ITEM! There's nothing quite as fun and scintillating as announcing some good news in the Marvel Universe! We're proud to proclaim that JASON LIEBIG has been promoted to Editor of the 'Junior' X-Books, which include X-MAN, GENERATION X, MUTANT X, X-FORCE and X-MEN UNLIMITED. "It's very exciting," said Jason, who got his start at Marvel as an Assistant to X-Editors MARK POWERS and BOB HARRAS. "The books need to be more closely associated to the X mythos. That's not to say that we're going to drown the books with it, but there is an organic connection with all the characters; they know each other and share history, we'll play with that from time to time." A transplanted New Yorker who hails from Nebraska, Jason said that part of his newfound perks include "working with the great talents" associated with his inherited titles. Assisting him in his duties is none other than LYSA KRAIGER, who recently had her own X-baby, the five-month-old MAEVE ELYSE. "We're waiting to see what mutant powers develop when she hits her teens," joked Lysa. On her new assignment, she had this to say: "I've come full-circle now, getting to work with some intriguing characters... I'm awfully fond of the GOBLIN QUEEN, so I'm pretty stoked."

STAN'S SOAPBOX!

Hi, Heroes!

Just to prove how important you are to me, I'm writing this on January 30th -- the day before Superbowl Sunday! Instead of stocking up on peanuts, popcorn, cold drinks and potato chips, here I am pounding the keyboard, making certain that your insatiable quest for knowledge will ne'er be ignored! Y'know, when it comes to heroes, I'm beginning to think that Captain America's a piker compared to me!

But Danny Quizon of La Jolla, CA is no piker! Look at the puzzler he came up with...

"In *The Fantastic Four's* origin story, why didn't they get in trouble for stealing the rocket? Surely 'Grand Theft Rocket' is a crime on Marvel Earth!"

Wow! I can hardly remember that story which was printed in the early 60's! But I do know that the rocket Danny mentions belonged to Reed Richards. The FF just decided to fly it when nobody was looking. So y'see, Mr. Quizon, it can't be "grand theft" if you're merely taking your own rocket ship! But I've gotta admit you had me worried for a while till I re-read the yarn!

Here's another from sunny California. Pyoung Yi of Chula Vista wants to know...

"Ever since I read 'The Essential Silver Surfer' he's become my favorite character. I wonder what your source is for his humanitarian attitude. Is it from the Bible, or just a reflection of your own personal beliefs?"

Probably a bit of both, Py. Much of my personal beliefs are echoed in the Bible. But I'd like to think that the Surfer's philosophy, and mine, is one that everyone can embrace. It involves one simple theme -- *Do Unto Others As You'd Have Them Do Unto You!* Seems to me if everyone followed that credo we'd live in a nearly perfect world.

Jordan Crisp of London, England is preoccupied with females -- which is fine with me!

"Who is the first female hero you created, and now, after all these years, who is your favorite female hero?"

I'm not sure, Jordan, but I think my first female hero, in the late 40's or early 50's was called Venus, the goddess of love. My favorite heroine today? That's a tough one, but I think I'll have to vote for the X-Men's Storm -- and to show what a paragon of fairness I am, I didn't even create her!

The questions keep getting tougher! Here's one from Mitch Nozka of New Britain, CT...

"How does Spidey get so much web fluid from such little cartridges?"

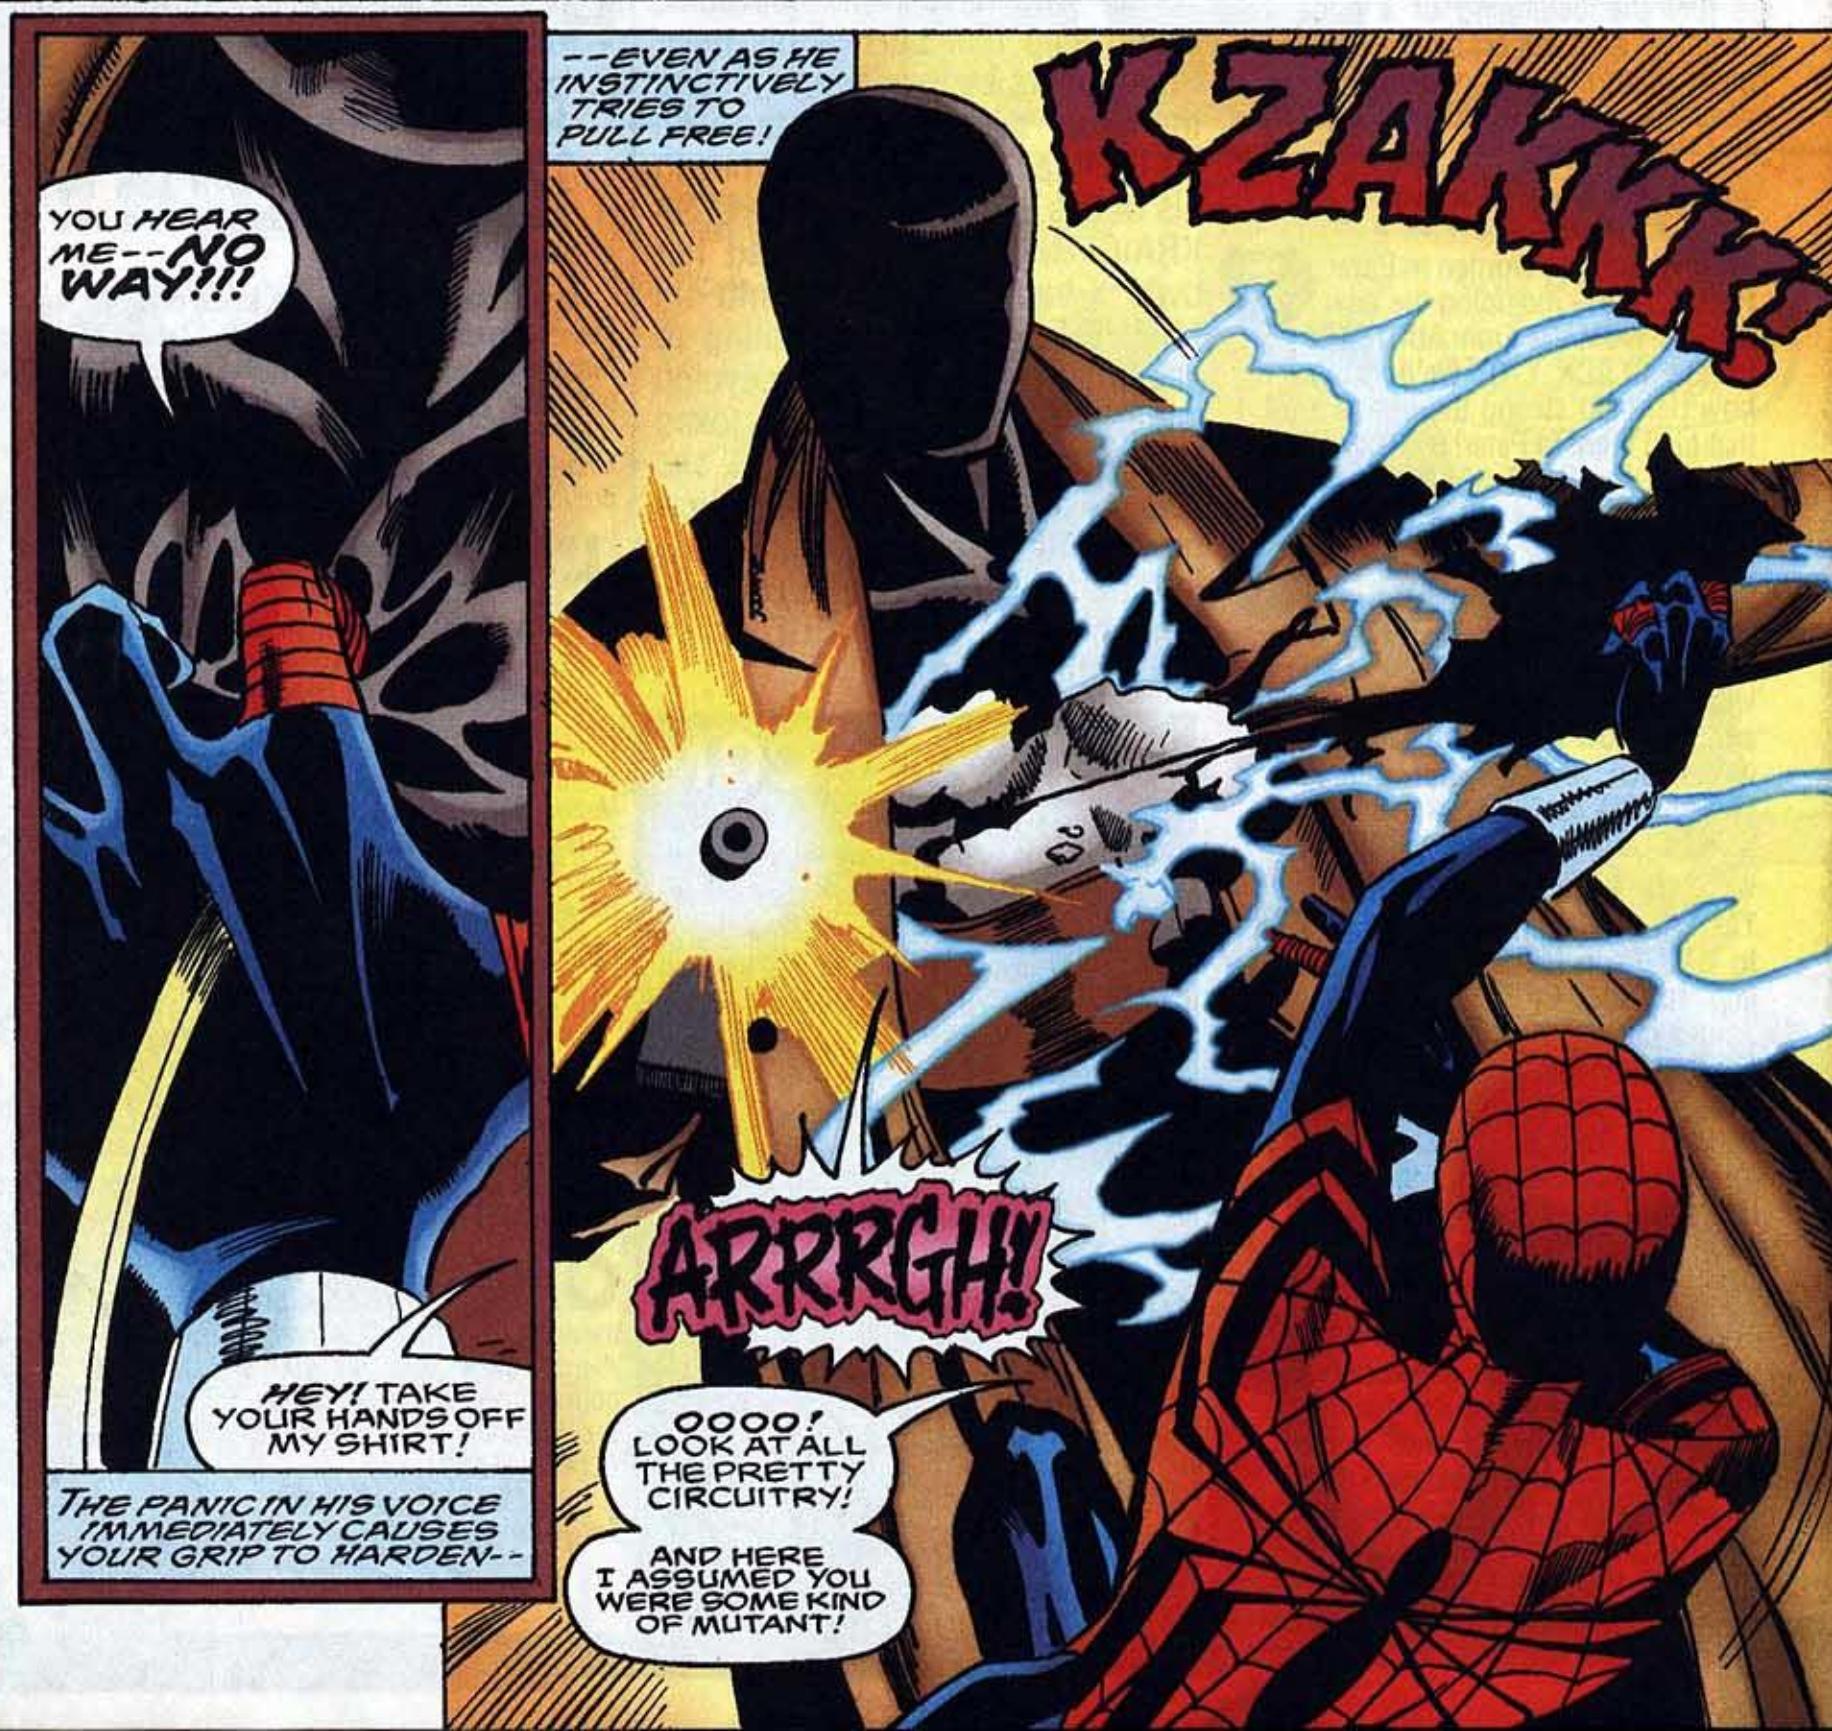

Well, Mitch, I figure he does it the same way you can get a whole 90-minute movie on one small DVD disk! (Who says I can't cop out as good as the next guy???)

Okay, gang, it's wrap-up time; but first the address you've been breathlessly awaiting: "Soapbox," Marvel, 387 Park Ave. S, New York, NY 10016 and, of course: stanzfanz@aol.com. Till next time, I know you'll all agree: *aide-toi, le ciel t'ai-dera!*

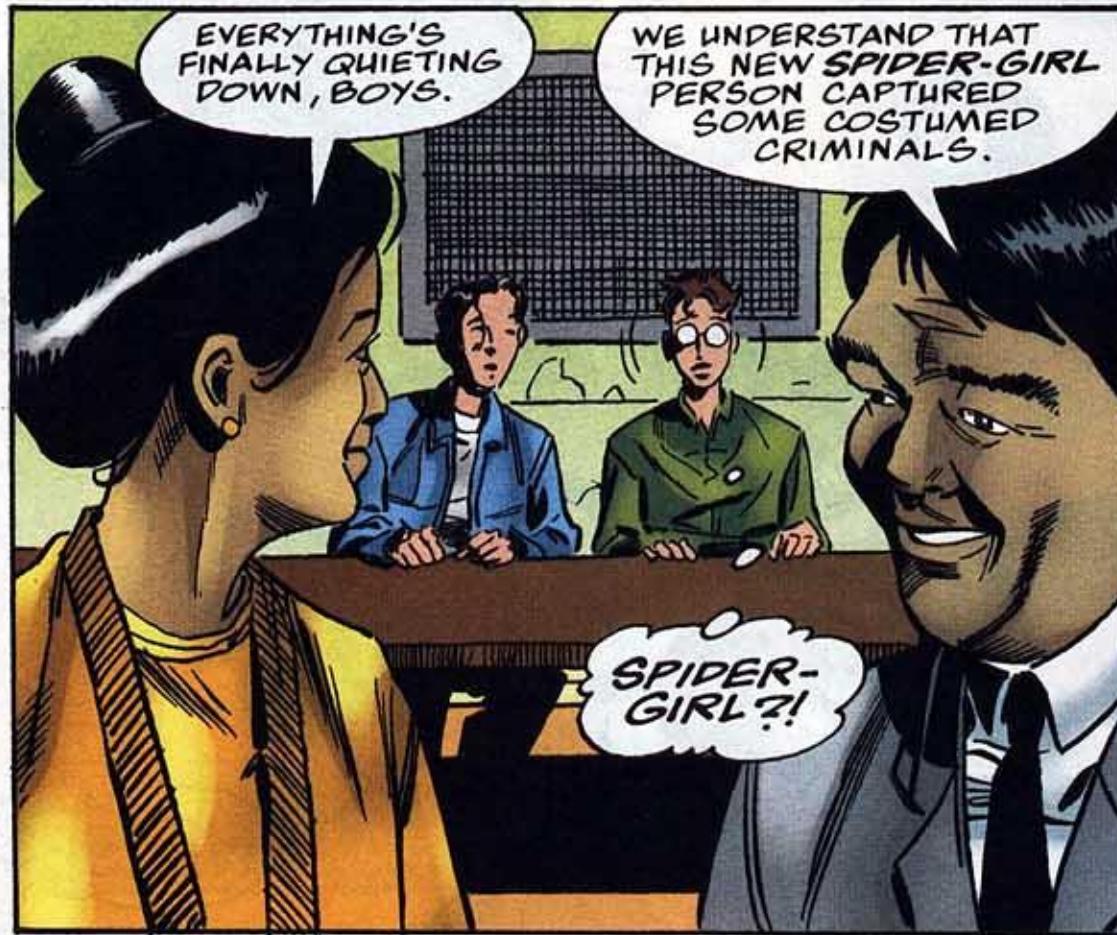

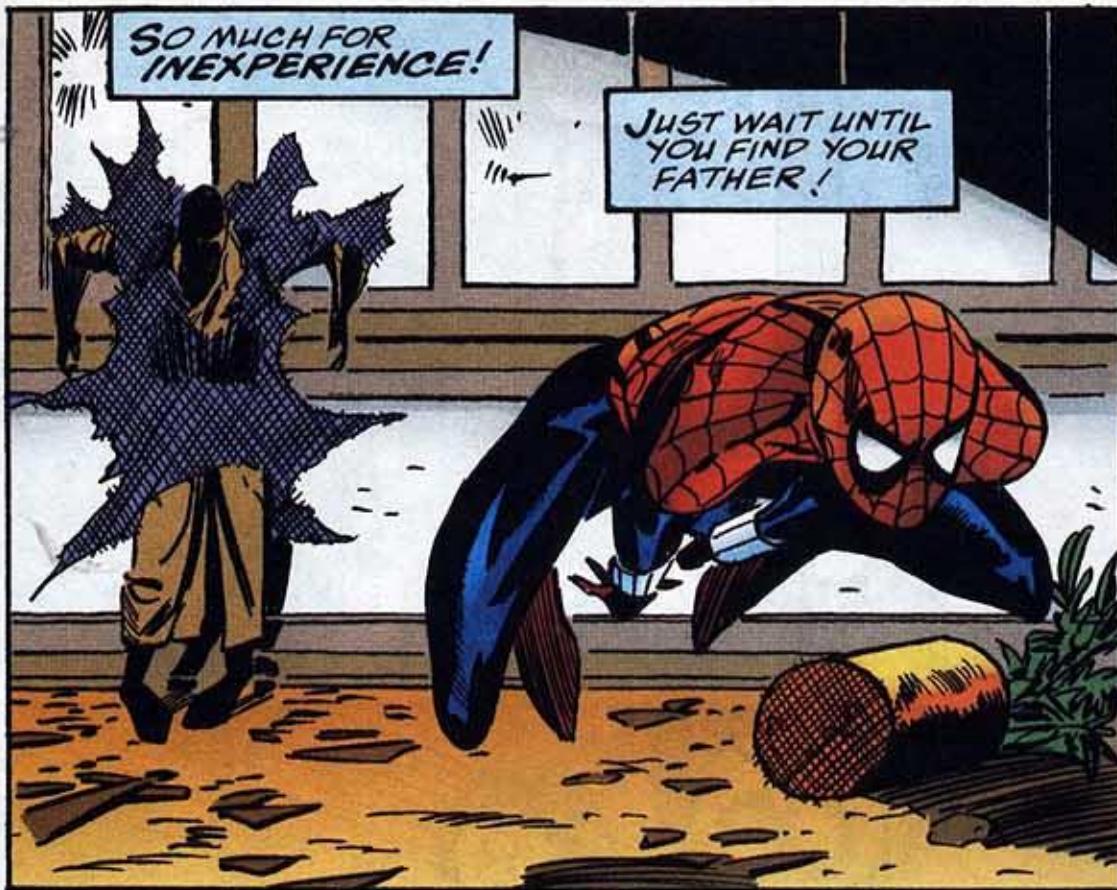

Excelsior!

Stan Lee

THANKS TO MR. MANSFIELD AND HIS PARENTS, THE DISTRICT ATTORNEY HAS AGREED TO DROP THE CHARGES AGAINST JIMMY.

YOU'RE FREE TO GO, YOUNG MAN... BUT I HOPE YOU LEARNED A LESSON FROM THIS EXPERIENCE!

YEAH, DON'T MESS WITH SPIDER-GIRL!
SHH!

ESPECIALLY YOU, MOOSE!

HOW'S ABOUT WE SHAKE HANDS ... AND START OVER...?

HEY! MAYBE I DIDN'T THINK YOU BELONGED IN JAIL, BUT--

--GO STUFF YOURSELF, YAMA!

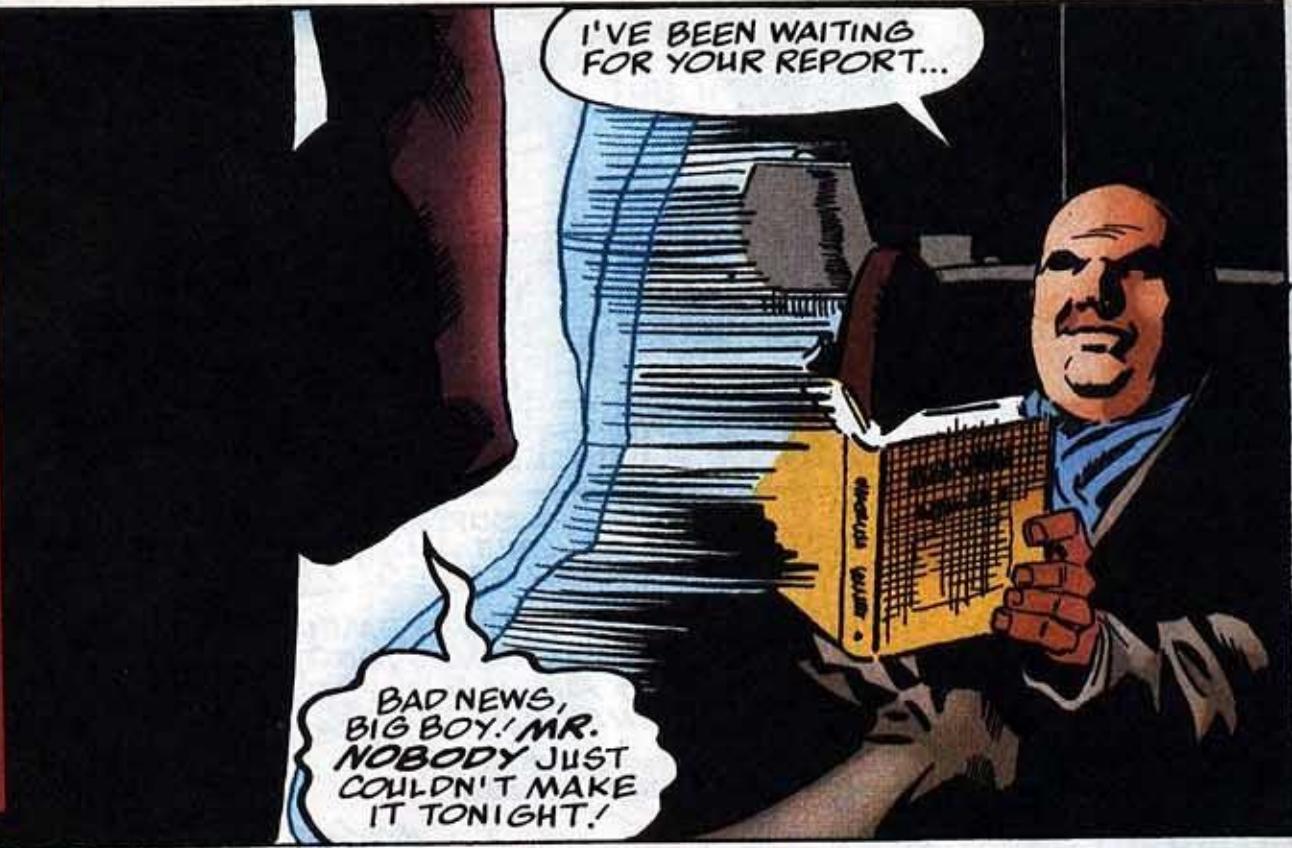

SHALL WE RETURN HOME, MAY?

I BELIEVE YOU WANTED TO CHAT...

=EEP!=

I THOUGHT WE HAD
ALREADY SETTLED
THIS SPIDER-GIRL
NONSENSE!

CAN YOU IMAGINE
MY SURPRISE WHEN
YOU SUDDENLY
POPPED UP IN
COSTUME?

LET ME
FINISH,
YOUNG
LADY.

WHEN I FIRST
GOT MY POWERS
I WAS ECSTATIC.

I THOUGHT
THEY WERE
A GIFT
FROM
HEAVEN.

BUT
DADDY,
I--

BEING A SUPER
HERO ISN'T ALL
FUN AND GAMES!

IT CAN BE EXTREMELY
DANGEROUS, AND
IT'S ALWAYS
FRUSTRATING!

THE DEMANDS ARE
CONSTANT, AND THE
REWARDS ARE FEW.

AND IT CAN
CREATE AN EVER-
WIDENING GULF
BETWEEN YOU
AND THE VERY
ONE'S YOU
LOVE.

BUT SOMETHING
HAPPENED ALONG
THE WAY TO
CONVINCE ME
THAT THEY WERE
ALSO AN AWESOME
RESPONSIBILITY.

I KNOW WHAT
I'M TALKING
ABOUT, MAY.

I CARRIED THAT
AWFUL BURDEN MORE
YEARS THAN I CARE
TO REMEMBER!

EVENTUALLY THE TIME
CAME FOR ME TO STOP
PLAYING HERO--

WHEN I FIRST LEARNED
THAT YOU'D INHERITED
MY POWERS, I JUST
WANTED TO AVOID
THE ISSUE...

--TO QUIT
TRYING TO
SAVE THE
WORLD FROM
THE MENACE
DU JOUR--
--AND START
FOCUSING
ON MY
RESPONSIBILITY
TO MY FAMILY!

TO SPARE
YOU ALL THE
PAIN AND MISERY
THAT I SUFFERED.

I DIDN'T WANT
MY LITTLE GIRL
EXPOSED TO THE
DARKEST SIDES
OF HUMANITY.

I WAS
WRONG!

THIS IS NOT
GOING TO GO
AWAY.

I REALIZED THAT
TODAY WHEN I SAW
YOU IN ACTION.

IT'S MY JOB TO
HELP YOU LEARN
TO USE YOUR
POWERS--

INSTEAD OF STICKING
MY HEAD IN THE SAND, I
SHOULD HAVE REALIZED
THAT I'VE BEEN GIVEN
A GREAT RESPONSIBILITY...

YOUR NAME IS,
MAY "MAYDAY"
PARKER--

--AND BECOME
THE BEST
SPIDER-GIRL
YOU CAN BE!!

--AND TODAY
IS TRULY THE
FIRST DAY
OF THE REST
OF YOUR
LIFE!!

THE END...
FOR NOW!

SPIDER-GIRL

Dear Marvel,
I love Spider-Girl! I love knowing that the future is the same as the present, rather than an apocalyptic, decaying mess that is totally dependent on computers for everything.

William C. Uchtman
Hendersonville, TN

That's right! Instead of an apocalyptic, decaying mess that is totally dependent on computers for everything, the MC-2 Universe is just like the present, William...a plain, old, everyday mess that is totally dependent on computers for everything.

Dear Spider-Girl Team,

I can understand that Peter Parker wants to protect his daughter. Unfortunately, Mayday is truly her father's daughter—as responsible and heroic as Peter once was—and he should try to accept that fact.

Becky Wood
Cola, SC

He is trying, Becky...but parents can be a cowardly and superstitious lot.

Dear Spider-Girl,

I'd like to see Spider-Girl go up against Wild Thing.

Clayton Simmons
Livonia, MI

Sounds like a train wreck with all the trimmings, Clayton. Stay tuned for further developments!

Dear Marvel,

I know! I know! The girl behind the mask of Ladyhawk must be Davida, and I have clues!

They are of the same race, have the same hairstyle, and are both athletes. Besides, she practically admitted it in *Spider-Girl #6*!

Tom Tang
Flushing, NY

Exactly how many bridges have you bought, Tom?

Dear Spider-Girl,

Glad May was sharp enough to realize there had been some miscommunication between her dad and Phil Urich...and use it to her advantage. But May's remark about her dad "going all Jonah Jameson on us" was right on the mark! Here's a guy who became a costumed adventurer while still in high school, keeping it secret from his loving Aunt May. What a hypocrite! How could he have forgotten that

with great power there should come great responsibility?

I hope May's crush on Franklin Richards doesn't end badly, but I don't see much future in their relationship.

Robert Kowlaski
Detroit MI

It's a good thing May doesn't read this page, Robert. You'd break her heart!

Dear Marvel,

Retirement does strange things to people, including ex-super heroes.

Take Peter Parker. Forced into retirement due to the loss of a leg in battle, he now is reluctant to allow May, who's inherited his powers, to follow in his footsteps. Whatever happened to believing in accepting the responsibilities that come with the powers?

An answer doesn't actually appear here, but over in "current Marvel continuity" in *Amazing Spider-Man*. I have reason to believe that a case could be made to explain Peter's present attitude to his daughter. He remembers one other girl wearing webs who would have gotten killed if not for him.

In regards to *Spider-Girl #6*...does Ladyhawk impress me? No. Not really. She's not original or unique.

Two sisters sharing the same role. Been there, seen that. DC had the Crimson Fox on the Justice League for awhile a few years back. Same deal. Two sisters with business savvy sharing the same costumed identity.

The color scheme of Ladyhawk's costume is the same as the Falcon's original gear. Could these two be somehow related to Sam Wilson?

Meanwhile, I see May has gone back to the black mask and workout gear she wore in issue #1. Hate to say it, but this ensemble actually accentuates her figure, and there's some emotional expression in her eyes that you wouldn't otherwise see if she had the webs. Tradition dictates the red and blue webs, but an unexpected date would call for that doubly sexy black ensemble, with some alterations.

Jacob Gilbert
Troy, NY

While we never heard of Crimson Fox, Jacob...you and a number of our other readers obviously had. Thanks for pointing out the similarities to Ladyhawk!

Dear MC-2,

Where can I get *A-Next* and *J2*? I can't find them in my area.

Tyrone McNair
Baltimore, MD

You should be able to find them in the same store that sells *Spider-Girl*, Tyrone.

Talk to the owner, and ask him to carry enough copies of *A-Next* and *J2* for all its customers.

If that trick doesn't work, you may be forced to subscribe.

Dear Marvel,

Either have Spider-Girl's parents come to their senses, or kill them off!
Lee Gonderman
Anchorage, AK

Did you get an advance peek at the plot for our first annual?

Dear Spider-Girl,

Please have Phil Urich team up with the stunning Spider-Girl in his old Green Goblin identity.
David DeRose
Kirkwood, MO
