...bore down upon me  
with eyes of shadow  
and night, eyes I could  
not see, only feel.

But it could see  
me, could want  
me. But why?

Hunzzhh....

I don't know how long  
I was unconscious, but  
I knew it wasn't safe.

I had to get home,  
away from the chaos  
and the danger, and a  
sense that something  
had changed.

That everything  
had changed.

--well, at least it's over, and that's good. Right? Peter...?"

Great Tree, I come before you, as my father Odin once did.

Show me what it is that I have felt, for I was in great pain, but the pain came not from within but from without. Something has happened that concerns me.

Now to make this home my own...

And after things are to my liking...

I shall find the one responsible for my release. And show my gratitude.

I am once again Morwen, First Sorceress of Chaos. Dark have been my dreams, but now I am finally awoken in this body.

Interesting... there is a great rift in Midgard, a land they call New York, a place I have seldom visited. It is here I must seek my answers.

But the way is difficult.
