WONDER WOMAN created by
WILLIAM MOULTON MARSTON

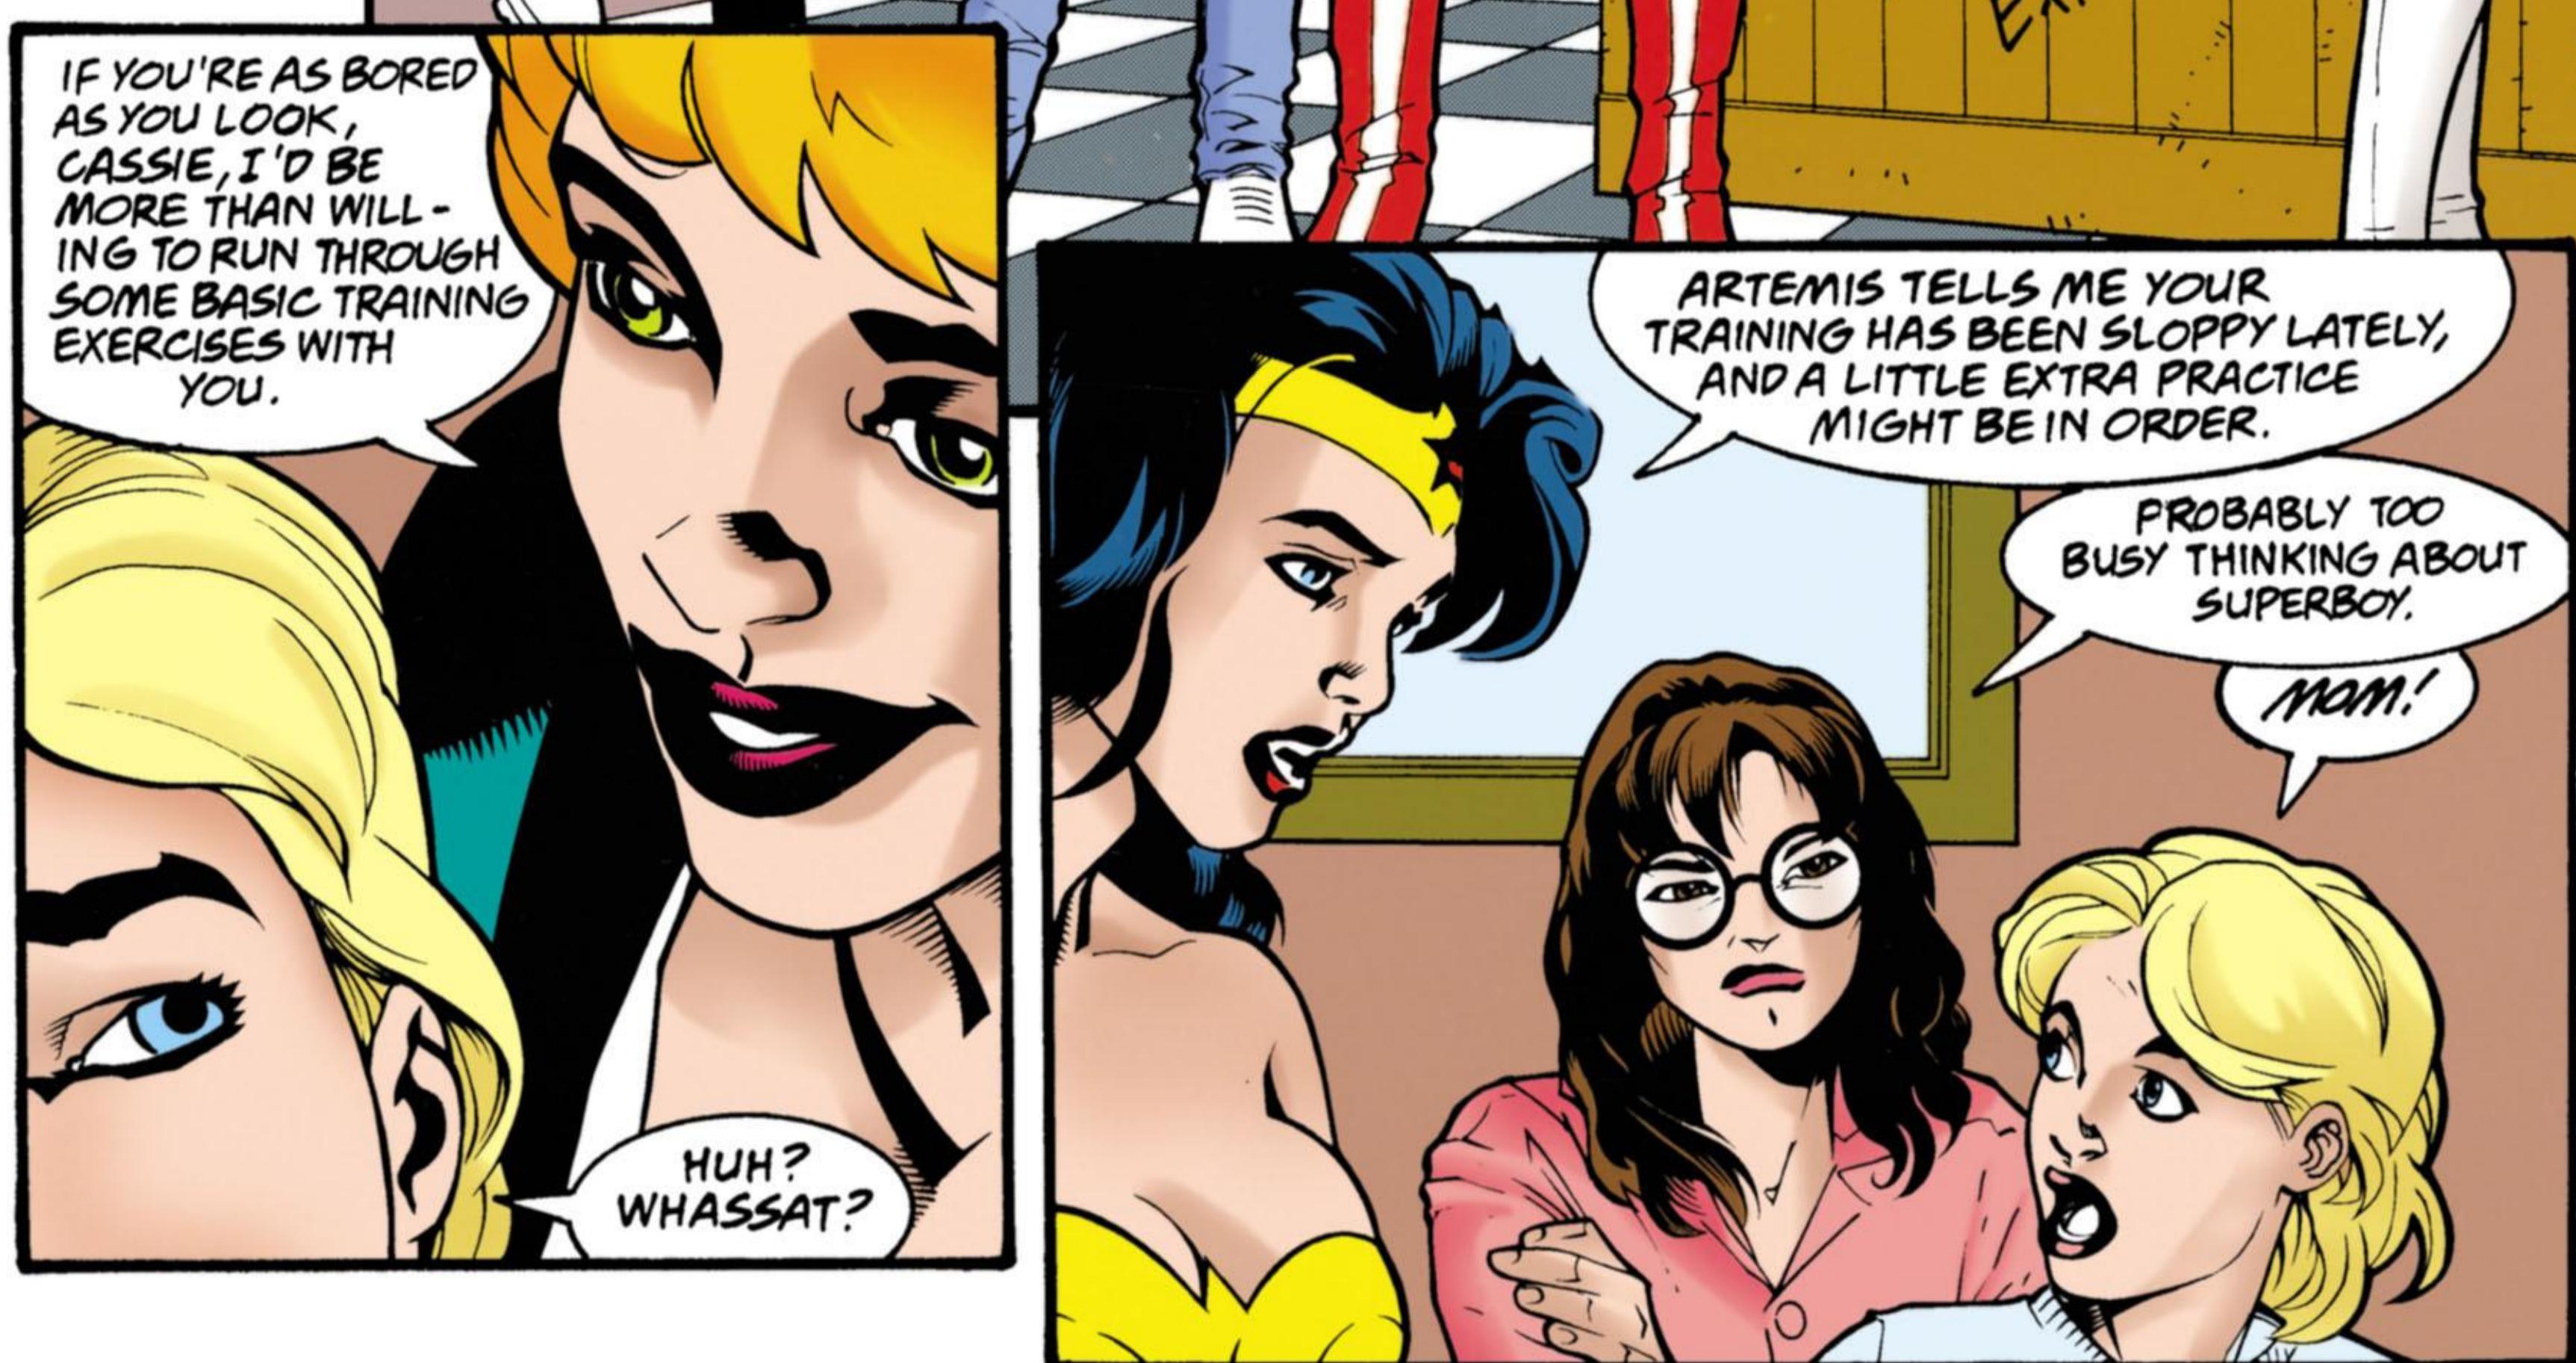

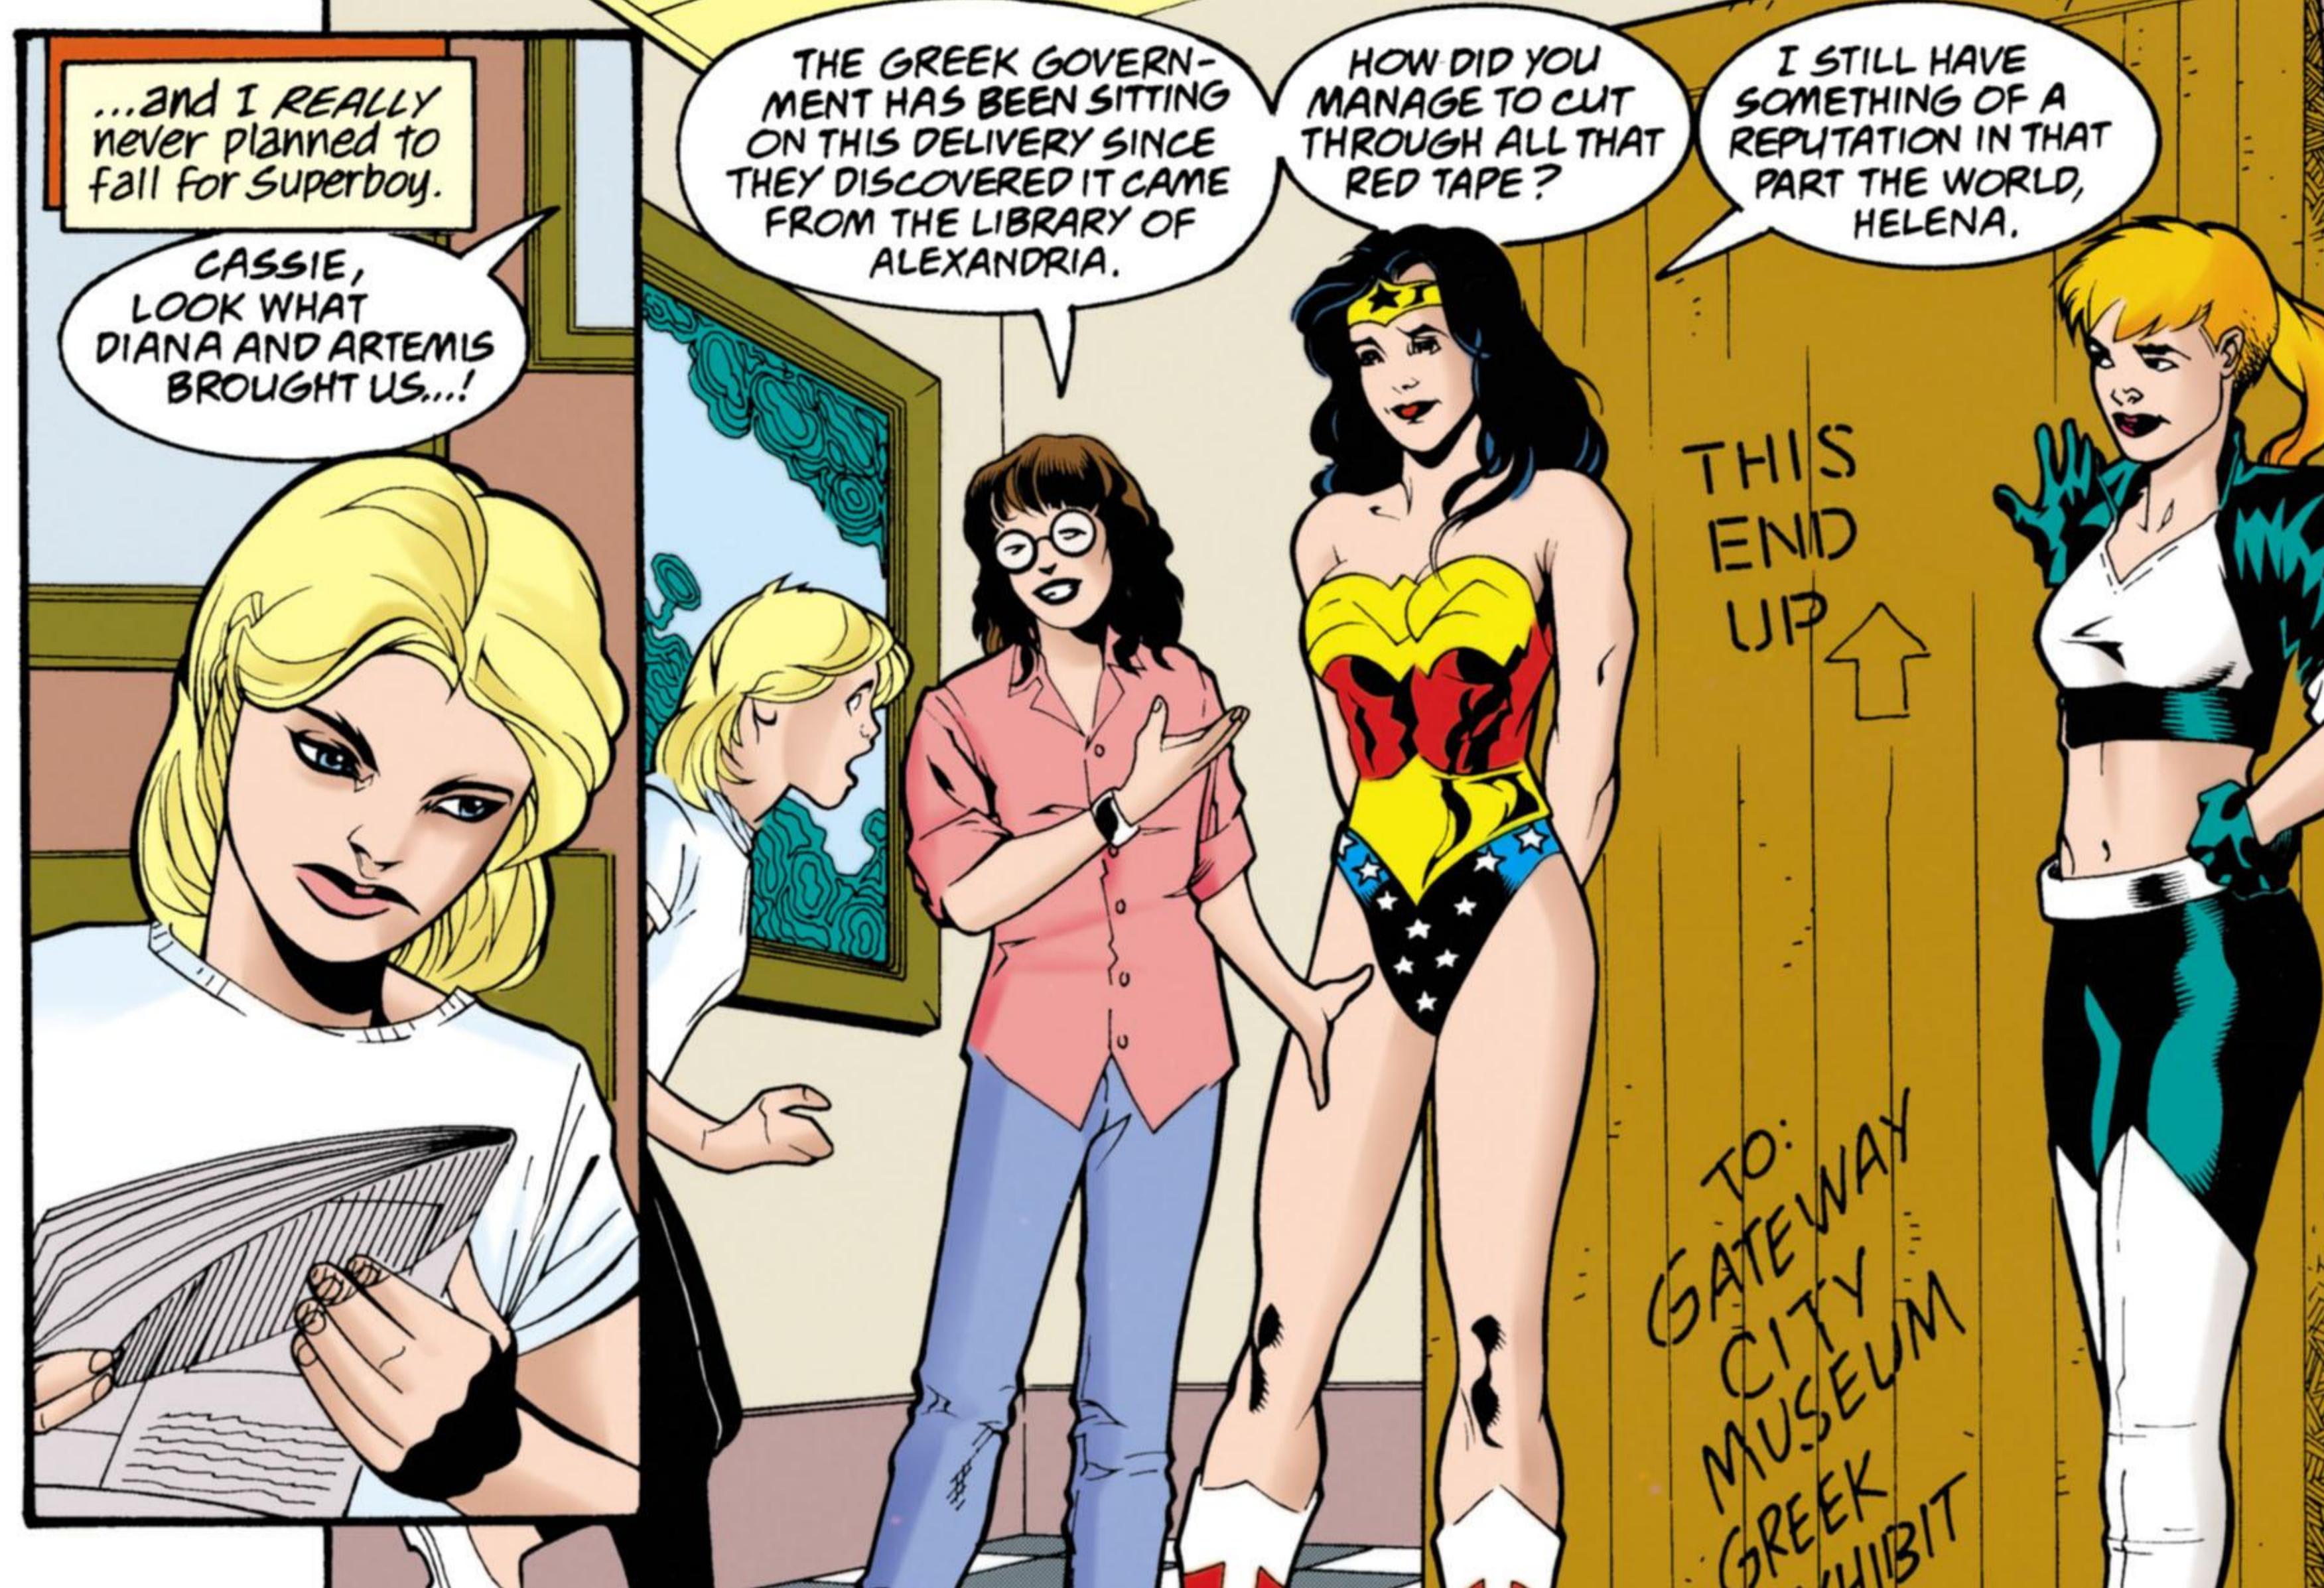

But I didn't get into this game just to meet Superboy.

I still had a crush on our newsboy when Diana took me to Mount Olympus and I asked Zeus to transform me into a superhero.

Wonder Woman had been my idol for as long as I could remember--

--and I begged him--this GOD--for powers just like hers so I could hang out with her occasionally and lend a hand.

I never planned to end up on Young Justice--a team some people are calling the Junior JLA--and swap phone numbers with kids destined to fill the biggest shoes in the world...

How could I possibly settle for a normal boy after hanging out with the COOLEST teen on the planet?

Nathan Lustbader is a normal boy.

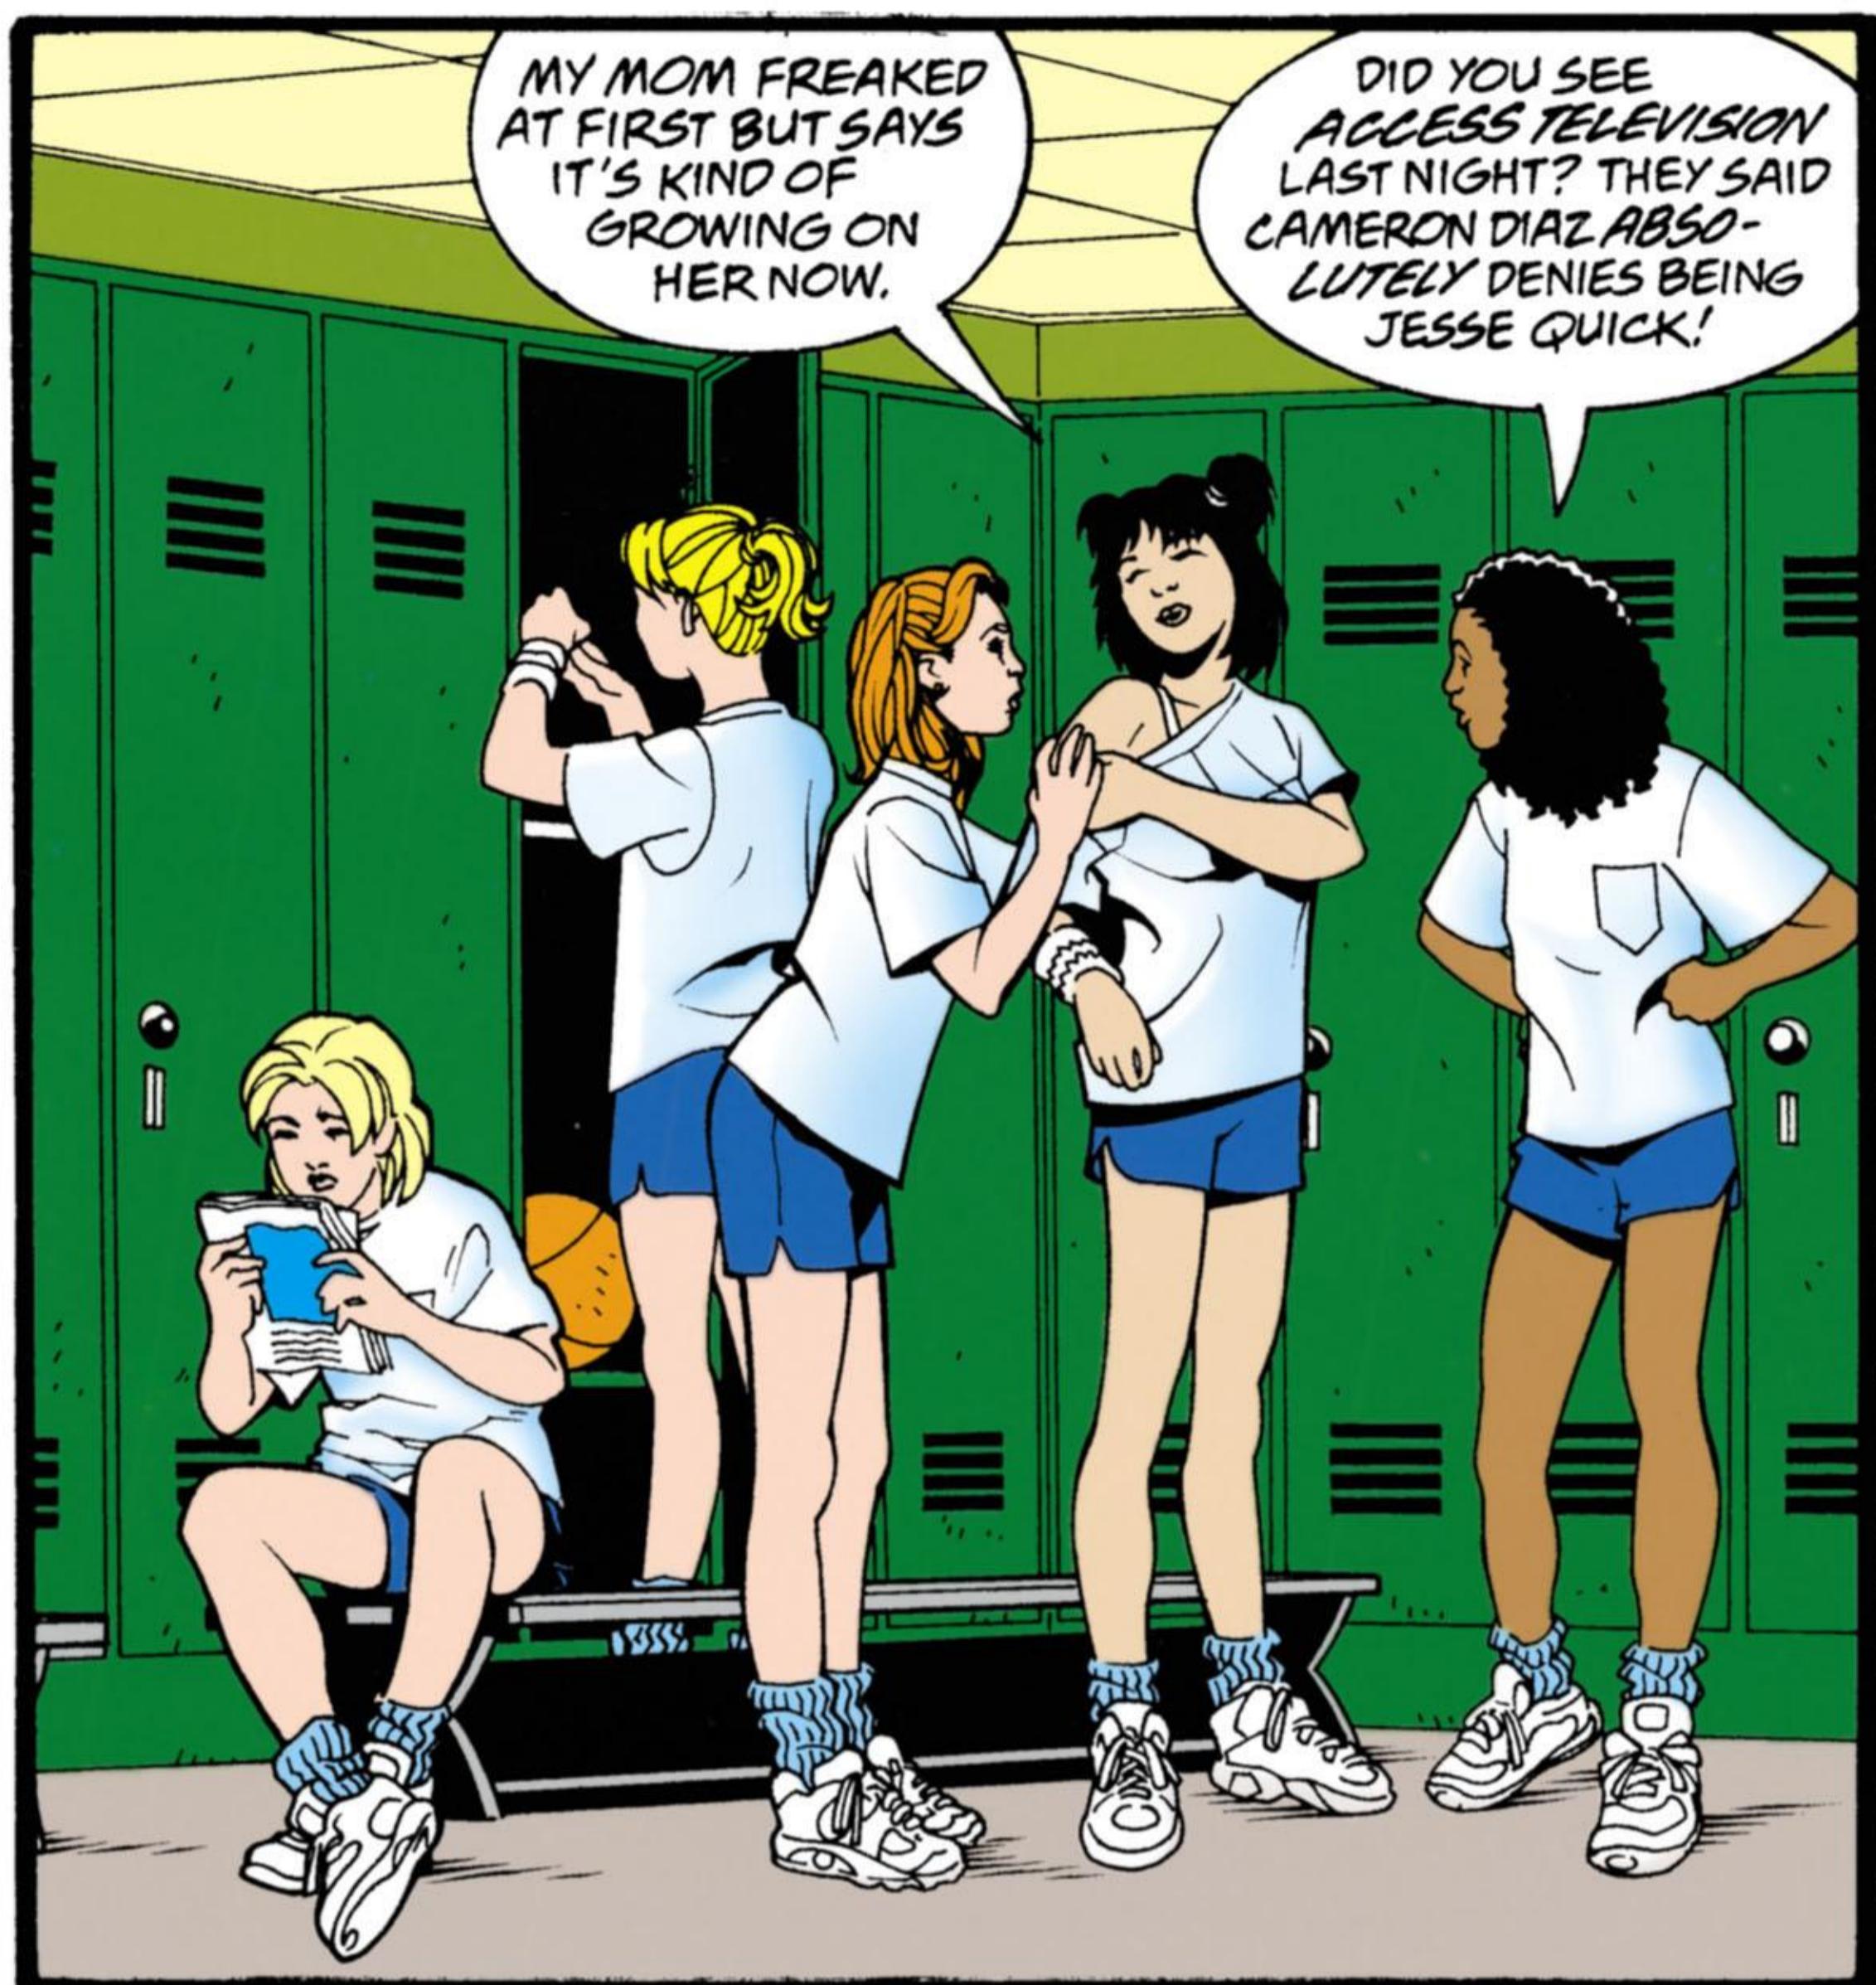

PAPERS DUE TOMORROW!
NO EXCUSES!

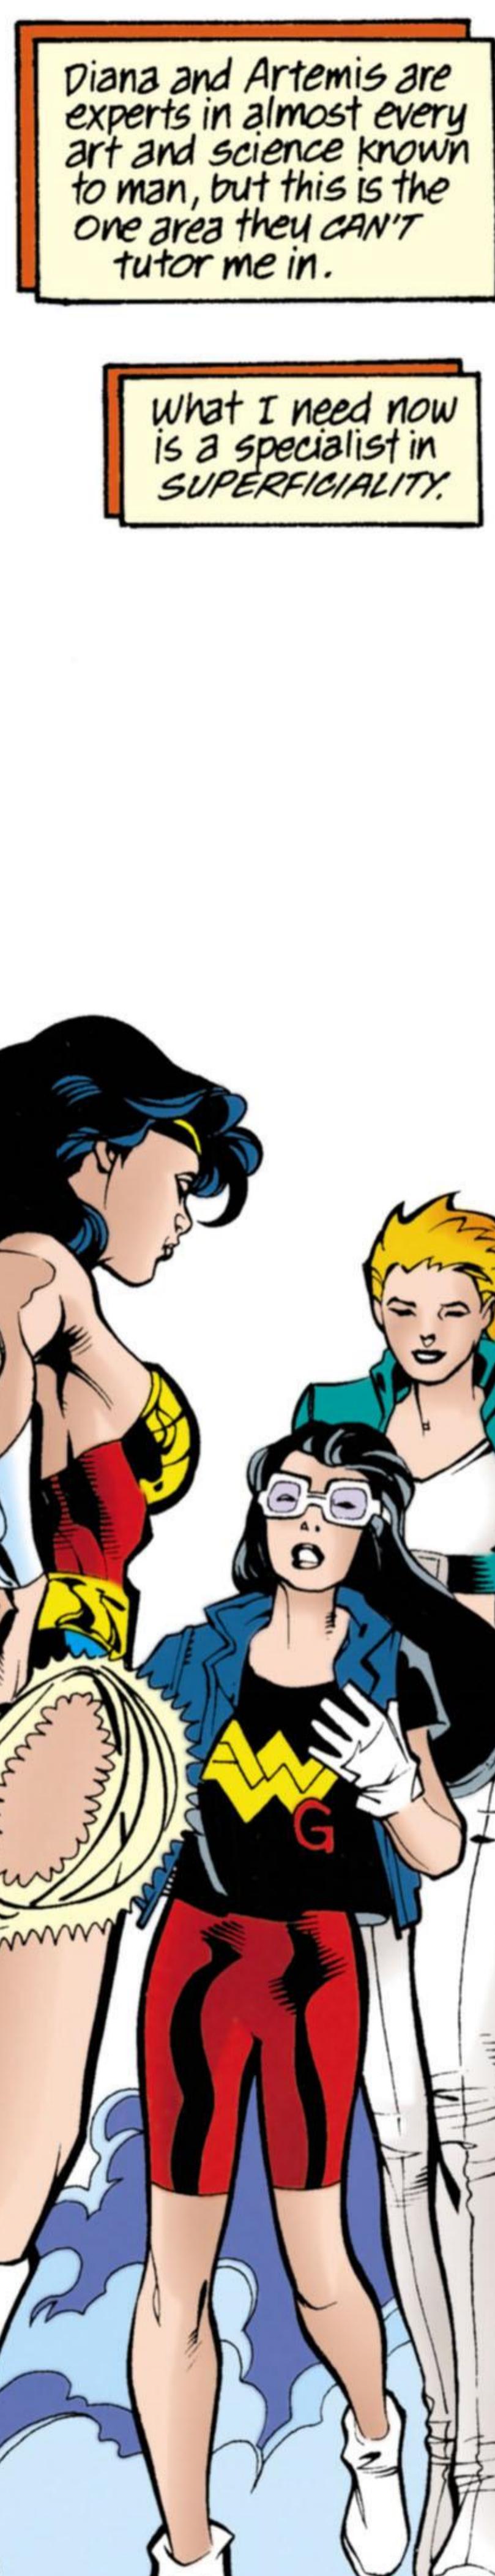

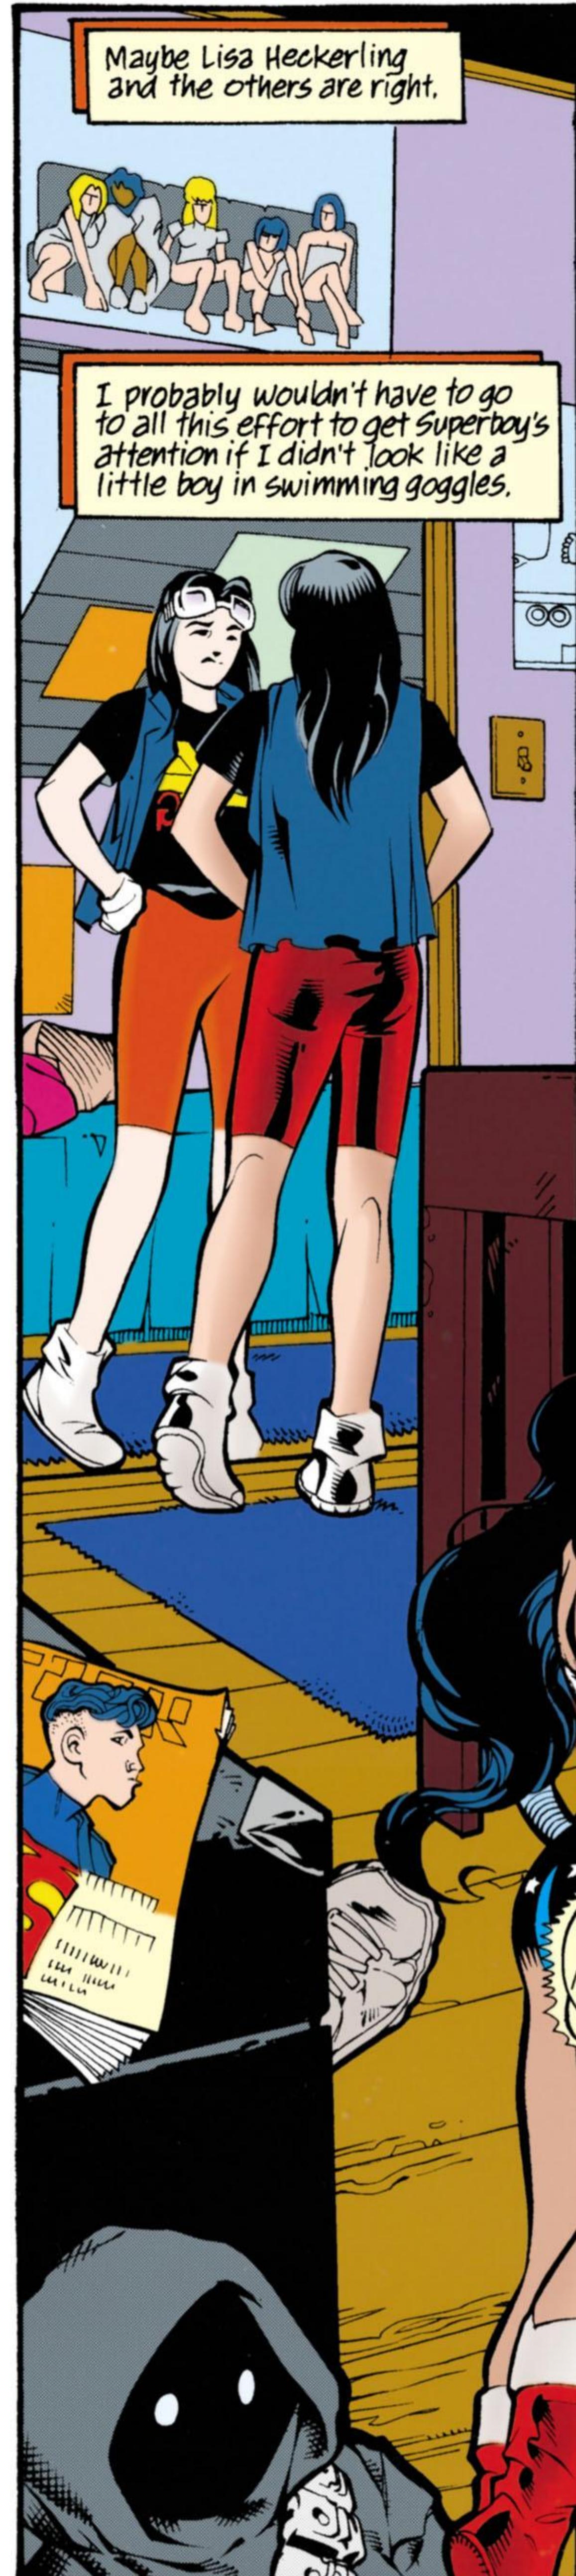

YOU SEE, WHAT MAKES THE HEROES IN WESTERN WARS AND STAR-SPANGLED BATTLE TALES MUCH MORE INTERESTING THAN THE REAL-LIFE SUPER-HEROES IS THAT THESE GUYS CAN ACTUALLY GET HURT.

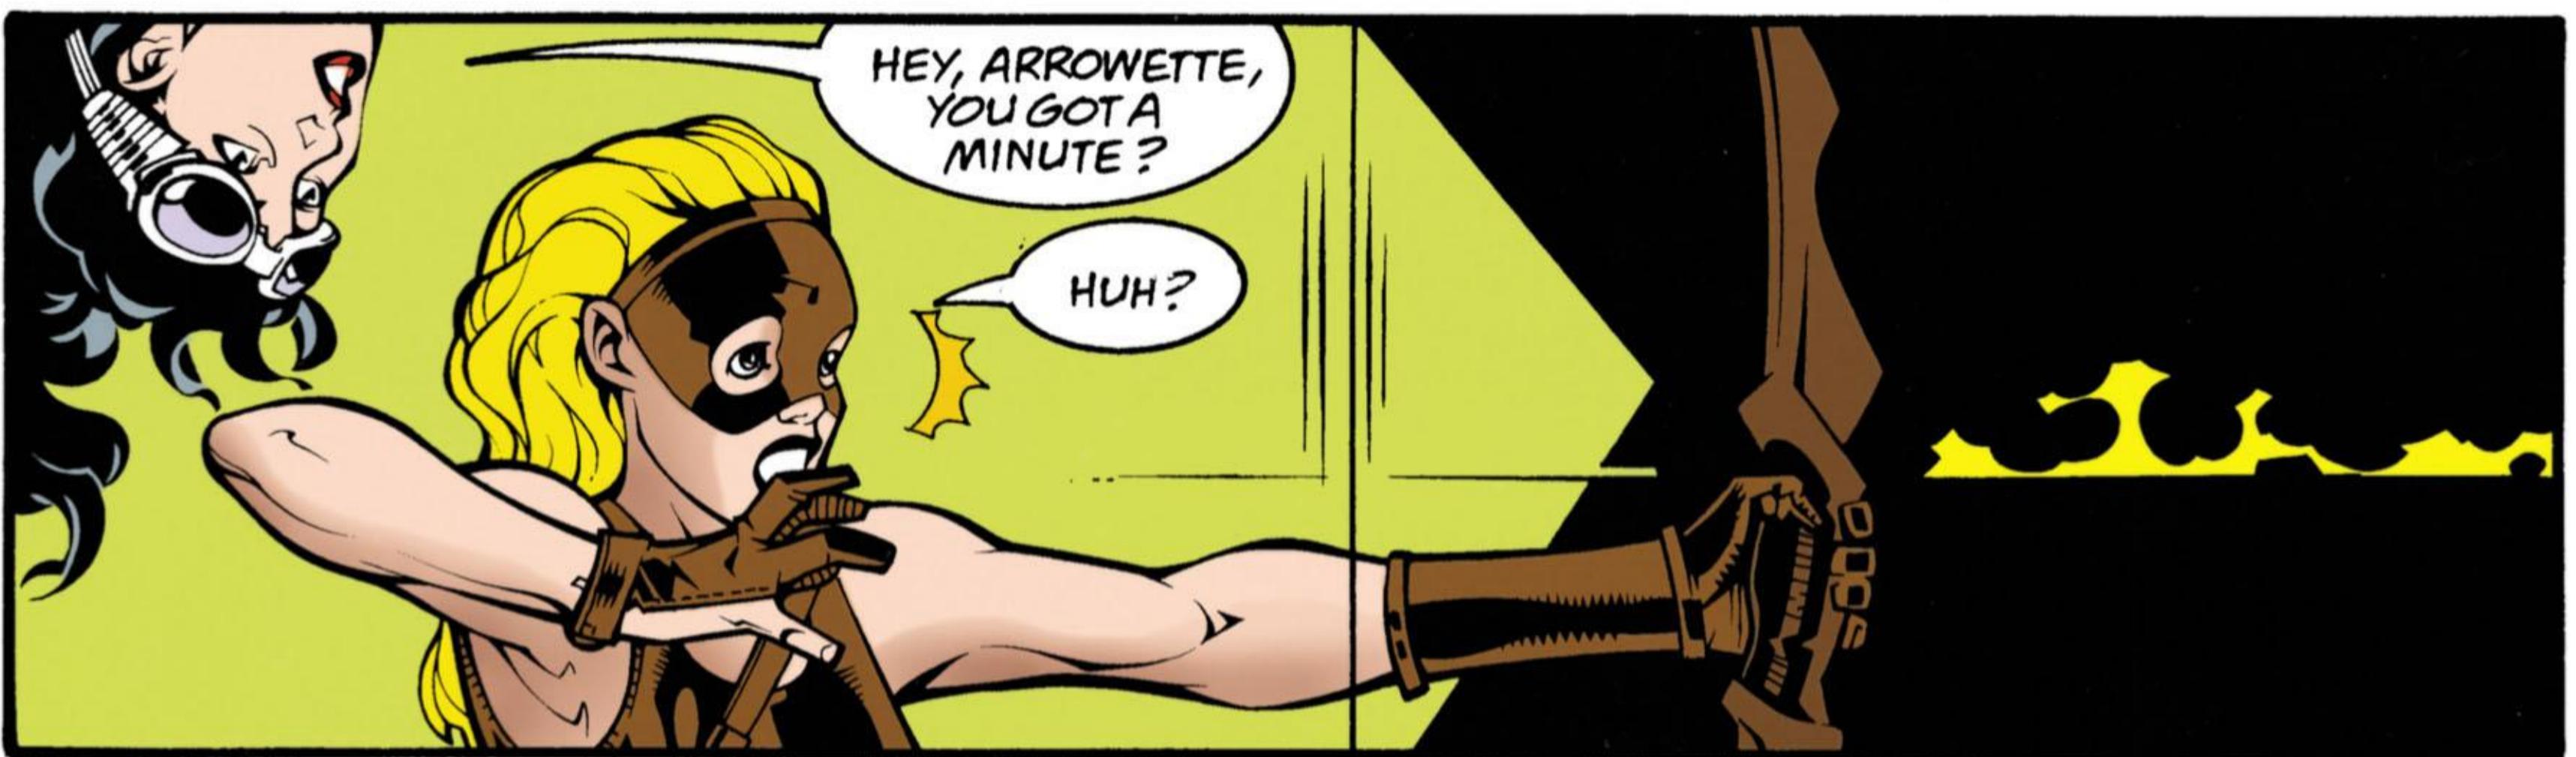

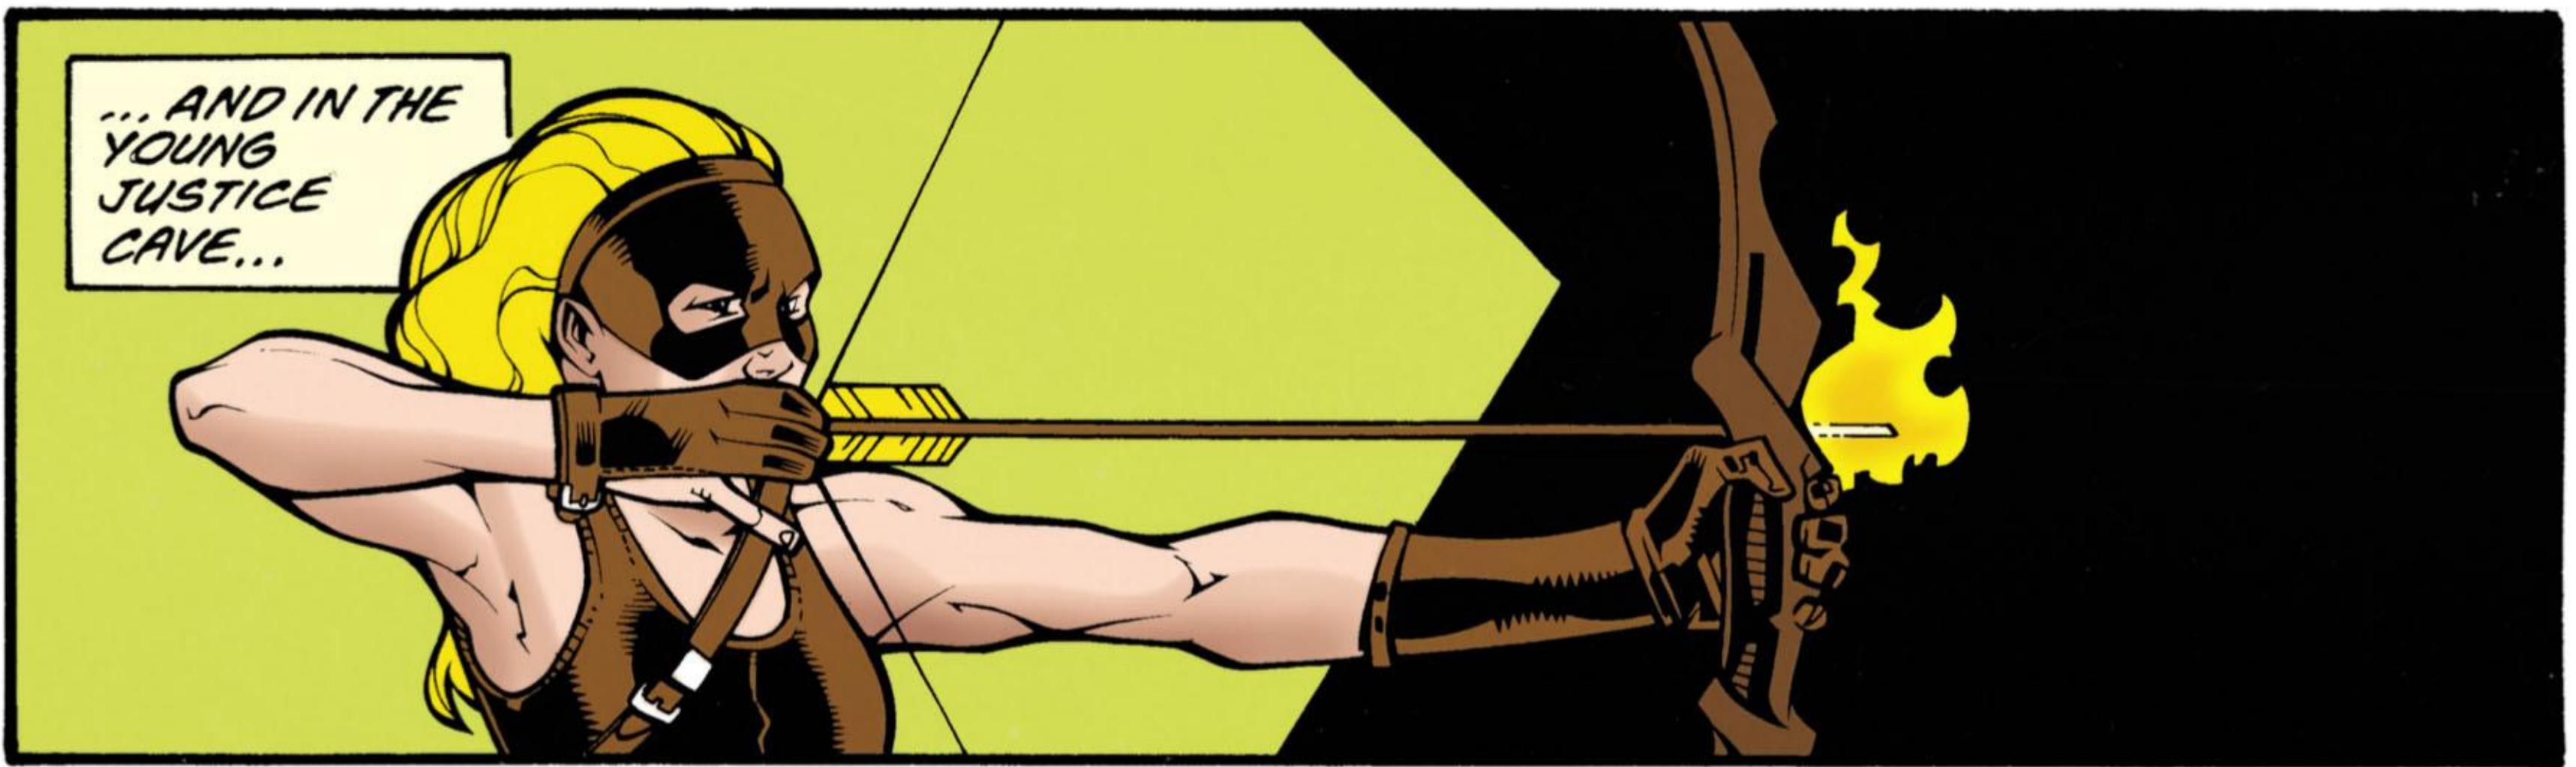

I THINK YOU'D BE IMPRESSED WITH SOME OF THE STRONG FEMALE CHARACTERIZATION IN BOOKS LIKE "A DATE WITH JUDY" TOO.

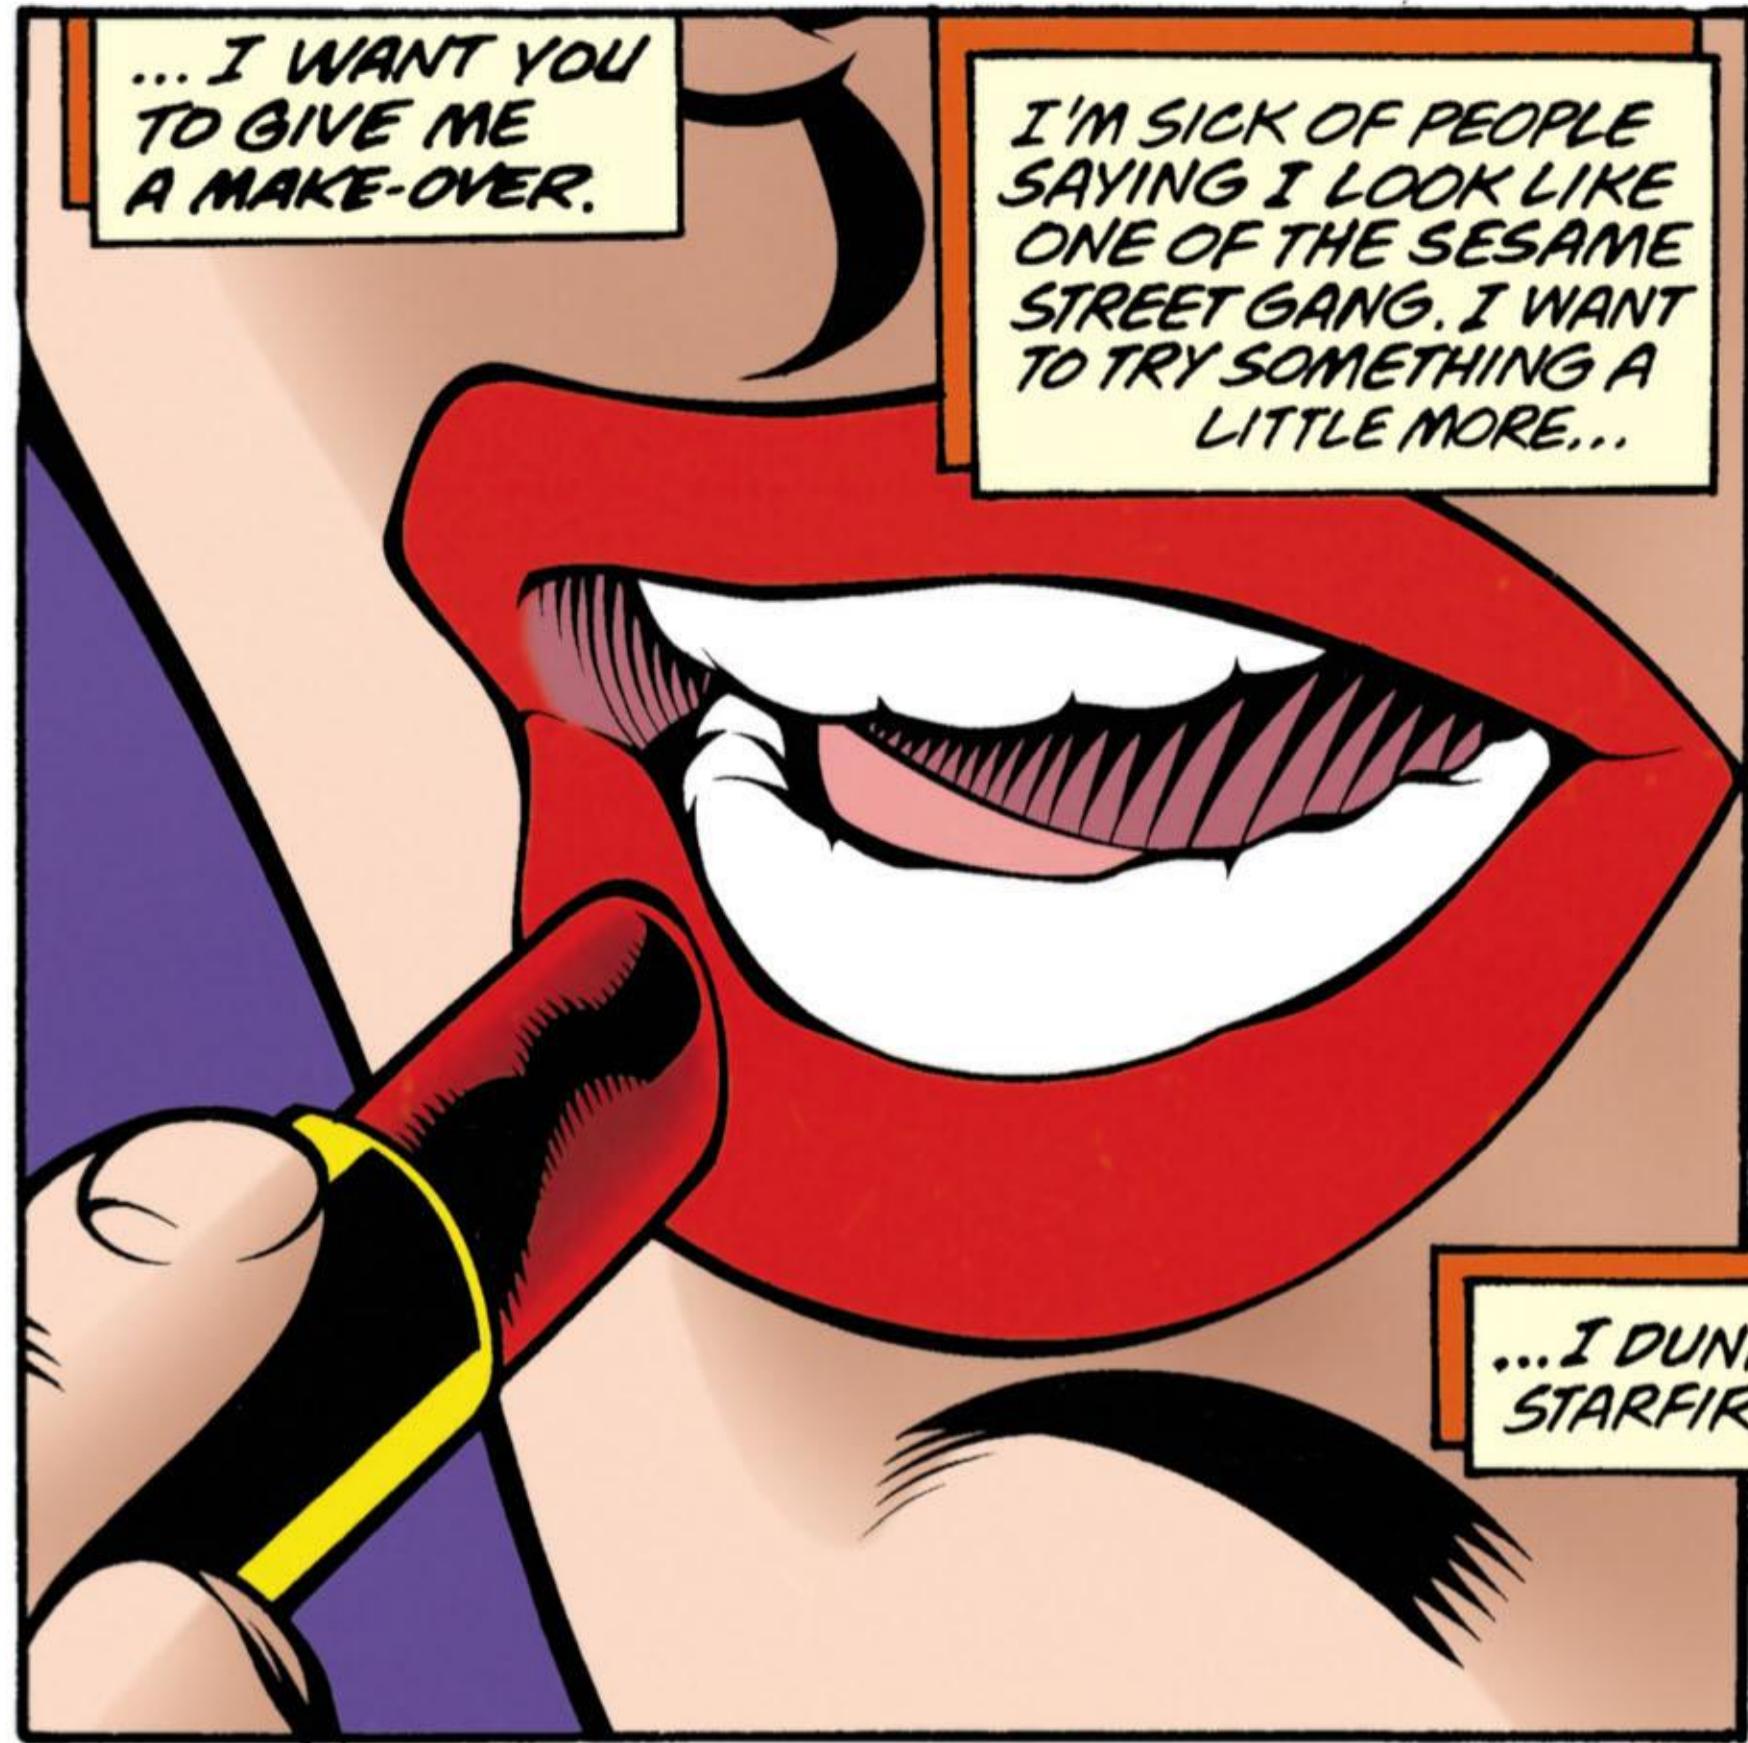

IS THIS what mom means?

Not that the girls are any better.

WOW!

ARE
YOU SURE
YOU DON'T
WANT, LIKE,
A BUSTIER?

UH-UH! CALL ME OLD-FASHIONED, BUT I STILL SAY A SUPER-HEROINE'S IQ SHOULD BE BIGGER THAN HER CHEST-MEASUREMENT.

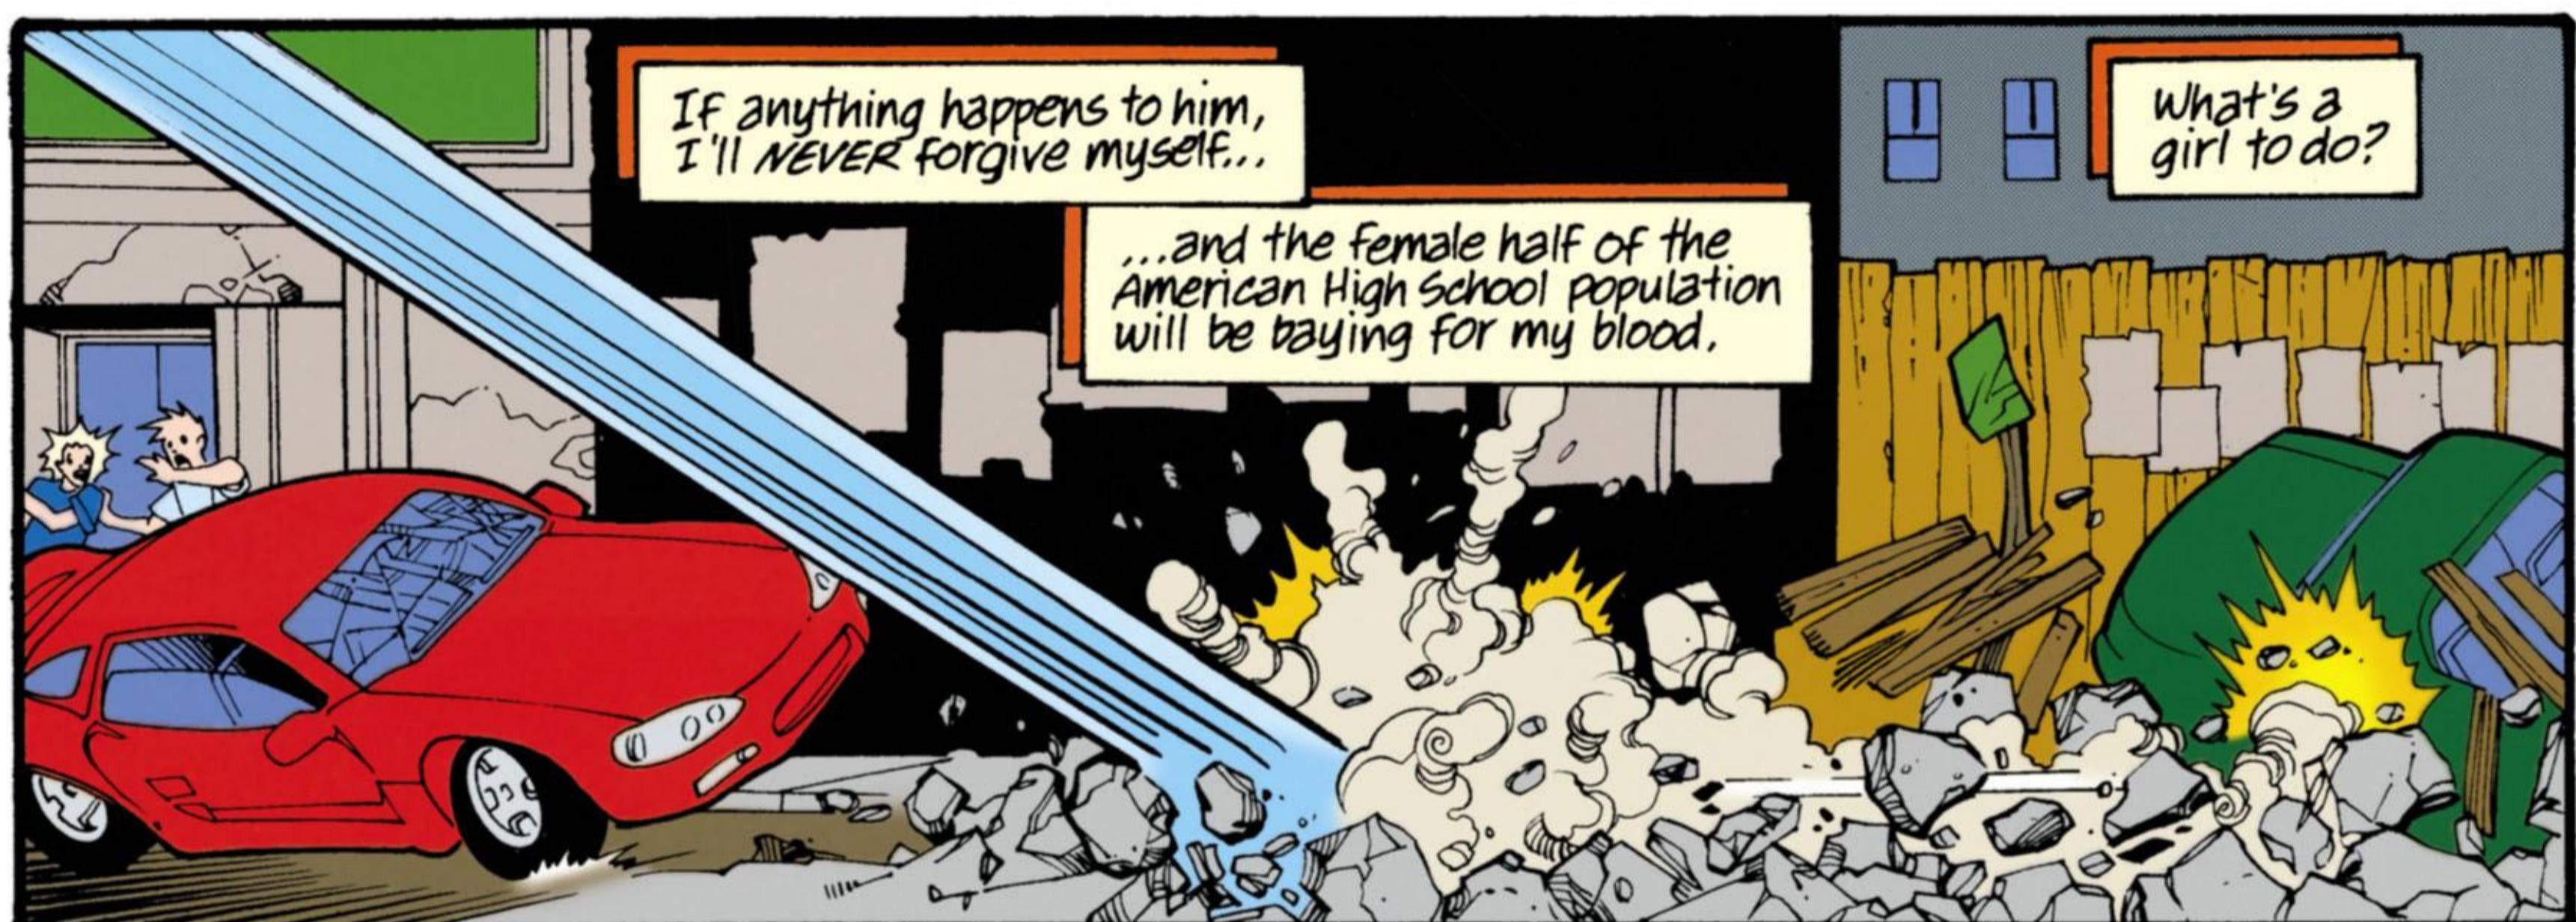

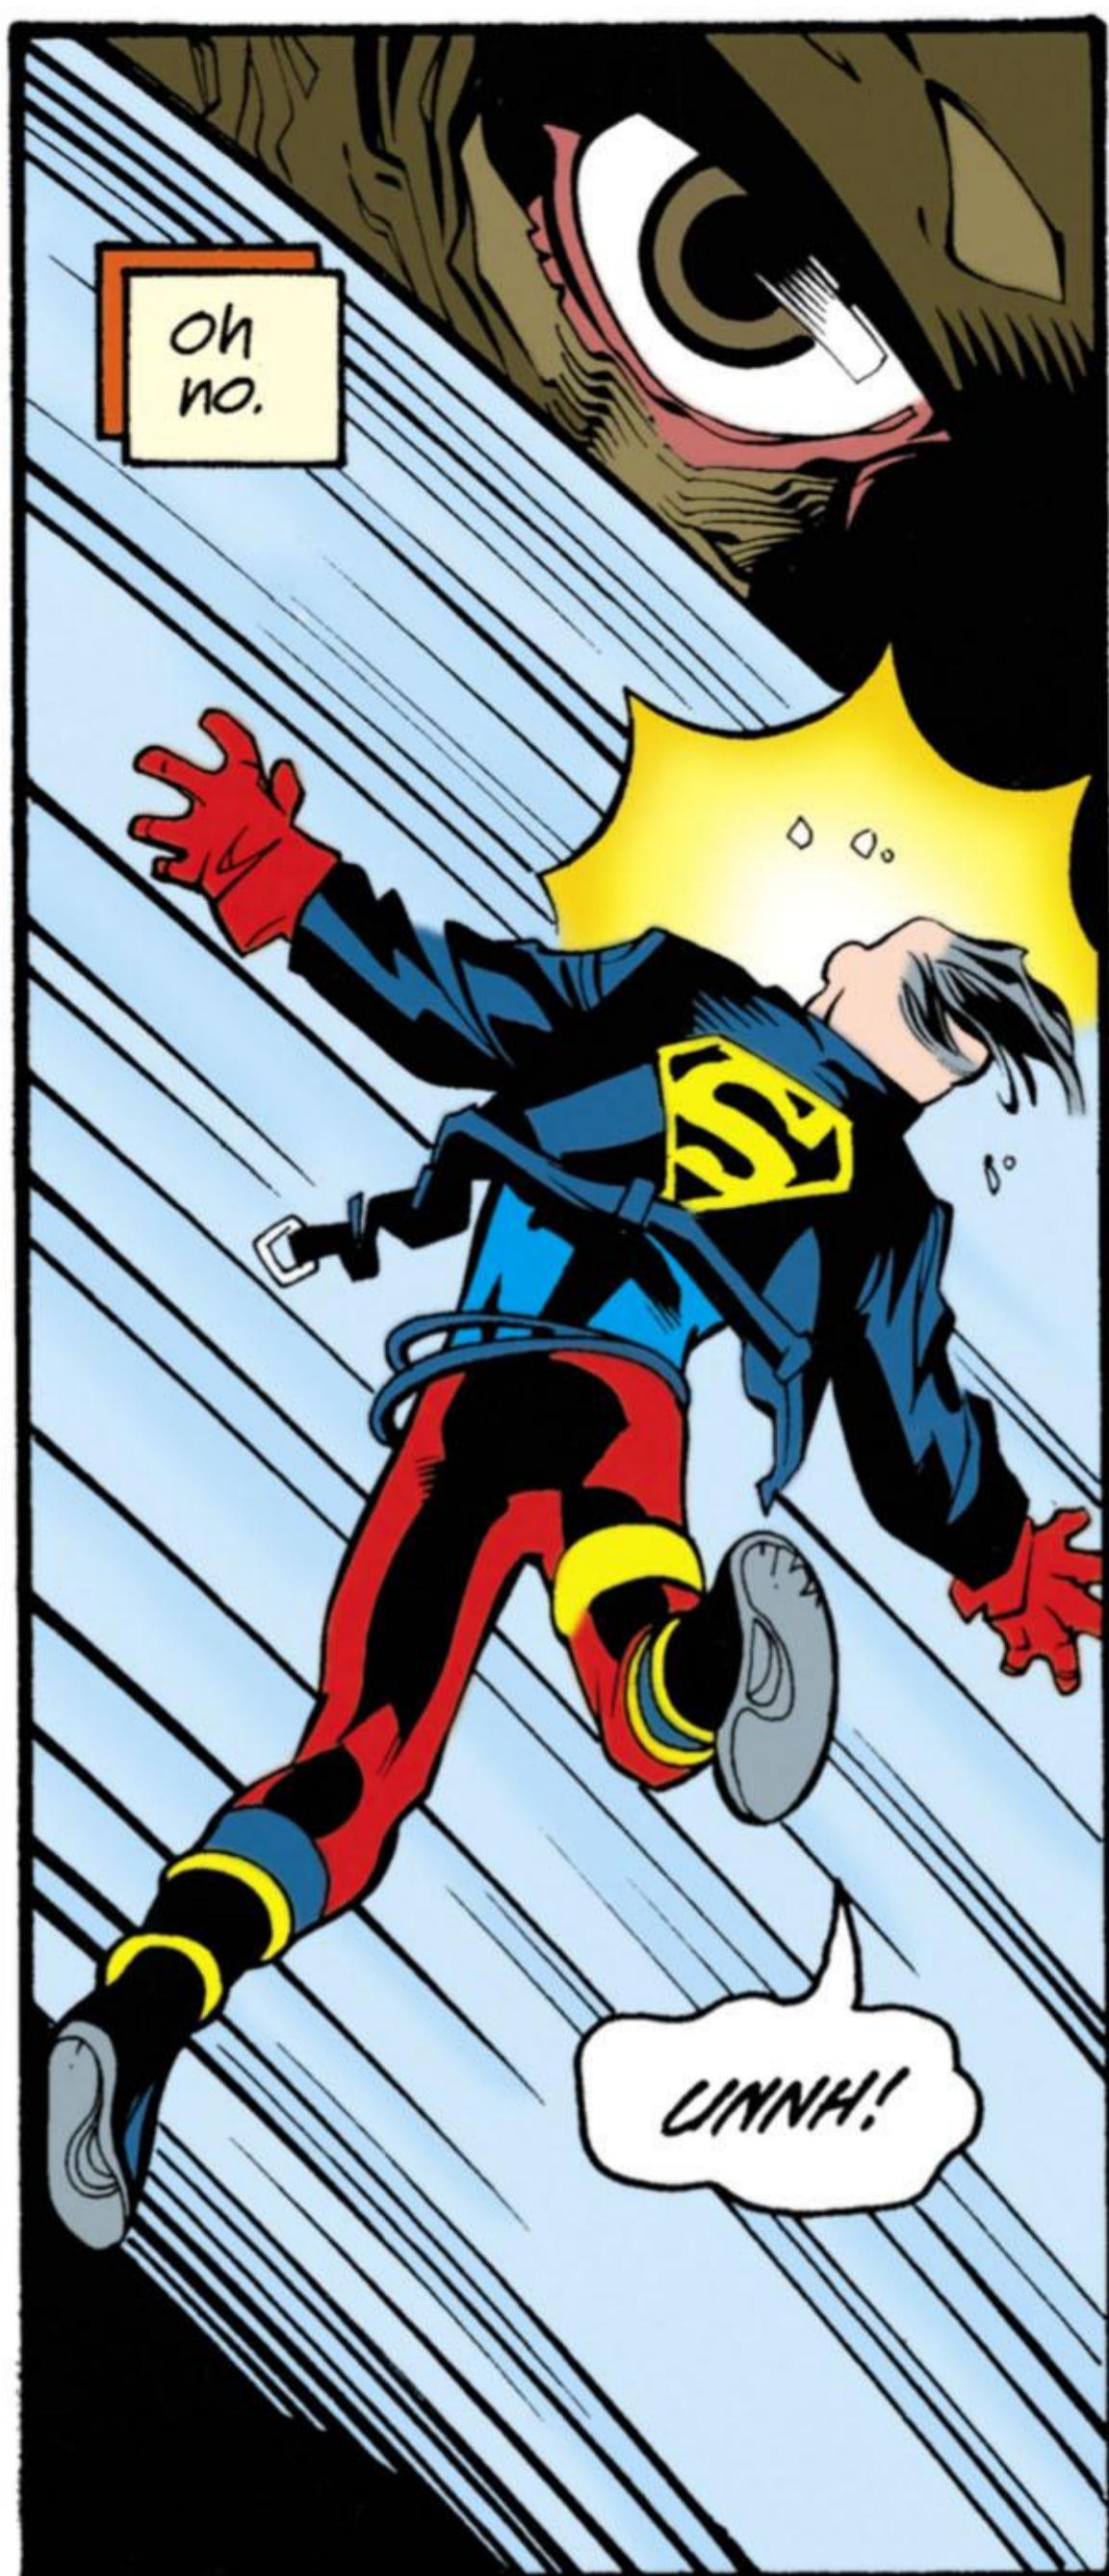

GOD, MY MOM IS GOING TO HATE THIS SKIRT WITH A PASSION.

WHO CARES?
SUPERBOY WON'T
BE ABLE TO TAKE
HIS EYES OFF IT.

ONLY IF
YOU DON'T SAY
WHO I LIKE,
WONDER
GIRL.

UM, ARROWETTE,
PROMISE NOT TO TELL
THE OTHERS THAT
I LIKE HIM?

STAND BACK,
PEOPLE! I KNOW
WHAT I'M
DOING!

Obviously,
I'm lying...

...but hitting this spirit
with the box that bound
it for thousands of years
HAS to be worth a shot.

It's like Artemis
always tells me
during training...

...weird problems
usually have
weird solutions...

...and, as ever, the big, skinny chick is right.

Strike now while he's impressed.

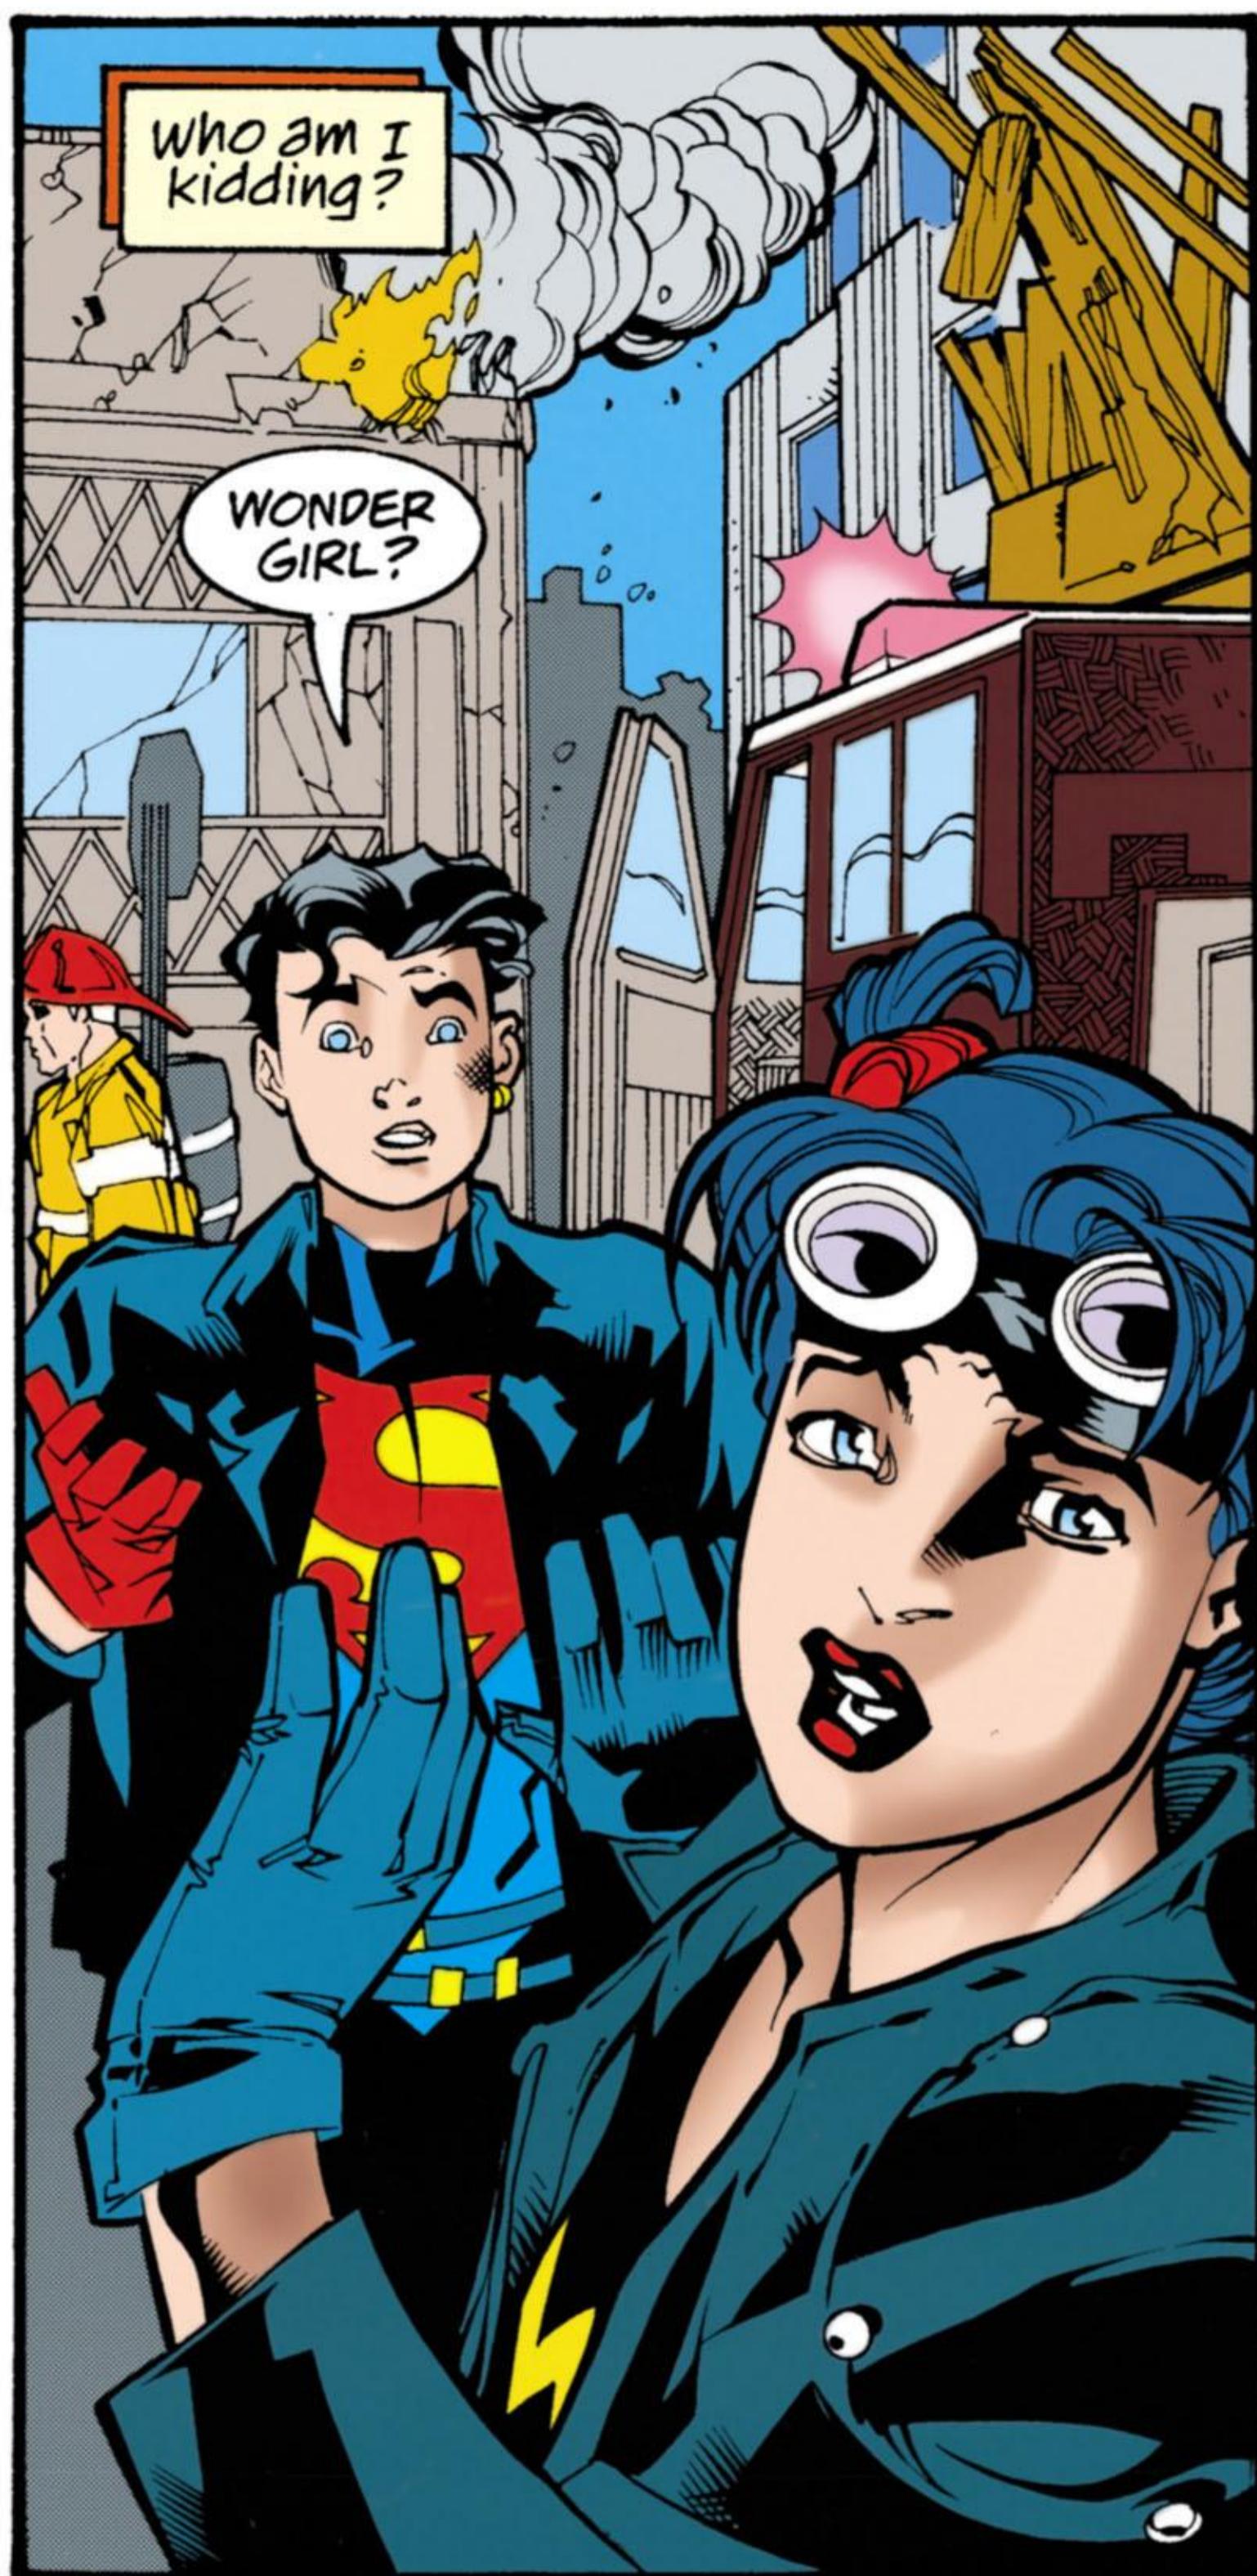

C'mon, you're supposed to be fearless. How difficult is it to ask a guy if he'd like to catch a movie?

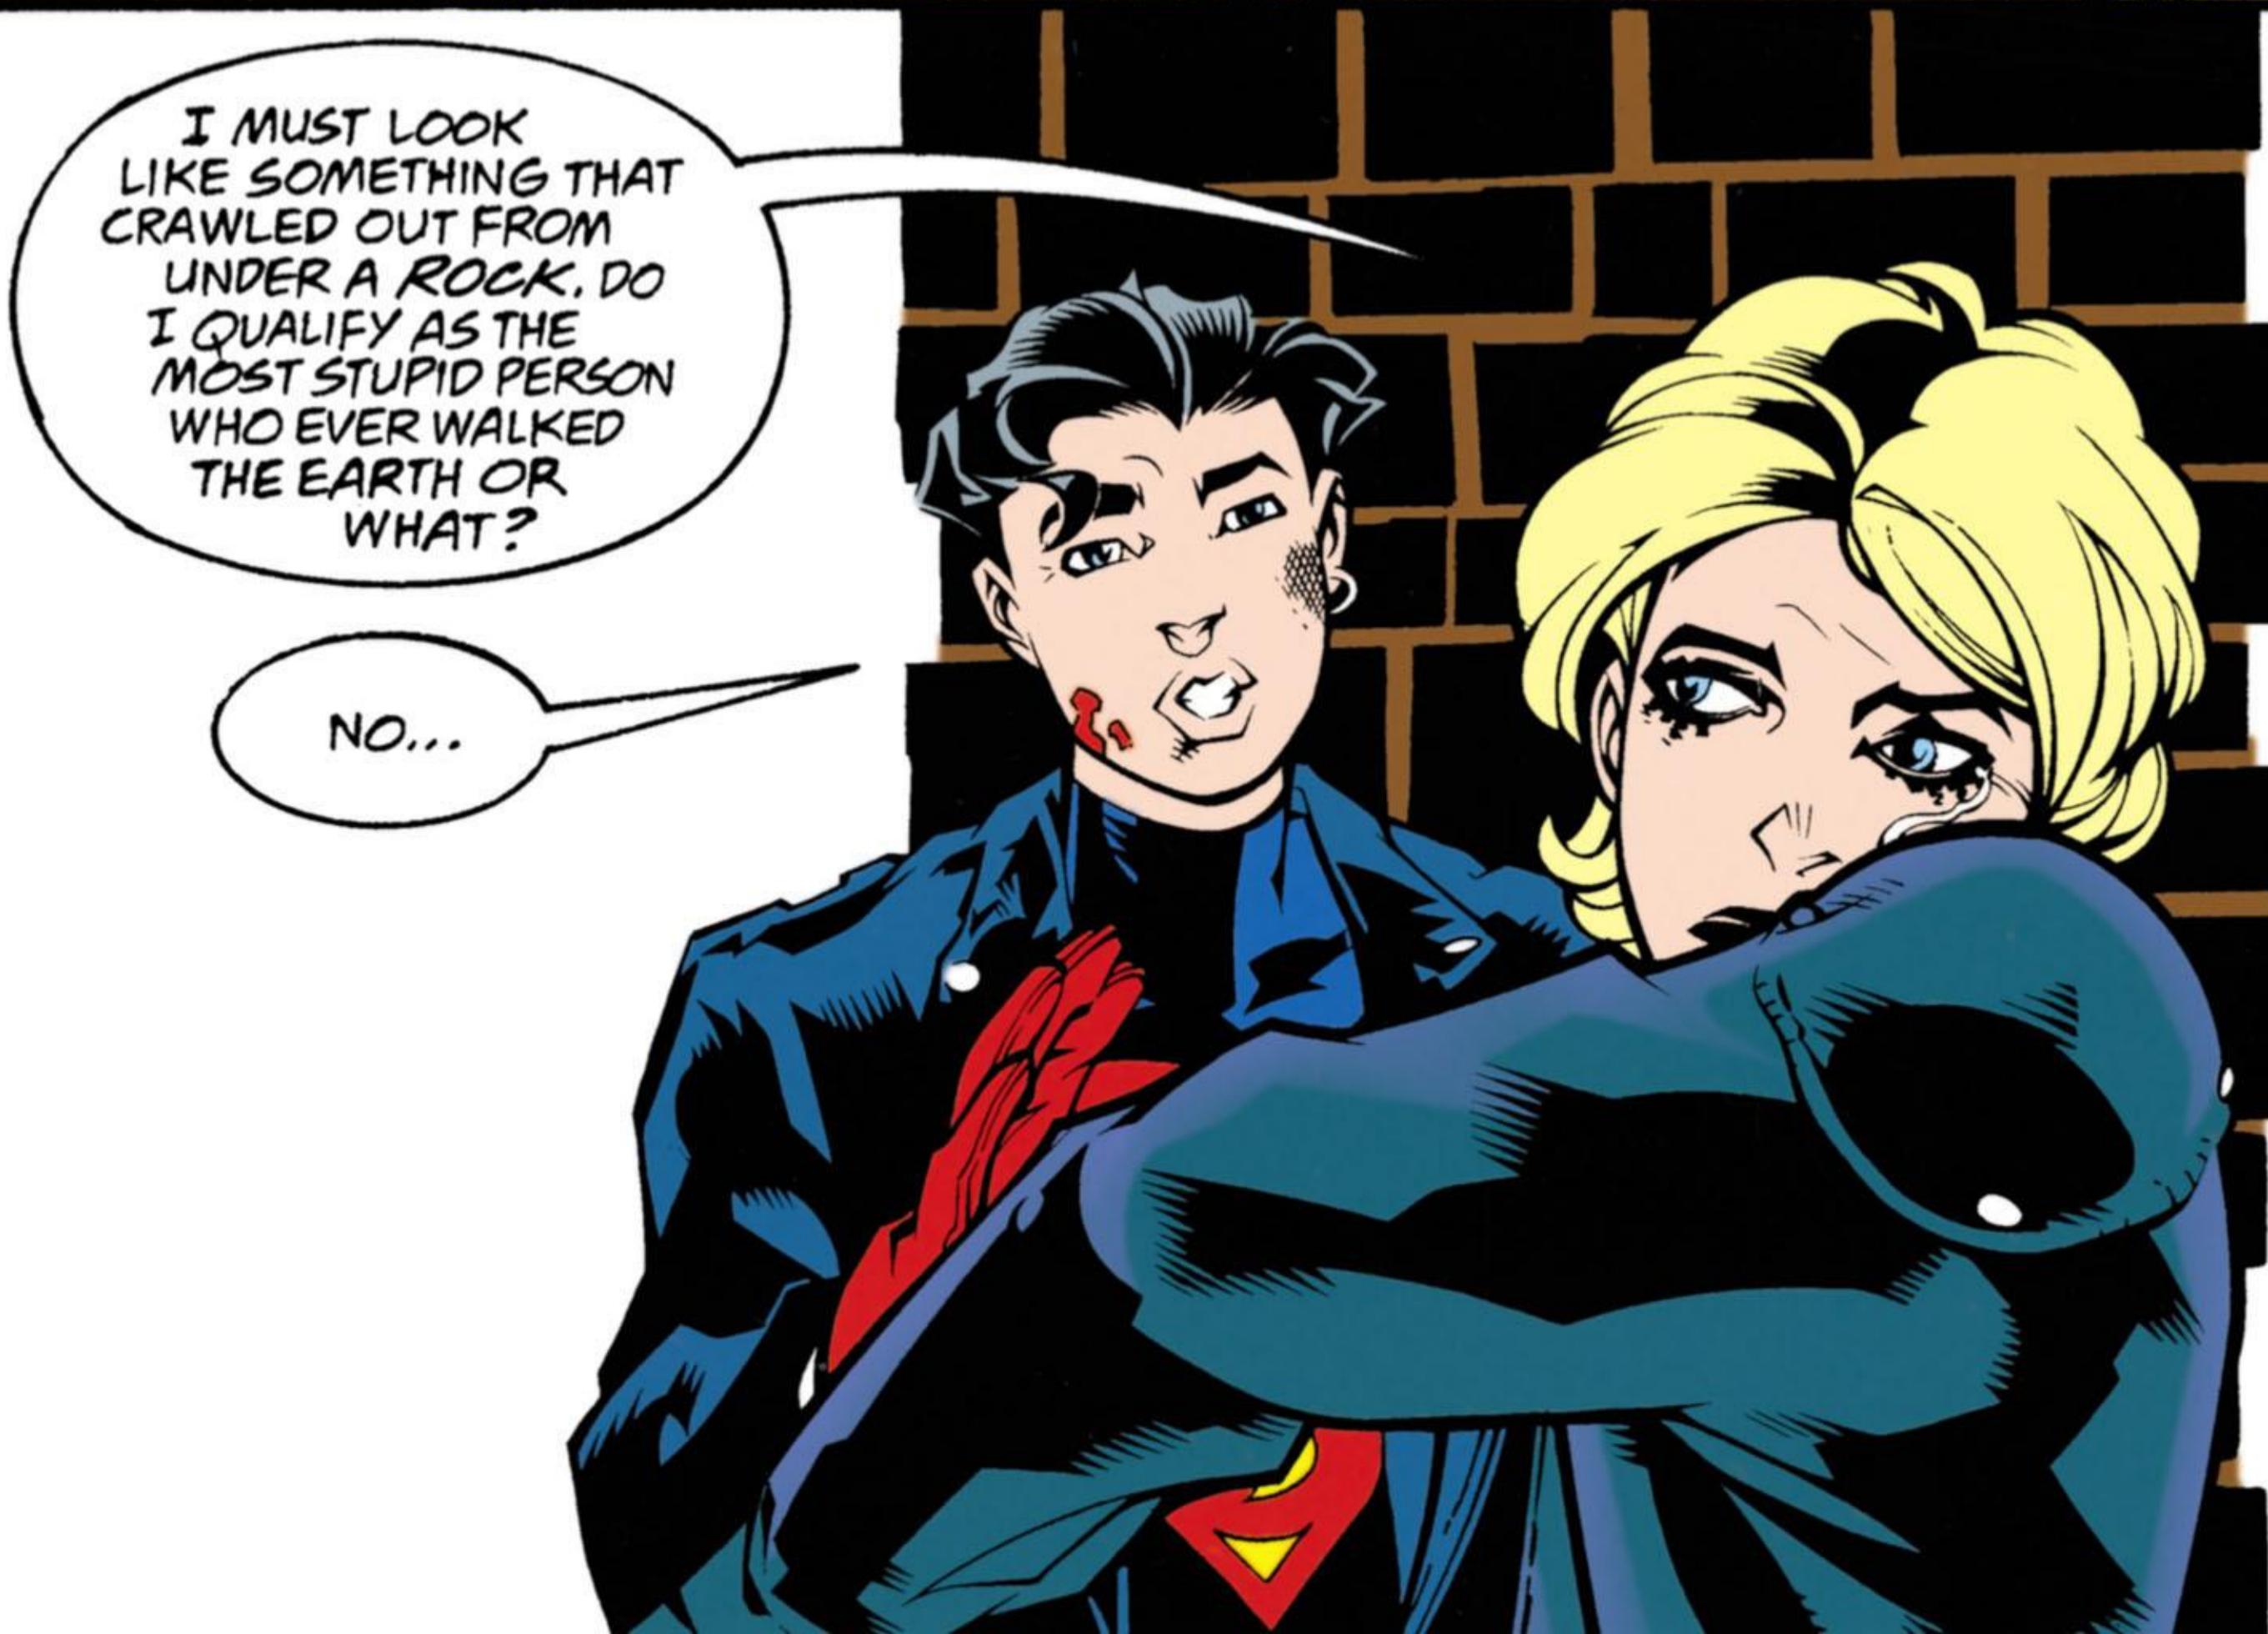

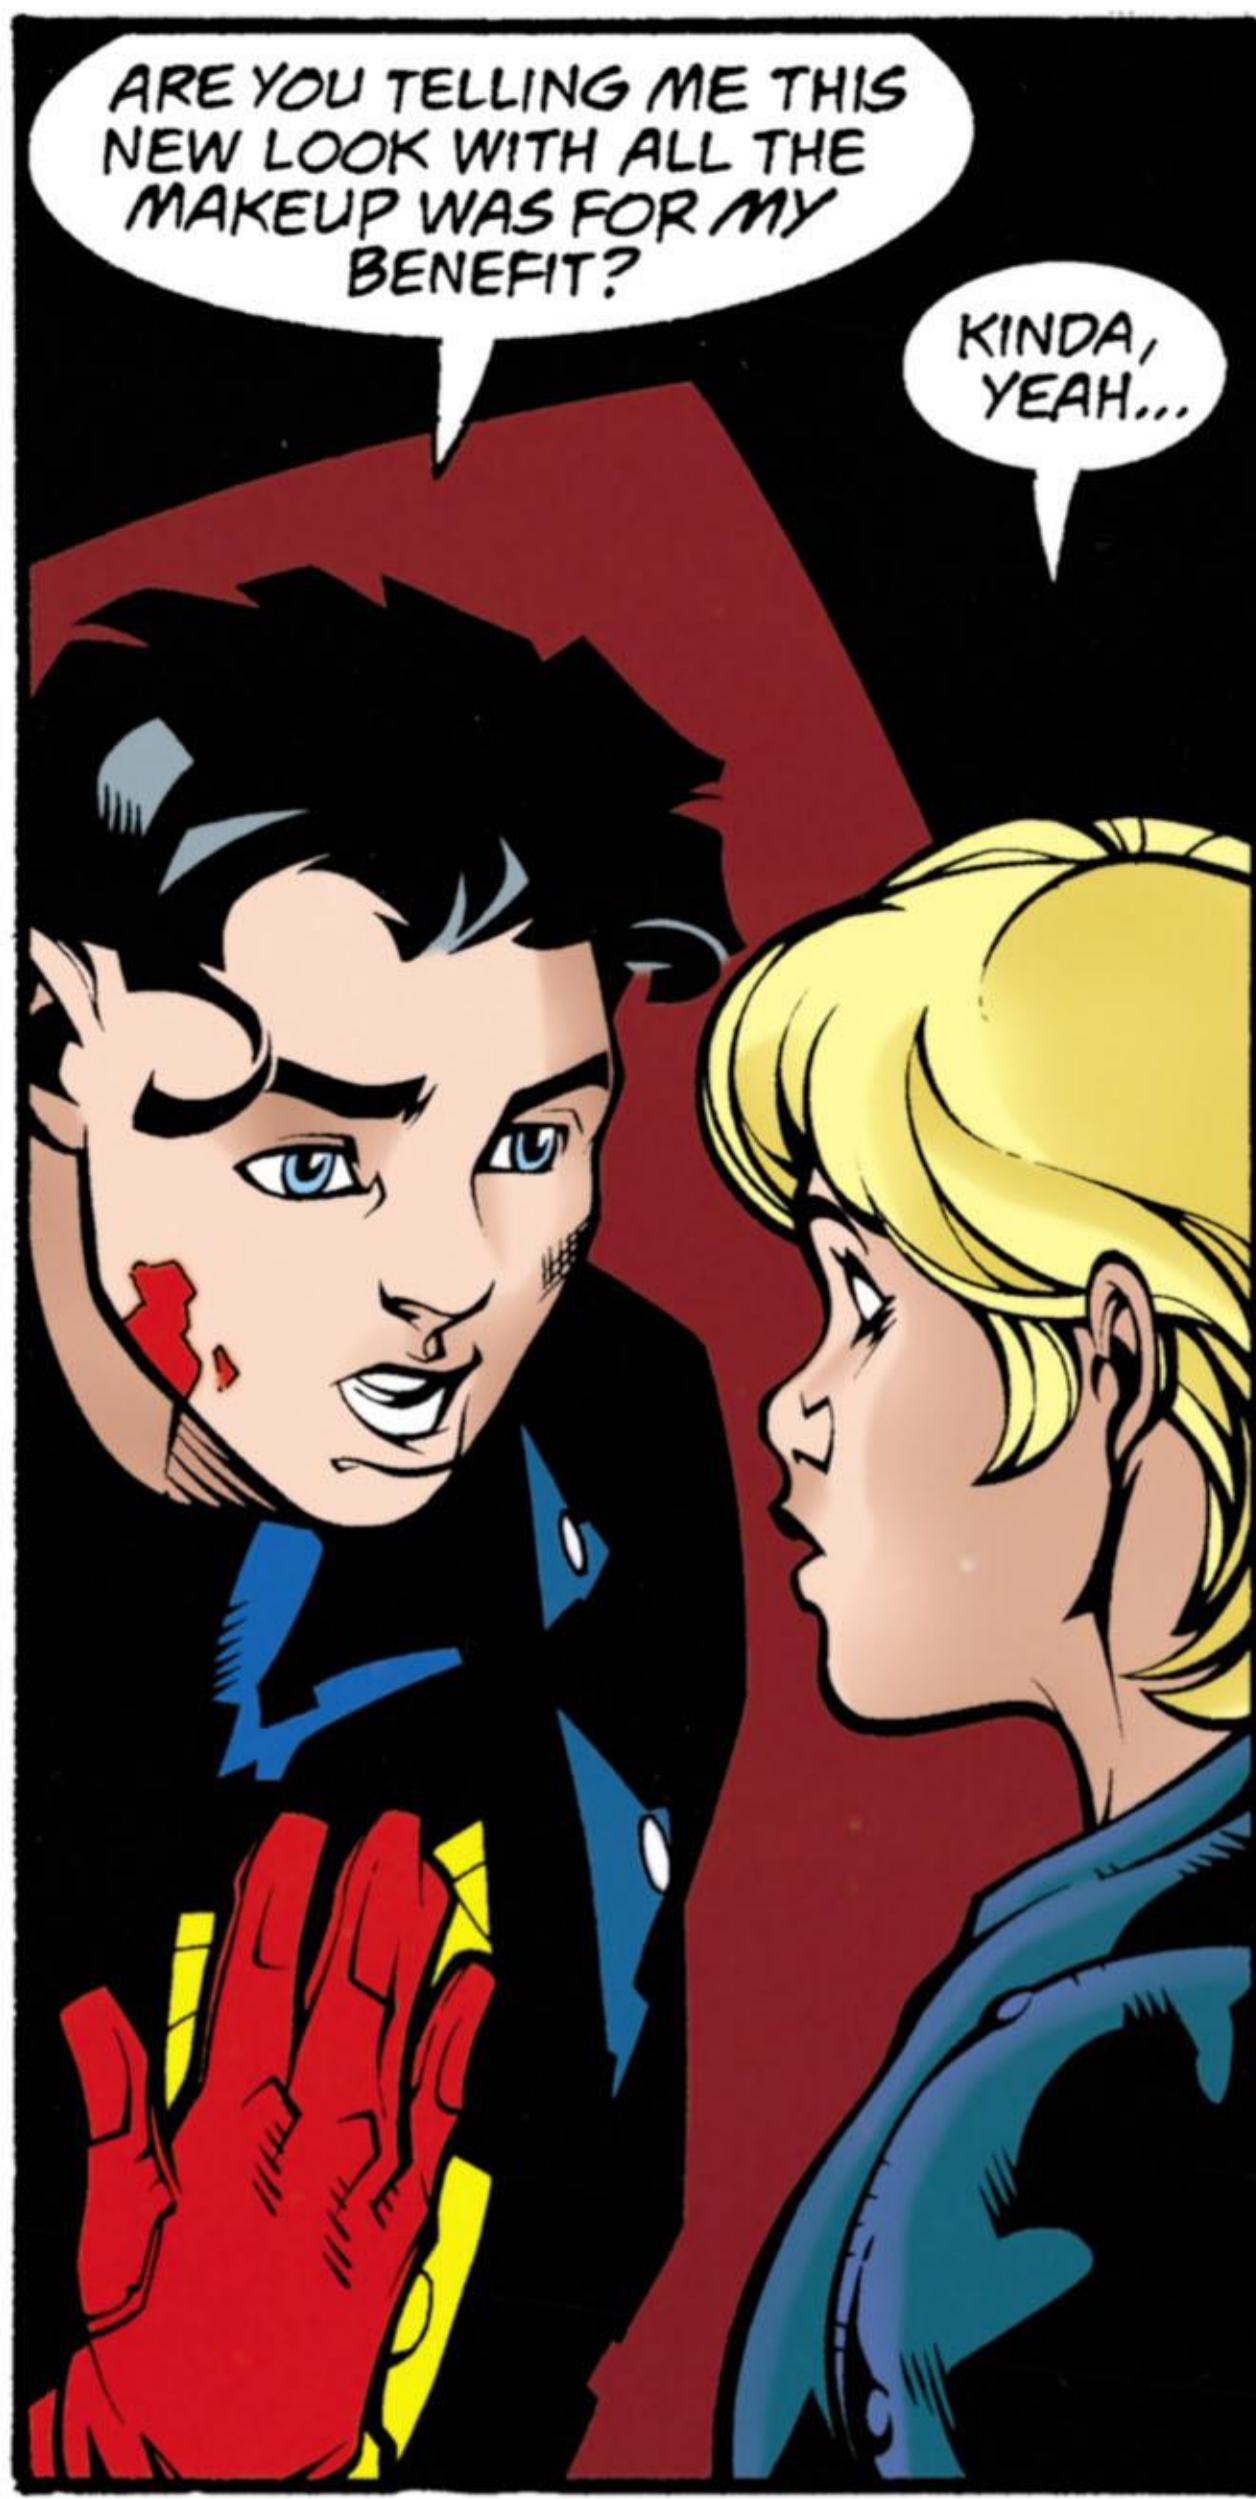

SUPERBOY...?

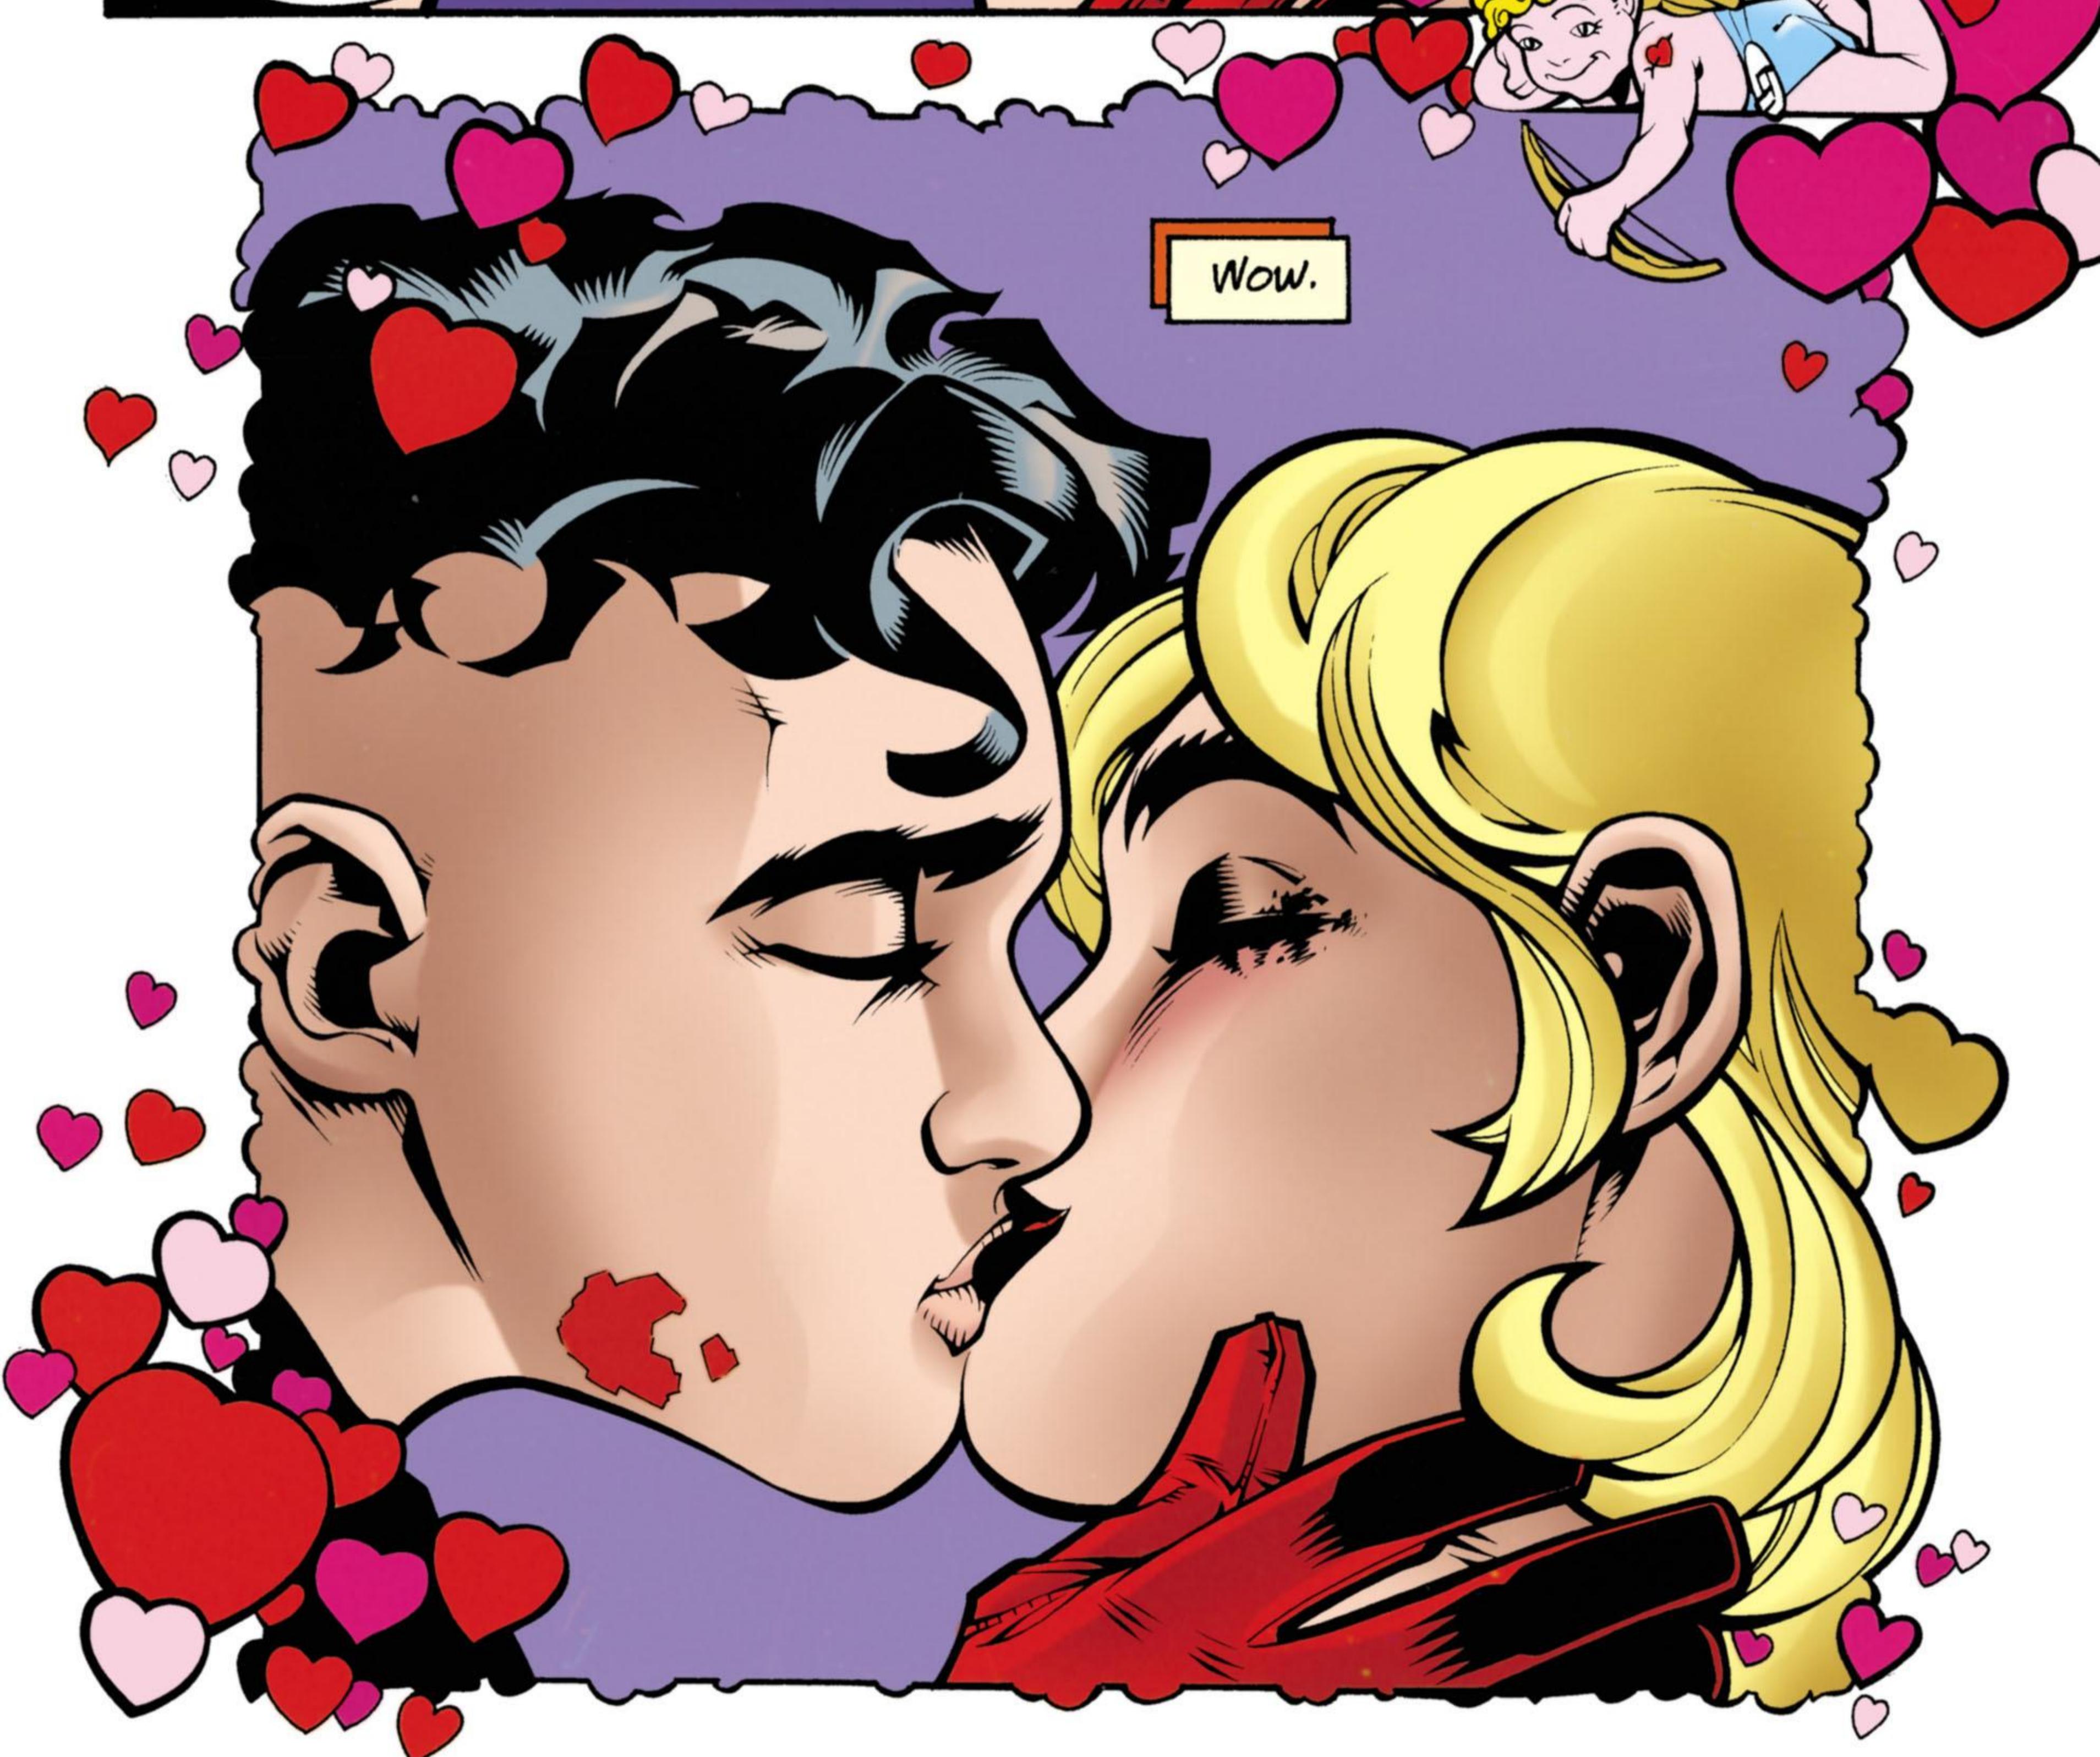

WAY TO GO, SUPER-HERO.

I...

Oh, God...

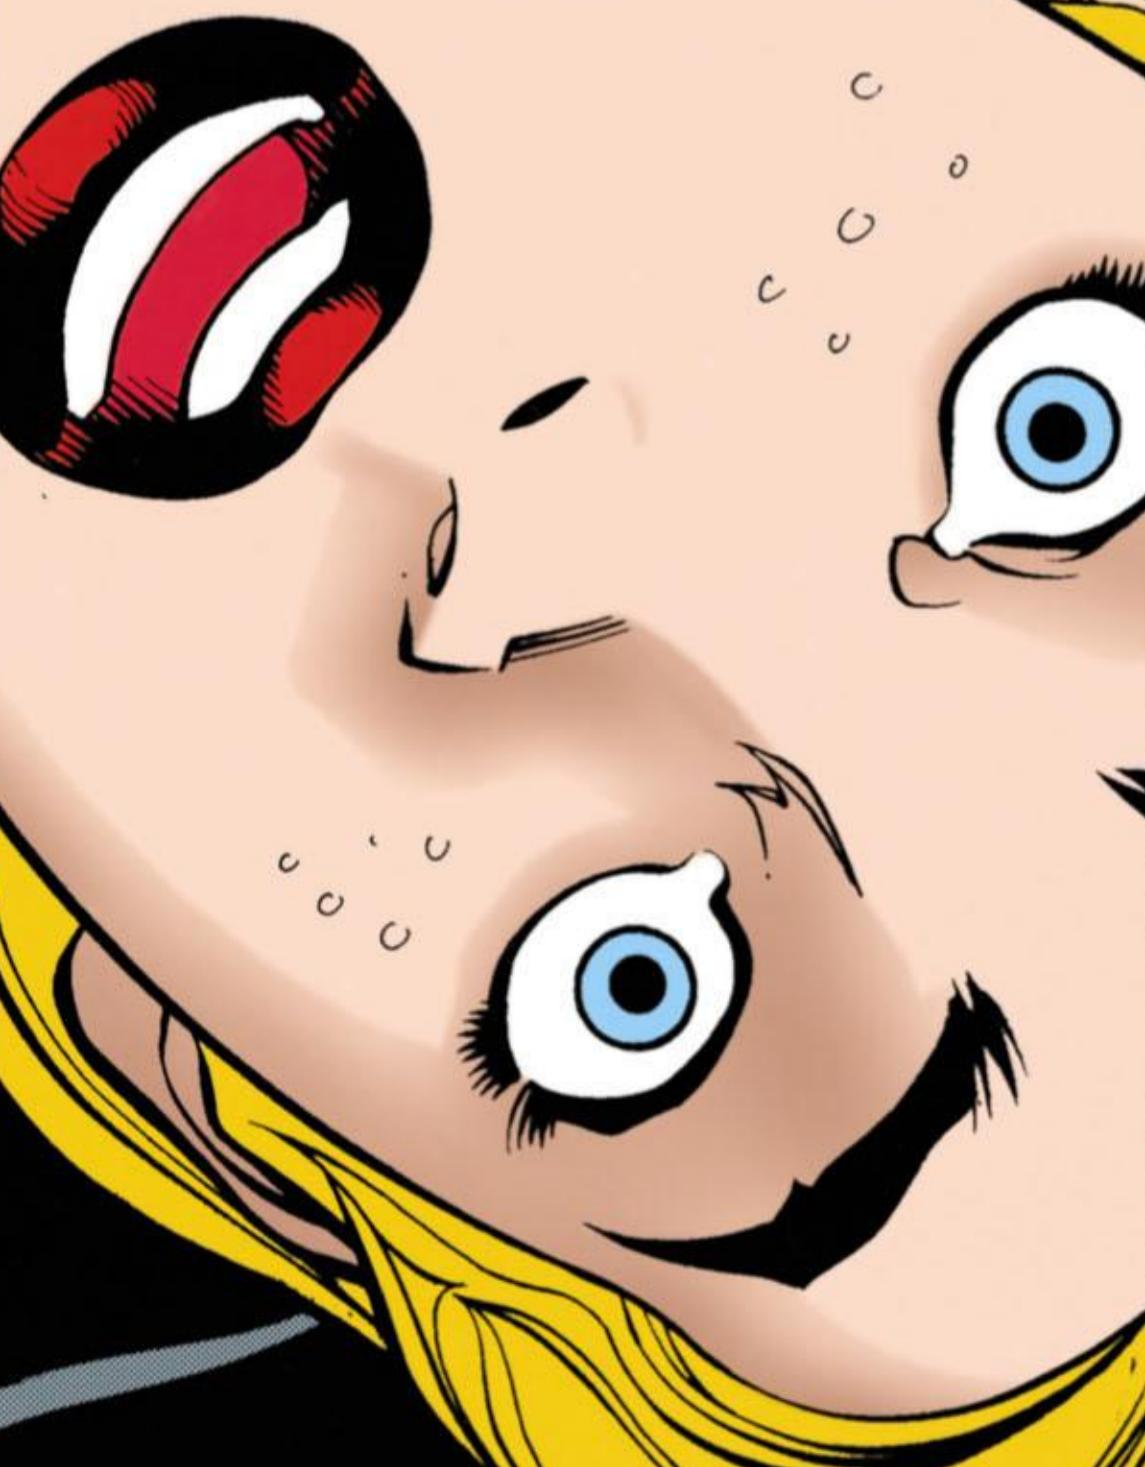

So what if it's the kind of kiss your best friend's brother gives his "sister's little friend."

A KISS IS STILL
A KISS, RIGHT?

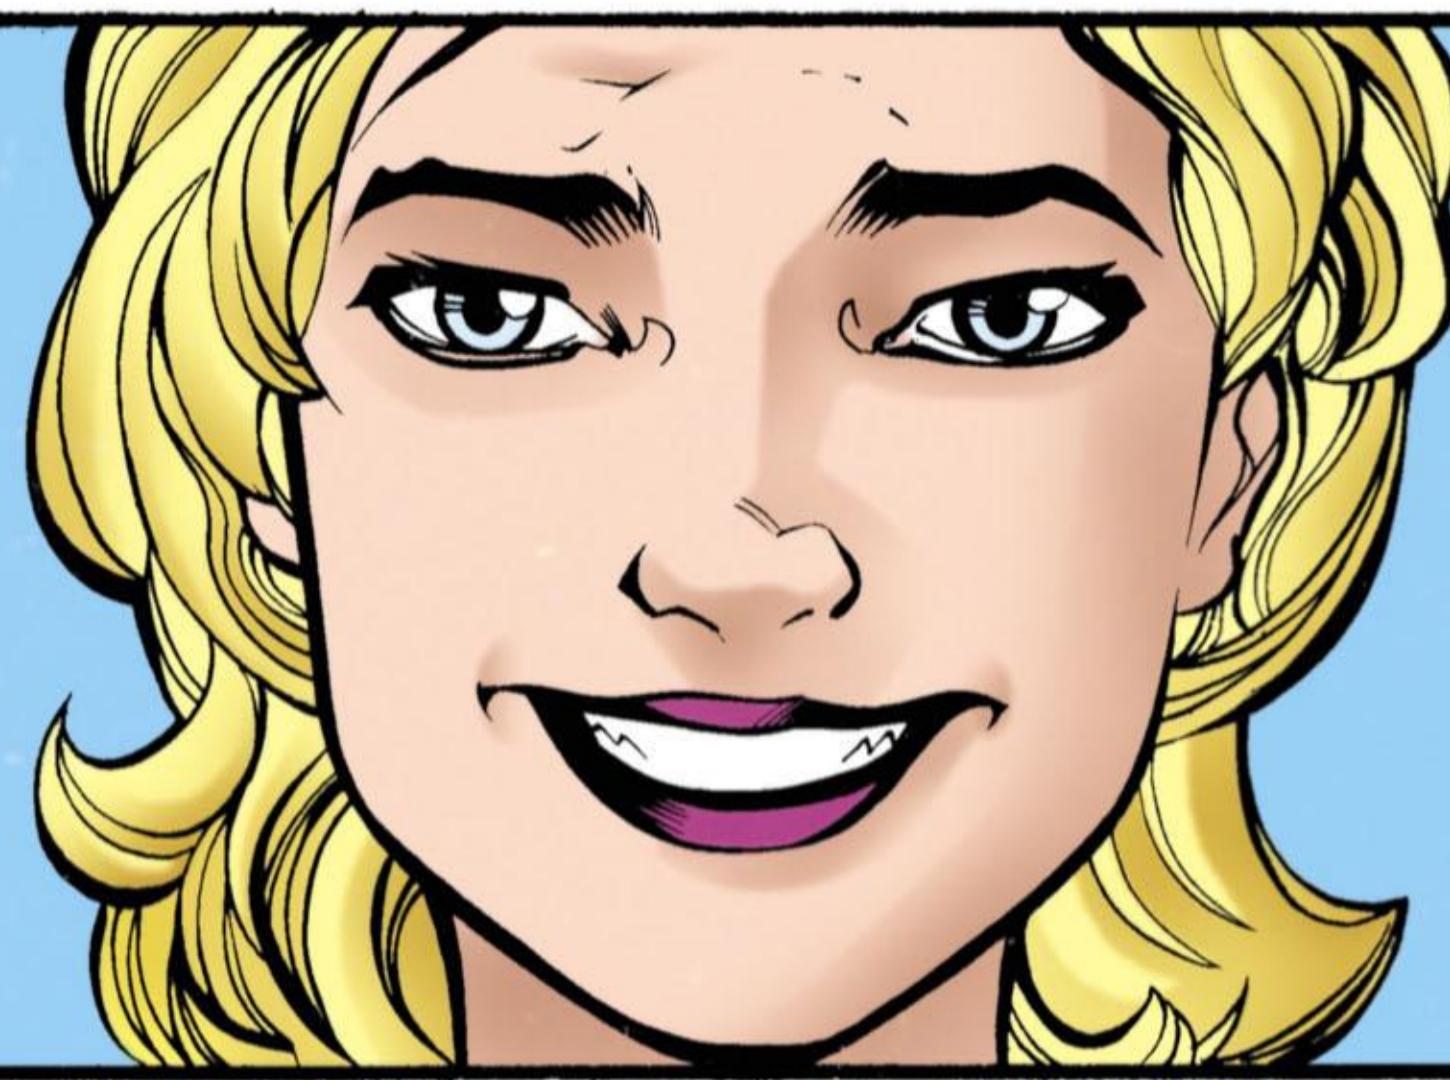

IS THAT CASSIE
SANDSMARK
OVER THERE
MAKING OUT WITH
A GUY DRESSED
UP LIKE
SUPERBOY?

OH.
MY.
GOD.

So what have I learned from all this?

Well, Diana was impressed with how I handled the minotaur situation and reckons I'm becoming cooler under fire...

...but personally, I've learned that you don't need lipstick and hotpants to like yourself...

HEY, CASSIE!

...and the girls in school seem to agree.

SIT NEXT TO YOU IN BIOLOGY, CASSIE?

UH, SURE, LISA. WHY NOT?

As for Superboy. Am I still in love?

Well, YEAH, and he is GREAT...
