...IF THAT'S THE CASE, THEN GO BACK TO WHERE YOU CAME FROM QUIETLY!

YOUR WEAPON COLLECTION...

WHAT A GREAT TWIST OF FATE...

Chapter 936 References:

Benkei:

This person introduced this chapter is likely a reference to Benkei, a historical figure who armed himself with seven unique weapons (sword, broad axe, rake, sickle, wooden mallet, saw, iron staff, and naginata). Benkei was said to have wandered around Kyoto every night to collect swords from samurai whom he thought were unworthy of them. Upon collecting 999 swords, he failed in acquiring the 1000th sword from Yoshitsune, whose follower he then became.

Benkei remains as one of the most popular figures in Japanese history and can be found in many works of fiction (such as novels, anime, and games).
