11:25 PM:

HELL'S POINT, AT THE FAR NORTHERN TIP OF GOTHAM CITY, WHERE TWO FIERCE RIVERS CONVERGE FOR A JOINT PUSH SOUTH TO THE SEA.

THE POINT GOT ITS NAME FROM HELL'S POINT, AND HELL'S POINT GOT ITS NAME FROM THE TREACHEROUS CURRENTS THAT USED TO WRECK THE BOATS OF UNWARY RIVER TRAVELERS ON THE POINT'S ROCKY SHORE.

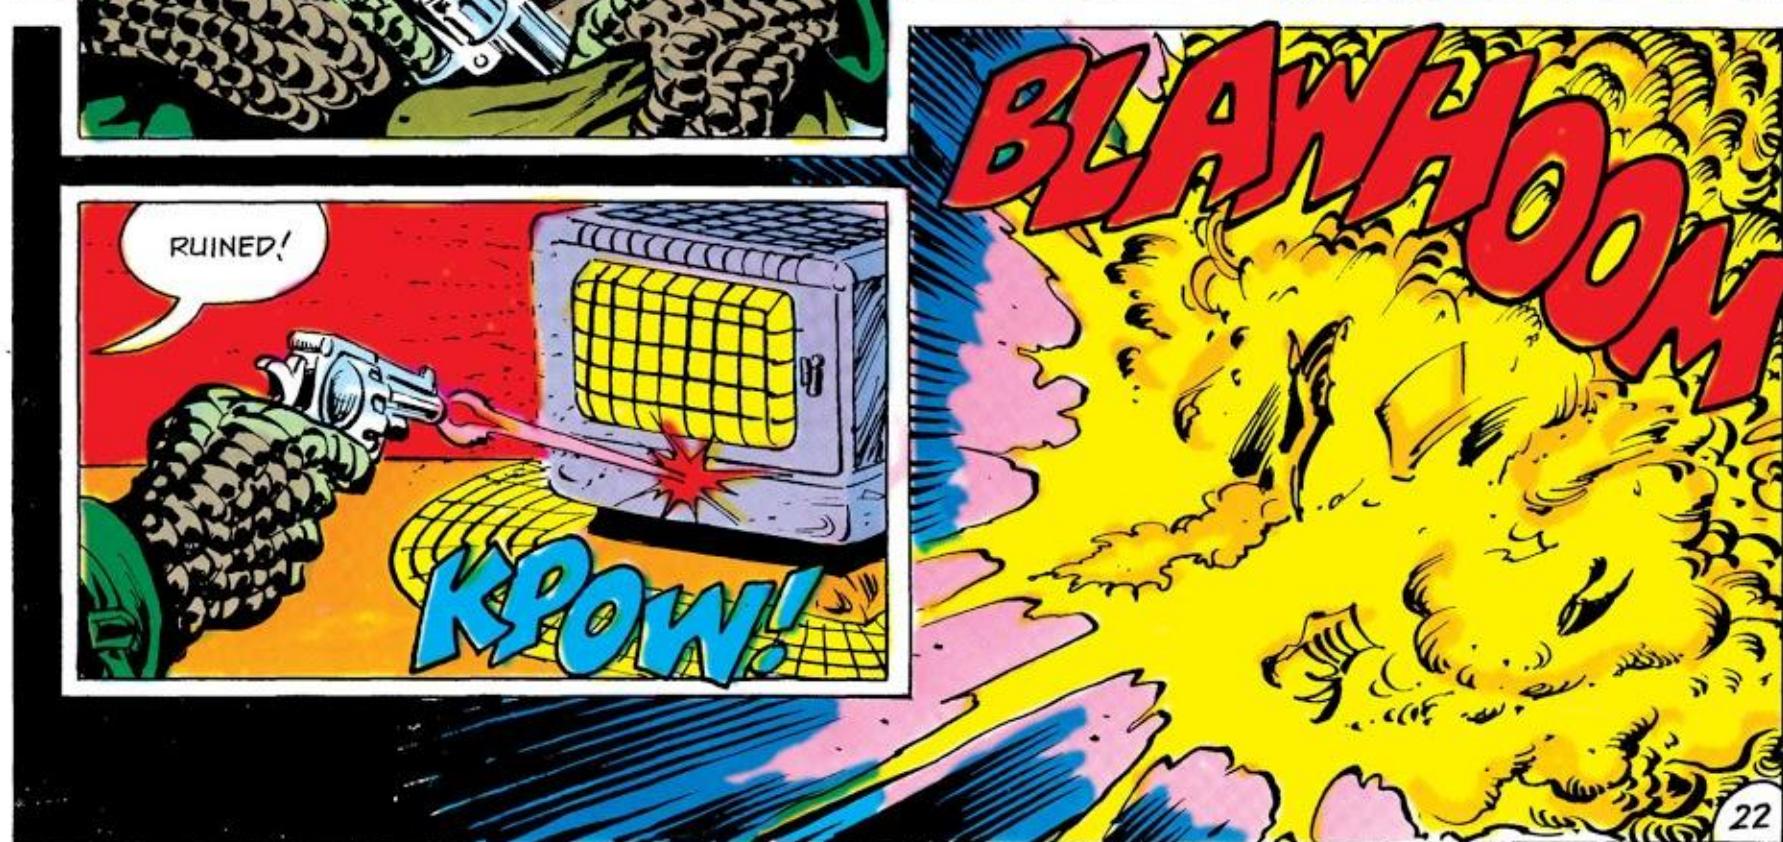

ABANDONED TENEMENTS LINE THIS WALLED END OF HELL'S POINT, AWAITING AN URBAN RENEWAL THAT NEVER CAME.

NO ONE LIVES IN HELL'S POINT ANY MORE.

EVEN THE RATS HAVE MOVED AWAY.

TO THE MAN CALLED CROC, IT'S HOME, SWEET HOME.
