Some jobs are just too tough for your average fast-talkin' high-tech gun-for-hire. Sometimes...to get the job done right...you need someone crazier than a sack'a ferrets. You need Wade Wilson. The Crimson Comedian. The Regeneratin' Degenerate. The Merc with a Mouth...

# DEADPOOL

Deadpool has learned a lot about himself, recently. No foolin'! Coming back from space, he thought he could meet up with some old friends and be reassured that people really do love him! Only problem his "friends" all hate his guts. Everyone Deadpool counted as a pal got together to try and kill him. So, what did Wade learn from this? Maybe, just maybe...he'd always secretly wanted his friends to punch his ticket. Of course, with his insanely powerful healing factor, getting himself offed is not nearly as easy as it sounds...
