KYRIANIS STORY:

"The Ostus Legacy"

CONCLUSION

# FOCUS

Johnny DC has been busy going from office to office to bring you the lowdown on the 1990 annuals. Rather than link them together thematically or tell you one long, involved story, the editors met with Editor-in-Chief Jenette Kahn and decided to tell one blockbuster of a story in each annual. Everyone has approached that mandate differently and in this column you can see how this year's list has shaped up.

#### June Schedule

**STAR TREK ANNUAL #1:** George Takei teams with Peter David to spotlight his favorite character, Commander Sulu. We meet an old lover of Sulu's, who happens to head up an emergency medical mission to a planet where the colonists are struck by a deadly man-made disease. When the medical team is captured by religious fanatics who feel the disease is "god's" punishment, Sulu puts his career on the line to save them. Drawn by Gray Morrow.

**JUSTICE LEAGUE EUROPE ANNUAL #1:** Keith Giffen and J.M. DeMatteis have been monkeying around with the Global Guardians for three years now, and this story looks at what has become of that once noble team. Unfortunately, the answer involves the treacherous plans of the Queen Bee and the JLE must go into action against her once more. Drawn by newcomer Linda Medley and Jose Marzan, Jr.

#### July Schedule

**NEW TITANS ANNUAL #6:** Starfire once returned to Tamaran to marry by royal decree. She and Karras realized her destiny and true love remained on Earth and so she returned to her new home. What has happened to Karras? Nothing good, forcing the Titans back into space as they confront the villainy of Blackfire, Starfire's sister, and the politics that make up Tamaran today. Written by Marv Wolfman, featuring pencils from Paris Cullins, Tom Grummett, and Curt Swan, and inks from Al Vey.

**FLASH SPECIAL #1:** Okay, it's not an annual, but it is an 80-page celebration of Flash's 50th Anniversary. Four teams gather to look at the three Flashes we know and one we meet for the first time. Handling Jay Garrick are Len Strazewski, Irv Novick, and Dick Giordano; Barry Allen is from Gerard Jones, Carmine Infantino, and John Nyberg; Wally West is by William Messner-Loebs and Paris Cullins; and a future Flash wraparound comes from Mark Waid, Mike Parobeck, and Jose Marzan, Jr.

#### August Schedule

**STAR TREK: THE NEW GENERATION ANNUAL #1:** Actor John deLancie has thrilled people as Q for three seasons now, and this time he sits to pen a Q tale that pits the all-powerful entity against Captain Picard in an intensely personal confrontation. If Picard loses the challenge, his life and the entire future will be altered forever. Gordon Purcell and Pablo Marcos reteam for the art.

**ADVENTURES OF SUPERMAN ANNUAL #2:** Dan Jurgens writes this tale of Superman's involvement with the new Brainiac and his murderous son, Vril Dox. It's all tied to L.E.G.I.O.N. '90 and has nifty art from Bob McLeod, Curt Swan, John Byrne, and Kerry Gamill with a Gammill and Byrne cover.

**L.E.G.I.O.N. '90 ANNUAL #1:** Alan Grant, Jim Fern, and Jeff Albrecht have the galaxy's newest police force arrive on Earth for the first time and they must stop Vril Dox from acting out his own personal agenda. It also looks at Lady Quark's first trip back to Earth since joining L.E.G.I.O.N. The story also features the Man of Steel. Cover by Jerry Bingham.

**'MAZING MAN SPECIAL #3:** 'Maze is back after too long an absence in five all-new stories from Bob Rozakis and Stephen DeStefano. We will learn what has happened to Denton, Eddie and Brenda, Guido and the entire Queens, New York gang.

#### September Schedule

**TSR ANNUAL #1:** Barbara Kesel and Mike Collins provide the framework for a look at our TSR titles as well as a preview of our new SPELLJAMMERS book, making its debut the next month. In addition, the regular teams from ADVANCED DUNGEONS & DRAGONS, DRAGONLANCE, and FORGOTTEN REALMS contribute new stories in this 80-page package.

**LEGION OF SUPER-HEROES ANNUAL #1:** The spotlight shifts to a new angle on Ultra Boy as we recount his history and look at his involvement in Valor's battle against the Dominators on Earth during the 20th century. This adds more to the new presence of Valor, formerly Mon-El, in our present day DC Universe, courtesy of Tom and Mary Bierbaum and penciller Chris Sprouse.

**SUPERMAN ANNUAL #3:** All Kryptonite on Earth is destroyed, so the Man of Steel should feel relieved—but then he discovers something even deadlier may be created in the process. Written, pencilled and inked by Walt Simonson!

#### October Schedule

**DETECTIVE COMICS ANNUAL #3:** Archie Goodwin writes his first Batman story in over a decade, teamed with Denys Cowan and Steve Mitchell as the Dark Knight goes to Japan and takes on the Yakuza after an attempt on Bruce Wayne's life. Batman finds himself fighting the mysterious female Tattoo and meets with Tzunetomo, the last living master who trained young Wayne.

**FORGOTTEN REALMS ANNUAL #1:** One book-length adventure set on this wonderous but dangerous world, from Jeff Grubb and a host of artists to be announced.

**ACTION COMICS ANNUAL #3:** Chris Claremont and Michael Golden unite to reveal a Clark Kent who is reintroduced to an old love, but, in the end, a fateful sacrifice will be made to quell a pack of marauding, renegade aliens who have been hiding out since the unsuccessful invasion of Earth.

**HAWK & DOVE ANNUAL #1:** Hawk and Dove go to hell on an adventure, overcoming lots of obstacles—but can even they persevere and return to Earth unscathed? Barbara and Karl Kesel provide the problems, Tom Artis and Dave Hoover share the pencilling duties.

#### November Schedule

**HAWKWORLD ANNUAL #1:** Hawkman and Hawkgirl seek out a role model now that they are bound to the Earth and want to learn to be super-heroes. In turn, Wally West (the Flash) is seeking a father-figure. Tim Truman, John Ostrander, and Graham Nolan reveal what happens when they get together.

**DRAGONLANCE ANNUAL #1:** Taladas, a new wild continent, becomes the focus of adventures on the world of Dragonlance and Dan Mishkin provides a unique look at this land, its people, and its creatures.

#### December Schedule

**ADVANCED DUNGEONS & DRAGONS ANNUAL #1:** Underneath a framing sequence by Dan Mishkin and Jan Duursema, we look at some solo adventures of our heroes including Onyx by Jeff Grubb and Tony DeZuniga, Timothy by Don Kraar, Conor by Dan Raspler, and Vajra from Ben Schwartz.
