FIVE YEARS FROM NOW.
THE FIELDS OF KORONDOR.

THE NEMESIS CAMPAIGN, DAY... TOO MANY.

LATER.

IT'S WHAT I'M SUPPOSED TO DO, HESSIA. IT'S WHAT I AM. I'M WAR. THAT'S THE POINT.

YOU CAN'T KEEP DOING THIS, DIANA.

ENGHE

I'M GLAD FOR THE PAIN. IT'S SPECIFIC. IT HELPS ME FOCUS ON THE LAST BATTLE. OTHERWISE, I JUST THINK OF ALL OF THEM. ALL AT ONCE.

I AM A DOCTOR, DIANA. I HAVE DEVOTED MY LIFE TO THE IDEA THAT NO ONE SHOULD BE GLAD OF PAIN.

IT'S OBSCENE.

EVEN GODS CAN DIE.

I KNOW, HESSIA.
THAT'S HOW I GOT THE JOB.

COME WITH ME. I WANT TO WALK THE WALLS. THERE'S SOMETHING I NEED TO UNDERSTAND.

"NEMESIS.
THE ENEMY."

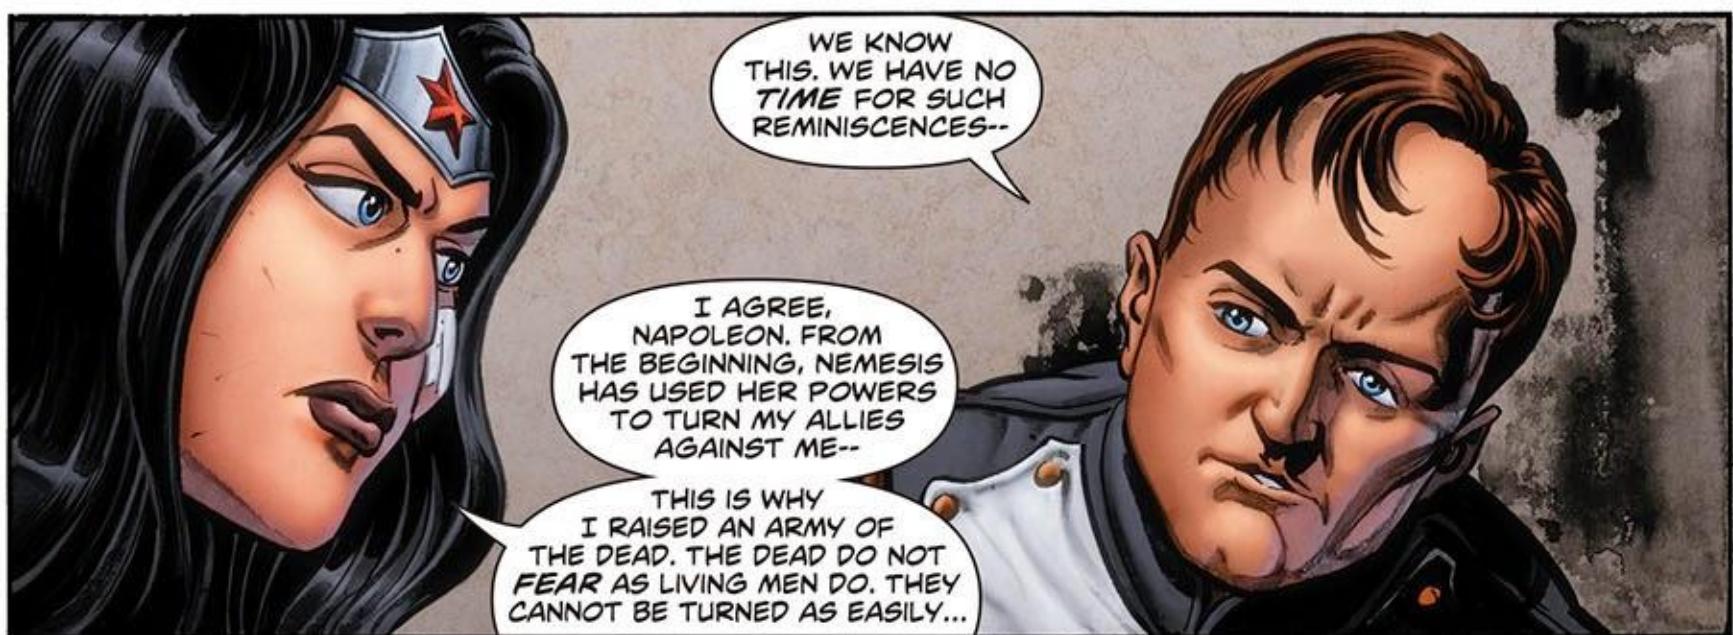

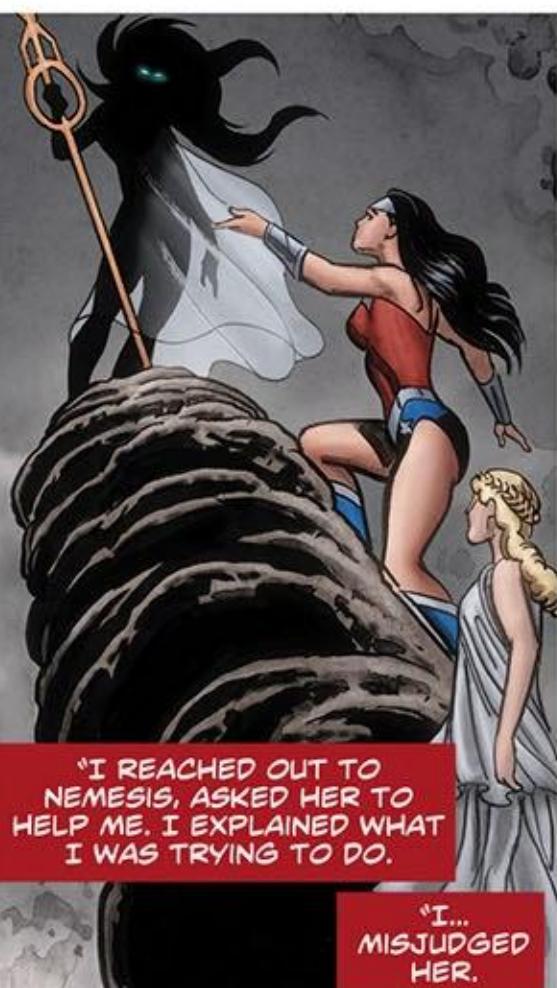

"FEAR OF THE
OTHER, STEALING
EVERYTHING YOU
HAVE EVER LOVED."

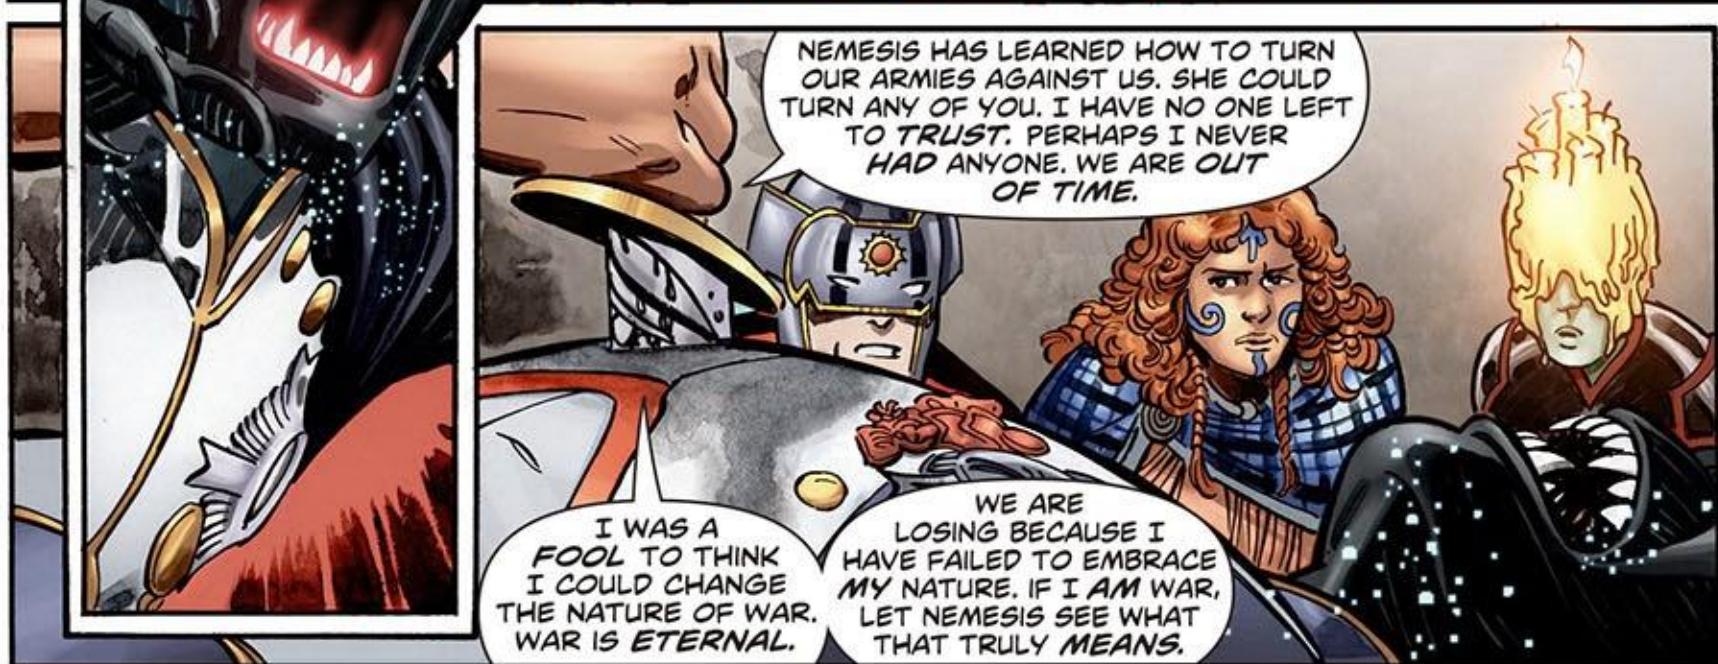

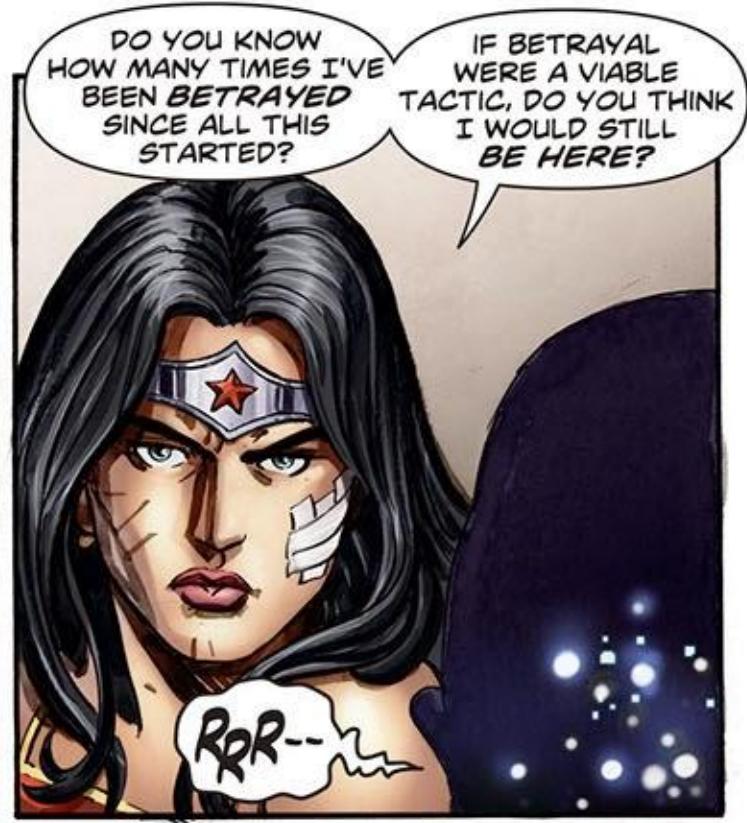

"FEAR OF
THE NEMESIS.
IT IS PRIMAL."

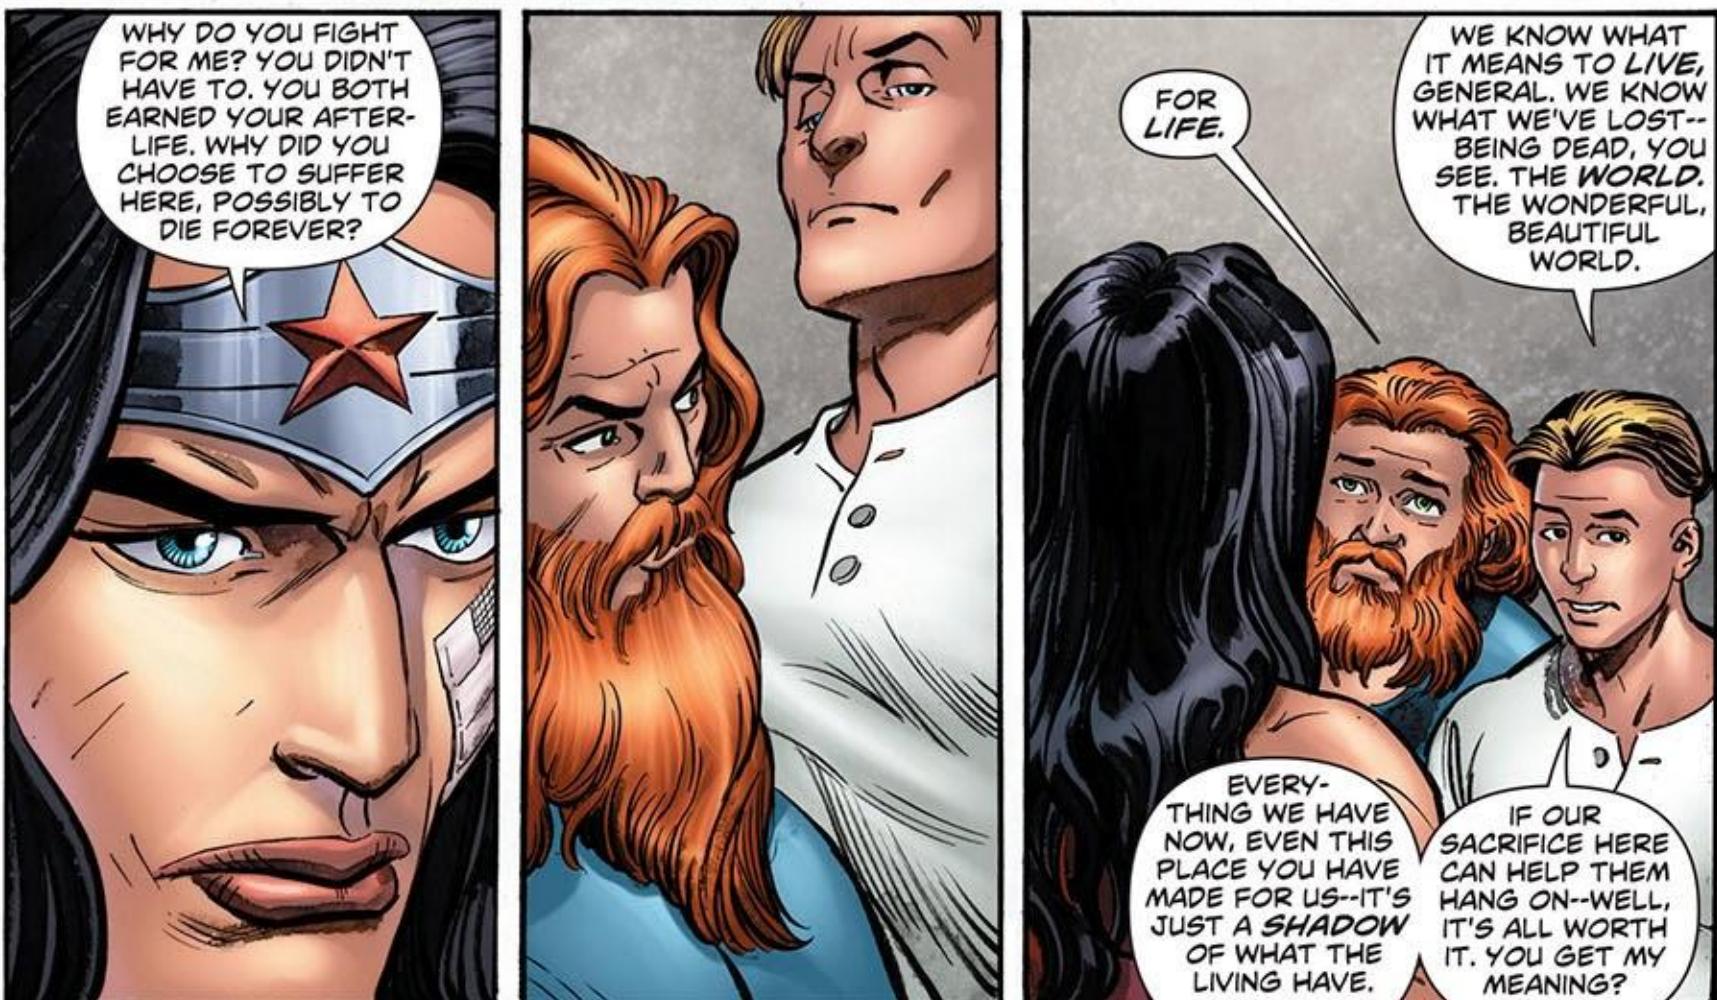

"IT IS THE
SOURCE OF
HER POWER."

"AS GOD OF WAR, I HAVE
WORKED TO DIMINISH THIS
SENSE OF OTHER. I BELIEVE,
I HAVE ALWAYS BELIEVED,
THAT SOMEDAY THERE
MIGHT BE NO MORE WAR."

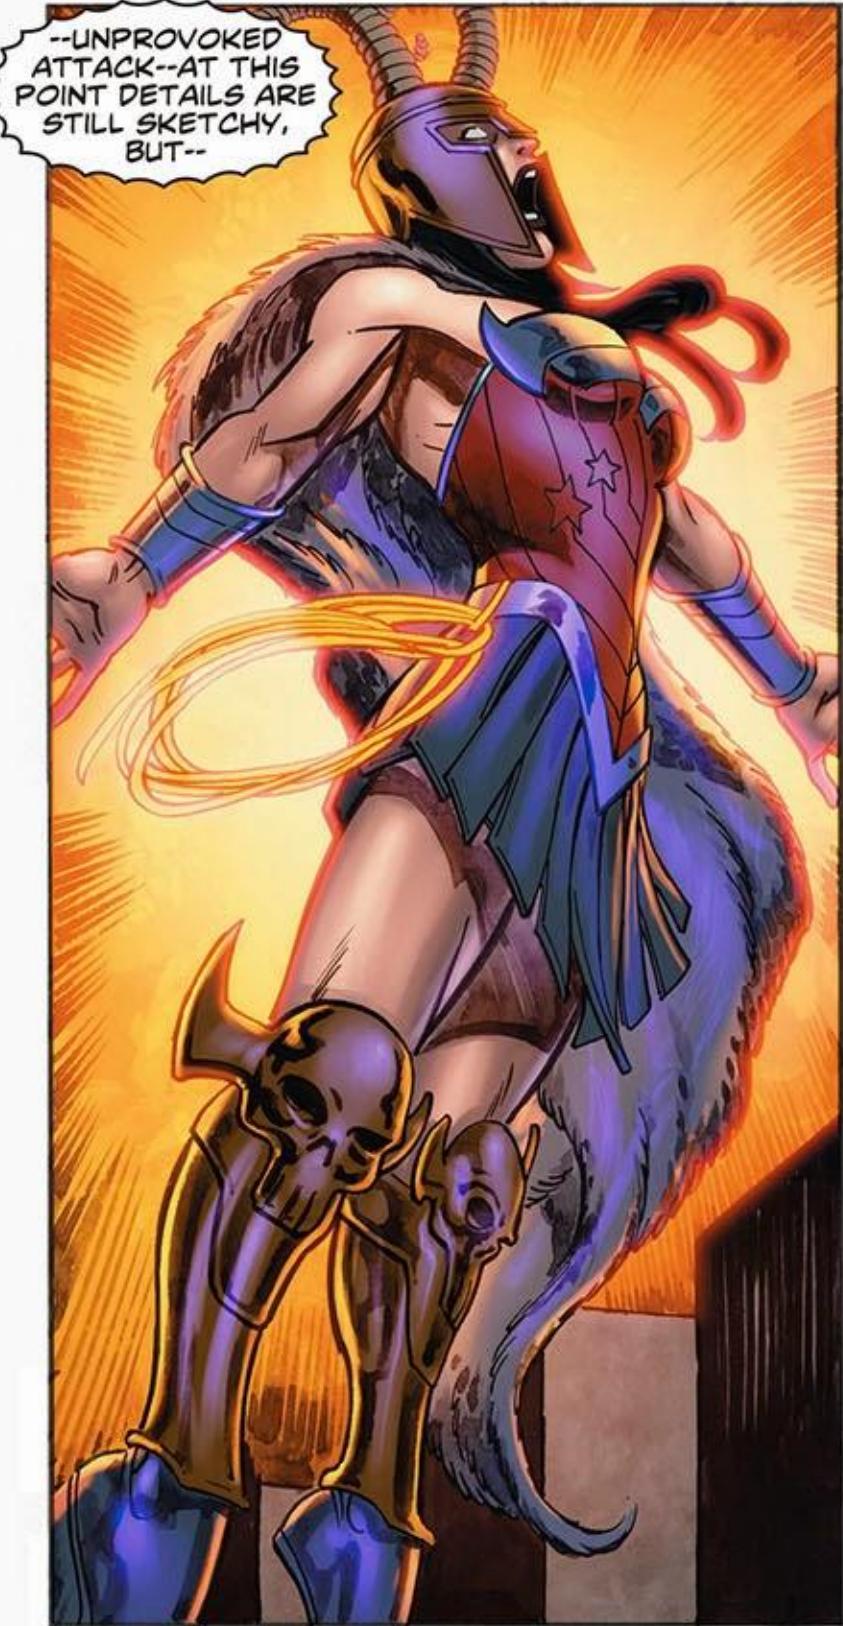

"NO MORE
ENEMIES."

CONTINUES IN SUPERMAN/WONDER WOMAN: FUTURES END #11
