South America...

I have some rather distressing news, master...

You say that as if you ever have any other kind, *Chesbro*.

With all due respect, you are the Kingpin of an international crime ring.

Dinners are rarely thrown in your honor.

Your point is well taken, my friend. What's the problem this time?

It concerns Spider-Girl.

She recently battled an unidentified mutant who allegedly imploded--

--and released enough energy to devastate a small section of Forest Hills.

MRAAANG!

No!

I don't believe it.

She would have found a way to survive.

Mobilize all our forces!

Offer an appropriate reward to anyone who spots her.

I will leave for New York immediately to personally supervise the search.

D-do you really think that's wise?

I...
...I must learn what's happened to her...

Manhattan...

What do you
think of my sexy
new body,
Miguel?

Not bad,
huh?

I'd forgotten
how wonderful it
is to feel so young
and full of
energy.

You should
be ashamed
of yourself,
Araña.

I know you're
determined to
bring the *Black
Tarantula*
down--

--but
you had no
right to hijack
Spider-Girl's
body.

Don't
be such a
*drama
queen*.

I'll
return it as
soon as I'm
finished--

THE REPLACEMENT!

--and I'll try not to break anything in the process.

Her complexion is simply amazing.

This is a girl who knows how to moisturize.

We're in uncharted territory here.

How long can your own body survive without you?

What if you can't reverse the process?

You worry too much, Mikey.

I'm going out for awhile.

Our people did their best to copy her costume and web-shooters--

This isn't a game, Araña.

This is SWEET!

You're being completely irresponsible, Araña!

What about the real Spider-Girl?!

Where is she right now?

--and I need to test-drive them.

RELATIONSHIP: **Proudly Single**
MOOD: **Releatory** ☺

STATUS

Weird doesn't even begin to describe my life! After overhearing my dad ranting about babies switched at birth--clones--stasis chambers-- and Norman Osborn's Project: Changeling, I suddenly ran into a brand new May.

I later learned that my mutant friend Sara Hingle had been pressured into attacking a hate group called Humanity First. Naturally, I tried to stop her.

Now here's where it gets real confusing: one of me returned home after the blast and the other ended up in another universe with a third May who obviously has a Yoda complex. While fighting a spider monster, that me was joined by Araña and...

Ugnnnn!

W-what happened--?!

You didn't listen.

I warned you.

Told you not to trust Araña.

But you knew better.

.

That's the trouble with your generation.

Bunch of know-it-alls.

My generation--?

You're not that much older than me.

Appearances can be very deceiving, sweetie.

I'm well-preserved for my age.

RRRRRALFFF!

Why is the creature still here?

I thought we already defeated it.

RRRRALFFF!

At least it seems to have shrunk--

--or is that just another illusion?

I believe she's growing weaker.

Why does she--it--keep staring at me?

What does it want?

Appearances, sweetie!

Appearances!

You'll learn...
...in time...

Forest Hills...

You guys
get the
word?

Who
hasn't?

The big Tis
offering some
serious coin for
a certain wall-
crawler.

Any-
body
got a
plan?

You sound like
a **politician**. You
present a well-
reasoned and
articulate
argument--

--but one which
is as **short-
sighted** as it is
ineffective.

Where's
your sense of
adventure,
gentlemen?

Aren't you the
least bit curious
about **why** the
Black Tarantula
suddenly wants
me?

Yeah.

We
hunker down and
leave the heavy
lifting to some
other mooks.

No good can
come from getting
between two angry
spiders.

THUPP!

I
AM!

--she doesn't know what she's missing!"

GRRRL!

This is the path I must embrace--

--because my name is May "Mayday" Parker--

ȝygnhȝ

WHAAA--?!?

W-where am I?

Araña!

Thank goodness you've finally come to your senses.

Where's Spider-Girl?

Where did you leave her body?

W-what happened to the mall rats?

Are you all right?

Araña--?!

Why do you keep calling me...

No!

Oh, God-- NOOOOO!

TO BE CONTINUED!

My name is Benjamin Richard Parker, but my big sister just calls me...

THE SPECTACULAR SPIDER-BABY

"Christmas Crisis!"

by Tem DaFalco & Colleen Coover

I HAVE PLENTY OF WORK TO DO WHILE YOU CHILDREN ENJOY YOUR PLAY DATE.

My mom seems be real excited about something, Shelly. I wonder what's up? *

Don't you know anything, Benji? This is a special time of year called--

--FAT DAY!

*TRANSLATED FROM BABY TALK!

Some old fat man sneaks down all the chimneys in the neighborhood around this time every year.

HO HO HO!

He steals everyone's money and leaves a bunch of stupid clothes behind.

Your parents will be complaining for months about how much Fat Day cost them.

No Fat Man's gonna rob my house.

My big sister has something that I can use to stop him.

the end... FOR NOW!
