Dear Editor:

SUPERGIRL #6 was one of the best comics I read in the month of May. It had one of the finest SUPERGIRL tales I've ever had the pleasure to see, as well as a beautiful Melba story.

"Love And War" is one of those quick-moving stories that always hold the readers' interest. I was elated to see the "Maid of Might" keep her head during the impending crisis, and not act like she couldn't cope with the situation; I'm all for a more "human" SUPERGIRL, but if she starts pulling up her hosiery in the middle of a fight, I'll lose faith in you people.

The Melba story, "The Final Cut," is one of the best short stories I've ever read. The plot was beautiful, the action swift. If this is a portent of things to come for Melba, then please give us more of her!

—Joe Peluso, Brooklyn, N.Y.

Dear Joe:

If SUPERGIRL started to behave the way you suggest, WE'D lose faith in OURSELVES!! KARA started life without super-powers, unlike Superman, who has had them since babyhood. So her powers are still somewhat of a new way of life for her . . . Sometimes she doesn't want them at all, and wishes she were just an ordinary person. But she really doesn't want that . . . it's just something to think about. She's actually shaken-up whenever her powers DO zip on-and-off. So if she ever acts like she can't cope with things, it's because she DOES have her problems! But forget her powers and obligations in the middle of a crisis? Never!!

\* \* \* \* \*

Dear Editor:

Once again you talented people at D.C. have given us another thrilling issue . . . SUPERGIRL #6! The treat was opened by a most intriguing cover, which got me to buy the book instantly. This was closely followed by an extremely thought-provoking story, and a breath-taking job of artwork. Then, without any rest, we were greeted by another magical "Melba" tale, and thus the issue was concluded in a very stunning manner. Keep up the enjoyable stories, and I'll keep up with D.C.!

—Barry Rosenstein, Brooklyn, N.Y.

Dear Barry:

My E.S.P. tells me you liked SUPERGIRL #6! Thanks for the great words . . . But have you ever stopped to think how much money you'd save if you and Joe Peluso shared postcards?

\* \* \* \* \*

Dear Editor:

Talk about relevant stories . . . SUPERGIRL #6 was set perfectly. Gang wars and killings and their futility were beautifully brought out in "Love and War!" Gang wars plague many cities, and San Francisco is no exception. John Rosenberger and Vince Colletta did a magnificent job of showing the visual side of the story. But who wrote the script?

—Will D. Nash, Magnolia, N.J.

Dear Will:

"Love and War" was written by Arnold Drake (the creator of "The Doom Patrol"). The comparatively problem-free lifestyle at Vandyre University, and life in the slums made for a contrast that also brought out the best in SUPERGIRL.

\* \* \* \* \*

Dear Editor:

SUPERGIRL #6 was a perfect issue, from the front cover to the last page. As a matter of fact, I liked the cover so much, would it be possible for me to order a poster-size reproduction? Keep up the good work and the great covers!

—Terry Krauter, Oshkosh, Nebraska

Dear Terry:

We get many requests for poster-size blowups of covers, individual pages . . . even single panels! However, we do not produce such things. BUT . . . If you go through gift-shops, card-shops and novelty stores, you'll find posters of Superman and the other D.C. characters. These are made by companies that have D.C.'s permission to sell items based upon our super-heroes. So keep hunting, as it's possible someone will put out a SUPERGIRL poster in the near future!

And in the meantime . . . Keep reading and enjoying!

—Allan Asherman  
Editorial Assistant
