TAP...TAP...

R: Odacchi, hello. I finally realized the secret of the attacks Zoro uses against Kaku in volume 43.

Nigiri → Nigiri Sushi

Tourou → Toro (Bluefin tuna)

Outourou → Ohtoro (Fattiest Bluefin tuna)

Hirameki → Hirame (Flounder)

Samon → Salmon

I never knew you were this obsessed with sushi... But has Zoro ever had sushi?~

-Susshi

O: Ohohoi ohohoi... That's a false accusation, right, Zoro!~ It pains me that you would think that we're using ridiculous puns like that! Come on out and let them know how it is, Zoro!!

Z: Hey hey... Listen up, Susshi. Th... That's totally n... not how it is...

O: What's with that hesitation!!?

R: To Oda. Does Santa Claus really exist?

-Kinoko

O: He does!! Of course he does!! I always stay up to try and see him, but I always fall asleep! Really! It sucks!!

R: Oda!! I have a serious question. Won't you draw Luffy's parents?

-Mr. Uni, 16 years old

O: His parents... they've already been drawn. And they'll appear in the next volume. Look forward to it~
