

According to my calculations, sexual appeal won't work against him!

Maybe I should take off my cloths!

I...it's not like we provoke him to follow us...

Is he really going to follow us to our desired destination?

We will start  
our plan  
everybody!!

Anna san!!! We are  
getting closer to the  
destination!!

If we touch the  
"Time-lapse"  
then it's also our  
end, right?!

Are you sure  
your  
calculations are  
right, Hibiki?

Are you sure we will  
use our ship to get  
this close to  
that~???

Of course  
they are!

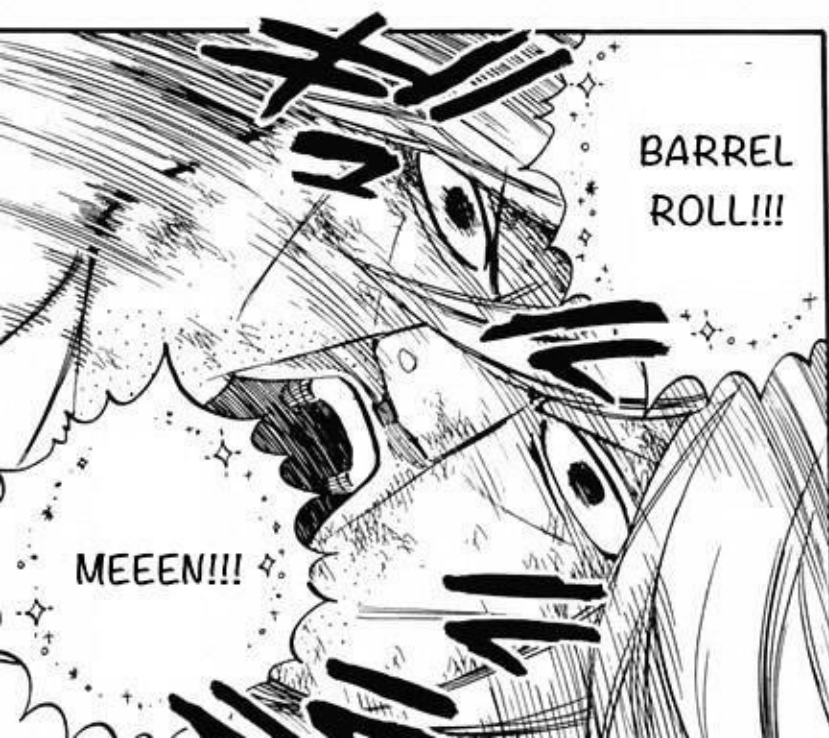

Even though  
it's a risky bet,  
we have no  
other option!

This "Time-  
Lapse" can't be  
seen using our  
eyes, right!!

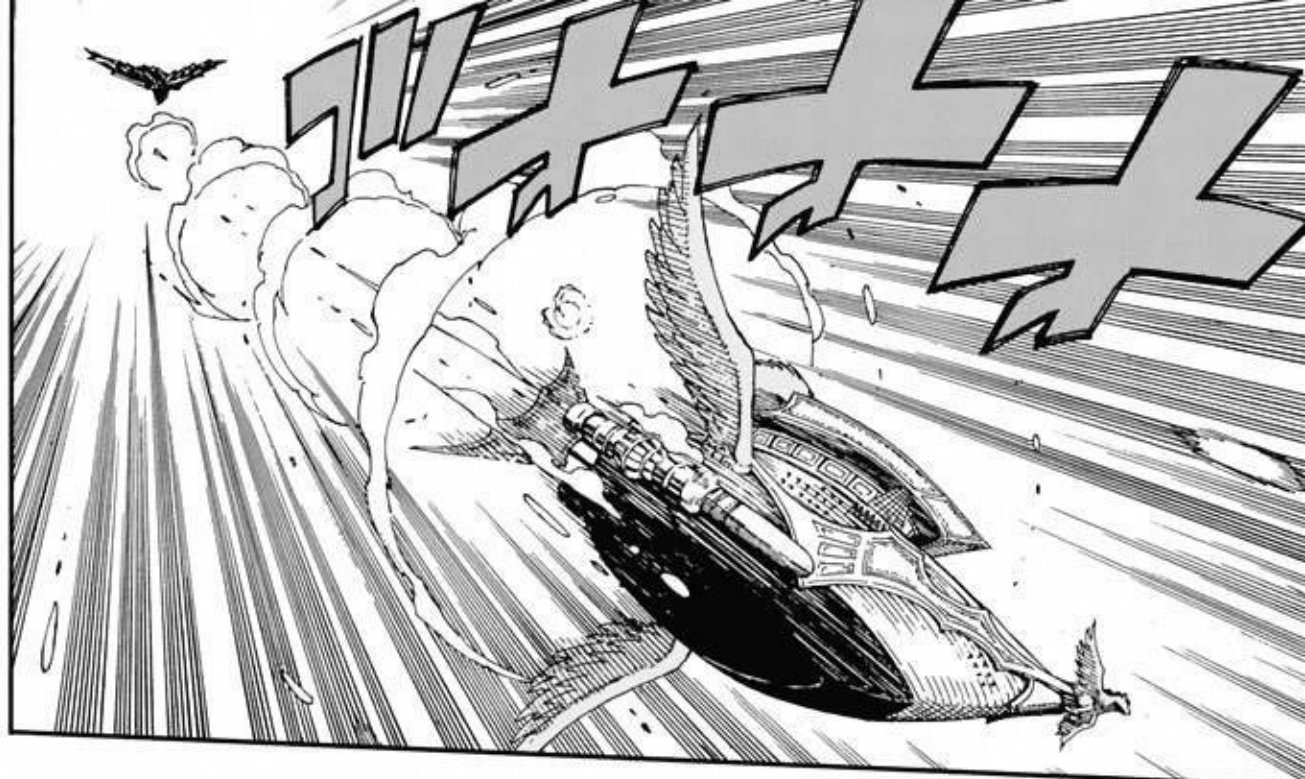

Please trust  
my  
calculations!

400m till the  
Time-Lapse!

Everyone!  
Please hold  
onto  
something!!!

Alright

Get the ship  
closer to the  
surface!

We have just  
passed  
through the  
"Time-Lapse"

The ship has  
suffered no  
damage!

He will  
vanish!!!

Please touch  
the Time-  
Lapse....

Now Acnologia  
has to pass  
through that...

Guhh...

It is filled with so much "Time Magic"

The "Time Magic" belongs to me!

That's why I sealed it!

Until I manage to complete the Neo Eclipse!

Damn it!!!

This is bad news if we let him continue!

He will destroy the ship!!

We need to find a different way!

We don't have much time...

Why...

Is this happening...

What?

Ichiya!! Destroy the Lacrimathat is helping the Dragon Slayer to be on a ship!

He also is a Dragon Slayer so he won't be able to hold on to this ship anymore!

Uaaaaaaa

I am sorry  
Wendy...

I...it's  
okay...

CRASH!

I  
UNDERSTAND  
!!!

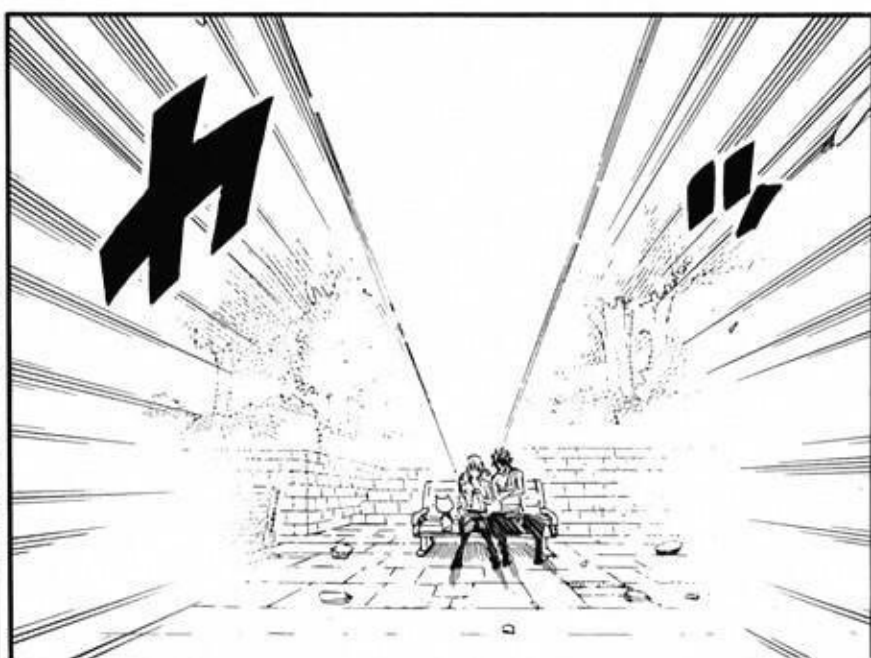

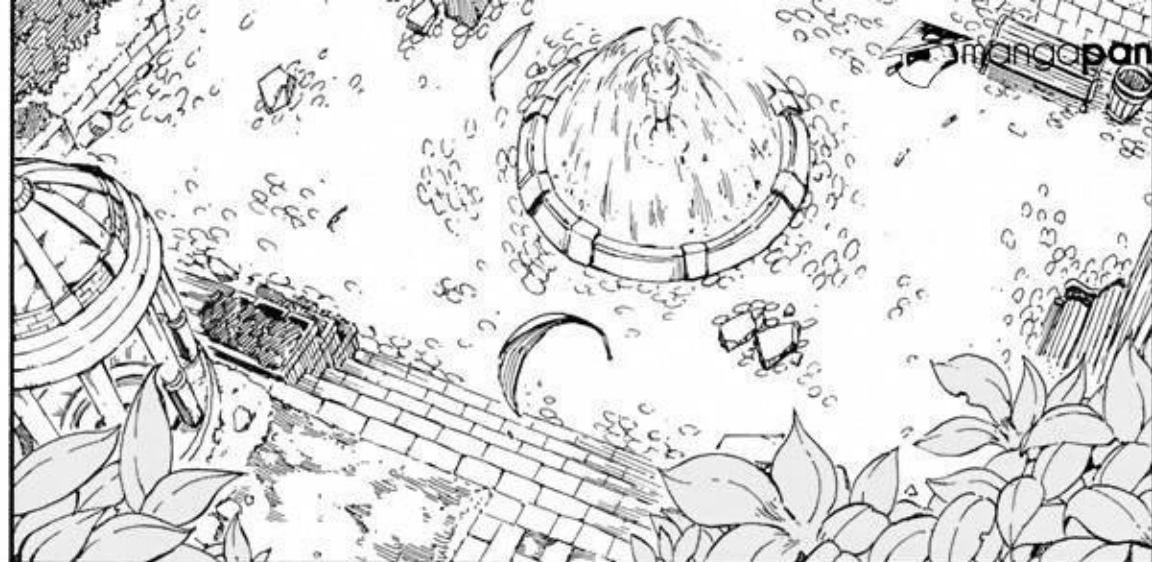

Good! This will  
buy as a bit of  
time!

GAAAAA!!!

We have to  
forcefully  
open the  
Time-Lapse!

But how we  
going to  
continue?

And defeat  
Aenologia no  
matter what!!

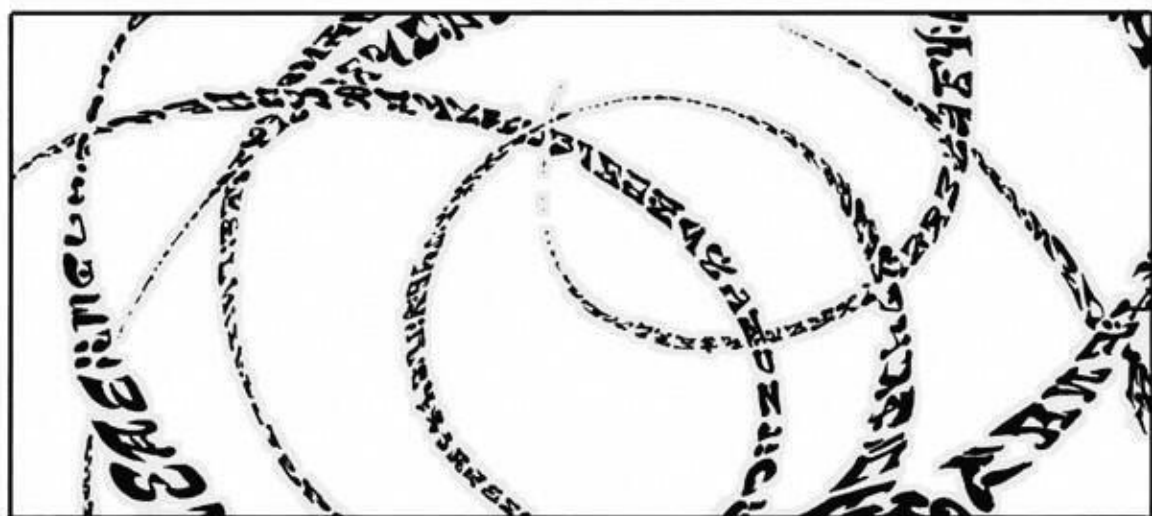

Overflowing!!

The words are...

These are all...  
information that  
belong to Natsu...

What an incredible  
amount...

Now the  
preparation for  
the Neo-Eclipse is  
done...

**FAIRY TAIL**

Naaaaaaaggg

!!!

Natsu...

Please back  
off Mavis!!!

**I am just  
firing up!**

“The chaos Zeref is causing...the one  
confronting is the Fire Dragon who's  
spirit is firing up!!”

The power  
of a  
Dragon....
