A high-energy, stylized illustration depicting a confrontation between two characters. On the left, a character is engulfed in intense orange and yellow flames, their body angled forward in a dynamic pose. Their right arm is extended, hand open, as if launching a powerful attack. On the right, another character is surrounded by swirling, translucent purple and blue energy or water, also in a forward-leaning pose. Both characters have glowing white eyes with black pupils. The background is dark, making the bright colors of the flames and energy stand out.
