# WHO'S BEEN SLEEPING IN MY HEAD?!

Contrary to appearances, my name is May "Mayday" Parker and I am the daughter of Spider-Man.

I just happen to be stuck in the body of a costumed mind-swapper named Araña.

Be careful, May! You need to concentrate to stay connected to this body.

If you become distracted or lose focus, you may be cast back into the spirit world forever.

Uhhh...

Great.

That's just terrific.

As if things weren't bad enough, I'm also being haunted by a spirit who is also named May.

Are you all right, Araña?

You seem rather... distressed.

What happened while you were in Spider-Girl's body?

Good question, whoever you are.

I'll ask your boss when I find her.

## STATUS

Weird doesn't even begin to describe my life! After overhearing my dad ranting about babies switched at birth--clones--stasis chambers-- and Norman Osborn's Project: Changeling, I suddenly ran into a brand new May.

I later found myself in another universe with a spirit named May (weird, I know) and that's when Araña pulled the old switcheroo and took control of my body because she wants to bring down the Black Tarantula.

With the help of spirit May (I'd swear, I recognize her from somewhere), I later took control of Araña's body and away we go...

**HA!!!**

Swinging on a web is more fun than I ever imagined.

I just love being SPIDER-GIRL!

I need to calm down and get serious.

Fury is still holding my dad.

I'm really hoping Normie Osborn has come up with a way to save him.

Meanwhile...

Raptor and I are directly overhead, Normie. We have eyes on you.

Eyes on you--?!

Relax, Brenda.

Everything's going to be fine.

Watch the skies.

Fury is due at any--

Everyone in position?

I heard it on TV.

This isn't a game, Urich. That's my husband down there.

Thank goodness you answered. I tried my dad, but couldn't reach him.

Who is this?

No, it isn't. I only know one May and you don't sound like her.

Did you ever tell anyone about the time I kissed you in your apartment?

It really is me, Normie. Have I got a story for you...

Believe it or not, it's May.

Wait! Don't hang up. I can prove it's me.

Wha-- how do you-- May?!?

Ulrich!

Are you out of your mind?

We can't let Fury escape.

It's our job to find out where she's keeping Parker.

Although I kind of figured you would.

I don't believe it.

I lost her!

Yeah, and it's usually a real challenge to outsmart you.

Great plan, Osborn. Sounds like Fury's in the wind.

Uhhh...

I'm afraid that could be the least of our problems.

MEN AT WORK

Timing is  
everything,  
Fury.

No need to  
be so formal,  
Rene.

Well  
done, my  
lord.

You may  
call me...  
Norman.

May!

MAY!

Hgnnn-

W-what  
do you--

Ohmigosh!

I'm  
back.

I'm  
really--
