R: Robin's Hana Hana Fruit powers can make any part of her body sprout anywhere, but does that include her voluptuous breasts? "Breast bloom! (like Robin)," something like that (heh). I want her to use that attack on me...

-Person with the Ero Ero Fruit powers

O: "One Flower Bloom," "Two Flower Bloom," "Breast Bloom," that's great! Wait, that's not great at all!! Stop it!! But yeah, she totally could.
