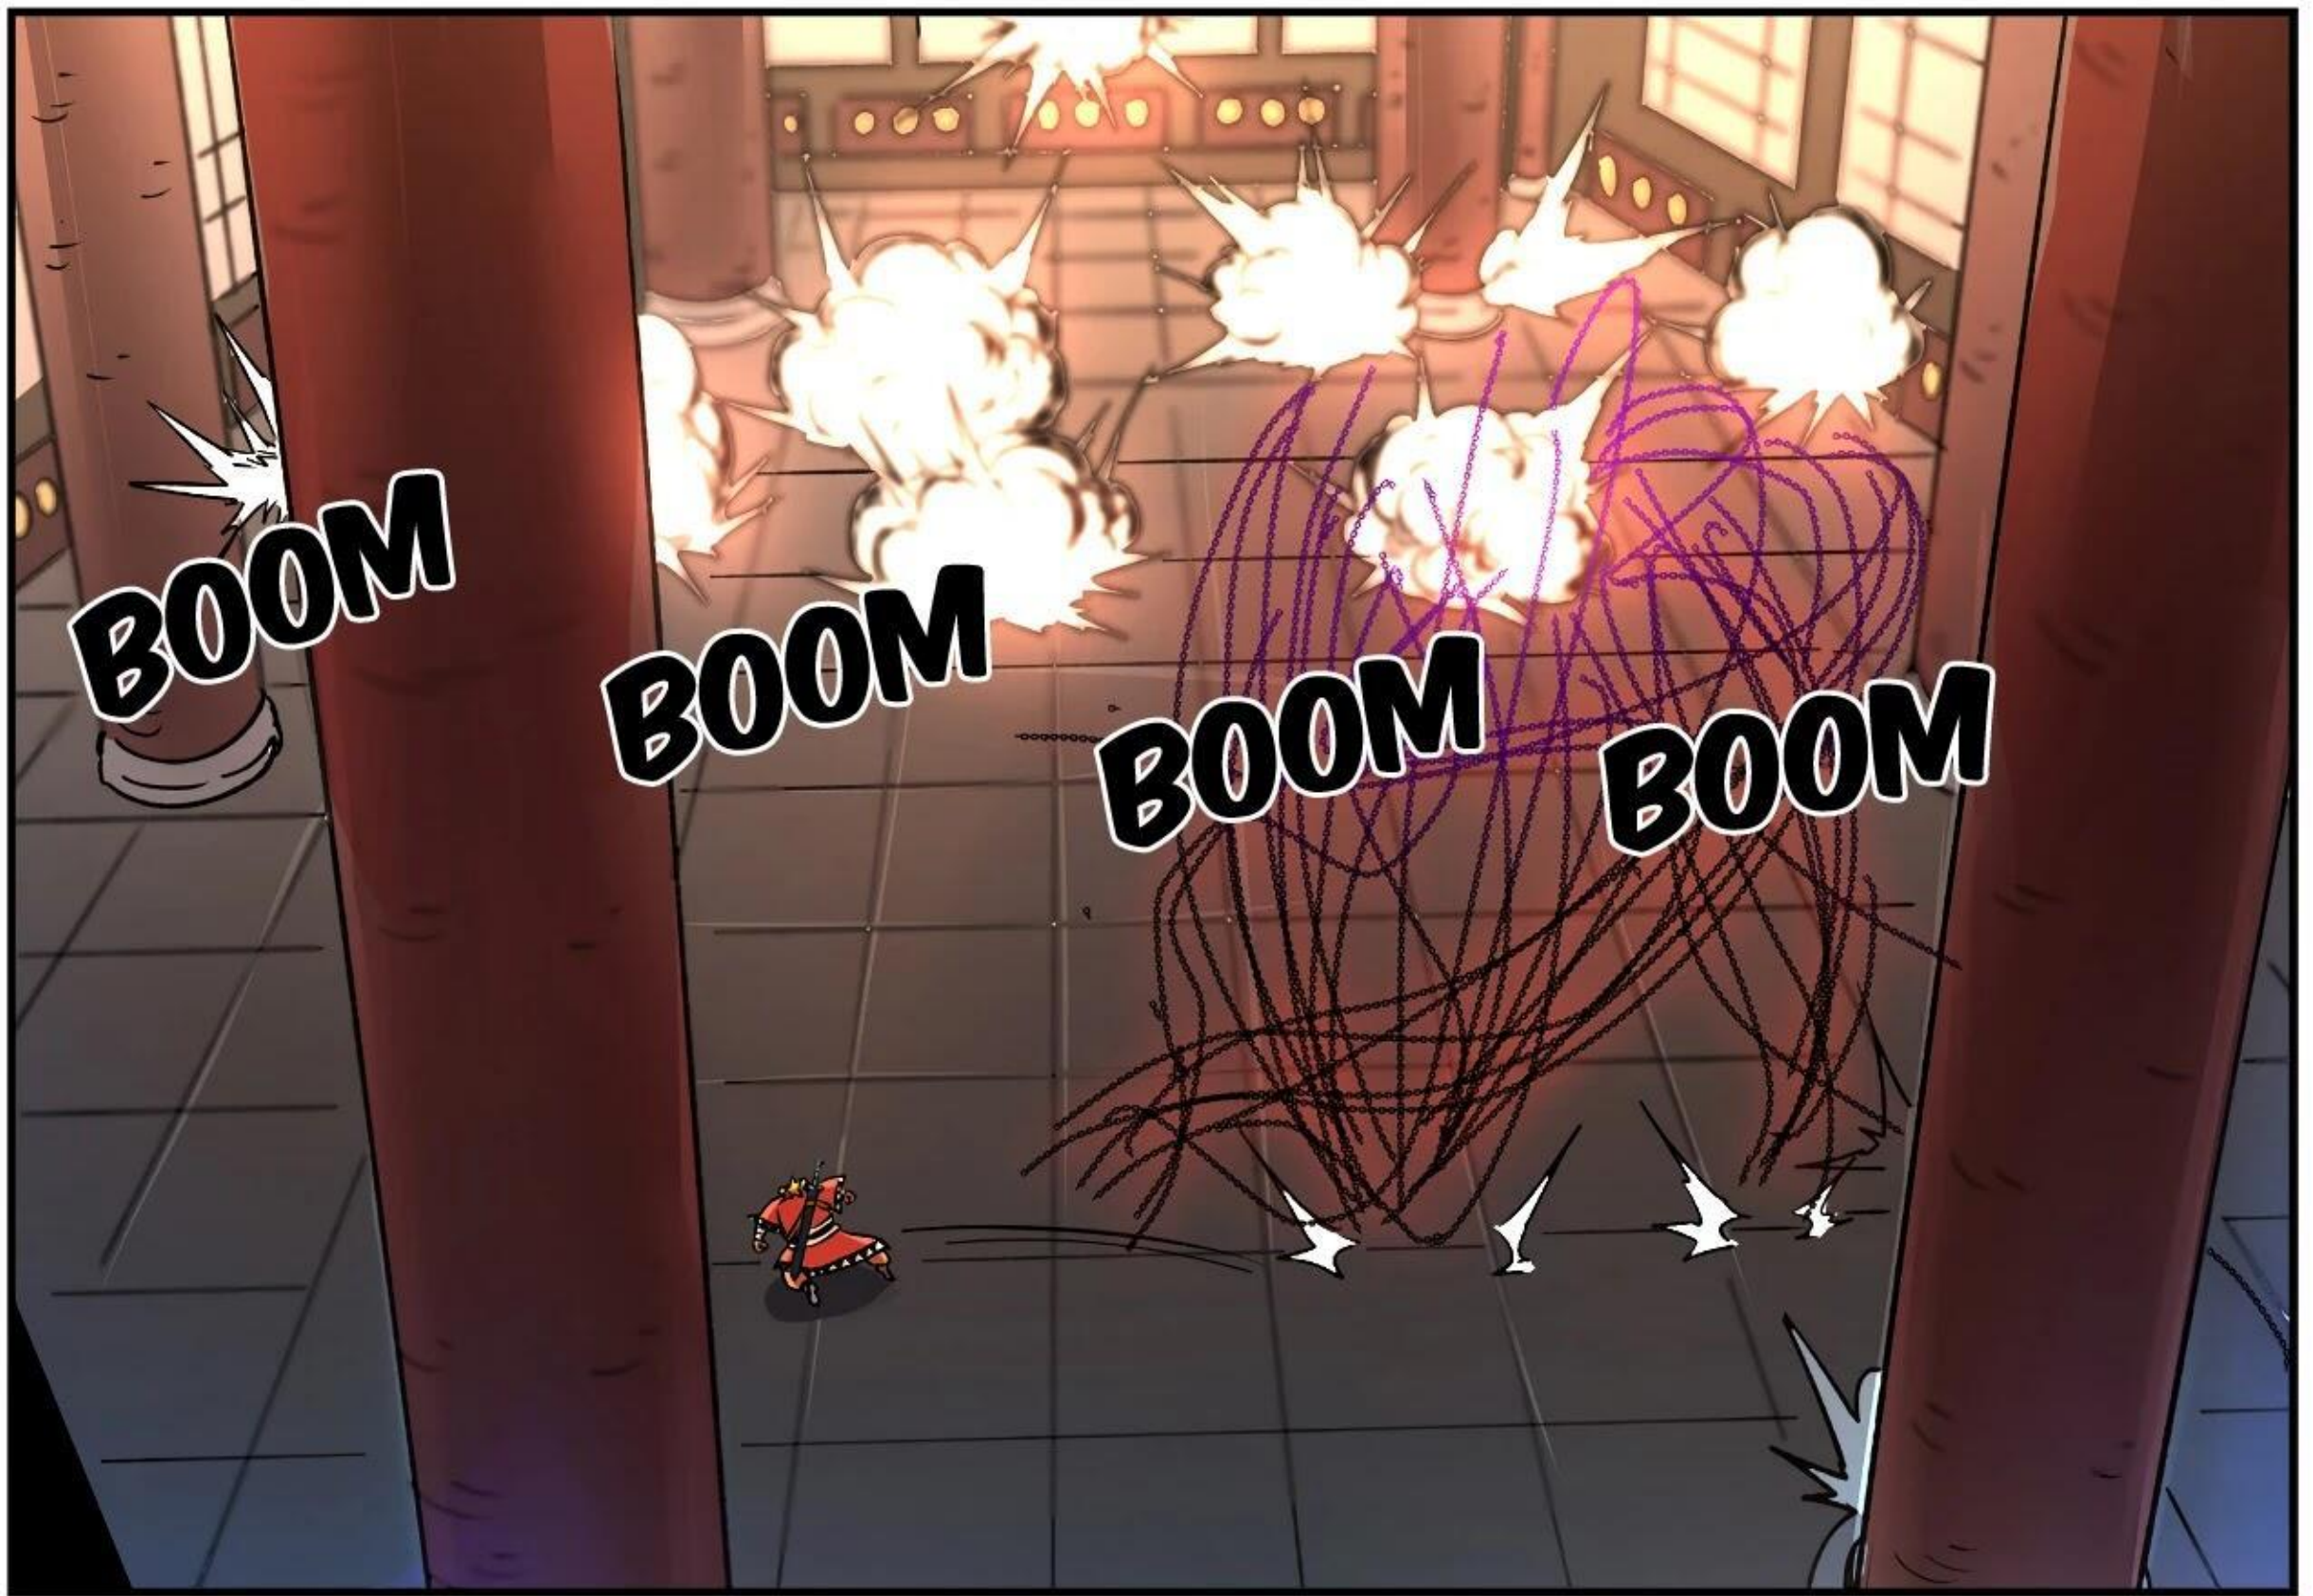

WHY HASN'T HE ATTACKED ME YET?

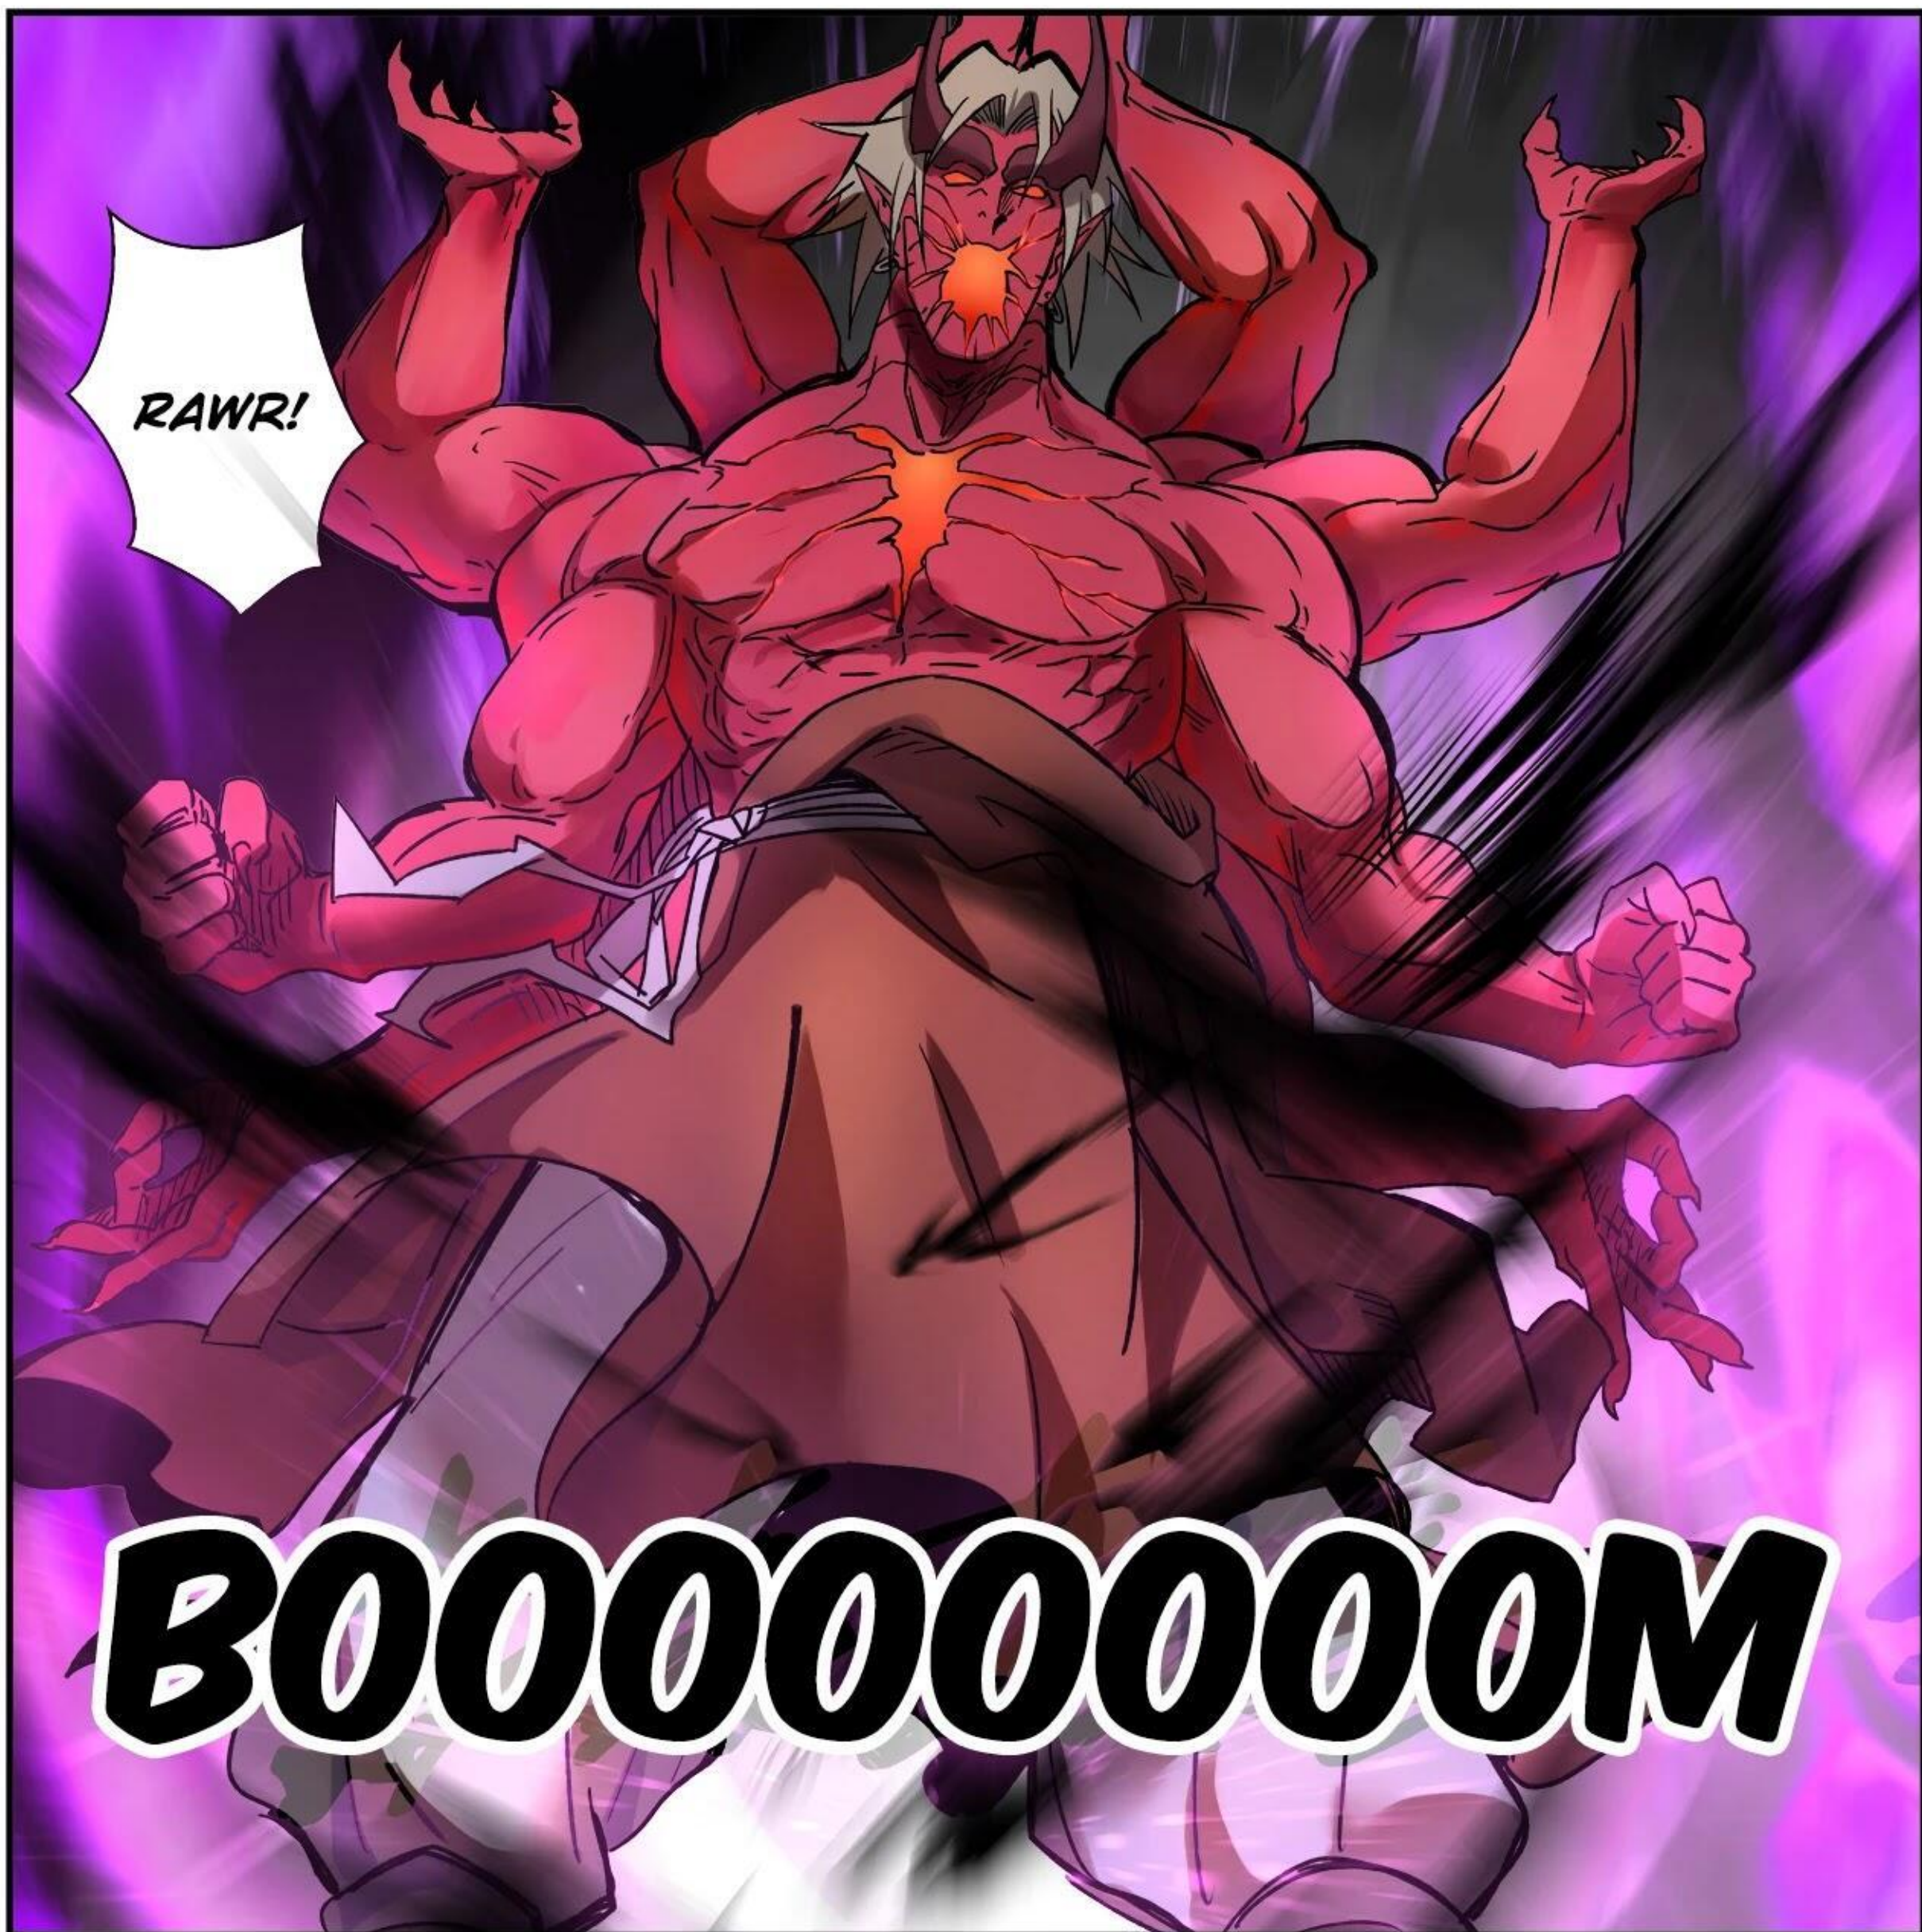

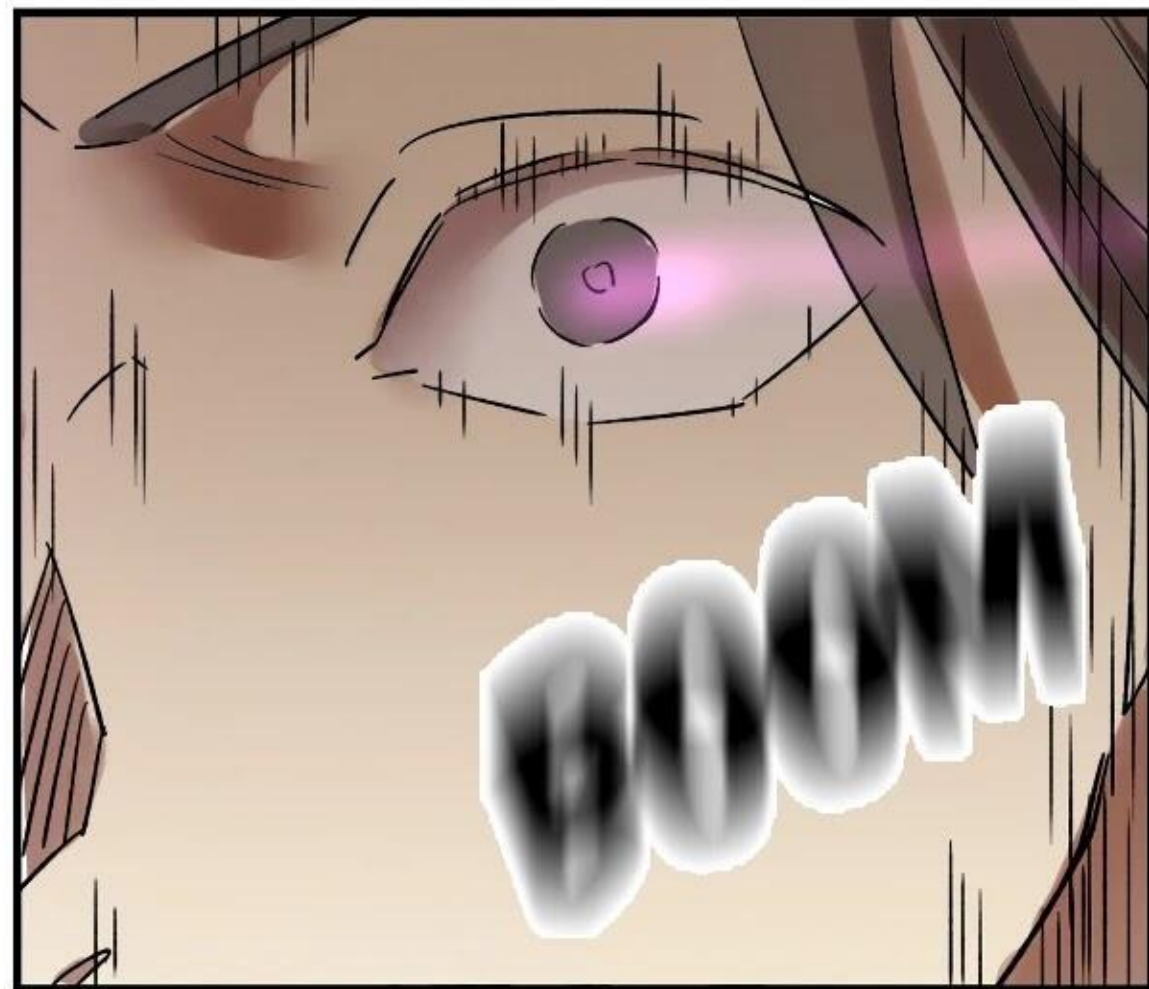

[Note: Alternatively translated as "hell", but avoiding that here to avoid confusing it with the Nether Realm here, even if "black prison" does sound awkward as a type of law energy.]
