A lot of teenagers think
their homes are *war zones*.
They should have *my* life.

May!

MAY!

What's
happened
to your
father?

And
who is this
impostor?

Which
one is the
impostor?

I-it's kind of
complicated, Mom...
but please *don't*
worry.

I'll find a
way to protect
you from this
fourteen-carat
phony.

Don't listen
to her, Mom! She's
the *fake*. I'm the
real May.

The real
SPIDER-
GIRL!

My name is May "Mayday"
Parker and I am the
daughter of Spider-Man.

Of course, my opponent
makes the same claim.

How do I prove
I'm really *me*--

--when I'm fighting
a perfect *duplicate*
of myself?

Especially
since there's a
chance she's the
original and
I'm the *copy*.

And that's
not my *only*
problem...

I'm being haunted by a spirit that's also named *May*.

You must get your mother and brother to safety, *May*.

Really--?!

Why didn't I think of that?

This is no time to get snippy, young lady.

For God's sake, Peter-- please HELP your daughter!

Your family NEEDS you, Peter!

I don't know why you're dressed in that awful outfit. You have to snap out of whatever's controlling you.

My family-- my real family-- was destroyed by the Parkers.

Here's where I return the FAVOR!

Poor old Peter will never forgive himself if you and your squealing spawn die by his hand.

Tell me about it! We're already in deep doo-doo because *Norman Osborn* has taken up residence in my dad's body.

And, if he has his way, this will truly be...

THE END OF MAYS

No way you're hanging that kind of guilt on my dad.

He feels bad enough when he takes the last Egg-o.

And, yet, how do I fight Norman--

--without hurting Dad?!

There's got to be a way to free my father from this maniac.

Hoo-boy! No one ever promised web-swinging would be easy--

--but this is downright ridiculous!

STATUS

Weird doesn't even begin to describe my life! After overhearing my dad ranting about babies switched at birth--clones--stasis chambers--and Norman Osborn's Project: Changeling, I suddenly ran into a brand new May.

We were still trying to sort out who was the original and who's the clone when I went on a vision quest and met spirit May. (Funny thing about her. She looks really familiar and kind of reminds me of someone...but I don't know who.)

Anyway, while all this was going on, the Goblin Cult somehow revived the ghost of Norman Osborn, the original Green Goblin, and planted him in Dad.

--before the situation grows worse.

Arrrgh!

Wha--?!

Oh.

What happened, Anya?

I...I ran into Spider-Girl's imposter.

It didn't turn out well.

Wake up, Araña!

I should have known it was you.

This just isn't your day.

I still owe you for trying to manipulate me...again.

You just can't let the past go, can you?

Are we talking about when you recently pretended to be Spider-Girl--

--or all the other times you tried to murder me?

Whatever! We have more pressing problems.

You're lucky I don't just snap your neck--

You're not listening, Fabian.

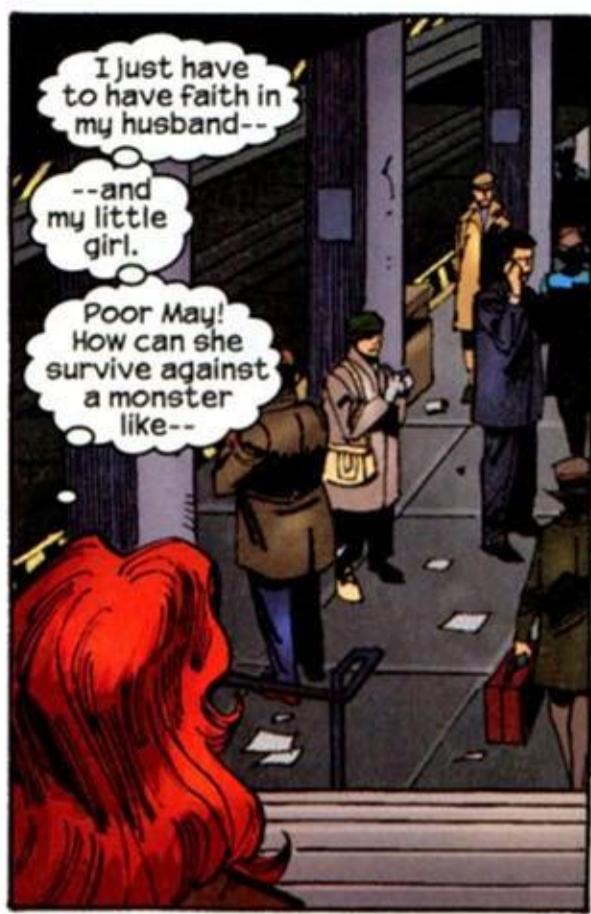

You never listen to me.

Spider-Girl is in serious trouble.

I tried to rip off her double's mask and that's when I learned the truth.

She isn't HUMAN!

Tell me more...

Considering the odds against me, I really don't have many options.

You realize you're about to die, little girl.

Yes and I'm finally going to get the life that is rightfully mine.

ahem

Be careful what you wish for.

Wall-crawling isn't all it's cracked up to be.

What is it about you that engenders such loyalty?

Your father never had so many allies.

I'll handle the *Black Tarantula*.

His father was a constant thorn in my side and it will be a pleasure to destroy him.

My father never had any respect for you Goblins.

And you're such a fine example of sartorial splendor.

By the way, you are hopelessly outmatched.

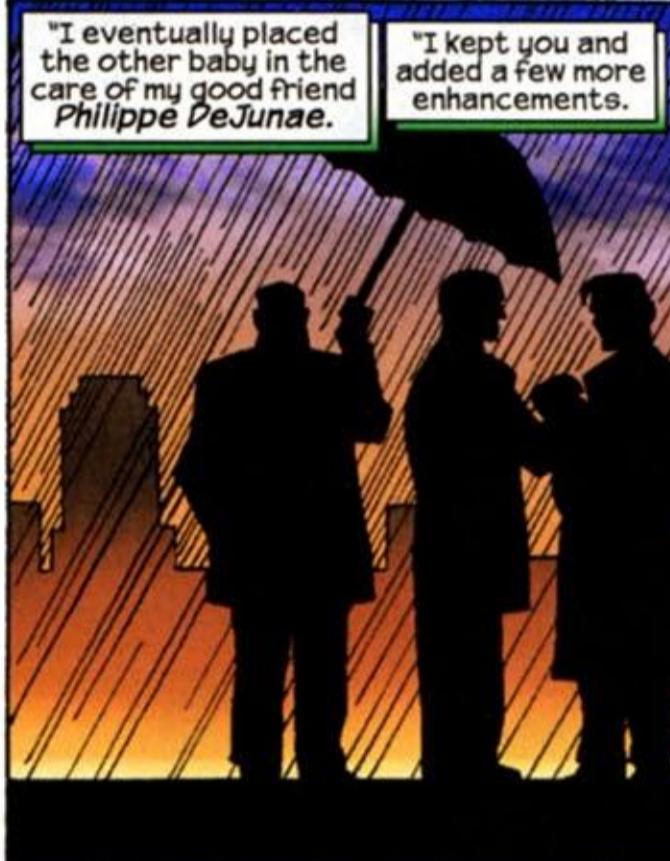

You take the women, daughter.

Your leader was a madman and your costumes are much too gaudy.

I possess both goblin and spider powers.

"While all this was happening, I also distilled all my *thoughts, dreams and desires*--my very essence--into my brain-enhancer."

"Unfortunately, fate intervened."

"Thanks to my recent access to *Spider-Man's* memories, I learned that he eventually succeeded in killing me, too."

He later sent his daughter *Élan*, who is better known as *Fury*, to get a blood sample to update your DNA.

Unfortunately,
Fury can't be here
to witness my final
triumph.

She disagreed
with my choice of
heir and had to be
chastised.

I trust she
will be more
compliant
when she
recovers.

You're
about to
die--

--and I'm
ascending into
GODHOOD!

B-but which
one of us is the
real daughter of
Spider-Man?

Weren't
you paying
attention?

I already
told you it
no longer
matters.

Come, my
dear, it's time to
employ your greatest
enhancement.

Yes, Daddy--
I know what must
be done!

W-why is that
creature wrapping
itself around the
Goblin?

I-it looks
like a giant
cocoon.

Mom
said Dad
was still
struggling
inside
Norman.

That's where
this battle will
finally be
decided.

Deep within
the psyche of
the GREEN
GOBLIN!

This could
be the final
mistake of
my life--

--but I have
to trust my
instincts!

I didn't plan
for a hitchhiker,
Spider-Girl.

Not that it
matters...

You, your
father, the hybrid
and I will now bond
together--

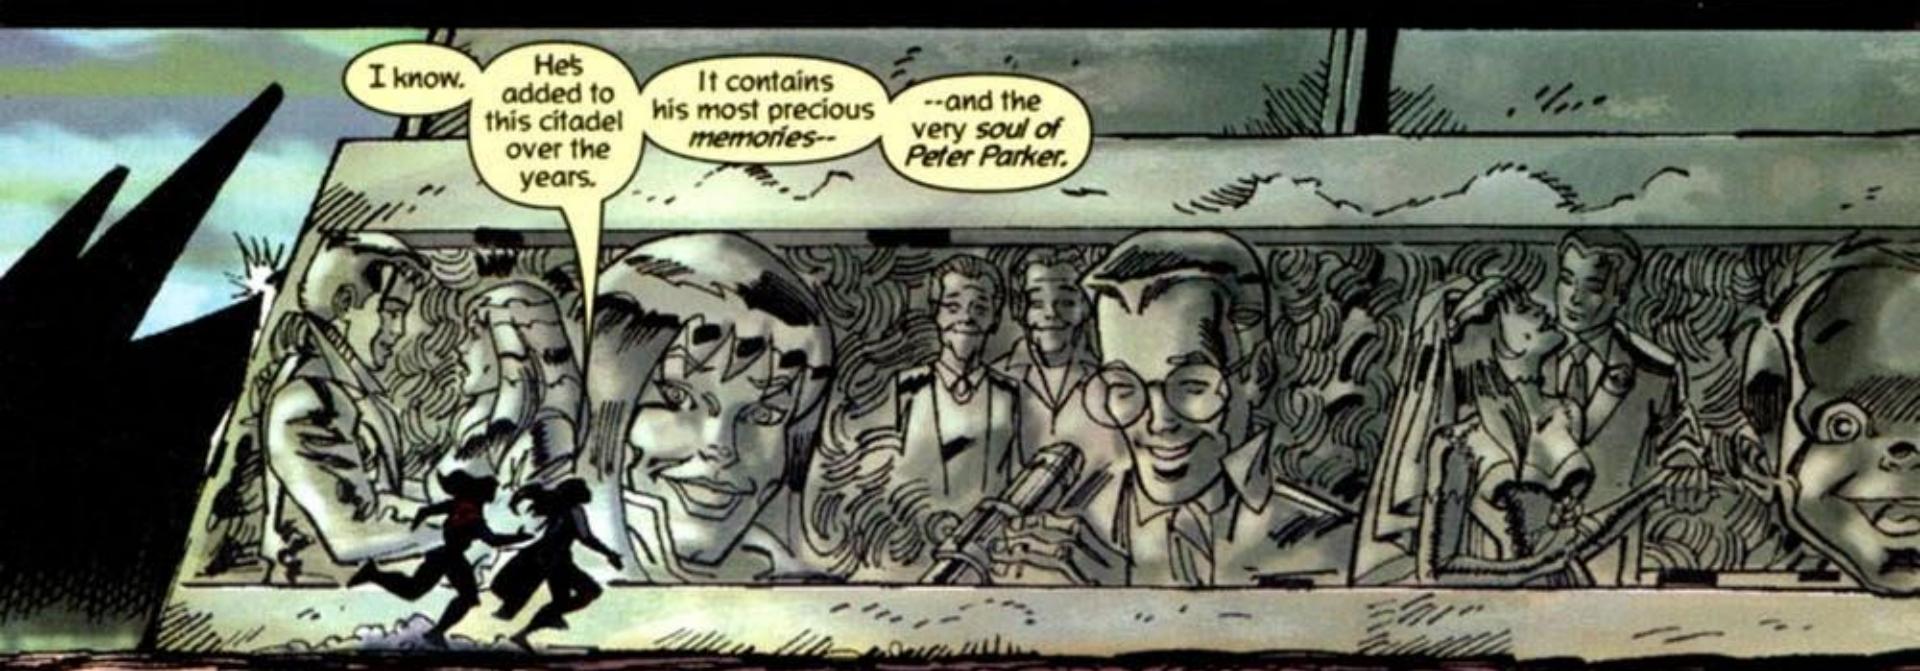

--and form
an invincible
FORCE!

Behold the
GOBLIN
GOD!

It is a stronghold
your father erected in
his subconscious--

Welcome,
my dear...

Welcome to
the final victory
OF NORMAN
OSBORN!

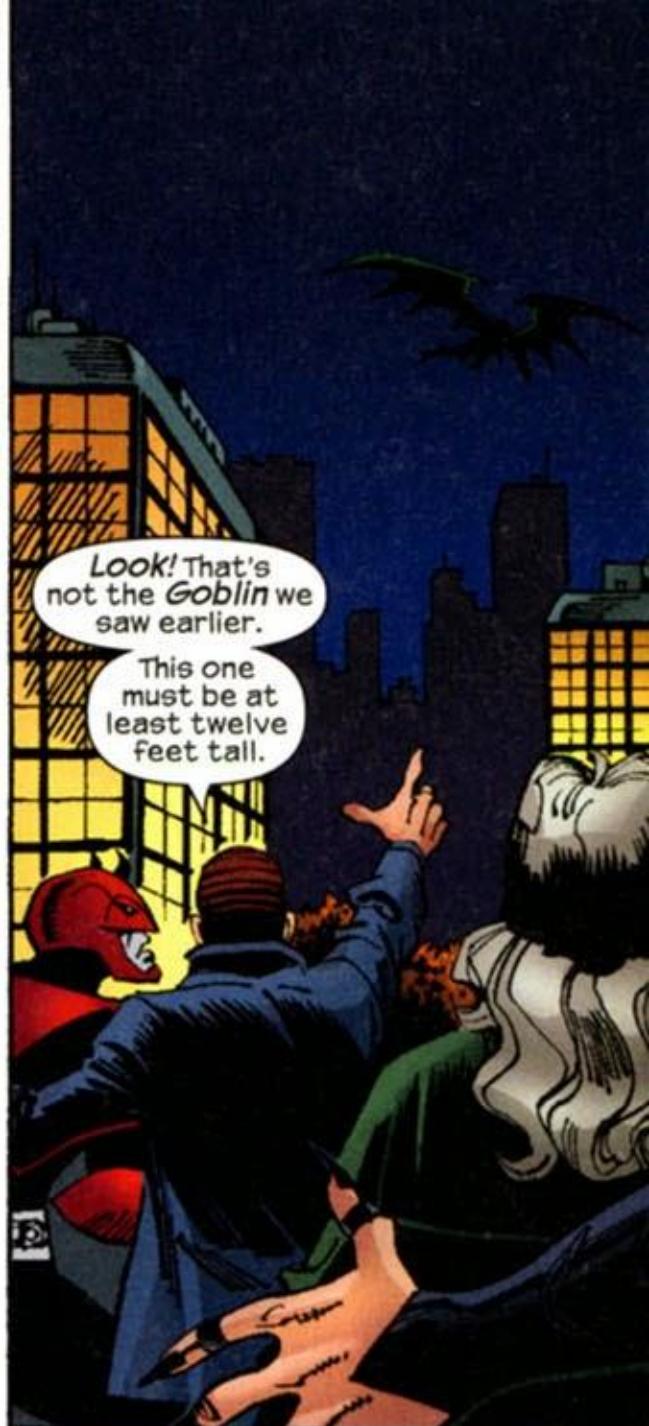

You've
arrived just in
time to *perish*
with your dear
old dad.

R-run,
May!

Run!

No one
can beat
him now.

TO BE CONCLUDED!
