

HMM...IT'S
THE KIND OF WEIRD
BIRD! ENCOUNTERED
ON THE PLANE
BEFORE!

BUT I HAVE
ENCOUNTERED A LOT
BIGGER THAN THESE
ONES IN THE SKY

AND ALMOST
CAUSED A TRAGIC
PLANE ACCIDENT!

AROUND A MONTH
AGO, WE HAD JUST
ARRIVED IN PERU

WE CARELESSLY
ENTERED A PLACE THAT
WAS REFERRED TO AS A
FORBIDDEN LAND BY THE
LOCALS

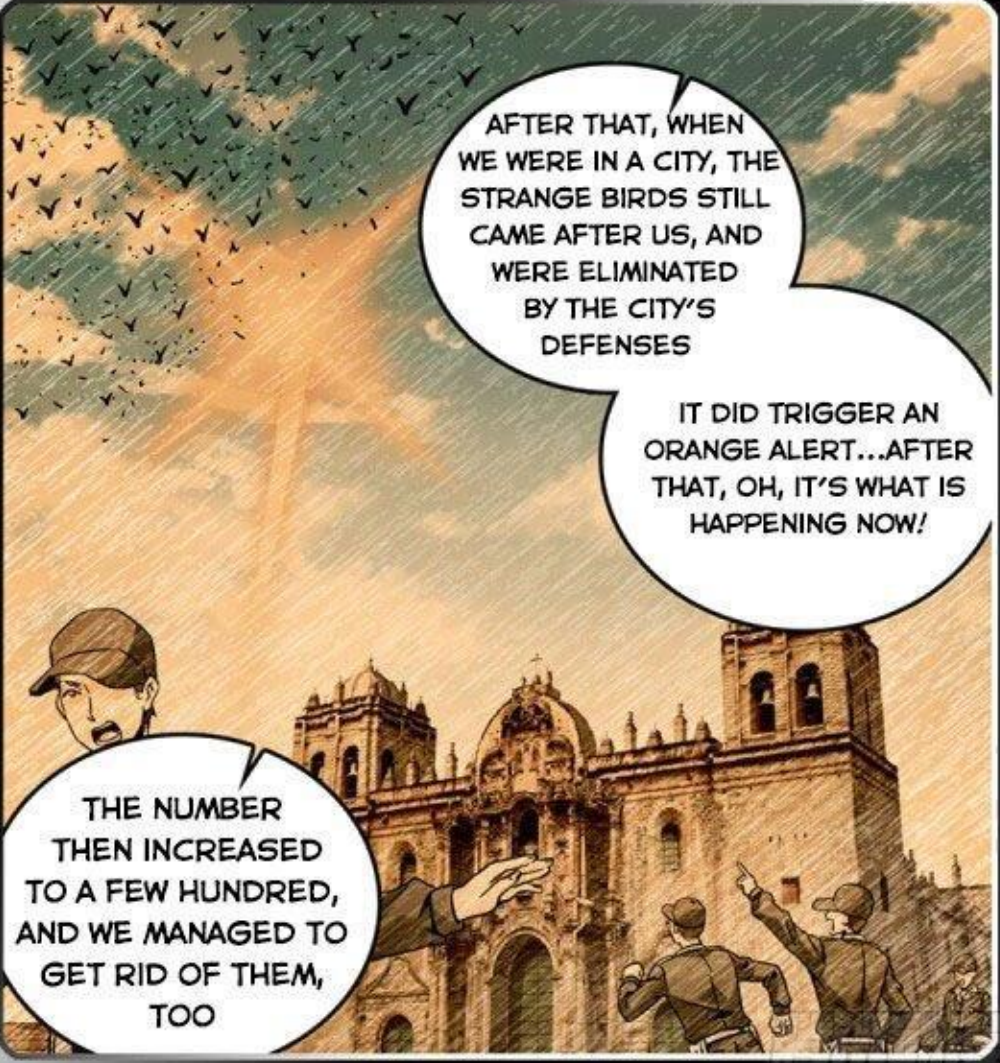

SINCE THEN,
THESE STRANGE
BIRDS HAVE KEPT
AMBUSHING US

THERE ARE ONLY
A FEW DOZEN OF
THEM AT THE START,
SO WE MANAGED TO
ELIMINATE THEM
WITH EASE

BUT I THINK
THERE'S AT LEAST 10
THOUSANDS ARE HERE
FOR REVENGE?

AFTER THAT, WHEN
WE WERE IN A CITY, THE
STRANGE BIRDS STILL
CAME AFTER US, AND
WERE ELIMINATED
BY THE CITY'S
DEFENSES

IT DID TRIGGER AN
ORANGE ALERT...AFTER
THAT, OH, IT'S WHAT IS
HAPPENING NOW!

THE NUMBER
THEN INCREASED
TO A FEW HUNDRED,
AND WE MANAGED TO
GET RID OF THEM,
TOO

WHY DIDN'T ANY OF YOU TELL ME BEFORE?!

YOU DIDN'T ASK! BESIDES,

WE SERIOUSLY THOUGHT THE PREVIOUS ATTACK WAS THE LAST ONE

WHAT SHOULD WE DO NOW?

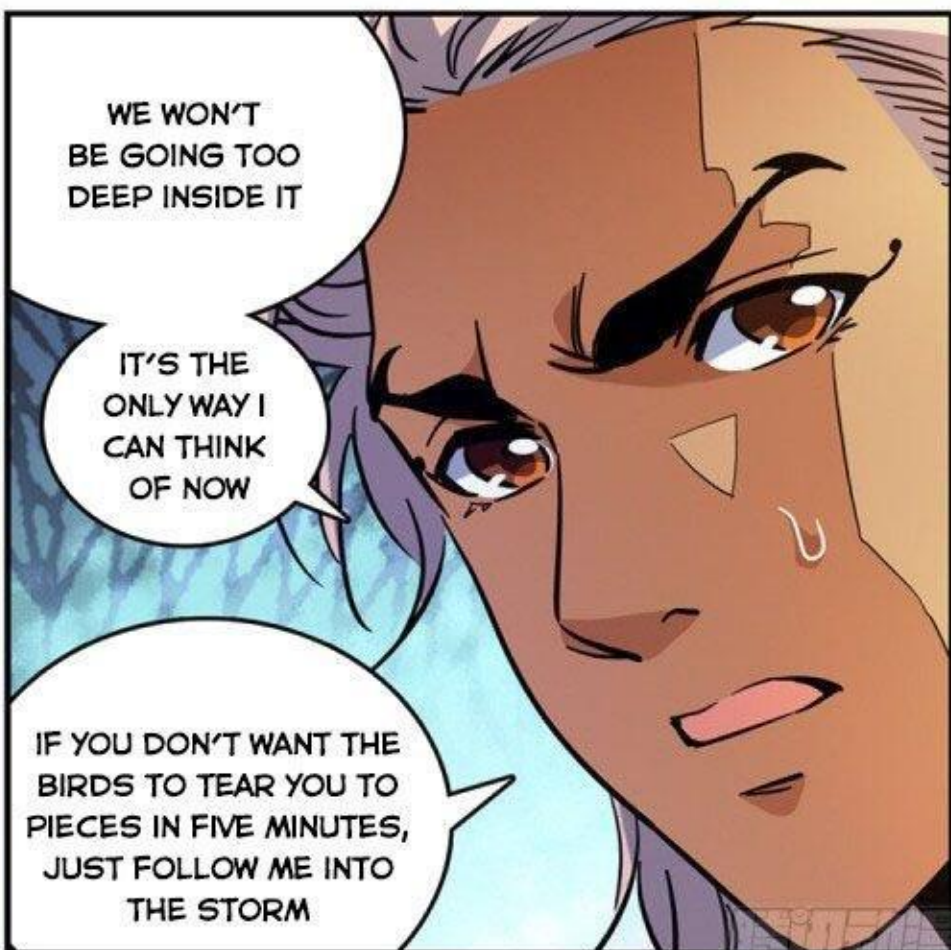

SOMEONE THINK OF A PLAN!

WHAT CAN WE DO?

EVEN IF WE DIG INTO THE GROUND, I BET THEY WILL DIG US OUT. THERE ISN'T ANY COVER NEARBY, WE ARE ALL GOING TO DIE!

MO FAN, ARE YOU THINKING THAT IT WAS BETTER FOR YOU TO GO BACK IN THE CANYON?

SCREW YOU!
IT'S THE NEST
THAT YOU GUYS
POKED

WHY DO I HAVE
TO SUFFER TOGETHER
WITH YOU?

BRO, YOU CAN
TRY TELLING THE
BIRDS THAT YOU
AREN'T WITH US

AND SEE IF
THEY ARE KIND
ENOUGH TO LET
YOU GO...
