Wonder Woman 101

For centuries, the race of warrior women known as the Amazons secluded themselves on the remote island of Themyscira. Their leader, Queen Hippolyta, prayed to the gods for a daughter that would embody the Amazon spirit and they granted her wish. Diana was born and gifted with powers and abilities equal to that of the Grecian deities. After winning a competition with all of her Amazonian sisters, she was chosen to be the ambassador of her people in the modern world and took on the code-name **Wonder Woman**.

Since embarking on her mission, Princess Diana has grown to become one of the World's Greatest Super Heroes and battles evil as a member of the Justice League of America alongside Superman, Batman, Green Lantern, The Flash and Aquaman.

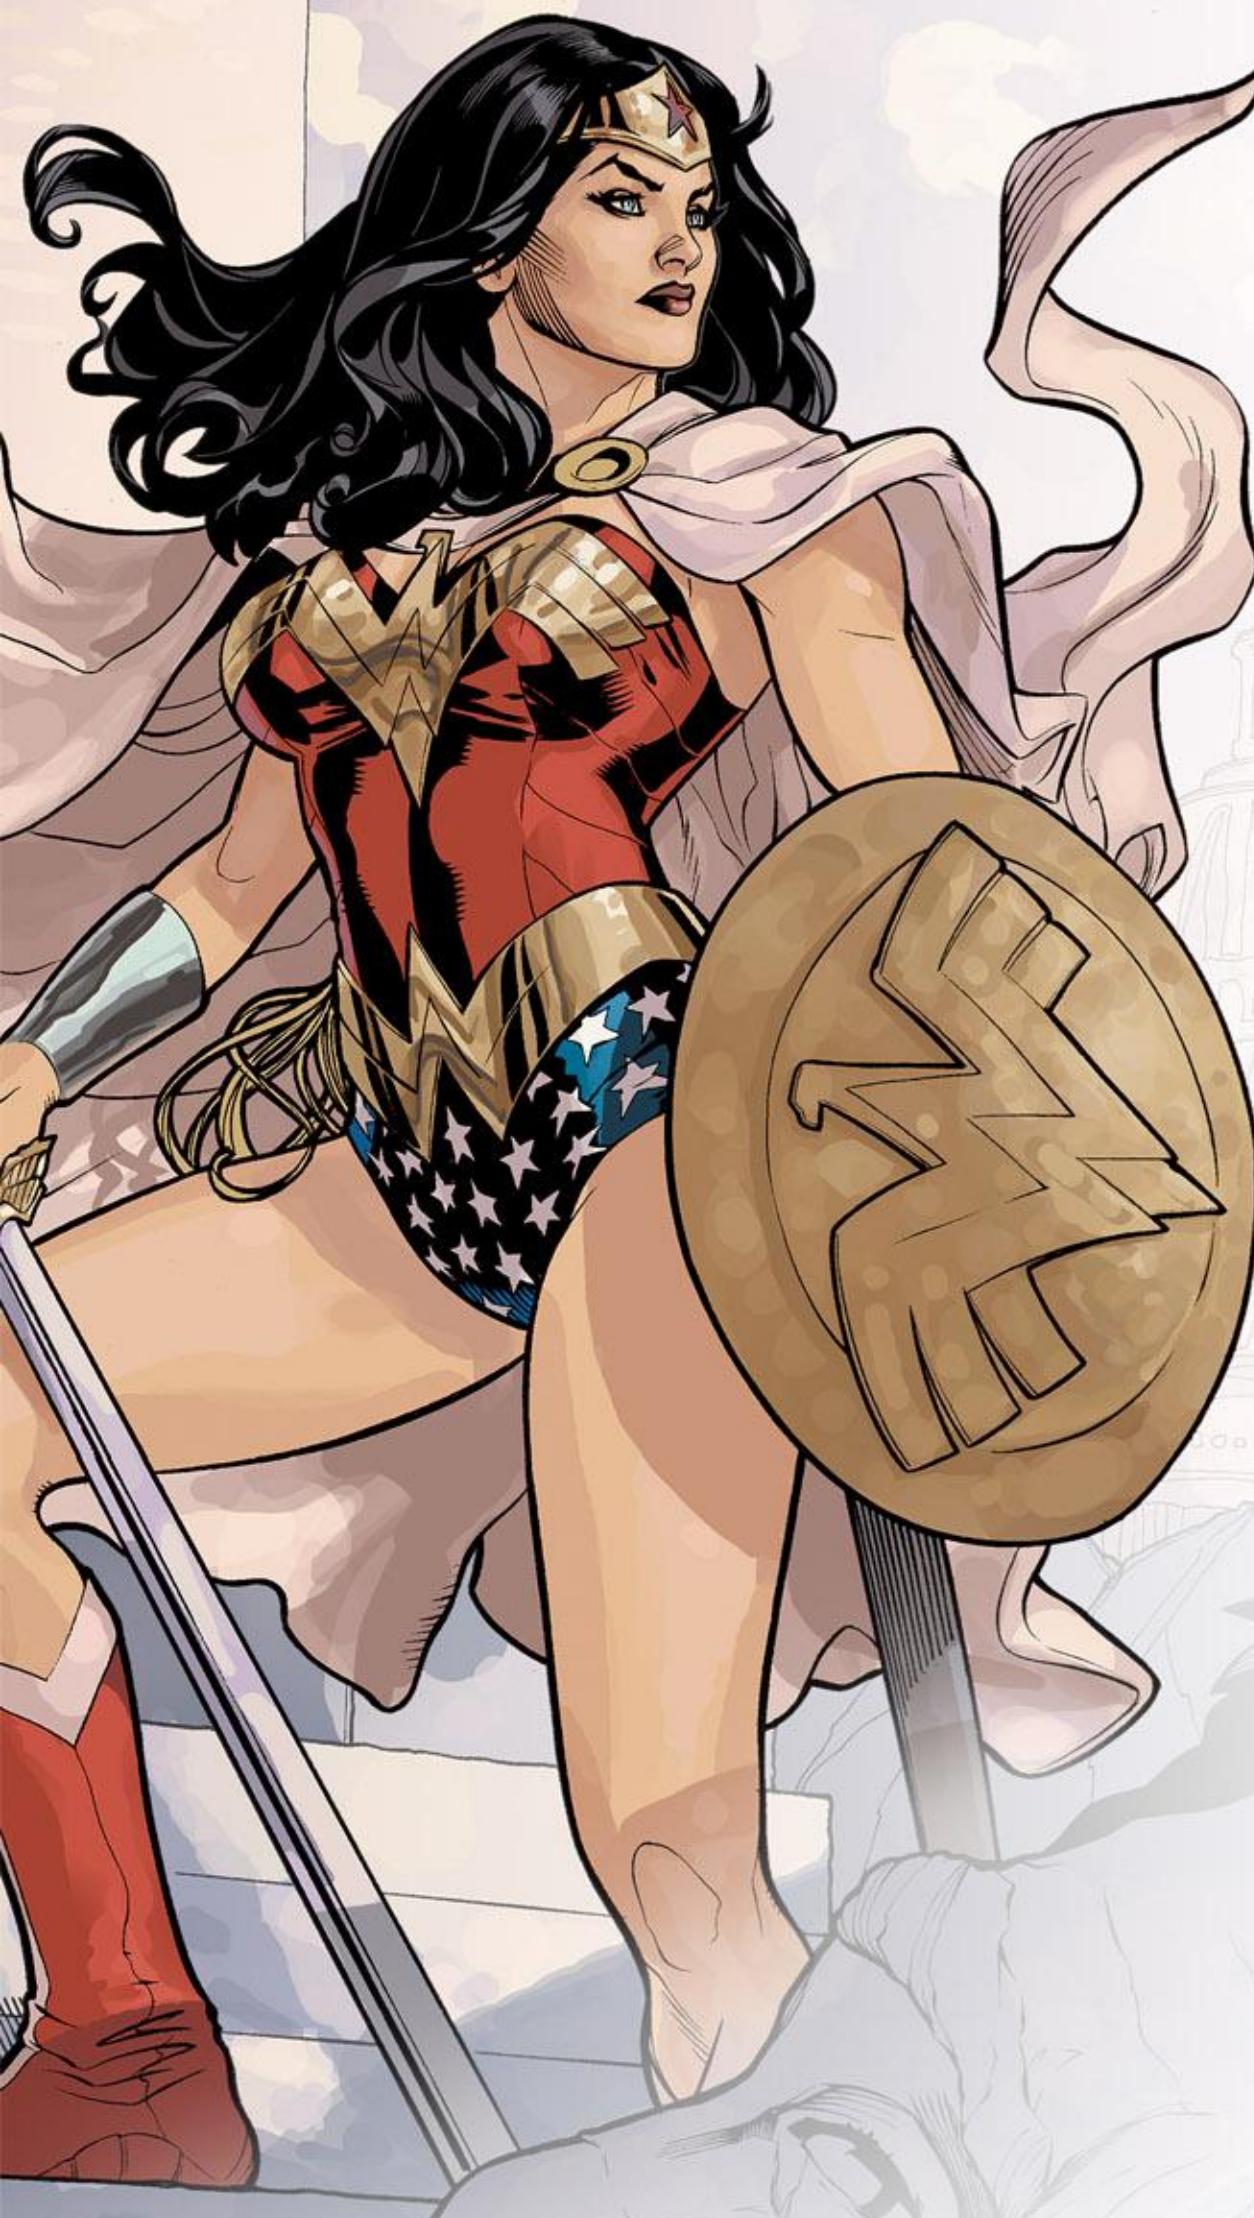

The Amazon Warrior possesses godlike strength, speed, invulnerability and the ability to fly. She uses her unbreakable magic Lasso of Truth and bullet deflecting bracelets to take on an astounding array of villains including the Cheetah, Giganta and Ares, God of War.

To this day, **Wonder Woman** remains a pop culture icon across the globe and serves as an inspiration to fans young and old. From the classic Wonder Woman live-action television series starring Lynda Carter to her appearances in the **Super Friends** and **Justice League**, she has been spotlighted in all forms of media. Now you can read all about her in these 101 Wonder Woman digital comics.
