Luffy's Favorite Seat

- ② It's the bow, so to speak.
- ② Luffy seems to like this spot.
He sits right on top.

- ② It's a mystery as to why he likes to sit there so much, when he can't even swim. But hey, he really seems to like it, so what's the big deal?

8.

Nami's Orange Fields

- ② These are three orange trees taken from Bellemere-san's plantation when they left Cocoyashi Village.
- ② Nami is the one who takes care of them.

- ② However, it seems to be Sanji's job to protect the oranges from enemies (i.e. Luffy).
- ② They are extremely delicious.
