MY ENEMY MYSELF!

My name is May "Mayday" Parker and I am the daughter of Spider-Man.

At least that's what I believe.

A few hours ago my father was raving about babies switched at birth--clones--stasis chambers--and Norman Osborn's Project: Changeling!

I had no idea what he was talking about.

W-who are you?

I'm the real May Parker and you stole my identity.

But I'm starting to catch a clue.

STATUS

My classmate Sara Hingle was recently targeted by an anti-mutant hate group called Humanity First, but she was rescued by a pair of militant mutants.

My mutant friend Push and I called in the X-People after we learned that Sara's new friends work for Magneta, the evil mistress of magnetism.

I later learned that Sara had been threatened by Magneta and that Humanity First was sending people after my friend Davida Kirby.

Meanwhile...

So this is where *Humanity First* plans its war against innocent mutants.

Magneta told me that I had to choose a side--

--SO I'M CHOOSING!

Nearly an hour later...

Authorities do not believe a nuclear device was employed in the bombing--

--that occurred this afternoon in the Midtown section of Forest Hills, Queens.

The Avengers have already been dispatched to aid rescue efforts.

The bombing appears to have been the work of a single mutant terrorist sought by the X-People.

Numerous eyewitnesses also report that Spider-Girl was on the scene--

--and may have been caught in the blast.

KNOCK!
KNOCK!

Oh, God--!

Not my daughter!

W-who is it?

Who's there?

NOT THE END...
